9 **STATE** 9-1-1 fee due under paragraph (1) of this subsection.

10 (4) A broadband connection not used for telephone service may not
11 constitute a separate voice channel capacity for purposes of calculating the **STATE** 9-1-1
12 fee due under paragraph (1) of this subsection.

13 (5) (i) For a telephone service that provides, to multiple locations,
14 shared simultaneous outbound voice channel capacity configured to provide local dial in
15 different states, the voice channel capacity to which the **STATE** 9-1-1 fee due under
16 paragraph (1) of this subsection applies is only the portion of the shared voice channel
17 capacity in the State identified by the service supplier's books and records.

18 (ii) In determining the portion of shared capacity in the State, a
19 service supplier may rely on, among other factors, a customer's certification of the
20 customer's allocation of capacity in the State, which may be based on:

- 21 1. each end user location;
- 22 2. the total number of end users; and
- 23 3. the number of end users at each end user location.

24 (d) (1) The Public Service Commission shall direct each telephone company to
25 add the **STATE** 9-1-1 fee to all current bills rendered for switched local exchange access
26 service in the State.

27 (2) Each telephone company:

28 (i) shall act as a collection agent for the 9-1-1 Trust Fund with
29 respect to the 9-1-1 fees;

30 (ii) shall remit all money collected to the Comptroller on a monthly
31 basis; and

32 (iii) is entitled to credit, against the money from the **STATE** 9-1-1
33 fees to be remitted to the Comptroller, an amount equal to **[0.75%] 0.50%** of the **STATE**

1 9-1-1 fees to cover the expenses of billing, collecting, and remitting the **STATE 9-1-1** fees
2 and [any additional charges] **COUNTY 9-1-1 FEES**.

3 (3) The Comptroller shall deposit the money remitted in the 9-1-1 Trust
4 Fund.

5 (e) (1) Each 9-1-1 service carrier shall add the **STATE 9-1-1** fee to all current
6 bills rendered for CMRS or other 9-1-1-accessible service in the State.

7 (2) Each 9-1-1 service carrier:

8 (i) shall act as a collection agent for the 9-1-1 Trust Fund with
9 respect to the 9-1-1 fees;

10 (ii) shall remit all money collected to the Comptroller on a monthly
11 basis; and

12 (iii) is entitled to credit, against the money from the **STATE 9-1-1**
13 fees to be remitted to the Comptroller, an amount equal to [0.75%] **0.50%** of the **STATE**
14 **9-1-1** fees to cover the expenses of billing, collecting, and remitting the **STATE 9-1-1** fees
15 and [any additional charges] **COUNTY 9-1-1 FEES**.

16 (3) The Comptroller shall deposit the money remitted in the 9-1-1 Trust
17 Fund.

18 (4) The Board shall adopt procedures for auditing surcharge collection and
19 remittance by CMRS providers.

20 (5) On request of a CMRS provider, and except as otherwise required by
21 law, the information that the CMRS provider reports to the Board shall be confidential,
22 privileged, and proprietary and may not be disclosed to any person other than the CMRS
23 provider.

24 (f) Notwithstanding any other provision of this subtitle, the **STATE 9-1-1** fee
25 does not apply to an intermediate service line used exclusively to connect a CMRS or other
26 9-1-1-accessible service, other than a switched local access service, to another telephone
27 system or switching device.

28 (g) A CMRS provider that pays or collects **STATE 9-1-1** fees under this section
29 has the same immunity from liability for transmission failures as that approved by the
30 Public Service Commission for local exchange telephone companies that are subject to
31 regulation by the Commission under the Public Utilities Article.

32 1-311.

33 (a) This section does not apply to prepaid wireless telecommunications service.

1 (b) In addition to the **STATE 9-1-1** fee, the governing body of each county, by
2 ordinance or resolution enacted or adopted after a public hearing, may impose [an
3 additional charge] **A COUNTY 9-1-1 FEE** to be added to all current bills rendered for
4 switched local exchange access service or CMRS or other 9-1-1-accessible service in the
5 county.

6 (c) (1) Except as provided in paragraph (2) of this subsection and subject to
7 paragraphs (3) through (6) of this subsection, the [additional charge] **COUNTY 9-1-1 FEE**
8 imposed by a county may not exceed 75 cents per month for each switched local exchange
9 access service, CMRS, or other 9-1-1-accessible service provided.

10 (2) If revenues attributable to the [additional charge] **COUNTY 9-1-1 FEE**
11 for a fiscal year do not provide the revenues necessary to cover a county's operational costs
12 for the 9-1-1 system for that fiscal year, the county may, for the following fiscal year,
13 impose [an additional charge] **A COUNTY 9-1-1 FEE** not exceeding \$1.50 per month for
14 each switched local exchange access service, CMRS, or other 9-1-1-accessible service
15 provided.

