SUMMARY:

House Bill 4434 would amend the Insurance Code to require an insurer that delivers, issues for delivery, or renews in Michigan a health insurance policy that provides coverage for prescription drugs to provide coverage for up to a 90-day supply of any covered *maintenance prescription drug*, defined as a prescription drug that meets all of the following:

- It is covered by the policy, certificate, or contract.
- It is used for the management and treatment of a chronic long-term care condition and has authorized refills that remain available.
- Except for anti-epileptic prescription drugs, it is not a Schedule 2 to 5 controlled substance.

Proposed MCL 500.3406z

FISCAL IMPACT:

House Bill 4434 would have no fiscal impact on state or local government.
