1.24 Section 1. Minnesota Statutes 2022, section 13.46, subdivision 4, is amended to read:

1.25 Subd. 4. **Licensing data.** (a) As used in this subdivision:

1.26 (1) "licensing data" are all data collected, maintained, used, or disseminated by the

1.27 welfare system pertaining to persons licensed or registered or who apply for licensure or

1.28 registration or who formerly were licensed or registered under the authority of the

1.29 commissioner of human services. "Licensing data" includes data pertaining to persons or

1.30 government entities certified under chapter 245H or section 245I.20. "License holder"

2.1 includes "certification holder" under section 245H.01, subdivision 4, and a person or
2.2 government entity issued a certification under section 245I.20;

2.3 (2) "client" means a person who is receiving services from a licensee or from an applicant
2.4 for licensure; and

2.5 (3) "personal and personal financial data" are Social Security numbers, identity of and
2.6 letters of reference, insurance information, reports from the Bureau of Criminal
2.7 Apprehension, health examination reports, and social/home studies.

2.8 (b)(1)(i) Except as provided in paragraph (c), the following data on applicants, license
2.9 holders, and former licensees are public: name, address, telephone number of licensees, the
2.10 public email address provided by nonfamily foster care license holder, date of receipt of a

2.19 an order of license suspension, an order of temporary immediate suspension, an order of
2.20 license revocation, an order of license denial, or an order of conditional license has been
2.21 issued, or a complaint is resolved, the following data on current and former licensees and
2.22 applicants are public: the general nature of the complaint or allegations leading to the
2.23 temporary immediate suspension; the substance and investigative findings of the licensing
2.24 or maltreatment complaint, licensing violation, or substantiated maltreatment; the existence

2.33 applicant, license holder, or controlling individual as the individual responsible for

3.3 disqualified under chapter 245C, the identity of the license holder, applicant, or controlling
3.4 individual as the disqualified individual and the reason for the disqualification are public
3.5 data at the time of the issuance of the licensing sanction or denial. If the applicant, license
3.6 holder, or controlling individual requests reconsideration of the disqualification and the
3.7 disqualification is affirmed, the reason for the disqualification and the reason to not set aside
3.8 the disqualification are public data.

3.9 (v) A correction order or fine issued to a child care provider for a licensing violation is
3.10 private data on individuals under section 13.02, subdivision 12, or nonpublic data under

3.20 the type of license sought, the date of denial of the application, the nature of the basis for
3.21 the denial, the existence of settlement negotiations, the record of informal resolution of a
3.22 denial, orders of hearings, findings of fact, conclusions of law, specifications of the final
3.23 order of denial, and the status of any appeal of the denial.

3.24 (4) When maltreatment is substantiated under section 626.557 or chapter 260E and the
3.25 victim and the substantiated perpetrator are affiliated with a program licensed under chapter
3.26 245A, the commissioner of human services, local social services agency, or county welfare
3.27 agency may inform the license holder where the maltreatment occurred of the identity of
3.28 the substantiated perpetrator and the victim.

3.29 (5) Notwithstanding clause (1), for child foster care, only the name of the license holder
3.30 and the status of the license are public if the county attorney has requested that data otherwise

3.33 (c) The following are private data on individuals under section 13.02, subdivision 12,
3.34 or nonpublic data under section 13.02, subdivision 9: personal and personal financial data

4.3 (d) The following are private data on individuals: the identity of persons who have made
4.4 reports concerning licensees or applicants that appear in inactive investigative data, and the
4.5 records of clients or employees of the licensee or applicant for licensure whose records are
4.6 received by the licensing agency for purposes of review or in anticipation of a contested
4.7 matter. The names of reporters of complaints or alleged violations of licensing standards
4.8 under chapters 245A, 245B, 245C, and 245D, and applicable rules and alleged maltreatment

4.18 subdivision that relate to or are derived from a report as defined in section 260E.03, or
4.19 626.5572, subdivision 18, are subject to the destruction provisions of sections 260E.35,
4.20 subdivision 6, and 626.557, subdivision 12b.

5.7 subdivisions 5 and 7, and 260E.30, subdivision 6, paragraphs (b), (c), (d), (e), and (f), if the
5.8 commissioner or the local social services agency has determined that an individual is a
5.9 substantiated perpetrator of maltreatment of a child based on sexual abuse, as defined in
5.10 section 260E.03, and the commissioner or local social services agency knows that the
5.11 individual is a person responsible for a child's care in another facility, the commissioner or
5.12 local social services agency shall notify the head of that facility of this determination. The
5.13 notification must include an explanation of the individual's available appeal rights and the
5.14 status of any appeal. If a notice is given under this paragraph, the government entity making

 6.19 Professional Educator Licensing and Standards Board to pay for the costs of background
 6.20 studies on applicants for licensure.

6.21 (b) The background study for all first-time ~~teaching~~ applicants for educator licenses
 6.22 must include a review of information from the Bureau of Criminal Apprehension, including
 6.23 criminal history data as defined in section 13.87, and must also include a review of the
 6.24 national criminal records repository. The superintendent of the Bureau of Criminal
 6.25 Apprehension is authorized to exchange fingerprints with the Federal Bureau of Investigation
 6.26 for purposes of the criminal history check.

6.27 (c) The Professional Educator Licensing and Standards Board may initiate criminal
 6.28 history background studies through the commissioner of human services according to section
 6.29 245C.031 to obtain background study data required under this chapter.