16 (3) Except as provided in paragraphs (4) through (6) of this subsection, if a
17 service provider provisions to the same individual or person the voice channel capacity to
18 make more than one simultaneous outbound call from a 9-1-1-accessible service, each
19 separate outbound call voice channel capacity, regardless of the technology, shall constitute
20 a separate 9-1-1-accessible service for purposes of calculating the [additional charges]
21 **COUNTY 9-1-1 FEES** due under paragraphs (1) and (2) of this subsection.

22 (4) CMRS provided to multiple devices that share a mobile telephone
23 number shall be treated as a single 9-1-1-accessible service for purposes of calculating the
24 [additional charges] **COUNTY 9-1-1 FEES** due under paragraphs (1) and (2) of this
25 subsection.

26 (5) A broadband connection not used for telephone service may not
27 constitute a separate voice channel capacity for purposes of calculating the [additional
28 charges] **COUNTY 9-1-1 FEES** due under paragraphs (1) and (2) of this subsection.

29 (6) (i) For a telephone service that provides, to multiple locations,
30 shared simultaneous outbound voice channel capacity configured to provide local dial in
31 different states or counties, the voice channel capacity to which the 9-1-1 fee due under
32 paragraphs (1) and (2) of this subsection applies is only the portion of the shared voice
33 channel capacity in the county identified by the service supplier's books and records.

34 (ii) In determining the portion of shared capacity in the county, a
35 service supplier may rely on, among other factors, a customer's certification of the
36 customer's allocation of capacity in the county, which may be based on:

- 37 1. each end user location;

- 1 2. the total number of end users; and
- 2 3. the number of end users at each end user location.

3 (7) The amount of the [additional charges] COUNTY 9-1-1 FEES may not
4 exceed a level necessary to cover the total eligible maintenance and operation costs of the
5 county.

6 (d) The [additional charge] COUNTY 9-1-1 FEE continues in effect until repealed
7 or modified by a subsequent county ordinance or resolution.

8 (e) After imposing, repealing, or modifying [an additional charge] A COUNTY
9 9-1-1 FEE, the county shall certify the amount of the [additional charge] COUNTY 9-1-1
10 FEE to the Public Service Commission.

11 (f) The Public Service Commission shall direct each telephone company that
12 provides service in a county that imposed [an additional charge] A COUNTY 9-1-1 FEE to
13 add, within 60 days, the full amount of the [additional charge] COUNTY 9-1-1 FEE to all
14 current bills rendered for switched local exchange access service in the county.

15 (g) Within 60 days after a county enacts or adopts an ordinance or resolution that
16 imposes, repeals, or modifies [an additional charge] A COUNTY 9-1-1 FEE, each 9-1-1
17 service carrier that provides service in the county shall add the full amount of the
18 [additional charge] COUNTY 9-1-1 FEE to all current bills rendered for CMRS or other
19 9-1-1-accessible service in the county.

20 (h) (1) Each telephone company and each 9-1-1 service carrier shall:

21 (i) act as a collection agent for the 9-1-1 Trust Fund with respect
22 to the [additional charge] COUNTY 9-1-1 FEE imposed by each county;

23 (ii) collect the money from the [additional charge] COUNTY 9-1-1
24 FEE on a county basis; and

25 (iii) remit all money collected to the Comptroller on a monthly basis.

26 (2) The Comptroller shall deposit the money remitted in the 9-1-1 Trust
27 Fund account maintained for the county that imposed the [additional charge] COUNTY
28 9-1-1 FEE.

29 1-312.

1 (a) During each county's fiscal year, the county may spend the amounts
2 distributed to it from **STATE 9-1-1** fee collections for the installation, enhancement,
3 maintenance, and operation of a county or multicounty 9-1-1 system.

4 (b) Subject to the provisions of subsection (c) of this section, maintenance and
5 operation costs may include telephone company charges, equipment costs, equipment lease
6 charges, repairs, utilities, personnel costs, and appropriate carryover costs from previous
7 years.

8 (c) During a year in which a county raises its [local additional charge] **COUNTY**
9 **9-1-1 FEE** under § 1-311 of this subtitle, the county:

10 (1) may use 9-1-1 trust funds only to supplement levels of spending by the
11 county for 9-1-1 maintenance or operations; and

12 (2) may not use 9-1-1 trust funds to supplant spending by the county for
13 9-1-1 maintenance or operations.

14 (d) **(1)** The Board shall provide for an audit of each county's expenditures for
15 the maintenance and operation of the county's 9-1-1 system.

16 **(2) IF AN AUDIT PERFORMED IN ACCORDANCE WITH PARAGRAPH (1)**
