WHEREAS, the Federal Government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

WHEREAS, the Federal Government has ceased to operate under a proper interpretation of the United States Constitution; and

WHEREAS, it is the solemn duty of the states to protect the liberty of the American people, particularly for the generations to come, by proposing amendments to the United States Constitution for the purpose of restraining these and related abuses of power; now, therefore, be it

RESOLVED: That the Legislature of Maine respectfully applies to the Congress of the United States to call a convention for the specific and exclusive purpose of proposing amendments to the United States Constitution that impose fiscal restraints on the Federal Government, limit the power and jurisdiction of the Federal Government and limit the terms of office for Federal Government officials and members of Congress; and be it further