7.1 Sec. 4. Minnesota Statutes 2022, section 245A.02, subdivision 5a, is amended to read:

7.21 member or employee of the governing body of a political subdivision of the state or federal
7.22 government that operates one or more programs, unless the individual is also an officer,
7.23 owner, or managerial official of the program, receives remuneration from the program, or
7.24 owns any of the beneficial interests not excluded in this subdivision;

7.25 (3) an individual who owns less than five percent of the outstanding common shares of
7.26 a corporation:

7.29 (4) an individual who is a member of an organization exempt from taxation under section
7.30 290.05, unless the individual is also an officer, owner, or managerial official of the program

8.1 not exclude from the definition of controlling individual an organization that is exempt from
8.2 taxation; or

8.7 the decision-making authority related to the operation of the program, and the responsibility
8.8 for the ongoing management of or direction of the policies, services, or employees of the
8.9 program. A site director who has no ownership interest in the program is not considered to
8.10 be a managerial official for purposes of this definition.

8.11 Sec. 5. Minnesota Statutes 2022, section 245A.02, subdivision 10b, is amended to read:

8.12 Subd. 10b. **Owner.** "Owner" means an individual or organization that has a direct or
8.13 indirect ownership interest of five percent or more in a program licensed under this chapter.
8.14 For purposes of this subdivision, "direct ownership interest" means the possession of equity
8.15 in capital, stock, or profits of an organization, and "indirect ownership interest" means a
8.16 direct ownership interest in an entity that has a direct or indirect ownership interest in a
8.17 licensed program. For purposes of this chapter, "~~owner of a nonprofit corporation" means~~
8.18 ~~the president and treasurer of the board of directors or, for an entity owned by an employee~~
8.19 ~~stock ownership plan;~~" means the president and treasurer of the entity. A government entity
8.20 or nonprofit corporation that is issued a license under this chapter shall be designated the
8.21 owner.

8.22 Sec. 6. Minnesota Statutes 2022, section 245A.04, subdivision 1, is amended to read:

8.23 Subdivision 1. **Application for licensure.** (a) An individual, organization, or government
8.24 entity that is subject to licensure under section 245A.03 must apply for a license. The
8.25 application must be made on the forms and in the manner prescribed by the commissioner.
8.26 The commissioner shall provide the applicant with instruction in completing the application
8.27 and provide information about the rules and requirements of other state agencies that affect
8.28 the applicant. An applicant seeking licensure in Minnesota with headquarters outside of
8.29 Minnesota must have a program office located within 30 miles of the Minnesota border.
8.30 An applicant who intends to buy or otherwise acquire a program or services licensed under
8.31 this chapter that is owned by another license holder must apply for a license under this
8.32 chapter and comply with the application procedures in this section and section ~~245A.03~~
8.33 245A.043.

9.1 The commissioner shall act on the application within 90 working days after a complete
9.2 application and any required reports have been received from other state agencies or
9.3 departments, counties, municipalities, or other political subdivisions. The commissioner
9.4 shall not consider an application to be complete until the commissioner receives all of the
9.5 required information.

9.6 When the commissioner receives an application for initial licensure that is incomplete
9.7 because the applicant failed to submit required documents or that is substantially deficient
9.8 because the documents submitted do not meet licensing requirements, the commissioner
9.9 shall provide the applicant written notice that the application is incomplete or substantially
9.10 deficient. In the written notice to the applicant the commissioner shall identify documents
9.11 that are missing or deficient and give the applicant 45 days to resubmit a second application
9.12 that is substantially complete. An applicant's failure to submit a substantially complete
9.13 application after receiving notice from the commissioner is a basis for license denial under
9.14 section 245A.05.

9.15 (b) An application for licensure must identify all controlling individuals as defined in
9.16 section 245A.02, subdivision 5a, and must designate one individual to be the authorized
9.17 agent. The application must be signed by the authorized agent and must include the authorized
9.18 agent's first, middle, and last name; mailing address; and email address. By submitting an
9.19 application for licensure, the authorized agent consents to electronic communication with
9.20 the commissioner throughout the application process. The authorized agent must be
9.21 authorized to accept service on behalf of all of the controlling individuals. A government
9.22 entity that holds multiple licenses under this chapter may designate one authorized agent
9.23 for all licenses issued under this chapter or may designate a different authorized agent for
9.24 each license. Service on the authorized agent is service on all of the controlling individuals.
9.25 It is not a defense to any action arising under this chapter that service was not made on each
9.26 controlling individual. The designation of a controlling individual as the authorized agent
9.27 under this paragraph does not affect the legal responsibility of any other controlling individual
9.28 under this chapter.

9.29 (c) An applicant or license holder must have a policy that prohibits license holders,
9.30 employees, subcontractors, and volunteers, when directly responsible for persons served
9.31 by the program, from abusing prescription medication or being in any manner under the
9.32 influence of a chemical that impairs the individual's ability to provide services or care. The
9.33 license holder must train employees, subcontractors, and volunteers about the program's
9.34 drug and alcohol policy.

10.1 (d) An applicant and license holder must have a program grievance procedure that permits
10.2 persons served by the program and their authorized representatives to bring a grievance to
10.3 the highest level of authority in the program.

10.4 (e) The commissioner may limit communication during the application process to the
10.5 authorized agent or the controlling individuals identified on the license application and for
10.6 whom a background study was initiated under chapter 245C. The commissioner may require
10.7 the applicant, except for child foster care, to demonstrate competence in the applicable
10.8 licensing requirements by successfully completing a written examination. The commissioner
10.9 may develop a prescribed written examination format.

