Each other member is appointed by the Governor and is subject to review by the joint standing committee of the Legislature having jurisdiction over marine resources matters and to confirmation by the Legislature. Five members must be persons who are licensed under this Part to engage in commercial harvesting activities. The remaining ~~7~~ 8 members must include one public member, one member who is a member of a federally recognized Indian nation, tribe or band in the State, 4 persons who hold a nonharvesting-related license under this Part, one person representing recreational saltwater anglers and one person representing the aquaculture industry. The Governor shall select the person to represent the aquaculture industry from among the names recommended by the aquaculture industry. If the tribal governments do not make a unanimous joint recommendation, the Governor shall appoint a member of a federally recognized Indian nation, tribe or band in the State and rotate the appointment among members of each federally recognized Indian nation, tribe or band in the State. The composition of the council must reflect a geographical distribution along the coast. All

appointed members are appointed for a term of 3 years, except a vacancy must be filled in the same manner as an original member for the unexpired portion of the term. An appointed member may not serve for more than 2 consecutive terms. Appointed members serve until their successors are appointed. The chair of the Lobster Advisory Council, the chair of the Sea Urchin Zone Council and the chair of the Shellfish Advisory Council shall serve until a new chair of the Lobster Advisory Council, a new chair of the Sea Urchin Zone Council or a new chair of the Shellfish Advisory Council, respectively, is chosen. Members are compensated as provided in Title 5, chapter 379.
