State of Minnesota

HOUSE OF REPRESENTATIVES

NINETY-FOURTH SESSION H. F. No. 29

02/10/2025 Authored by Kresha, Bakeberg, Bennett, Hudson, Lawrence and others
The bill was read for the first time and referred to the Committee on Education Policy

1.1 A bill for an act

relating to education; suspending social studies standards adoption and modifying review cycle; repealing ethnic studies requirements; canceling ethnic studies appropriations; amending Minnesota Statutes 2024, sections 120B.021, subdivision 4; 120B.024, subdivision 2; 120B.11, subdivision 1; 124D.861, subdivision 2; Laws 2023, chapter 55, article 2, section 64, subdivisions 13, 14, as amended; article 12, section 17, subdivision 2, as amended; repealing Minnesota Statutes 2024, sections 120B.25; 120B.251.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2024, section 120B.021, subdivision 4, is amended to read:

Subd. 4. Revisions and reviews required. (a) The commissioner of education must revise the state's academic standards and graduation requirements and implement a ten-year cycle to review and, consistent with the review, revise state academic standards and related benchmarks, consistent with this subdivision. During each ten-year review and revision cycle, the commissioner also must examine the alignment of each required academic standard and related benchmark with the knowledge and skills students need for career and college readiness and advanced work in the particular subject area. The commissioner must include the contributions of Minnesota American Indian Tribes and communities, including urban Indigenous communities, as related to the academic standards during the review and revision of the required academic standards. The commissioner must embed Indigenous education for all students consistent with recommendations from Tribal Nations and urban Indigenous communities in Minnesota regarding the contributions of American Indian Tribes and communities in Minnesota into the state's academic standards during the review and revision of the required academic standards. The recommendations to embed Indigenous education for all students includes but is not limited to American Indian experiences in Minnesota,

Section 1.

- (b) The commissioner must ensure that the statewide mathematics assessments administered to students in grades 3 through 8 and 11 are aligned with the state academic standards in mathematics, consistent with section 120B.302, subdivision 3, paragraph (a). The commissioner must implement a review of the academic standards and related benchmarks in mathematics beginning in the 2021-2022 school year and every ten years thereafter.
- (c) The commissioner must implement a review of the academic standards and related benchmarks in arts beginning in the 2017-2018 school year and every ten years thereafter.
- (d) The commissioner must implement a review of the academic standards and related benchmarks in science beginning in the 2018-2019 school year and every ten years thereafter.
- (e) The commissioner must implement a review of the academic standards and related benchmarks in language arts beginning in the 2019-2020 school year and every ten years thereafter.
- (f) The commissioner must implement a review of the academic standards and related benchmarks in social studies beginning in the 2020-2021 2030-2031 school year and every ten years thereafter.
- (g) The commissioner must implement a review of the academic standards and related benchmarks in physical education beginning in the 2026-2027 school year and every ten years thereafter.
- (h) The commissioner must implement a review of the academic standards and related benchmarks in health education beginning in the 2034-2035 school year and every ten years thereafter.
- (i) School districts and charter schools must revise and align local academic standards and high school graduation requirements in world languages and career and technical education to require students to complete the revised standards beginning in a school year determined by the school district or charter school. School districts and charter schools must formally establish a periodic review cycle for the academic standards and related benchmarks in world languages and career and technical education.
- (j) The commissioner of education must embed technology and information literacy standards consistent with recommendations from school media specialists into the state's academic standards and graduation requirements.

EFFECTIVE DATE. This section is effective the day following final enactment.