10.10 (f) When an applicant is an individual, the applicant must provide:

10.11 (1) the applicant's taxpayer identification numbers including the Social Security number
10.12 or Minnesota tax identification number, and federal employer identification number if the
10.13 applicant has employees;

10.14 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
10.15 of state that includes the complete business name, if any;

10.16 (3) if doing business under a different name, the doing business as (DBA) name, as
10.17 registered with the secretary of state;

10.18 (4) if applicable, the applicant's National Provider Identifier (NPI) number and Unique
10.19 Minnesota Provider Identifier (UMPI) number; and

10.20 (5) at the request of the commissioner, the notarized signature of the applicant or
10.21 authorized agent; and

10.22 (6) except for family foster care providers, an email address that will be made public
10.23 subject to the requirements under section 13.46, subdivision 4, paragraph (b), clause (1),
10.24 item (i).

10.25 (g) When an applicant is an organization, the applicant must provide:

10.26 (1) the applicant's taxpayer identification numbers including the Minnesota tax
10.27 identification number and federal employer identification number;

10.28 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
10.29 of state that includes the complete business name, and if doing business under a different
10.30 name, the doing business as (DBA) name, as registered with the secretary of state;

10.31 (3) the first, middle, and last name, and address for all individuals who will be controlling
10.32 individuals, including all officers, owners, and managerial officials as defined in section

11.1 245A.02, subdivision 5a, and the date that the background study was initiated by the applicant
11.2 for each controlling individual;

11.3 (4) if applicable, the applicant's NPI number and UMPI number;

11.4 (5) the documents that created the organization and that determine the organization's
11.5 internal governance and the relations among the persons that own the organization, have
11.6 an interest in the organization, or are members of the organization, in each case as provided
11.7 or authorized by the organization's governing statute, which may include a partnership
11.8 agreement, bylaws, articles of organization, organizational chart, and operating agreement,
11.9 or comparable documents as provided in the organization's governing statute; ~~and~~

11.10 (6) the notarized signature of the applicant or authorized agent; and

11.11 (7) an email address that will be made public subject to the requirements under section
11.12 13.46, subdivision 4, paragraph (b), clause (1), item (i).

11.13 (h) When the applicant is a government entity, the applicant must provide:

11.14 (1) the name of the government agency, political subdivision, or other unit of government
11.15 seeking the license and the name of the program or services that will be licensed;

11.16 (2) the applicant's taxpayer identification numbers including the Minnesota tax
11.17 identification number and federal employer identification number;

 14.23 date that a background study subject has direct contact, as defined in section 245C.02,
 14.24 subdivision 11, with a person served by the license holder's program. Unless this chapter
 14.25 otherwise requires, if the license holder does not maintain the documentation required by
 14.26 this subdivision in the license holder's personnel files, the license holder must provide the
 14.27 documentation to the commissioner upon the commissioner's request.

15.1 a hearing. A hearing must be conducted by an administrative law judge within 30 calendar
15.2 days of the request for assignment, unless an extension is requested by either party and
15.3 granted by the administrative law judge for good cause. The commissioner shall issue a
15.4 notice of hearing by certified mail or personal service at least ten working days before the
15.5 hearing. The scope of the hearing shall be limited solely to the issue of whether the temporary
15.6 immediate suspension should remain in effect pending the commissioner's final order under
15.7 section 245A.08, regarding a licensing sanction issued under subdivision 3 following the
15.8 immediate suspension. For suspensions under subdivision 2, paragraph (a), clause (1), the

15.12 individuals or conditions in the program poses an imminent risk of harm to the health, safety,
15.13 or rights of persons served by the program. "Reasonable cause" means there exist specific
15.14 articulable facts or circumstances which provide the commissioner with a reasonable
15.15 suspicion that there is an imminent risk of harm to the health, safety, or rights of persons
15.16 served by the program. When the commissioner has determined there is reasonable cause
15.17 to order the temporary immediate suspension of a license based on a violation of safe sleep
15.18 requirements, as defined in section 245A.1435, the commissioner is not required to
15.19 demonstrate that an infant died or was injured as a result of the safe sleep violations. For
15.20 suspensions under subdivision 2, paragraph (a), clause (2), the burden of proof in expedited
15.21 hearings under this subdivision shall be limited to the commissioner's demonstration by a
15.22 preponderance of the evidence that, since the license was revoked, the license holder
15.23 committed additional violations of law or rule which may adversely affect the health or
15.24 safety of persons served by the program.

15.25 (b) The administrative law judge shall issue findings of fact, conclusions, and a
15.26 recommendation within ten working days from the date of hearing. The parties shall have
15.27 ten calendar days to submit exceptions to the administrative law judge's report. The record
15.28 shall close at the end of the ten-day period for submission of exceptions. The commissioner's
15.29 final order shall be issued within ten working days from the close of the record. When an
15.30 appeal of a temporary immediate suspension is withdrawn or dismissed, the commissioner
15.31 shall issue a final order affirming the temporary immediate suspension within ten calendar
15.32 days of the commissioner's receipt of the withdrawal or dismissal. Within 90 calendar days
15.33 after an immediate suspension has been issued and the license holder has not submitted a

15.35 order affirming an immediate suspension, the commissioner shall ~~make a determination~~

 16.3 program during this 90-day period; or

16.4 (2) whether the outcome of related, ongoing investigations or judicial proceedings are
 16.5 necessary to determine if a final licensing sanction under subdivision 3, paragraph (a),
 16.6 clauses (1) to (5), will be issued, and persons served by the program remain at an imminent
 16.7 risk of harm during the investigation period or proceedings. If so, the commissioner shall
 16.8 issue a suspension order under subdivision 3, paragraph (a), clause (6).

