SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

#### **Article – Natural Resources**

5–1203.

(a) In order to assure that an increasing population, accompanied by expanding settlement and growing mechanization, does not occupy and modify all areas within the State, leaving no lands designated for preservation and protection in their natural condition, it is the policy of the General Assembly to secure for the people of present and future generations the benefits of an enduring resource of State wildlands. For this purpose there is established a State wildlands preservation system composed of areas in the State designated by the General Assembly as “wildland areas”. The wildland areas shall be administered for the use and enjoyment of the

people of Maryland in a manner that will leave them unimpaired for the future use and enjoyment as wildlands, to provide for their protection, preservation of their wildland character, and for gathering and dissemination of information regarding their use and enjoyment as wildlands. A State land may not be designated as “wildland areas” except as provided for in this section or by a subsequent act.

(b) Pursuant to the provisions of subsection (a) of this section that property in Garrett County containing approximately [2,691] **2,879** acres and described as follows is a Type 1 State wildland and shall be named the “Big Savage Mountain Wildland”:

[Beginning at the White Water primitive camping area and proceeding counterclockwise (S 75° E) approximately 4,000 feet, then (N 40° W) approximately 3,500 feet to a point 200 feet south of Big Savage Mountain Hiking Trail, then in a northeasterly direction along the eastern slopes of Big Savage Mountain 200 feet south of and parallel to the Big Savage Mountain Hiking Trail until it intersects with High Rock Tower Road, then west along the High Rock Tower Road to a line 50 feet from High Rock Firetower, then circling the tower counterclockwise to the south no closer than 50 feet to the tower to a point due west of the tower, then northwest directly down slope to the State forest boundary line and continuing along the boundary line southwest, passing south around Rhodes Hill, turning north and northeast until the property line intersects with Saw Mill Hollow Trail, then 200 feet north of and parallel to Saw Mill Hollow Run until it intersects with Savage River, then southwest along the east bank of Savage River to the lake and then south along the lake shore returning to the White Water primitive camping area and also from the point 200 feet north of Saw Mill Hollow Run where it intersects with the Savage River, following the east bank of the Savage River and then proceeding clockwise in a northerly direction 600 feet to private land then east 800 feet, then northerly about 1,400 feet and then westerly 300 feet again to the bank of Savage, then leaving private land and following the river bank, generally northeasterly about 17,000 feet to a large transmission line (about 1,500 feet north of Warnick Point) then leaving Savage River and with the southern margin of that transmission line easterly 2,700 feet to private land and then with private land southwesterly 1,000 feet, then leaving private land and crossing Savage River State Forest southwesterly 2,700 feet, then again with private land southwesterly 900 feet, then southeasterly 2,200 feet and then southwesterly 4,200 feet and then northwesterly 1,700 feet and then southwesterly 1,800 feet and then southeasterly 1,800 feet and then southwesterly 2,200 feet and then northwesterly 1,100 feet and then southwesterly 2,500 feet and then southeasterly 200 feet to a point 200 feet north of Saw Mill Hollow Run, then leaving private land and running with and parallel to Saw Mill Hollow Run and 200 feet north of the same, generally southwesterly 2,300 feet to the beginning point of Savage River.]