- Sec. 2. Minnesota Statutes 2024, section 120B.024, subdivision 2, is amended to read:
- Subd. 2. Credit equivalencies. (a) A one-half credit of economics taught in a school's agricultural, food, and natural resources education or business education program or department may fulfill a one-half credit in social studies under subdivision 1, clause (5), if the credit is sufficient to satisfy all of the academic standards in economics.
- (b) An agriculture science or career and technical education credit may fulfill the elective science credit required under subdivision 1, clause (4), if the credit meets the state physical science, life science, earth and space science, chemistry, or physics academic standards or a combination of these academic standards as approved by the district. An agriculture or career and technical education credit may fulfill the credit in chemistry or physics required under subdivision 1, clause (4), if the credit meets the state chemistry or physics academic standards as approved by the district. A student must satisfy either all of the chemistry academic standards or all of the physics academic standards prior to graduation. An agriculture science or career and technical education credit may not fulfill the required biology credit under subdivision 1, clause (4).
- (c) A career and technical education credit may fulfill a mathematics or arts credit requirement under subdivision 1, clause (2) or (6).
- (d) An agricultural, food, and natural resources education teacher is not required to meet the requirements of Minnesota Rules, part 3505.1150, subpart 2, item B, to meet the credit equivalency requirements of paragraph (b) above.
- (e) A computer science credit may fulfill a mathematics credit requirement under subdivision 1, clause (2), if the credit meets state academic standards in mathematics.
- (f) A Project Lead the Way credit may fulfill a science or mathematics credit requirement under subdivision 1, clause (2) or (4), if the credit meets the state academic standards in science or mathematics.
- (g) An ethnic studies course may fulfill a social studies, language arts, arts, math, or science credit if the course meets the applicable state academic standards. An ethnic studies course may fulfill an elective credit if the course meets applicable local standards or other requirements.

- Subdivision 1. **Definitions.** For the purposes of this section and section 120B.10, the following terms have the meanings given them.
 - (a) "Instruction" means methods of providing learning experiences that enable a student to meet state and district academic standards and graduation requirements including applied and experiential learning.
 - (b) "Curriculum" means district or school adopted programs and written plans for providing students with learning experiences that lead to expected knowledge and skills and career and college readiness.
 - (c) "Comprehensive achievement and civic readiness" means striving to: meet school readiness goals; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; have all students graduate from high school; and prepare students to be lifelong learners.
 - (d) "Experiential learning" means learning for students that includes career exploration through a specific class or course or through work-based experiences such as job shadowing, mentoring, entrepreneurship, service learning, volunteering, internships, other cooperative work experience, youth apprenticeship, or employment.
 - (e) "Ethnic studies" as defined in section 120B.25 has the same meaning for purposes of this section. Ethnic studies curriculum may be integrated in existing curricular opportunities or provided through additional curricular offerings.
 - (f) (e) "Antiracist" means actively working to identify and eliminate racism in all forms in order to change policies, behaviors, and beliefs that perpetuate racist ideas and actions.
 - (g) (f) "Culturally sustaining" means integrating content and practices that infuse the culture and language of Black, Indigenous, and People of Color communities who have been and continue to be harmed and erased through the education system.
 - (h) (g) "Institutional racism" means structures, policies, and practices within and across institutions that produce outcomes that disadvantage those who are Black, Indigenous, and People of Color.
- 4.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

- (1) reducing the disparities in academic achievement and in equitable access to effective and more diverse teachers among all students and specific categories of students under section 120B.35, subdivision 3, paragraph (b), excluding the student categories of gender, disability, and English learners; and
 - (2) increasing racial and economic diversity and integration in schools and districts.
- (c) The plan must include strategies to validate, affirm, embrace, and integrate cultural and community strengths of all students, families, and employees in the district's curriculum as well as learning and work environments. The plan must address issues of institutional racism as defined in section 120B.11, subdivision 1, in schools that create opportunity and achievement gaps for students, families, and staff who are of color or who are American Indian. Examples of institutional racism experienced by students who are of color or who are American Indian include policies and practices that intentionally or unintentionally result in disparate discipline referrals and suspension, inequitable access to advanced coursework, overrepresentation in lower-level coursework, inequitable participation in cocurricular activities, inequitable parent involvement, and lack of equitable access to racially and ethnically diverse teachers who reflect the racial or ethnic diversity of students because it has not been a priority to hire or retain such teachers.
- (d) School districts must use local data, to the extent practicable, to develop plan components and strategies. Plans may include:
- (1) innovative and integrated prekindergarten through grade 12 learning environments that offer students school enrollment choices;
- (2) family engagement initiatives that involve families in their students' academic life and success and improve relations between home and school;
- (3) opportunities for students, families, staff, and community members who are of color or American Indian to share their experiences in the school setting with school staff and administration and to inform the development of specific proposals for making school environments more validating, affirming, embracing, and integrating of their cultural and community strengths;

Sec. 4. 5

02/05/25	REVISOR	CR/BM	25-03541

(4) professional development opportunities for teachers and administrators focused on improving the academic achievement of all students, including knowledge, skills, and dispositions needed to be antiracist and culturally sustaining as defined in section 120B.11, subdivision 1, for serving students who are from racially and ethnically diverse backgrounds;