16.9 (c) When the final order under paragraph (b) affirms an immediate suspension or the
 16.10 license holder does not submit a timely appeal of the immediate suspension, and a final
 16.11 licensing sanction is issued under subdivision 3 and the license holder appeals that sanction,
 16.12 the license holder continues to be prohibited from operation of the program pending a final
 16.13 commissioner's order under section 245A.08, subdivision 5, regarding the final licensing
 16.14 sanction.

16.15 (d) The license holder shall continue to be prohibited from operation of the program
 16.16 while a suspension order issued under paragraph (b), clause (2), remains in effect.

16.17 ~~(d)~~ (e) For suspensions under subdivision 2, paragraph (a), clause (3), the burden of
 16.18 proof in expedited hearings under this subdivision shall be limited to the commissioner's
 16.19 demonstration by a preponderance of the evidence that a criminal complaint and warrant
 16.20 or summons was issued for the license holder that was not dismissed, and that the criminal
 16.21 charge is an offense that involves fraud or theft against a program administered by the
 16.22 commissioner.

 16.32 misleading information to the commissioner in connection with an application for a license,

17.1 in connection with the background study status of an individual, during an investigation,
17.2 or regarding compliance with applicable laws or rules;

17.16 by certified mail or personal service. If mailed, the appeal must be postmarked and sent to
17.17 the commissioner within ten calendar days after the license holder receives notice that the
17.18 license has been suspended or revoked. If a request is made by personal service, it must be
17.19 received by the commissioner within ten calendar days after the license holder received the
17.20 order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a
17.21 timely appeal of an order suspending or revoking a license, the license holder may continue
17.22 to operate the program as provided in section 245A.04, subdivision 7, paragraphs (f) and
17.23 (g), until the commissioner issues a final order on the suspension or revocation.

17.24 (c)(1) If the license holder was ordered to pay a fine, the notice must inform the license

17.29 the license holder receives notice that the fine has been ordered. If a request is made by
17.30 personal service, it must be received by the commissioner within ten calendar days after
17.31 the license holder received the order.

17.32 (2) The license holder shall pay the fines assessed on or before the payment date specified.
17.33 If the license holder fails to fully comply with the order, the commissioner may issue a

18.4 until the commissioner issues a final order.

18.5 (3) A license holder shall promptly notify the commissioner of human services, in writing,
18.6 when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the
18.7 commissioner determines that a violation has not been corrected as indicated by the order
18.8 to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify
18.9 the license holder by certified mail or personal service that a second fine has been assessed.
18.10 The license holder may appeal the second fine as provided under this subdivision.

18.11 (4) Fines shall be assessed as follows:

19.2 this clause for that occurrence.

19.3 (5) When a fine has been assessed, the license holder may not avoid payment by closing,
19.4 selling, or otherwise transferring the licensed program to a third party. In such an event, the
19.5 license holder will be personally liable for payment. In the case of a corporation, each

43.1 (f) The commissioner may require the applicant or certification holder to provide an
 43.2 email address for the certification holder that will be made public subject to the requirements
 43.3 under section 13.46, subdivision 4, paragraph (b), clause (1), item (i).

43.4 Sec. 37. Minnesota Statutes 2022, section 256.9685, subdivision 1a, is amended to read:

 43.21 ~~advanced practice registered nurse, physician assistant, or hospital may appeal the result of~~
 43.22 ~~the reconsideration process by submitting a written request for review to the commissioner~~
 43.23 ~~within 30 days after receiving notice of the action. The commissioner shall review the~~

 43.33 reviews; conduct administrative reconsiderations as defined by section 256.9685, subdivision

44.1 1a; and perform other functions as stipulated in the terms of the agent's contract with the
44.2 department. Medical records reviews and administrative reconsiderations will be performed
44.3 by medical professionals within their scope of expertise, including but not limited to
44.4 physicians, physician assistants, advanced practice registered nurses, and registered nurses.
44.5 The medical professional performing the review or reconsideration must be on staff with
44.6 the medical review agent, in good standing, and licensed to practice in the state where the

44.8 Sec. 40. Minnesota Statutes 2022, section 256B.04, subdivision 15, is amended to read:

44.9 Subd. 15. **Utilization review.** (a) Establish on a statewide basis a new program to
44.10 safeguard against unnecessary or inappropriate use of medical assistance services, against
44.11 excess payments, against unnecessary or inappropriate hospital admissions or lengths of
44.12 stay, and against underutilization of services in prepaid health plans, long-term care facilities
44.13 or any health care delivery system subject to fixed rate reimbursement. In implementing
44.14 the program, the state agency shall utilize both prepayment and postpayment review systems
44.15 to determine if utilization is reasonable and necessary. The determination of whether services
44.16 are reasonable and necessary shall be made by the commissioner in consultation with a
44.17 professional services advisory group or health care consultant appointed by the commissioner.

44.18 (b) Contracts entered into for purposes of meeting the requirements of this subdivision
44.19 shall not be subject to the set-aside provisions of chapter 16C.

