State of Minnesota  
HOUSE OF REPRESENTATIVES

EIGHTY-NINTH SESSION

H. F. No. 2512

01/29/2016 Authored by Peterson  
The bill was referred to the Committee on Health and Human Services Reform

1.1 A bill for an act  
1.2 relating to health; allowing pharmacists to dispense a 90-day supply of a  
1.3 prescription drug under certain circumstances; amending Minnesota Statutes  
1.4 2014, section 151.21, by adding a subdivision.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2014, section 151.21, is amended by adding a  
1.7 subdivision to read:

1.8 Subd. 9. **Extended supply.** (a) After a patient has completed an initial 30-day  
1.9 supply of a prescription drug, and the patient returns to the pharmacy to obtain a refill, a  
1.10 pharmacist may dispense up to a 90-day supply of that prescription drug to the patient  
1.11 when the following requirements are met:

1.12 (1) the total quantity of dosage units dispensed by the pharmacist does not exceed  
1.13 the total quantity of dosage units of the remaining refills authorized by the prescriber; and

1.14 (2) the pharmacist is exercising the pharmacist's professional judgment.

1.15 (b) The initial 30-day supply requirement in paragraph (a) is not required if the  
1.16 prescription has previously been filled with a 90-day supply.

1.17 (c) Notwithstanding paragraph (a), a pharmacist may not exceed the number of  
1.18 dosage units authorized by a prescriber for an initial prescription or subsequent refills if:

1.19 (1) the prescriber has specified on the prescription that, due to medical necessity, the  
1.20 pharmacist may not exceed the number of dosage units identified on the prescription; or

1.21 (2) the prescription drug is a controlled substance, as defined in section 152.01,  
1.22 subdivision 4.
