1 Chapter 15A of the General Laws is hereby amended by inserting after section 19E the  
2 following section:-

3 Section 19F. John and Abigail Adams Scholarship Program

4 (a) As used in this section the following words shall, unless the context clearly requires  
5 otherwise, have the following meanings:

26 received.

27 “Scholarship,” the John and Abigail Adams Scholarship established in subsection (b).

28 (b) There shall be a John and Abigail Adams Scholarship awarded to eligible students.  
29 The award shall be equal to the cost of tuition and fees for the eligible program in which the  
30 eligible student is enrolled. The scholarship shall be awarded to an eligible student for a  
31 maximum of eight semesters which shall occur within six years of the eligible student's  
32 graduation from high school; provided, however, that these semesters shall not include summer  
33 terms. The scholarship shall be awarded by eligible institutions at no cost to said eligible  
34 institutions.

35 (c) Within one month of the end of each academic year, each high school located in  
36 Massachusetts shall provide the Office of Student Financial Assistance with a list of students  
37 who finished the eleventh grade in the top 10 percent of their high school class in terms of  
38 cumulative grade point average. Within three months of the end of the academic year, the Office  
39 of Student Financial Assistance shall provide the identified students with a letter informing them  
40 that their grade point average makes them eligible for the scholarship, provided that they meet  
41 the other eligibility requirements. The Office of Student Financial Assistance shall annually  
42 provide each eligible institution with a list of students who finished the eleventh grade in the top  
43 10 percent of their high school class in terms of cumulative grade point average. Institutions may  
44 use this list to verify student eligibility for the scholarship.

45 (d) Each student shall be responsible for submitting documentation of eligibility for the  
46 scholarship to the eligible institution where the student will enroll. Upon verifying the student's  
47 eligibility, the eligible institution shall award the scholarship.

48 (e) Each eligible institution shall maintain documentation of each scholarship recipient's  
49 eligibility for the scholarship. The commissioner shall require each campus to furnish annually to

50 the Board of Higher Education a report detailing specific information regarding recipients of the  
51 scholarship. The Office of Student Financial Assistance shall coordinate specification and  
52 procedures for this report. All financial books, records and documents pertaining to this program  
53 shall at all times be open to inspection, review, and audit by the commissioner, the state auditor,  
54 or their authorized representatives, who shall have access to the premises wherever such books,  
55 records, and documents are located. Each eligible institution shall retain such financial books,  
56 records, and documents for seven years. An eligible institution may retain such records for a  
57 period of five years if approval is received from the Records Conservation Board in accordance  
58 with section 42 of chapter 30.

59 (f) The Board of Higher Education shall annually evaluate the effectiveness of this  
60 program to determine if adjustments to the eligibility criteria are necessary. The Board of Higher  
61 Education shall also conduct an annual comprehensive evaluation to assess the program's  
62 effectiveness, the results of which shall be reported to the Department of Higher Education, the  
63 Joint Committee on Higher Education, the Senate Committee on Ways and Means, and the  
64 House Committee on Ways and Means.