- (5) recruitment and retention of teachers, administrators, cultural and family liaisons, paraprofessionals, and other staff from racial, ethnic, and linguistic backgrounds represented in the student population to strengthen relationships with all students, families, and other members of the community;
- (6) collection, examination, and evaluation of academic and discipline data for institutional racism as defined in section 120B.11, subdivision 1, in structures, policies, and practices that result in the education disparities, in order to propose antiracist changes as defined in section 120B.11, subdivision 1, that increase access, meaningful participation, representation, and positive outcomes for students of color and American Indian students;
- (7) increased programmatic opportunities and effective and more diverse instructors focused on rigor and college and career readiness for students who are impacted by racial, gender, linguistic, and economic disparities, including students enrolled in area learning centers or alternative learning programs under section 123A.05, state-approved alternative programs under section 126C.05, subdivision 15, and contract alternative programs under section 124D.69, among other underserved students; or
- (8) instruction in ethnic studies, as defined in section 120B.25, to provide all students with opportunities to learn about their own and others' cultures and historical experiences; or
- (9) (8) examination and revision of district curricula in all subjects to be inclusive of diverse racial and ethnic groups while meeting state academic standards and being culturally sustaining as defined in section 120B.11, subdivision 1, ensuring content being studied about any group is accurate and based in knowledge from that group.
- (e) Among other requirements, an eligible district must implement effective, research-based interventions that include multiple measures of assessment and engagement in order to eliminate academic disparities for students impacted by racial, gender, linguistic, and economic inequities as aligned with section 120B.11.
- (f) Eligible districts must create efficiencies and eliminate duplicative programs and services under this section, which may include forming collaborations or a single, seven-county metropolitan areawide partnership of eligible districts for this purpose.

APPENDIX

Repealed Minnesota Statutes: 25-03541

120B.25 ETHNIC STUDIES.

"Ethnic studies" means the interdisciplinary study of race, ethnicity, and indigeneity with a focus on the experiences and perspectives of people of color within and beyond the United States. Ethnic studies analyzes the ways in which race and racism have been and continue to be social, cultural, and political forces, and the connection of race to the stratification of other groups, including stratification based on the protected classes under section 363A.13.

120B.251 ETHNIC STUDIES REQUIREMENTS.

Subdivision 1. **Definition.** "Ethnic studies" has the meaning provided in section 120B.25.

- Subd. 2. **Requirements.** (a) Starting in the 2026-2027 school year, a district or charter school high school must offer an ethnic studies course that fulfills the requirements of this paragraph. Nothing in this section increases or otherwise affects the number of credits required for graduation under section 120B.024. An ethnic studies course may fulfill a social studies, language arts, arts, math, or science credit if the course meets the applicable state academic standards. An ethnic studies course may fulfill an elective credit if the course meets applicable local academic standards or other requirements.
- (b) School districts and charter schools must provide ethnic studies instruction in elementary schools and middle schools by the 2027-2028 school year in accordance with state academic standards.
 - (c) Ethnic studies instruction must meet statewide ethnic studies academic standards.
- (d) An ethnic studies course may focus specifically on a particular group of national or ethnic origin.
- Subd. 3. **Department of Education.** The Department of Education must hire dedicated ethnic studies staff sufficient to fulfill the following department duties:
- (1) support school district and charter school implementation of ethnic studies courses that fulfill ethnic studies standards through activities such as assistance with increased completion of the Minnesota Common Course Catalog, hosting an annual implementation support symposium, and regular updates and lessons learned;
- (2) support school districts and charter schools in providing training for teachers and school district staff to successfully implement ethnic studies standards;
- (3) support and provide tools for each school district or charter school to annually evaluate the implementation of the ethnic studies requirements by seeking feedback from students, parents or guardians, and community members;
- (4) provide resources and examples of how a dedicated coordinator for ethnic studies can facilitate higher quality implementation of ethnic studies; and
 - (5) make available to school districts and charter schools the following:
- (i) an ethnic studies school survey for each school district and charter school to use as part of a school needs assessment;
- (ii) a list of recommended examples of implementation supports for use in kindergarten through grade 12 that accurately reflect the diversity of the state of Minnesota;
- (iii) training materials for teachers and district and school staff, including an ethnic studies coordinator, to implement ethnic studies requirements; and
- (iv) other resources to assist districts and charter schools in successfully implementing ethnic studies standards.
