1.4 provisions; establishing the African American Child Well-Being Advisory Council;

1.5 requiring reports; appropriating money; amending Minnesota Statutes 2022, section

1.6 260C.329, subdivisions 3, 8; proposing coding for new law in Minnesota Statutes,

1.7 chapter 260.

1.8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.9 Section 1. [260.61] CITATION.

1.10 Sections 260.61 to 260.693 may be cited as the "Minnesota African American Family

1.11 Preservation and Child Welfare Disproportionality Act."

1.12 EFFECTIVE DATE. This section is effective July 1, 2027, except as provided under

1.13 section 20.

1.14 Sec. 2. [260.62] PURPOSES.

1.15 (a) The purposes of the Minnesota African American Family Preservation and Child

1.16 Welfare Disproportionality Act are to:

1.17 (1) protect the best interests of African American and disproportionately represented

1.18 children;

1.19 (2) promote the stability and security of African American and disproportionately

1.20 represented children and their families by establishing minimum standards to prevent the

1.21 arbitrary and unnecessary removal of African American and disproportionately represented

1.22 children from their families; and

2.1 (3) improve permanency outcomes, including family reunification, for African American  
2.2 and disproportionately represented children.

2.3 (b) Nothing in this legislation is intended to interfere with the protections of the Indian  
2.4 Child Welfare Act of 1978, United States Code, title 25, sections 1901 to 1963, or the  
2.5 Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

2.6 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
2.7 section 20.

2.8 **Sec. 3. [260.63] DEFINITIONS.**

2.9 Subdivision 1. **Scope.** The definitions in this section apply to sections 260.61 to 260.693.

2.10 Subd. 2. **Active efforts.** "Active efforts" means a rigorous and concerted level of effort  
2.11 that the responsible social services agency must continuously make throughout the time  
2.12 that the responsible social services agency is involved with an African American or a  
2.13 disproportionately represented child and the child's family. To provide active efforts to  
2.14 preserve an African American or a disproportionately represented child's family, the  
2.15 responsible social services agency must continuously involve an African American or a  
2.16 disproportionately represented child's family in all services for the family, including case  
2.17 planning and choosing services and providers, and inform the family of the ability to file a  
2.18 report of noncompliance with this act with the commissioner through the child welfare  
2.19 compliance and feedback portal. When providing active efforts, a responsible social services  
2.20 agency must consider an African American or a disproportionately represented child's  
2.21 family's social and cultural values at all times while providing services to the African  
2.22 American or disproportionately represented child and the child's family. Active efforts  
2.23 includes continuous efforts to preserve an African American or a disproportionately  
2.24 represented child's family and to prevent the out-of-home placement of an African American  
2.25 or a disproportionately represented child. If an African American or a disproportionately  
2.26 represented child enters out-of-home placement, the responsible social services agency must  
2.27 make active efforts to reunify the African American or disproportionately represented child  
2.28 with the child's family as soon as possible. Active efforts sets a higher standard for the  
2.29 responsible social services agency than reasonable efforts to preserve the child's family,  
2.30 prevent the child's out-of-home placement, and reunify the child with the child's family.  
2.31 Active efforts includes the provision of reasonable efforts as required by Title IV-E of the  
2.32 Social Security Act, United States Code, title 42, sections 670 to 679c.

2.33 Subd. 3. **Adoptive placement.** "Adoptive placement" means the permanent placement  
2.34 of an African American or a disproportionately represented child made by the responsible

3.1 social services agency upon a fully executed adoption placement agreement, including the  
3.2 signatures of the adopting parent, the responsible social services agency, and the  
3.3 commissioner of human services according to section 260C.613, subdivision 1.

3.4 Subd. 4. **African American child.** "African American child" means a child having  
3.5 origins in Africa, including a child of two or more races who has at least one parent with  
3.6 origins in Africa. Whether a child or parent has origins in Africa is based upon  
3.7 self-identification or identification of the child's origins by the parent or guardian.

3.8 Subd. 5. **Best interests of the African American or disproportionately represented**  
3.9 **child.** The "best interests of the African American or disproportionately represented child"  
3.10 means providing a culturally informed practice lens that acknowledges, utilizes, and embraces  
3.11 the African American or disproportionately represented child's community and cultural  
3.12 norms and allows the child to remain safely at home with the child's family. The best interests  
3.13 of the African American or disproportionately represented child support the child's sense  
3.14 of belonging to the child's family, extended family, kin, and cultural community.

