123 campus safety at public and private institutions of higher education. The officer shall coordinate,
124 aggregate and disseminate best practices, training opportunities and other resources to further the
125 goal of enhanced campus safety at an institution of higher education. The board of higher
126 education shall promulgate regulations to establish and implement the role and responsibilities of
127 the campus safety advisor including, but not limited to, establishing minimum standards for
128 campus security and safety issues.

129 (f) An institution of higher education shall make publicly available on its website the
130 following information: (i) the total number of allegations of dating violence, domestic violence,
131 sexual assault and stalking made by a student or employee of the institution against another
132 student or employee of the institution in an aggregate format and the institution shall update the
133 information not less than every 6 months; (ii) the telephone number and website for a local, state
134 or national 24-hour hotline providing information to a reporting party of dating violence,
135 domestic violence, sexual assault or stalking; (iii) the name and contact information for the
136 institution's Title IX coordinator; (iv) the name and contact information for a confidential
137 resource advisor and a description of the role of and services provided by the confidential
138 resource advisor, which shall be updated on a timely basis; and (v) the name and location of the
139 nearest medical facility where an individual may request a sexual assault evidence collection kit
140 be administered by a trained sexual violence forensic health care provider, including information
141 on transportation options and reimbursement for travel costs, if any.

142 (g) Each institution of higher education shall annually, by October 1, transmit to students
143 via electronic mail its policies and procedures concerning the reporting and investigation of an

144 allegation of dating violence, domestic violence, sexual assault and stalking made by a student or
145 employee of the institution against another student or employee of the institution in accordance
146 with section 168D of chapter 6.

147 (h) Upon receiving a report of dating violence, domestic violence, sexual assault or
148 stalking, each institution of higher education shall provide an objectively clear and easily
149 understood notification of the reporting and accused party's rights and options under the
150 institution's dating violence, domestic violence, sexual assault or stalking policies to the
151 reporting party and the accused party, when feasible.

152 (i) An institution of higher education shall enter into and maintain a memorandum of
153 understanding with at least 1 community-based department of public health funded sexual assault
154 crisis service center and at least 1 community-based department of public health funded domestic
155 violence agency to: (i) provide an off-campus alternative for a reporting party to receive sexual
156 assault crisis services in response to dating violence, domestic violence, sexual assault or
157 stalking; (ii) ensure that a student or employee of the institution may access free and confidential
158 counseling and advocacy services, either on-campus or off-campus; and (iii) encourage
159 cooperation and trainings between the institution and the service center or agency to ensure an
160 understanding the roles that the institution, service center and agency should play in responding
161 to reports and disclosures of dating violence, domestic violence, sexual assault or stalking
162 against students and employees of the institution and the institution's protocols for providing
163 support and services to such students and employees.

164 The memorandum of understanding may include an agreement, including a fee structure,
165 for the sexual assault crisis service center or domestic violence agency to provide confidential

166 victim services. Confidential victim services may include: case consultation and training fees for
167 confidential resource advisors; consultation fees for the development and implementation of
168 student education and prevention programs; the development of staff training and prevention
169 curriculum; and confidential on-site office space for an advocate from a sexual assault crisis
170 service center or domestic violence agency to meet with a reporting party.

171 The department of higher education may grant a waiver of this requirement to an
172 institution that demonstrates that the institution acted in good faith but was unable to obtain a
173 signed memorandum.

174 (j) Each institution of higher education shall provide a method for anonymously reporting
175 an incident of dating violence, domestic violence, sexual assault or stalking that involves a
176 student or employee of the institution. An institution shall ensure that students and employees are
177 aware of the institution's obligations under state or federal law to: (i) investigate or address, to
178 the extent possible, the alleged dating violence, domestic violence, sexual assault or stalking,
179 including when the alleged act was reported anonymously; (ii) assess whether the report triggers
180 the need for a timely warning or emergency notification under 34 CFR 668.46(e), the obligations
181 of which may, in limited circumstances, result in the release of the reporting party's identity; and
182 (iii) disclose the identity of a reporting party to another student, an employee or a third party.

183 (k) A reporting party or witness to an investigation of dating violence, domestic violence,
184 sexual assault or stalking shall not be subject to a disciplinary sanction for a violation of the
185 institution's student conduct policy related to the incident unless the institution determines that
186 the report was not made in good faith or that the violation was egregious. An egregious violation

187 shall include, but shall not be limited to, an action that places the health and safety of another
188 person at risk.

189 (l) Each institution of higher education shall establish a campus security policy that
190 includes the designation of at least 1 confidential resource advisor at the institution to whom a
191 party reporting dating violence, domestic violence, sexual assault or stalking can report
192 anonymously or directly. The confidential resource advisor may have another role at the
193 institution; provided, however, that the confidential resource advisor shall not be an employee
194 designated as a responsible employee, as defined in subsection (a), a student or a Title IX
195 coordinator.

