28 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
29 That the Laws of Maryland read as follows:

30 **Article – Agriculture**

31 2–503.

32 (a) (1) The Maryland Agricultural Land Preservation Foundation shall be
33 governed and administered by a board of trustees composed of:

34 (i) The [State Treasurer, the] Comptroller, the Secretary of
35 Planning, and the Secretary, all of whom shall serve as ex officio members;

1 (ii) Nine members from the State at-large to be appointed by the
2 Governor, at least six of whom shall be farmer representatives who are engaged in or
3 retired from active farming from different areas of the State, and four of whom shall be
4 appointed as follows:

5 1. One from a list of three nominees submitted by the
6 Maryland Agricultural Commission;

7 2. One from a list of three nominees submitted by the
8 Maryland Farm Bureau;

9 3. One from a list of three nominees submitted by the
10 Maryland State Grange; and

11 4. One from a list of three nominees submitted by the Young
12 Farmers Advisory Board; and

13 (iii) Any designee appointed by an ex officio member under
14 paragraph (3) of this subsection.

15 2-510.

16 (a) An owner of agricultural land whose application to sell an easement has been
17 approved by the county under this subtitle may sell an easement to the Foundation on the
18 contiguous acreage of the agricultural land, subject to the requirements of this subtitle and
19 regulations of the Foundation.

20 (b) In order to be considered by the Foundation, an application to sell shall:

21 (1) Be received by the board at a time the board determines for the fiscal
22 year in which the application is to be considered;

23 (2) Include an asking price at which the owner is willing to sell an
24 easement; and

25 (3) Include a complete description of the land for the proposed easement.

26 (c) The board shall determine the maximum number of applications that it will
27 accept from each county in each offer cycle.

28 (d) **(1)** Within 30 days after the receipt of an application from the county
29 governing body, the Foundation shall notify the landowner and the county governing body
30 of the receipt and sufficiency of the application.

31 **(2)** If the original application is insufficient, the Foundation shall specify
32 the reason for insufficiency, and the Foundation shall grant an additional 30 days for the
33 landowner to remedy the insufficiency.

1 **(3)** If the application is made sufficient within 30 days of the notification
2 by the Foundation, the application shall be considered as if it had originally been submitted
3 in a timely and sufficient manner.

4 (e) **(1)** If the application is submitted to the Foundation prior to county
5 approval, then within 60 days of the notification of sufficiency of the application, the county
6 governing body shall advise the Foundation as to the county's approval or disapproval of
7 the application.

8 **(2)** The Foundation shall grant a 30-day extension of this approval period
9 if the county governing body applies to the Foundation for an extension and states its
10 reasons for seeking an extension.

11 (i) **(1)** [Upon] **ON** approval of a majority of the board members at-large, and
12 [upon] **ON** the recommendation of [the State Treasurer and] the Secretary, an application
13 to sell shall be approved, and an offer to buy containing the specific terms of the purchase
14 shall be tendered to the landowner.

15 **(2)** An offer to buy may specify terms, contingencies, and conditions not
16 contained in the original application.

17 (k) (1) **(I)** At the time of settlement of the purchase of an easement, the
18 landowner and the Foundation may agree [upon] **ON** and establish a schedule of payment
19 such that the landowner may receive consideration for the easement in a lump sum, in
20 installments over a period of up to 10 years from the date of settlement, or as provided in
21 an installment purchase agreement under paragraph (3) of this subsection.

22 **(II)** At the time of settlement, the Foundation shall notify in writing
23 each landowner who sells an agricultural easement to the Foundation of the schedule of
24 anticipated ranges of interest rates to be paid on any unpaid balance after the date of
25 settlement.

26 (2) (i) If a schedule of installments is agreed [upon] **ON**, the
27 Comptroller shall retain in the Maryland Agricultural Land Preservation Fund an amount
28 of money sufficient to pay the landowner according to the schedule.

29 (ii) **1.** The landowner shall receive interest on any unpaid
30 balance remaining after the date of settlement.