3.15 Subd. 6. **Child placement proceeding.** (a) "Child placement proceeding" means any  
3.16 judicial proceeding that could result in:

3.17 (1) an adoptive placement;

3.18 (2) a foster care placement;

3.19 (3) a preadoptive placement; or

3.20 (4) a termination of parental rights.

3.21 (b) Judicial proceedings under this subdivision include a child's placement based upon  
3.22 a child's juvenile status offense but do not include a child's placement based upon:

3.23 (1) an act which if committed by an adult would be deemed a crime; or

3.24 (2) an award of child custody in a divorce proceeding to one of the child's parents.

3.25 Subd. 7. **Commissioner.** "Commissioner" means the commissioner of human services  
3.26 or the commissioner's designee.

3.27 Subd. 8. **Custodian.** "Custodian" means any person who is under a legal obligation to  
3.28 provide care and support for an African American or a disproportionately represented child,  
3.29 or who is in fact providing daily care and support for an African American or a  
3.30 disproportionately represented child. This subdivision does not impose a legal obligation  
3.31 upon a person who is not otherwise legally obligated to provide a child with necessary food,  
3.32 clothing, shelter, education, or medical care.

4.1 Subd. 9. **Disproportionality.** "Disproportionality" means the overrepresentation of  
4.2 African American children and other disproportionately represented children in Minnesota's  
4.3 child welfare system population as compared to the representation of those children in  
4.4 Minnesota's total child population.

4.5 Subd. 10. **Disproportionately represented child.** "Disproportionately represented child"  
4.6 means a child whose race, culture, ethnicity, disability status, or low-income socioeconomic  
4.7 status is disproportionately encountered, engaged, or identified in the child welfare system  
4.8 as compared to the representation in the state's total child population. Disproportionately  
4.9 represented child includes members of unique cultural groups belonging to larger ethnic or  
4.10 cultural categories used in federal, state, or local demographic data when the members are  
4.11 known to be disproportionately affected.

4.12 Subd. 11. **Egregious harm.** "Egregious harm" has the meaning given in section 260E.03,  
4.13 subdivision 5.

4.14 Subd. 12. **Foster care placement.** "Foster care placement" means the court-ordered  
4.15 removal of an African American or a disproportionately represented child from the child's  
4.16 home with the child's parent or legal custodian and the temporary placement of the child in  
4.17 a foster home, in shelter care or a facility, or in the home of a guardian, when the parent or  
4.18 legal custodian cannot have the child returned upon demand, but the parent's parental rights  
4.19 have not been terminated. A foster care placement includes a placement in foster care  
4.20 following an order placing the child under the guardianship of the commissioner, pursuant  
4.21 to section 260C.325, prior to an adoption being finalized.

4.22 Subd. 13. **Imminent physical damage or harm.** "Imminent physical damage or harm"  
4.23 means that a child is threatened with immediate and present conditions that are  
4.24 life-threatening or likely to result in abandonment, sexual abuse, or serious physical injury.  
4.25 The existence of community or family poverty, isolation, single parenthood, age of the  
4.26 parent, crowded or inadequate housing, substance use, prenatal drug or alcohol exposure,  
4.27 mental illness, disability or special needs of the parent or child, or nonconforming social  
4.28 behavior does not by itself constitute imminent physical damage or harm.

4.29 Subd. 14. **Responsible social services agency.** "Responsible social services agency"  
4.30 has the meaning given in section 260C.007, subdivision 27a.

4.31 Subd. 15. **Parent.** "Parent" means the biological parent of an African American or a  
4.32 disproportionately represented child or any person who has legally adopted an African  
4.33 American or a disproportionately represented child. Parent includes an unmarried father  
4.34 whose paternity has been acknowledged or established and a putative father. Paternity has

5.1 been acknowledged when an unmarried father takes any action to hold himself out as the  
5.2 biological father of a child.

5.3 Subd. 16. **Preadoptive placement.** "Preadoptive placement" means a responsible social  
5.4 services agency's placement of an African American or a disproportionately represented  
5.5 child when the child is under the guardianship of the commissioner for the purpose of  
5.6 adoption but an adoptive placement agreement for the child has not been fully executed.

5.7 Subd. 17. **Relative.** "Relative" has the meaning given in section 260C.007, subdivision  
5.8 27.

5.9 Subd. 18. **Safety network.** "Safety network" means a group of individuals identified by  
5.10 the parent and child, when appropriate, that is accountable for developing, implementing,  
5.11 sustaining, supporting, or improving a safety plan to protect the safety and well-being of a  
5.12 child.