44.20 (c) A recipient aggrieved by the commissioner's termination of services or denial of
44.21 future services may appeal pursuant to section 256.045. Unless otherwise provided by law,
44.22 a vendor aggrieved by the commissioner's determination that services provided were not
44.23 reasonable or necessary may appeal pursuant to the contested case procedures of chapter
44.24 14. To appeal, the vendor shall notify the commissioner in writing within 30 days of receiving
44.25 the commissioner's notice. The appeal request shall specify each disputed item, the reason
44.26 for the dispute, an estimate of the dollar amount involved for each disputed item, the
44.27 computation that the vendor believes is correct, the authority in statute or rule upon which
44.28 the vendor relies for each disputed item, the name and address of the person or firm with
44.29 whom contacts may be made regarding the appeal, and other information required by the
44.30 commissioner.

44.31 (d) The commissioner may select providers to provide case management services to
44.32 recipients who use health care services inappropriately or to recipients who are eligible for
44.33 other managed care projects. The providers shall be selected based upon criteria that may
44.34 include a comparison with a peer group of providers related to the quality, quantity, or cost

45.1 of health care services delivered or a review of sanctions previously imposed by health care
 45.2 services programs or the provider's professional licensing board.

45.3 Sec. 41. Minnesota Statutes 2022, section 256B.064, is amended to read:

45.4 **256B.064 SANCTIONS; MONETARY RECOVERY.**

45.5 Subdivision 1. **Terminating payments to ineligible vendors individuals or entities.** The
 45.6 commissioner may terminate payments under this chapter to any person or facility that,
 45.7 under applicable federal law or regulation, has been determined to be ineligible for payments
 45.8 under title XIX of the Social Security Act.

45.9 Subd. 1a. **Grounds for sanctions ~~against vendors~~.** (a) The commissioner may impose
 45.10 sanctions against ~~a vendor of medical care~~ any individual or entity that receives payments
 45.11 from medical assistance or provides goods or services for which payment is made from
 45.12 medical assistance for any of the following: (1) fraud, theft, or abuse in connection with the
 45.13 provision of ~~medical care~~ goods and services to recipients of public assistance for which
 45.14 payment is made from medical assistance; (2) a pattern of presentment of false or duplicate
 45.15 claims or claims for services not medically necessary; (3) a pattern of making false statements
 45.16 of material facts for the purpose of obtaining greater compensation than that to which the
 45.17 ~~vendor~~ individual or entity is legally entitled; (4) suspension or termination as a Medicare
 45.18 vendor; (5) refusal to grant the state agency access during regular business hours to examine
 45.19 all records necessary to disclose the extent of services provided to program recipients and
 45.20 appropriateness of claims for payment; (6) failure to repay an overpayment or a fine finally
 45.21 established under this section; (7) failure to correct errors in the maintenance of health
 45.22 service or financial records for which a fine was imposed or after issuance of a warning by
 45.23 the commissioner; and (8) any reason for which ~~a vendor~~ an individual or entity could be
 45.24 excluded from participation in the Medicare program under section 1128, 1128A, or
 45.25 1866(b)(2) of the Social Security Act. For the purposes of this section, goods or services
 45.26 for which payment is made from medical assistance includes but is not limited to care and
 45.27 services identified in section 256B.0625 or provided pursuant to any federally approved
 45.28 waiver.

45.29 (b) The commissioner may impose sanctions against a pharmacy provider for failure to
 45.30 respond to a cost of dispensing survey under section 256B.0625, subdivision 13e, paragraph
 45.31 (h).

45.32 Subd. 1b. **Sanctions available.** The commissioner may impose the following sanctions
 45.33 for the conduct described in subdivision 1a: suspension or withholding of payments to a
 45.34 ~~vendor~~ an individual or entity and suspending or terminating participation in the program,

46.1 or imposition of a fine under subdivision 2, paragraph (f). When imposing sanctions under
 46.2 this section, the commissioner shall consider the nature, chronicity, or severity of the conduct
 46.3 and the effect of the conduct on the health and safety of persons served by the ~~vendor~~
 46.4 individual or entity. The commissioner shall suspend ~~a vendor's~~ an individual's or entity's
 46.5 participation in the program for a minimum of five years if the ~~vendor~~ individual or entity
 46.6 is convicted of a crime, received a stay of adjudication, or entered a court-ordered diversion
 46.7 program for an offense related to a provision of a health service under medical assistance,
 46.8 including a federally approved waiver, or health care fraud. Regardless of imposition of
 46.9 sanctions, the commissioner may make a referral to the appropriate state licensing board.

46.10 Subd. 1c. **Grounds for and methods of monetary recovery.** (a) The commissioner
 46.11 may obtain monetary recovery from ~~a vendor who~~ an individual or entity that has been
 46.12 improperly paid by the department either as a result of conduct described in subdivision 1a
 46.13 or as a result of ~~a vendor or department~~ an error by the individual or entity submitting the
 46.14 claim or by the department, regardless of whether the error was intentional. Patterns need
 46.15 not be proven as a precondition to monetary recovery of erroneous or false claims, duplicate
 46.16 claims, claims for services not medically necessary, or claims based on false statements.

