1.8 Subd. 2. **Contents of notice.** The commissioners of health and public safety, in

1.11 (1) the obligation under section 609.35 of the county where the criminal sexual conduct  
1.12 occurred to pay for the examination performed for the purpose of gathering evidence, that

1.14 enforcement, and that the victim may incur expenses for treatment of injuries; ~~and~~

1.15 (2) the victim's rights if the crime is reported to law enforcement, including the victim's  
1.16 right to apply for reparations under sections 611A.51 to 611A.68, information on how to  
1.17 apply for reparations, and information on how to obtain an order for protection or a  
1.18 harassment restraining order; and

1.19 (3) the opportunity under section 611A.27 to obtain status information about an  
1.20 unrestricted sexual assault examination kit, as defined in section 299C.106, subdivision 1,  
1.21 paragraph (h).

2.1 Sec. 2. [299C.106] SEXUAL ASSAULT EXAMINATION KIT HANDLING.

2.2 Subdivision 1. Definitions. (a) As used in this section, the terms in this subdivision have  
2.3 the meanings given.

2.4 (b) "Forensic laboratory" has the meaning given in section 299C.157, subdivision 1,  
2.5 clause (2).

2.6 (c) "Patient" has the meaning given in section 144.291, subdivision 2, paragraph (g),  
2.7 and means a person who consents to a sexual assault examination.

2.8 (d) "Release form" means a document provided by the hospital to the patient at the time  
2.9 of the sexual assault examination that gives the patient the option of authorizing, in writing,  
2.10 the release of the kit to law enforcement.

2.11 (e) "Restricted sexual assault examination kit" means a kit that does not have an  
2.12 accompanying release form signed by the patient authorizing law enforcement to submit  
2.13 the kit to a forensic laboratory. A health care professional shall provide the patient with  
2.14 information about how to convert a restricted sexual assault examination kit to unrestricted  
2.15 status.

2.16 (f) "Sexual assault examination kit" means a collection of evidence, including biological  
2.17 material, gathered from a patient by a health care professional.

2.19 submitted by law enforcement to a forensic laboratory.

2.20 (h) "Unrestricted sexual assault examination kit" means a kit that has an accompanying  
2.21 release form signed by the patient allowing law enforcement to submit the kit to a forensic  
2.22 laboratory.

2.23 (i) "Unsubmitted sexual assault examination kit" means an unrestricted kit that has not  
2.24 been submitted by law enforcement to a forensic laboratory.

2.26 professional to law enforcement agency. When a sexual assault examination is performed,  
2.27 evidence is collected, and the patient requests that law enforcement officials be notified and  
2.28 signs a release form, the individual performing the examination, or the individual's designee,  
2.29 shall notify the appropriate law enforcement agency of the collection of the evidence in an  
2.30 unrestricted sexual assault examination kit. The agency must retrieve an unrestricted sexual  
2.31 assault examination kit from the health care professional within ten days of receiving notice  
2.32 that the kit is available for transfer. Notification to the agency shall be made in writing.

3.1 Subd. 3. Submission of unrestricted sexual assault examination kit. Within 60 days  
 3.2 of receiving an unrestricted sexual assault examination kit, a law enforcement agency shall  
 3.3 submit the kit for testing to a forensic laboratory, unless the law enforcement agency deems  
 3.4 the result of the kit would not add evidentiary value to the case. If a kit is not submitted  
 3.5 during this time, the agency shall make a record, in consultation with the county attorney,  
 3.6 stating the reasons why the kit was not submitted. An unsubmitted kit shall be held by the

 3.12 a restricted sexual assault examination kit for the duration of the statute of limitations for  
 3.13 prosecution.

3.14 Subd. 5. No basis for dismissal or bar to admissibility of evidence. Failure to meet a  
 3.15 deadline established in this section is not a basis for dismissal of a criminal action or a bar  
 3.16 to the admissibility of the evidence in a criminal action.

3.17 Sec. 3. Minnesota Statutes 2016, section 609.35, is amended to read:

4.18 professional shall provide the information obtained from the examination report in a separate  
4.19 written form to the county in a manner that does not disclose the identity of the victim in  
4.20 accordance with state and federal law.

4.22 law enforcement agency responsible for the jurisdiction where the hospital is located shall  
4.23 take initial custody of the examination kit.

4.24 ~~(e)~~ (g) The applicability of this section does not depend upon whether the victim reports