31 **2.** The State Treasurer shall invest the unpaid balance
32 remaining after the date of settlement in a certificate or certificates of deposit at the
33 maximum interest rate offered by a bank servicing the State or at such other institutions
34 which pay the maximum interest rates payable on time and savings deposits at federally
35 insured commercial banks selected by the Treasurer, to mature in accordance with an
36 agreed [upon] **ON** schedule of installments as provided in this section.

1 **3.** Any interest earned on the invested unpaid balance shall
2 be paid with the installment when due, less 1/4 of 1 percent.

3 (3) (i) The Foundation may pay the landowner according to a schedule,
4 up to a maximum term of 15 years, established in an installment purchase agreement.

5 (ii) The installment purchase agreement shall:

6 1. Require that the Foundation make annual equal
7 payments to the landowner of interest on the outstanding balance of the purchase price;

8 2. Require that the Foundation pay the landowner the
9 remainder of the purchase price at the end of the term;

10 3. State the total amount of money the Foundation will pay
11 the landowner, the interest rate, and the terms of the agreement; and

12 4. Require that the easement be recorded within 30 days of
13 settlement.

14 2–512.

15 (b) The Foundation may approve a local program of agricultural land
16 preservation [upon] **ON** request of a county, provided that:

17 (1) The county shall agree to make payments up to a specified aggregate
18 amount to the Maryland Agricultural Land Preservation Fund to equal at least 40 percent
19 of the value of any easement acquired by the Foundation as a result of a matching allotted
20 purchase, made during the ensuing fiscal year; and

21 (2) The county shall show evidence that any county program for the
22 acquisition of agricultural land for preservation, or easements for purposes of preservation
23 of agricultural land, will not result in preservation of land which does not meet the
24 minimum standards set by the Foundation under § 2–509 of this subtitle; and

25 (3) The request for approval of a local program must be submitted to the
26 Foundation, together with any necessary agreements not later than 90 days prior to the
27 beginning of the fiscal year for which approval is being sought.

28 (d) Local programs shall be approved [upon] **ON** the affirmative vote of a majority
29 of the Foundation members at–large, and [upon] **ON** approval of the Secretary [and the
30 State Treasurer].

31 2–514.

1 (a) (1) This section applies only to easements approved for purchase by the
2 Board of Public Works on or before September 30, 2004.

3 (2) All easements approved for purchase by the Board of Public Works on
4 or after October 1, 2004, are perpetual and not eligible for termination.

5 (b) An easement approved by the Board of Public Works on or before September
6 30, 2004, and held by the Foundation may be terminated only under extraordinary
7 circumstances and in the manner specified in this section.

8 (c) (1) Except as provided in paragraph (2) of this subsection, after 25 years
9 from the date of purchase of an easement, a landowner may request that the easement be
10 reviewed for possible termination, subject to the requirements of this section.

11 (2) A landowner is not eligible to terminate any easement:

12 (i) Purchased using an installment purchase agreement, as
13 provided in § 2-510(k) of this subtitle; or

14 (ii) Approved for purchase by the Board of Public Works on or after
15 October 1, 2004.

16 (g) (1) If the board of trustees members at large deny the request for
17 termination because they determine that it is feasible to farm the land in a profitable
18 manner, the termination review process ends and the Foundation is not required to
19 continue to consider the request for termination.

20 (2) If the board of trustees members at large approve the request for
21 termination, the Secretary [and State Treasurer] shall review the request.

22 (h) (1) If both the county governing body and the board of trustees members at
23 large approve a request for termination, an easement shall be terminated only if [both] the
24 Secretary [and the State Treasurer approve] **APPROVES** the request for termination.

25 (2) The Secretary [and the State Treasurer's designee serving on the board
26 of trustees] may approve or deny the request for termination.

27 (i) (1) If the request for termination is approved, two fair market value
28 appraisals of the subject land shall be ordered by the Department of General Services at
29 the direction of the Foundation at the expense of the landowner requesting termination of
30 the easement.

31 (4) (i) [Upon] **ON** receipt of the written statement from the
32 Department of General Services, the Foundation shall issue a notification to the landowner
33 of the approved fair market value.
