16 SUMMARY

17 This bill makes the following changes to the laws that govern criminal and collateral
18 consequences for persons 18 years of age or older and under 22 years of age who are
19 involved in the criminal justice system.

20 1. It amends the Maine Revised Statutes, Title 15, chapter 310-A to allow for automatic
21 sealing of eligible criminal convictions for persons who were 18 years of age or older and
22 under 22 years of age when the offense underlying the conviction to be sealed was
23 committed.

24 2. It creates a rebuttable presumption against assessing mandatory minimum fines for
25 certain offenses committed by an individual who was under 22 years of age at the time the
26 offense was committed.

27 3. It provides that in certain statutes a prior conviction does not include an offense that
28 was committed when the charged individual was 18 years of age or older and under 22
29 years of age.