196 The institution shall designate existing categories of employees that may serve as
197 confidential resource advisors. The designation of an existing category of employees shall not
198 preclude the institution from designating a new or existing employee or partnering with a local,
199 state or national victim services organization to serve as a confidential resource advisor or to
200 serve in another confidential role. An institution may partner with an outside victim advocacy
201 organization to provide a confidential resource advisor under this section. An institution that
202 enrolls fewer than 1,000 students may partner with another institution in the region or within the
203 state to provide the services under this section.

204 The role of the confidential resource advisor shall be to serve as a liaison for a reporting
205 party. If requested by the reporting party, the confidential resource advisor shall provide
206 information on: (i) reporting options and the effects of each option; (ii) counseling services
207 available through a local, community-based rape crisis center or domestic violence program;
208 (iii) administrative, medical and health services available on-campus and off-campus; (iv)

209 available academic accommodations; (v) the disciplinary process of the institution; and (vi) the
210 legal process carried out through local law enforcement. The confidential resource advisor shall
211 receive training in the awareness and prevention of dating violence, domestic violence, sexual
212 assault and stalking and in trauma-informed response and coordinate with on-campus and off-
213 campus sexual assault crisis services and, if directed by the reporting party, campus or local law
214 enforcement and may, as appropriate, assist the reporting party in contacting or reporting to
215 campus or local law enforcement. The confidential resource advisor shall coordinate with the
216 institution to arrange interim protective measures to allow the reporting party to change
217 academic, living, campus transportation or working arrangements in response to the alleged
218 assault, stalking or violence.

219 The confidential resource advisor shall also advise the reporting party of the parties’
220 rights and the institution's responsibilities regarding a protection order, no contact order, and
221 other lawful orders issued by the institution or a criminal, civil or tribal court.

222 The confidential resource advisor shall not be required to report an incident to the
223 institution or law enforcement unless otherwise required to do so by state and federal law and
224 shall provide confidential services to students and employees. A request for a possible interim
225 protective measure to change an academic, living, campus transportation or working situation in
226 response to alleged dating violence, domestic violence, sexual assault or stalking made by a
227 confidential resource advisor shall not constitute notice to a responsible employee for Title IX
228 purposes.

229 The website of the institution shall list: reporting options for a reporting party; the
230 process of investigation and adjudication by the institution; and the process for requesting a

231 possible interim protective measure, when reasonable and available, to change an academic,
232 living, campus transportation or working situation in response to alleged dating violence,
233 domestic violence, sexual assault or stalking.

234 If a conflict of interest arises for an institution in which a confidential resource advisor is
235 advocating for the reporting party's need for sexual assault crisis services or campus or law
236 enforcement services, the institution shall not discipline, penalize or otherwise retaliate against
237 the confidential resource advisor for representing the interest of the reporting party.

238 A confidential resource advisor may attend an administrative or institution-based
239 adjudication proceeding related to such elderly and disabled consumers as the advisor or support
240 person of the reporting party's choice.

241 Unless otherwise required by federal or state law, a confidential resource advisor shall
242 not disclose a confidential communication without the prior written consent of the reporting
243 party; provided, however, that nothing in this section shall be construed to limit a defendant's
244 right of cross examination of the advisor in a civil or criminal proceeding if the advisor testifies
245 after written consent has been given. A confidential communication shall not be subject to
246 discovery and shall be inadmissible in a criminal or civil proceeding without the prior written
247 consent of the reporting party. Information provided to the confidential resource advisor shall not
248 be released to a campus official or law enforcement unless written consent is given by the
249 reporting party. A confidential resource advisor shall not act as a counselor or therapist unless
250 the confidential resource advisor holds a valid license under chapter 112 and the reporting party
251 engages the confidential resource advisor in that capacity. The privileges available under chapter
252 233 shall apply.

253 (m) Each institution of higher education shall provide: (i) mandatory annual dating
254 violence, domestic violence, sexual assault and stalking primary prevention and awareness
255 programming for newly enrolled students and newly hired employees of the institution that
256 includes: (A) an explanation of consent in a sexual relationship; (B) the role drugs and alcohol
257 play in an individual's ability to consent; (C) information on options relating to the reporting of
258 an instance of dating violence, domestic violence, sexual assault or stalking, the effects of each
259 option and methods to report an incident of dating violence, domestic violence, sexual assaults or
260 stalking, including confidential and anonymous disclosure; (D) the name, contact information
261 and role of the confidential resource advisor; and (E) strategies for bystander intervention and
262 risk reduction; and (ii) opportunities for ongoing dating violence, domestic violence, sexual
263 assault and stalking prevention and awareness campaigns and programming.

264 (n) Notice to a confidential resource advisor of an alleged act of sexual assault, domestic
265 violence, dating violence or stalking or a confidential resource advisor's performance of a
266 service under this section shall not be considered actual or constructive notice of such an alleged
267 act to the institution of higher education at which the confidential resource advisory is employed
268 or provides contracted services.