5.13 Subd. 19. **Sexual abuse.** "Sexual abuse" has the meaning given in section 260E.03,  
5.14 subdivision 20.

5.15 Subd. 20. **Termination of parental rights.** "Termination of parental rights" means an  
5.16 action resulting in the termination of the parent-child relationship under section 260C.301.

5.17 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
5.18 section 20.

5.19 Sec. 4. **[260.64] DUTY TO PREVENT OUT-OF-HOME PLACEMENT AND**  
5.20 **PROMOTE FAMILY REUNIFICATION.**

5.21 Subdivision 1. **Active efforts.** A responsible social services agency shall make active  
5.22 efforts to prevent the out-of-home placement of an African American or a disproportionately  
5.23 represented child, eliminate the need for a child's removal from the child's home, and reunify  
5.24 an African American or a disproportionately represented child with the child's family as  
5.25 soon as practicable.

5.26 Subd. 2. **Safety plan.** (a) Prior to petitioning the court to remove an African American  
5.27 or a disproportionately represented child from the child's home under section 260.66, a  
5.28 responsible social services agency must work with the child's family to allow the child to  
5.29 remain in the child's home while implementing a safety plan based on the family's needs.  
5.30 The responsible social services agency must:

5.31 (1) make active efforts to engage the child's parent or custodian and the child, when  
5.32 appropriate;

6.1 (2) assess the family's cultural and economic needs and, if applicable, needs and services  
6.2 related to the child's disability;

6.3 (3) hold a family group consultation meeting and connect the family with supports to  
6.4 establish a safety network for the family; and

6.5 (4) provide support, guidance, and input to assist the family and the family's safety  
6.6 network with developing the safety plan.

6.7 (b) The safety plan must:

6.8 (1) address the specific allegations impacting the child's safety in the home. If neglect  
6.9 is alleged, the safety plan must incorporate economic services and supports for the child  
6.10 and the child's family, if eligible, to address the family's specific needs and prevent neglect;

6.11 (2) incorporate family and community support to ensure the child's safety while keeping  
6.12 the family intact; and

6.13 (3) be adjusted as needed to address the child's and family's ongoing needs and support.

6.14 (c) The responsible social services agency is not required to establish a safety plan:

6.15 (1) in a case with allegations of sexual abuse or egregious harm;

6.16 (2) when the parent is not willing to follow a safety plan;

6.17 (3) when the parent has abandoned the child or is unavailable to follow a safety plan;

6.18 or

6.19 (4) when the parent has chronic substance abuse issues and is unable to parent the child.

6.20 Subd. 3. **Out-of-home placement prohibited.** Unless the court finds by clear and  
6.21 convincing evidence that the child would be at risk of serious emotional damage or serious  
6.22 physical damage if the child were to remain in the child's home, a court shall not order a  
6.23 foster care or permanent out-of-home placement of an African American or a  
6.24 disproportionately represented child alleged to be in need of protection or services. At each  
6.25 hearing regarding an African American or a disproportionately represented child who is  
6.26 alleged or adjudicated to be in need of child protective services, the court shall review  
6.27 whether the responsible social services agency has provided active efforts to the child and  
6.28 the child's family and shall require the responsible social services agency to provide evidence  
6.29 and documentation that demonstrate that the agency is providing culturally informed,  
6.30 strength-based, community-involved, and community-based services to the child and the  
6.31 child's family.

7.1 Subd. 4. **Required findings that active efforts were provided.** When determining  
7.2 whether the responsible social services agency has made active efforts to preserve the child's  
7.3 family, the court shall make findings regarding whether the responsible social services  
7.4 agency made appropriate and meaningful services available to the child's family based upon  
7.5 the family's specific needs. If a court determines that the responsible social services agency  
7.6 did not make active efforts to preserve the family as required by this section, the court shall  
7.7 order the responsible social services agency to immediately provide active efforts to the  
7.8 child and child's family to preserve the family.

7.9 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
7.10 section 20.

7.11 Sec. 5. **[260.641] ENSURING FREQUENT VISITATION FOR AFRICAN**  
7.12 **AMERICAN AND DISPROPORTIONATELY REPRESENTED CHILDREN IN**  
7.13 **OUT-OF-HOME PLACEMENT.**

7.14 A responsible social services agency must engage in best practices related to visitation  
7.15 when an African American or a disproportionately represented child is in out-of-home  
7.16 placement. When the child is in out-of-home placement, the responsible social services  
7.17 agency shall make active efforts to facilitate regular and frequent visitation between the  
7.18 child and the child's parents or custodians, the child's siblings, and the child's relatives. If  
7.19 visitation is infrequent between the child and the child's parents, custodians, siblings, or  
7.20 relatives, the responsible social services agency shall make active efforts to increase the  
7.21 frequency of visitation and address any barriers to visitation.