46.17 (b) The commissioner may obtain monetary recovery using methods including but not
 46.18 limited to the following: assessing and recovering money improperly paid and debiting from
 46.19 future payments any money improperly paid. The commissioner shall charge interest on
 46.20 money to be recovered if the recovery is to be made by installment payments or debits,
 46.21 except when the monetary recovery is of an overpayment that resulted from a department
 46.22 error. The interest charged shall be the rate established by the commissioner of revenue
 46.23 under section 270C.40.

46.24 Subd. 1d. **Investigative costs.** The commissioner may seek recovery of investigative
 46.25 costs from any ~~vendor of medical care or services who~~ individual or entity that willfully
 46.26 submits a claim for reimbursement for services that the ~~vendor~~ individual or entity knows,
 46.27 or reasonably should have known, is a false representation and that results in the payment
 46.28 of public funds for which the ~~vendor~~ individual or entity is ineligible. Billing errors that
 46.29 result in unintentional overcharges shall not be grounds for investigative cost recoupment.

46.30 Subd. 2. **Imposition of monetary recovery and sanctions.** (a) The commissioner shall
 46.31 determine any monetary amounts to be recovered and sanctions to be imposed upon ~~a vendor~~
 46.32 ~~of medical care~~ an individual or entity under this section. Except as provided in paragraphs
 46.33 (b) and (d), neither a monetary recovery nor a sanction will be imposed by the commissioner
 46.34 without prior notice and an opportunity for a hearing, according to chapter 14, on the
 46.35 commissioner's proposed action, provided that the commissioner may suspend or reduce

47.1 payment to ~~a vendor of medical care~~ an individual or entity, except a nursing home or
47.2 convalescent care facility, after notice and prior to the hearing if in the commissioner's
47.3 opinion that action is necessary to protect the public welfare and the interests of the program.

47.4 (b) Except when the commissioner finds good cause not to suspend payments under
47.5 Code of Federal Regulations, title 42, section 455.23 (e) or (f), the commissioner shall
47.6 withhold or reduce payments to ~~a vendor of medical care~~ an individual or entity without
47.7 providing advance notice of such withholding or reduction if either of the following occurs:

47.8 (1) the ~~vendor~~ individual or entity is convicted of a crime involving the conduct described
47.9 in subdivision 1a; or

47.10 (2) the commissioner determines there is a credible allegation of fraud for which an
47.11 investigation is pending under the program. Allegations are considered credible when they
47.12 have an indicium of reliability and the state agency has reviewed all allegations, facts, and
47.13 evidence carefully and acts judiciously on a case-by-case basis. A credible allegation of
47.14 fraud is an allegation which has been verified by the state, from any source, including but
47.15 not limited to:

47.16 (i) fraud hotline complaints;

47.17 (ii) claims data mining; and

47.18 (iii) patterns identified through provider audits, civil false claims cases, and law
47.19 enforcement investigations.

47.20 ~~Allegations are considered to be credible when they have an indicia of reliability and~~
47.21 ~~the state agency has reviewed all allegations, facts, and evidence carefully and acts~~
47.22 ~~judiciously on a case-by-case basis.~~

47.23 (c) The commissioner must send notice of the withholding or reduction of payments
47.24 under paragraph (b) within five days of taking such action unless requested in writing by a
47.25 law enforcement agency to temporarily withhold the notice. The notice must:

47.26 (1) state that payments are being withheld according to paragraph (b);

47.27 (2) set forth the general allegations as to the nature of the withholding action, but need
47.28 not disclose any specific information concerning an ongoing investigation;

47.29 (3) except in the case of a conviction for conduct described in subdivision 1a, state that
47.30 the withholding is for a temporary period and cite the circumstances under which withholding
47.31 will be terminated;

47.32 (4) identify the types of claims to which the withholding applies; and

48.1 (5) inform the ~~vendor~~ individual or entity of the right to submit written evidence for
48.2 consideration by the commissioner.

48.3 (d) The withholding or reduction of payments will not continue after the commissioner
48.4 determines there is insufficient evidence of fraud by the ~~vendor~~ individual or entity, or after
48.5 legal proceedings relating to the alleged fraud are completed, unless the commissioner has
48.6 sent notice of intention to impose monetary recovery or sanctions under paragraph (a). Upon
48.7 conviction for a crime related to the provision, management, or administration of a health
48.8 service under medical assistance, a payment held pursuant to this section by the commissioner
48.9 or a managed care organization that contracts with the commissioner under section 256B.035
48.10 is forfeited to the commissioner or managed care organization, regardless of the amount
48.11 charged in the criminal complaint or the amount of criminal restitution ordered.

48.12 ~~(d)~~ (e) The commissioner shall suspend or terminate a ~~vendor's~~ an individual's or entity's
48.13 participation in the program without providing advance notice and an opportunity for a
48.14 hearing when the suspension or termination is required because of the ~~vendor's~~ individual's
48.15 or entity's exclusion from participation in Medicare. Within five days of taking such action,
48.16 the commissioner must send notice of the suspension or termination. The notice must:

48.17 (1) state that suspension or termination is the result of the ~~vendor's~~ individual's or entity's
48.18 exclusion from Medicare;

48.19 (2) identify the effective date of the suspension or termination; and

48.20 (3) inform the ~~vendor~~ individual or entity of the need to be reinstated to Medicare before
48.21 reapplying for participation in the program.

