 22 Article.

23 (b) It is further provided that when an equal and matching fund is specified
 24 in Section 1(3), Items ZA00 through ZB02 above, grantees shall provide a matching fund
 25 equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the
 26 matching fund certified by the Board of Public Works. If satisfactory evidence is presented,
 27 the Board shall certify this fact and the amount of the matching fund to the State Treasurer
 28 and the proceeds of the loan equal to the amount of the matching fund shall be expended
 29 for the purposes provided in this Act. If this evidence is not presented by June 1, 2019, the
 30 proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State
 31 Finance and Procurement Article. The proceeds of any amount of the loan in excess of the
 32 matching fund certified by the Board of Public Works shall also be applied to the purposes
 33 authorized in § 8–129 of the State Finance and Procurement Article.

34 (6) (a) Prior to the issuance of the bonds, unless the Maryland Historical Trust
 35 determines that the property to be assisted by a grant under Section 1(3) Items ZA00
 36 through ZB02 of this Act is not significant, is significant only as a contributing property to
 37 a historic district listed in the Maryland register of historic properties, is a type that is
 38 already adequately represented among the Trust’s existing easement properties, is already
 39 subject to a perpetual historic preservation easement acceptable to the Trust, or conditions
 40 peculiar to the property make an easement impractical, the grantee shall grant and convey
 41 to the Maryland Historical Trust a perpetual preservation easement to the extent of its
 42 interest:

1 (i) On the portion of the land necessary to preserve the historic
2 setting of the capital project assisted by the grant; and

3 (ii) On the exterior and interior, where appropriate, of the historic
4 structures affected by the construction or renovation project assisted by the grant.

5 (b) If the grantee or beneficiary of the grant holds a lease on the land and
6 structures, the Trust may accept an easement on the leasehold interest.

7 (c) The easement must be in form and substance acceptable to the Trust,
8 and the extent of the interest to be encumbered must be acceptable to the Trust, and any
9 liens or encumbrances against the land or the structures must be acceptable to the Trust.

10 (d) (i) A grantee may appeal a perpetual preservation easement
11 determination made by the Maryland Historical Trust or the Director under subparagraph
12 (a) of this paragraph to the Maryland Historical Trust Board of Trustees.

13 (ii) The decision by the Maryland Historical Trust Board of Trustees
14 is final and is not subject to further administrative appeal or judicial review.

15 (7) The proceeds of the loan must be expended or encumbered by the Board of
16 Public Works for the purposes provided in this Act no later than June 1, 2024. If any funds
17 authorized by this Act remain unexpended or unencumbered after June 1, 2024, the
18 amount of the unexpended or unencumbered authorization shall be canceled and be of no
19 further force and effect. If bonds have been issued for the loan, the amount of unexpended
20 or unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State
21 Finance and Procurement Article.

22 (8) Multiple grants provided to the same organization in this Section are in
23 addition to one another. Unless otherwise provided, any matching fund requirements apply
24 to each individual grant.

25 (9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of
26 Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02
27 above notwithstanding technical differences in:

28 (i) The name of the grantee or the description of the project, provided
29 that the proposed use of funds is consistent with the public purpose of the original
30 appropriation; or

31 (ii) The location of the project, provided that the proposed location is
32 within the county specified in the original appropriation.

33 (b) The Department of Budget and Management shall notify the Office of
34 Policy Analysis within the Department of Legislative Services in writing of:

(i) The technical differences between an appropriation in Sections 1(3) Items ZA00 through ZB02 above and the proposed use of the funds; and

(ii) The justification that the proposed use of the funds is consistent with the public purpose of the appropriation.

(c) (i) The Office of Policy Analysis shall have 45 days to review and comment on the proposed use of the funds.

(ii) If the Office of Policy Analysis does not submit written objections within 45 days, the Department of Budget and Management shall provide certification in writing to the Board of Public Works that the proposed use of funds may be approved notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00 through ZB02 above.
