SUMMARY

This amendment replaces the concept draft with a bill to direct the Commissioner of Education to develop a program of technical assistance, including professional development and training for instruction in digital literacy and the establishment of a clearinghouse for information on the use of online learning resources that may be made available to all schools, including those schools that participate in the learning through technology program that provides one-to-one wireless computers for 7th grade, 8th grade and high school students and educators.

The amendment establishes the Digital Literacy Fund, to be administered by the Department of Education. Any private or public funds appropriated, allocated or dedicated to the fund may be used to pay for the development of a program of technical assistance. The amendment also authorizes the Commissioner of Education to expend funds allocated to the learning through technology program for the costs of providing the program of technical assistance.

The amendment adds an appropriations and allocations section.