48.22 ~~(e)~~ (f) Upon receipt of a notice under paragraph (a) that a monetary recovery or sanction
48.23 is to be imposed, a ~~vendor~~ an individual or entity may request a contested case, as defined
48.24 in section 14.02, subdivision 3, by filing with the commissioner a written request of appeal.
48.25 The appeal request must be received by the commissioner no later than 30 days after the
48.26 date the notification of monetary recovery or sanction was mailed to the ~~vendor~~ individual
48.27 or entity. The appeal request must specify:

48.28 (1) each disputed item, the reason for the dispute, and an estimate of the dollar amount
48.29 involved for each disputed item;

48.30 (2) the computation that the ~~vendor~~ individual or entity believes is correct;

48.31 (3) the authority in statute or rule upon which the ~~vendor~~ individual or entity relies for
48.32 each disputed item;

49.1 (4) the name and address of the person or entity with whom contacts may be made
49.2 regarding the appeal; and

49.3 (5) other information required by the commissioner.

49.4 ~~(f)~~ (g) The commissioner may order ~~a vendor~~ an individual or entity to forfeit a fine for
49.5 failure to fully document services according to standards in this chapter and Minnesota
49.6 Rules, chapter 9505. The commissioner may assess fines if specific required components
49.7 of documentation are missing. The fine for incomplete documentation shall equal 20 percent
49.8 of the amount paid on the claims for reimbursement submitted by the ~~vendor~~ individual or
49.9 entity, or up to \$5,000, whichever is less. If the commissioner determines that ~~a vendor~~ an
49.10 individual or entity repeatedly violated this chapter, chapter 254B or 245G, or Minnesota
49.11 Rules, chapter 9505, related to the provision of services to program recipients and the
49.12 submission of claims for payment, the commissioner may order ~~a vendor~~ an individual or
49.13 entity to forfeit a fine based on the nature, severity, and chronicity of the violations, in an
49.14 amount of up to \$5,000 or 20 percent of the value of the claims, whichever is greater. The
49.15 commissioner may issue fines under this paragraph in place of or in addition to full monetary
49.16 recovery of the value of the claims submitted under subdivision 1c.

49.17 ~~(g)~~ (h) The ~~vendor~~ individual or entity shall pay the fine assessed on or before the
49.18 payment date specified. If the ~~vendor~~ individual or entity fails to pay the fine, the
49.19 commissioner may withhold or reduce payments and recover the amount of the fine. A
49.20 timely appeal shall stay payment of the fine until the commissioner issues a final order.

49.21 Subd. 3. **Vendor Mandates on prohibited payments.** (a) The commissioner shall
49.22 maintain and publish a list of each excluded individual and entity that was convicted of a
49.23 crime related to the provision, management, or administration of a medical assistance health
49.24 service, or suspended or terminated under subdivision 2. Medical assistance payments cannot
49.25 be made by ~~a vendor~~ an individual or entity for items or services furnished either directly
49.26 or indirectly by an excluded individual or entity, or at the direction of excluded individuals
49.27 or entities.

49.28 (b) The ~~vendor~~ entity must check the exclusion list on a monthly basis and document
49.29 the date and time the exclusion list was checked and the name and title of the person who
49.30 checked the exclusion list. The ~~vendor~~ entity must immediately terminate payments to an
49.31 individual or entity on the exclusion list.

49.32 (c) ~~A vendor's~~ An entity's requirement to check the exclusion list and to terminate
49.33 payments to individuals or entities on the exclusion list applies to each individual or entity

50.1 on the exclusion list, even if the named individual or entity is not responsible for direct
50.2 patient care or direct submission of a claim to medical assistance.

50.3 (d) ~~A vendor~~ An entity that pays medical assistance program funds to an individual or
50.4 entity on the exclusion list must refund any payment related to either items or services
50.5 rendered by an individual or entity on the exclusion list from the date the individual or entity
50.6 is first paid or the date the individual or entity is placed on the exclusion list, whichever is
50.7 later, and ~~a vendor~~ an entity may be subject to:

50.8 (1) sanctions under subdivision 2;

50.9 (2) a civil monetary penalty of up to \$25,000 for each determination by the department
50.10 that the vendor employed or contracted with an individual or entity on the exclusion list;
50.11 and

50.12 (3) other fines or penalties allowed by law.

50.13 Subd. 4. **Notice.** (a) The department shall serve the notice required under subdivision 2
50.14 ~~shall be served~~ by certified mail at the address submitted to the department by the ~~vendor~~
50.15 individual or entity. Service is complete upon mailing. ~~The commissioner shall place an~~
50.16 ~~affidavit of the certified mailing in the vendor's file as an indication of the address and the~~
50.17 ~~date of mailing.~~

50.18 (b) The department shall give notice in writing to a recipient placed in the Minnesota
50.19 restricted recipient program under section 256B.0646 and Minnesota Rules, part 9505.2200.
50.20 The department shall send the notice ~~shall be sent~~ by first class mail to the recipient's current
50.21 address on file with the department. A recipient placed in the Minnesota restricted recipient
50.22 program may contest the placement by submitting a written request for a hearing to the
50.23 department within 90 days of the notice being mailed.

50.24 Subd. 5. **Immunity; good faith reporters.** (a) A person who makes a good faith report
50.25 is immune from any civil or criminal liability that might otherwise arise from reporting or
50.26 participating in the investigation. Nothing in this subdivision affects ~~a vendor's~~ an individual's
50.27 or entity's responsibility for an overpayment established under this subdivision.

50.28 (b) A person employed by a lead investigative agency who is conducting or supervising
50.29 an investigation or enforcing the law according to the applicable law or rule is immune from
50.30 any civil or criminal liability that might otherwise arise from the person's actions, if the
50.31 person is acting in good faith and exercising due care.

