SUMMARY

This bill provides a property tax exemption for the estates of certain veterans for property tax years beginning on or after April 1, 2024. Like current exemptions for the estates of veterans, the exemption is also made available to an eligible survivor, who may be a widow or widower, a minor child or a parent of an eligible disabled veteran, following the death of the eligible disabled veteran. The calculation of the exemption is changed to provide a flat exemption amount that increases from \$3,000 to \$10,000 based on the percentage of the veteran's service-connected disability. The bill also requires state reimbursement to municipalities and the Unorganized Territory Education and Services Fund for 100% of the property tax revenue lost as a result of the exemptions.
