8 program at an institution of higher education.

9           “Institution of higher education”, a public or private college, university, community

16           (b) An institution of higher education shall provide each accepted applicant with a

23 sheet that is readable on a mobile device; or (iii) both.

24           (c) An institution of higher education may provide additional financial aid information on