50.32 (c) For purposes of this subdivision, "person" includes a natural person or any form of
50.33 a business or legal entity.

51.1 (d) After an investigation is complete, the reporter's name must be kept confidential.
51.2 The subject of the report may compel disclosure of the reporter's name only with the consent
51.3 of the reporter or upon a written finding by a district court that the report was false and there
51.4 is evidence that the report was made in bad faith. This subdivision does not alter disclosure
51.5 responsibilities or obligations under the Rules of Criminal Procedure, except that when the
51.6 identity of the reporter is relevant to a criminal prosecution the district court shall conduct
51.7 an in-camera review before determining whether to order disclosure of the reporter's identity.

51.8 Sec. 42. Minnesota Statutes 2022, section 256B.27, subdivision 3, is amended to read:

51.9 Subd. 3. **Access to medical records.** The commissioner of human services, with the
51.10 written consent of the recipient, on file with the local welfare agency, shall be allowed
51.11 access in the manner and within the time prescribed by the commissioner to all personal
51.12 medical records of medical assistance recipients solely for the purposes of investigating
51.13 whether or not: (a) a vendor of medical care has submitted a claim for reimbursement, a
51.14 cost report or a rate application which is duplicative, erroneous, or false in whole or in part,
51.15 or which results in the vendor obtaining greater compensation than the vendor is legally
51.16 entitled to; or (b) the medical care was medically necessary. When the commissioner is
51.17 investigating a possible overpayment of Medicaid funds, the commissioner must be given
51.18 immediate access without prior notice to the vendor's office during regular business hours
51.19 and to documentation and records related to services provided and submission of claims
51.20 for services provided. The department shall document in writing the need for immediate
51.21 access to records related to a specific investigation. Denying the commissioner access to
51.22 records is cause for the vendor's immediate suspension of payment or termination according
51.23 to section 256B.064. All providers receiving medical assistance payments must make those
51.24 records available immediately to the commissioner upon request. Any records not provided
51.25 to the commissioner at the date and time of the request are inadmissible if offered as evidence
51.26 by the provider in any proceeding to contest sanctions against or monetary recovery from
51.27 the provider. The determination of provision of services not medically necessary shall be
51.28 made by the commissioner. Notwithstanding any other law to the contrary, a vendor of
51.29 medical care shall not be subject to any civil or criminal liability for providing access to
51.30 medical records to the commissioner of human services pursuant to this section.

51.31 Sec. 43. Minnesota Statutes 2022, section 524.5-118, subdivision 2a, is amended to read:

51.32 Subd. 2a. **Procedure; state licensing agency data.** (a) The court shall request the
51.33 commissioner of human services to provide the court within 25 working days of receipt of
51.34 the request with licensing agency data for licenses directly related to the responsibilities of

52.1 a professional fiduciary if the study subject indicates current or prior affiliation from the
52.2 following agencies in Minnesota:

52.3 (1) Lawyers Responsibility Board;

52.4 (2) State Board of Accountancy;

52.5 (3) Board of Social Work;

52.6 (4) Board of Psychology;

52.7 (5) Board of Nursing;

52.8 (6) Board of Medical Practice;

52.9 ~~(7) Department of Education;~~

52.10 ~~(8)~~ (7) Department of Commerce;

52.11 ~~(9)~~ (8) Board of Chiropractic Examiners;

52.12 ~~(10)~~ (9) Board of Dentistry;

52.13 ~~(11)~~ (10) Board of Marriage and Family Therapy;

52.14 ~~(12)~~ (11) Department of Human Services;

52.15 ~~(13)~~ (12) Peace Officer Standards and Training (POST) Board; and

52.16 ~~(14)~~ (13) Professional Educator Licensing and Standards Board.

52.17 (b) The commissioner shall enter into agreements with these agencies to provide the
52.18 commissioner with electronic access to the relevant licensing data, and to provide the
52.19 commissioner with a quarterly list of new sanctions issued by the agency.

52.20 (c) The commissioner shall provide to the court the electronically available data
52.21 maintained in the agency's database, including whether the proposed guardian or conservator
52.22 is or has been licensed by the agency, and if the licensing agency database indicates a
52.23 disciplinary action or a sanction against the individual's license, including a condition,
52.24 suspension, revocation, or cancellation.

52.25 (d) If the proposed guardian or conservator has resided in a state other than Minnesota
52.26 in the previous ten years, licensing agency data under this section shall also include the
52.27 licensing agency data from any other state where the proposed guardian or conservator
52.28 reported to have resided during the previous ten years if the study subject indicates current
52.29 or prior affiliation. If the proposed guardian or conservator has or has had a professional
52.30 license in another state that is directly related to the responsibilities of a professional fiduciary

53.1 from one of the agencies listed under paragraph (a), state licensing agency data shall also
53.2 include data from the relevant licensing agency of that state.

53.3 (e) The commissioner is not required to repeat a search for Minnesota or out-of-state
53.4 licensing data on an individual if the commissioner has provided this information to the
53.5 court within the prior five years.

53.6 (f) The commissioner shall review the information in paragraph (c) at least once every
53.7 four months to determine if an individual who has been studied within the previous five
53.8 years:

53.9 (1) has new disciplinary action or sanction against the individual's license; or

53.10 (2) did not disclose a prior or current affiliation with a Minnesota licensing agency.
