

SENATE No. 850

The Commonwealth of Massachusetts

PRESENTED BY:

Moore, Richard (SEN)

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act to Establish a Vision Care Registry

PETITION OF:

NAME:

Moore, Richard (SEN)

DISTRICT/ADDRESS:

Worcester and Norfolk

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. S01273 OF.]

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

AN ACT TO ESTABLISH A VISION CARE REGISTRY.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 111 of the General Laws, as most recently appearing in the 2006
2 Official Edition, is hereby amended by inserting after section 111C, the following new section:-

3 Section 111D. Vision care registry; reports

4 Section 111D. The department shall, subject to appropriation, establish a registry to record
5 reports of failure to receive or pass the vision test required by section 57 of chapter 71 of the
6 General Laws, and such information concerning these cases as it shall deem necessary and
7 appropriate in order to monitor the results of eye examinations and to apply appropriate
8 preventive and control measures, including monitoring treatment for vision impairment
9 identified by such tests.

10 The commissioner shall require the reporting of any child who fails to receive or pass the vision
11 test required in said section 57, and the submission of such specified additional information on
12 reported cases or control populations as he deems necessary and appropriate for the recognition,

13 prevention, or control of eye diseases or conditions, as well as the treatment received in each
14 case.

15 The department shall, subject to appropriation, maintain comprehensive records of all reports
16 submitted pursuant to this section. Such reports shall be confidential in accordance with section
17 seventy of chapter 111, and shall be released by the department only upon written request of the
18 patient, his guardian, executor, attorney, or other person designated in writing by said patient.

19 Such reports and records or information contained therein, may also be released by the
20 department to persons authorized by the commissioner to conduct research studies or to other
21 persons, but no such studies shall identify the subjects of said reports or records.

22 Nothing in this section shall be construed to compel any individual to submit to medical or
23 department examination or supervision.

24 The department shall make such rules and regulations as are necessary to implement the
25 provisions of this section pursuant to chapter thirty A.

26 **SECTION 2.** The department shall establish a special commission on childhood vision screening
27 and treatment to work in conjunction with the vision care registry to study the success of the
28 vision test required by section 57 of chapter 71 in ensuring that all children receive eye
29 examinations and appropriate preventive and control measures, including monitoring treatment
30 for vision impairment identified by such tests. The commission shall consist of the
31 commissioner of the department of public health or his designee, the commissioner of the
32 department of elementary and secondary education or his designee, a member of the
33 Massachusetts Vision Coalition, a member of the Massachusetts School Nurses Organization, a
34 member of the Massachusetts Society of Optometrists, and a member of the Massachusetts

35 Society of Eye Physicians and Surgeons, a member of the Massachusetts Association of
36 Nonprofit Schools and Colleges. The commissioner of the department of public health or his
37 designee shall chair the commission.

38 b) The Commission on Childhood Vision Screening and Treatment shall review the
39 commonwealth's success at screening and treating all of its school age children for vision
40 impairments and eye disease, identify populations that do not receive screening, and explore the
41 impacts of vision screening and treatment on the commonwealth educational outcomes. The
42 commission shall:

43 1) Review the success of public schools in meeting the vision screenings requirements in
44 section 57 of chapter 71

45 2) The rate at which children diagnosed with vision impairments under section 57 of chapter
46 71 receive treatment for such impairments

47 3) The rate at which those schools that do not fall under the vision screening requirements in
48 section 57 of chapter 71 receive testing and treatment

49 4) Identify childhood populations that do not receive vision screenings, either under chapter
50 71 or through some other health care provider

51 5) Explore the impact of failing to receive vision screening and treatment with education
52 outcomes

53 c) The Commission on Childhood Vision Screening and Treatment shall submit a report to the
54 secretary of health and human services, the commissioner of the department of public health, the
55 commissioner of the department of education, the joint committee on health care financing, and

56 the joint committee on public health no later than six months after its establishment that includes
57 findings under subsection (b), recommendations and suggested legislation. The report must
58 include recommendations for:

59 1) Ways to enhance the school-aged vision screening program in the commonwealth to
60 ensure that all children receive vision screening

61 2) Ways of coordinating school – based vision screening with the public and private health
62 sectors so that children diagnosed with a vision impairment or potential vision impairment can
63 receive treatment for these impairments

64 This Commission shall dissolve after submission of its report.

65 SECTION 3. Report to the Department of Public Health Vision Care Registry

66 Section 57 of chapter 71 of the General Laws, as most recently appearing in the 2006 Official
67 Edition, is hereby amended by inserting after the first paragraph the following:-

68 The committee, or the board of health in those municipalities where school health services are
69 the responsibility of the board of health, shall submit an annual report to the Vision Registry in
70 the Department of Public Health outlining the results of its vision screening performed under this
71 chapter. The report shall include:

72 (a) the number of students needing vision screening

73 (b) the number of these eligible students who received screening

74 (c) the number of eligible students who did not receive screening

75 (d) the number of screened students found to have potential vision impairments

76 Section 57 of chapter 71 of the General Laws, as most recently appearing in the 2004 Official
77 Edition, is hereby amended by inserting in the first sentence of the second paragraph, after the
78 word “written,” the words “or electronic,” and by inserting at the end of the sentence, the phrase,
79 “and to the Vision Care Registry established pursuant to this act.”
