The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act empowering patients and entrepreneurs with real transparency on cost.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 10 of said chapter 12C, as so appearing, is hereby amended by
2 striking out subsection (e) and inserting in place thereof the following:-

3 (e) The center shall under the procedures established by Medicare release at least
4 annually all hospital data including payment and utilization information for services that may be
5 provided in connection with at least the 100 most common inpatient stays. The center may
6 release claims data on at least the 10 most expensive kinds of inpatient stays on average by
7 payer. The center shall release claims data on the 100 most common outpatient procedures. The
8 center may release claims data on the 10 most expensive kinds of outpatient procedures. The
9 center shall release physician, practitioner, and other supplier utilization and payment data that
10 consists of information on services and procedures provided to patients by physicians and other

11 healthcare professionals. The data shall show at least allowed amounts and submitted charges,
12 for those services and procedures by provider. It should allow for comparisons by physician,
13 specialty, location, types of medical services and procedures delivered, payment and submitted
14 charges. Claims for providers that have provided less than five of a certain procedures or service
15 to patients may be excluded by the center. The center shall release claims data on the 100 most
16 commonly prescribed drugs, and the 10 most expensive rugs on average by payer. The center
17 may release any other related claims data the center already collects as part of the categories
18 listed above.

19 The center shall not be required to build a consumer tool to sort the date, but at a
20 minimum must make it available to the public on their website on an annual basis in a raw but
21 useable form. The center may also incorporate any of the released data listed above into their
22 consumer health information website as established in section 20 of chapter 12C.