7.22 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
7.23 section 20.

7.24 Sec. 6. **[260.65] NONCUSTODIAL PARENTS.**

7.25 (a) Prior to or within 48 hours of the removal of an African American or a  
7.26 disproportionately represented child from the child's home, the responsible social services  
7.27 agency must make active efforts to identify and locate the child's noncustodial or  
7.28 nonadjudicated parent and the child's relatives to notify the child's parent and relatives that  
7.29 the child is or will be placed in foster care, and provide the child's parent and relatives with  
7.30 a list of legal resources. The notice to the child's noncustodial or nonadjudicated parent and  
7.31 relatives must also include the information required under section 260C.221, subdivision  
7.32 2, paragraph (b). The responsible social services agency must maintain detailed records of  
7.33 the agency's efforts to notify parents and relatives under this section.

8.1 (b) Notwithstanding the provisions of section 260C.219, the responsible social services  
8.2 agency must assess an African American or a disproportionately represented child's  
8.3 noncustodial or nonadjudicated parent's ability to care for the child before placing the child  
8.4 in foster care. If a child's noncustodial or nonadjudicated parent is willing and able to provide  
8.5 daily care for the African American or disproportionately represented child temporarily or  
8.6 permanently, the court shall order that the child be placed in the home of the noncustodial  
8.7 or nonadjudicated parent pursuant to section 260C.178 or 260C.201, subdivision 1. The  
8.8 responsible social services agency must make active efforts to assist a noncustodial or  
8.9 nonadjudicated parent with remedying any issues that may prevent the child from being  
8.10 placed with the noncustodial or nonadjudicated parent.

8.11 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
8.12 section 20.

8.13 Sec. 7. **[260.66] EMERGENCY REMOVAL.**

8.14 Subdivision 1. **Emergency removal or placement permitted.** Nothing in this section  
8.15 shall be construed to prevent the emergency removal of an African American or a  
8.16 disproportionately represented child's parent or custodian or the emergency placement of  
8.17 the child in a foster setting in order to prevent imminent physical damage or harm to the  
8.18 child.

8.19 Subd. 2. **Petition for emergency removal; placement requirements.** A petition for a  
8.20 court order authorizing the emergency removal or continued emergency placement of an  
8.21 African American or a disproportionately represented child or the petition's accompanying  
8.22 documents must contain a statement of the risk of imminent physical damage or harm to  
8.23 the African American or disproportionately represented child and any evidence that the  
8.24 emergency removal or placement continues to be necessary to prevent imminent physical  
8.25 damage or harm to the child. The petition or its accompanying documents must also contain  
8.26 the following information:

8.27 (1) the name, age, and last known address of the child;

8.28 (2) the name and address of the child's parents and custodians or, if unknown, a detailed  
8.29 explanation of efforts made to locate and contact them;

8.30 (3) the steps taken to provide notice to the child's parents and custodians about the  
8.31 emergency proceeding;

8.32 (4) a specific and detailed account of the circumstances that led the agency responsible  
8.33 for the emergency removal of the child to take that action; and

9.1 (5) a statement of the efforts that have been taken to assist the child's parents or custodians  
9.2 so that the child may safely be returned to their custody.

9.3 Subd. 3. **Emergency proceeding requirements.** (a) The court shall hold a hearing no  
9.4 later than 72 hours, excluding weekends and holidays, after the emergency removal of the  
9.5 African American or disproportionately represented child. The court shall determine whether  
9.6 the emergency removal continues to be necessary to prevent imminent physical damage or  
9.7 harm to the child and whether, after considering the child's particular circumstances, the  
9.8 imminent physical damage or harm to the child outweighs the harm that the child will  
9.9 experience as a result of continuing the emergency removal.

9.10 (b) The court shall hold additional hearings whenever new information indicates that  
9.11 the emergency situation has ended. The court shall consider all such new information at  
9.12 any court hearing after the emergency proceeding to determine whether the emergency  
9.13 removal or placement is no longer necessary to prevent imminent physical damage or harm  
9.14 to the child.

