38.22 science, and, when applicable, the Board of
38.23 Water and Soil Resources' native vegetation
38.24 establishment and enhancement guidelines.
38.25 The evaluation must determine whether the
38.26 restorations are meeting planned goals,
38.27 identify any problems with implementing the
38.28 restorations, and, if necessary, give
38.29 recommendations on improving restorations.
38.30 The evaluation must be focused on improving
38.31 future restorations.

38.33 funded with money appropriated in this section

38.35 conservation easement or public ownership.

39.15 electronic format at least 20 business days
39.16 before closing;

39.18 enforcement plan and funding for monitoring
39.19 and enforcing the easement agreement; and

39.20 (6) include requirements in the easement
39.21 document to protect the quantity and quality
39.22 of groundwater and surface water through
39.23 specific activities, such as keeping water on
39.24 the landscape, reducing nutrient and
39.25 contaminant loading, and not permitting
39.26 artificial hydrological modifications.

39.27 (h) For any acquisition of lands or interest in
39.28 lands, a recipient of money appropriated under
39.29 this section must not agree to pay more than
39.30 100 percent of the appraised value for a parcel
39.31 of land using this money to complete the
39.32 purchase, in part or in whole, except that up
39.33 to ten percent above the appraised value may

40.1 be allowed to complete the purchase, in part
40.2 or in whole, using this money if permission is
40.3 received in advance of the purchase from the

40.16 implementation unless the work plan addresses
40.17 why a portion of the money is not necessary
40.18 to achieve a high-quality restoration.

40.19 (k) To ensure public accountability for using
40.20 public funds, a recipient of money
40.21 appropriated under this section must, within
40.22 60 days of a land acquisition, provide to the
40.23 Legislative-Citizen Commission on Minnesota

40.27 transaction costs, including but not limited to
40.28 appraisals, legal fees, recording fees,
40.29 commissions, other similar costs, and
40.30 donations. This information must be provided
40.31 for all parties involved in the transaction. The
40.32 recipient must also report to the
40.33 Legislative-Citizen Commission on Minnesota
40.34 Resources any difference between the
40.35 acquisition amount paid to the seller and the

41.1 state-certified or state-reviewed appraisal, if
