

131st MAINE LEGISLATURE

FIRST REGULAR SESSION-2023

Legislative Document

No. 670

H.P. 439

House of Representatives, February 16, 2023

An Act to Protect Birds and Wildlife in the Construction and Maintenance of Public Buildings

Reference to the Committee on State and Local Government suggested and ordered printed.

Robert B. Hunt
ROBERT B. HUNT
Clerk

Presented by Representative WARREN of Scarborough.
Cosponsored by Representatives: CRAFTS of Newcastle, GEIGER of Rockland, O'NEIL of Saco, RUNTE of York, WILLIAMS of Bar Harbor.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 5 MRSA §1754** is enacted to read:

3 **§1754. Guidance regarding integration of bird and wildlife risk management into**
4 **public improvements**

5 By December 31, 2024, the Department of Administrative and Financial Services,
6 Bureau of General Services shall establish a lead-by-example initiative under which it
7 develops guidance regarding integration of bird and wildlife risk management into public
8 improvements. When making public improvements, the bureau shall include bird and
9 wildlife risk management projections in project siting and design. The bureau shall
10 incorporate relevant construction features and strategies into buildings that are newly
11 constructed, acquired, substantially altered or otherwise undergoing necessary
12 development so as to reduce bird fatalities and risk to wildlife. The bureau shall develop
13 and make available for public use a related design guide and annually certify the design
14 guide's active use and submit a report related to the design guide to the joint standing
15 committee of the Legislature having jurisdiction over public improvements matters.

16 This section does not apply to public buildings and sites or infrastructure determined
17 by the Maine Historic Preservation Commission, created pursuant to Title 27, section 502,
18 to be eligible for inclusion in the National Register of Historic Places, including but not
19 limited to the State House and its grounds and the Blaine House and its grounds.

20 **SUMMARY**

21 This bill requires, by December 31, 2024, the Department of Administrative and
22 Financial Services, Bureau of General Services to develop guidance regarding integration
23 of bird and wildlife risk management into public improvements. The requirement does not
24 apply to public buildings and sites or infrastructure determined to be eligible for inclusion
25 in the National Register of Historic Places, including the State House and the Blaine House.