269 (o) Each institution of higher education in the state shall employ responsible employees,
270 as defined in subsection (a), who shall be responsible for reporting cases of dating violence,
271 domestic violence, sexual assault and stalking to the Title IX coordinator of the institution.
272 Responsible employees shall complete minimum training requirements as determined by the
273 department of higher education in coordination with the attorney general and that include
274 training by a local, state or national victim services organization and shall be responsible for
275 providing a student or employee of the institution who reports that the student or employee has

276 been a reporting party of dating violence, domestic violence, sexual assault, or stalking whether
277 the offense occurred on or off campus, with a written explanation of the student or employee's
278 rights and options, as described in section 168D of chapter 6.

279 (p) An individual who participates in the implementation of an institution of higher
280 education's disciplinary process, including an individual responsible for resolving complaints of
281 reported incidents, shall have training or experience in handling dating violence, domestic
282 violence, sexual assault and stalking complaints and the operations of the institution's
283 disciplinary process. The training shall include, but not be limited to: (i) information on working
284 with and interviewing persons subjected to dating violence, domestic violence, sexual assault and
285 stalking; (ii) information on particular types of conduct that constitute dating violence, domestic
286 violence, sexual assault and stalking including same-sex dating violence, domestic violence,
287 sexual assault and stalking; (iii) information on consent and the role drugs and alcohol can play
288 in the ability to consent; (iv) the effects of trauma including neurobiological impact on a person;
289 (v) cultural awareness training regarding how dating violence, domestic violence, sexual assault
290 and stalking may impact students differently depending on a student's cultural background; and
291 (vi) ways to communicate sensitively and compassionately with a reporting party of dating
292 violence, domestic violence, sexual assault or stalking including, but not limited to, an awareness
293 of responding to a reporting party with consideration of that party's cultural background and
294 providing services to or assisting in locating services for the reporting party.

295 (q) Each institution of higher education shall ensure that its Title IX coordinator and
296 members of its special or campus police force or the campus safety personnel employed by the
297 institution are educated in the awareness and prevention of dating violence, domestic violence,
298 sexual assault and stalking and in trauma-informed response.

299 (r) Notwithstanding any general or special law to the contrary, a member of the state
300 police or a local police department who acts as a first responder to a report of dating violence,
301 domestic violence, sexual assault or stalking at an institution of higher education shall receive
302 training in the awareness and prevention of dating violence, domestic violence, sexual assault
303 and stalking and in trauma-informed response, subject to appropriation.

304 (s) Each public institution of higher education shall integrate a threat response program to
305 be used for emergency communications both on-campus and off-campus. The program shall: (i)
306 collect a variety of formatted data that is relevant to campus public safety and state and local
307 emergency and first responder agencies including photographs of individuals, physical
308 descriptions, medical conditions, allergies, household data, primary language indicator and
309 emergency contacts; (ii) allow for information to be entered by an individual via a secure website
310 and mobile handset application in which the individual may provide information; (iii) be
311 compliant with the accessibility requirements under section 508 of the federal Rehabilitation Act
312 of 1973, 29 U.S.C. 794d; (iv) manage the accuracy and timeliness of the data through a reminder
313 process, at least twice per year, requesting application users to keep their data up-to-date; (v)
314 automatically display data provided by an individual to campus safety and 911 call takers when
315 an emergency call is placed from a registered and confirmed phone number; (vi) support the
316 delivery of application user information via a secure internet connection to a campus public
317 safety office and the public safety answering points within the commonwealth; (vii) work across
318 every campus and be compatible with emergency call taking equipment in the commonwealth;
319 (viii) make data available to first responders; (ix) allow for the submission of anonymous or
320 confidential crime tips via a handset application or by texting into a designated short code; and
321 (x) support a user's ability to initiate a timer via the handset application that allows for at least 1

322 individual to view the user's location information for a specified period of time in order to assist
323 in the event of an emergency.

324 (t) Annually, by October 1, an institution of higher education shall prepare and submit to
325 the department of higher education, the department of public health, the clerks of the senate and
326 house of representatives, and the senate and house chairs of the joint committee on higher
327 education a report that includes the following information on dating violence, domestic violence,
328 sexual assault and stalking: (i) the total number of allegations of dating violence, domestic
329 violence, sexual assault and stalking reported to the institution's Title IX coordinator by a
330 responsible employee, student or employee of the institution against another student or employee
331 of the institution; (ii) the number of cases made by a student or employee of the institution
332 against another student or employee of the institution investigated by local or state law
333 enforcement, if known; (iii) the number of students found responsible for violating an
334 institution's policies prohibiting sexual assault; (iv) the number of students found not responsible
335 for violating an institution's policies prohibiting sexual assault; and (v) the number of students
336 separated from the institution as a result of a finding of responsibility for violating an