9.15 (c) Notwithstanding section 260C.163, subdivision 3, and the provisions of Minnesota  
9.16 Rules of Juvenile Protection Procedure, rule 25, a parent or custodian of an African American  
9.17 or a disproportionately represented child who is subject to an emergency hearing under this  
9.18 section and Minnesota Rules of Juvenile Protection Procedure, rule 30, has a right to counsel  
9.19 appointed by the court. The court must appoint qualified counsel to represent a parent if the  
9.20 parent meets the eligibility requirements in section 611.17.

9.21 Subd. 4. **Termination of emergency removal or placement.** (a) An emergency removal  
9.22 or placement of an African American or a disproportionately represented child must  
9.23 immediately terminate once the responsible social services agency or court possesses  
9.24 sufficient evidence to determine that the emergency removal or placement is no longer  
9.25 necessary to prevent imminent physical damage or harm to the child and the child shall be  
9.26 immediately returned to the custody of the child's parent or custodian. The responsible social  
9.27 services agency or court shall ensure that the emergency removal or placement terminates  
9.28 immediately when the removal or placement is no longer necessary to prevent imminent  
9.29 physical damage or harm to the African American or disproportionately represented child.

9.30 (b) An emergency removal or placement ends when the court orders, after service upon  
9.31 the African American or disproportionately represented child's parents or custodians, that  
9.32 the child shall be placed in foster care upon a determination supported by clear and  
9.33 convincing evidence that custody of the child by the child's parent or custodian is likely to  
9.34 result in serious emotional or physical damage to the child.

10.1 (c) In no instance shall emergency removal or emergency placement of an African  
10.2 American or a disproportionately represented child extend beyond 30 days unless the court  
10.3 finds by a showing of clear and convincing evidence that:

10.4 (1) continued emergency removal or placement is necessary to prevent imminent physical  
10.5 damage or harm to the child; and

10.6 (2) it has not been possible to initiate a child placement proceeding with all of the  
10.7 protections under sections 260.61 to 260.68.

10.8 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
10.9 section 20.

10.10 Sec. 8. **[260.67] TRANSFER OF PERMANENT LEGAL AND PHYSICAL**  
10.11 **CUSTODY; TERMINATION OF PARENTAL RIGHTS; CHILD PLACEMENT**  
10.12 **PROCEEDINGS.**

10.13 Subdivision 1. **Preference for transfer of permanent legal and physical custody.** If  
10.14 an African American or a disproportionately represented child cannot be returned to the  
10.15 child's parent, the court shall consider the requirements of and responsibilities under section  
10.16 260.012, paragraph (a), and, if possible, transfer permanent legal and physical custody of  
10.17 the child to:

10.18 (1) a noncustodial parent under section 260C.515, subdivision 4, if the child cannot  
10.19 return to the care of the parent or custodian from whom the child was removed or who had  
10.20 legal custody at the time that the child was placed in foster care; or

10.21 (2) a willing and able relative, according to the requirements of section 260C.515,  
10.22 subdivision 4, if the court determines that reunification with the child's family is not an  
10.23 appropriate permanency option for the child. Prior to the court ordering a transfer of  
10.24 permanent legal and physical custody to a relative who is not a parent, the responsible social  
10.25 services agency must inform the relative of Northstar kinship assistance benefits and  
10.26 eligibility requirements, and of the relative's ability to apply for benefits on behalf of the  
10.27 child under chapter 256N.

10.28 Subd. 2. **Termination of parental rights restrictions.** (a) A court shall not terminate  
10.29 the parental rights of a parent of an African American or a disproportionately represented  
10.30 child based solely on the parent's failure to complete case plan requirements.

10.31 (b) Except as provided in paragraph (c), a court shall not terminate the parental rights  
10.32 of a parent of an African American or a disproportionately represented child in a child  
10.33 placement proceeding unless the allegations against the parent involve sexual abuse;

11.1 egregious harm as defined in section 260C.007, subdivision 14; murder in the first, second,  
11.2 or third degree under section 609.185, 609.19, or 609.195; murder of an unborn child in the  
11.3 first, second, or third degree under section 609.2661, 609.2662, or 609.2663; manslaughter  
11.4 of an unborn child in the first or second degree under section 609.2664 or 609.2665; domestic  
11.5 assault by strangulation under section 609.2247; felony domestic assault under section  
11.6 609.2242 or 609.2243; kidnapping under section 609.25; solicitation, inducement, and  
11.7 promotion of prostitution under section 609.322, subdivision 1, and subdivision 1a if one  
11.8 or more aggravating factors are present; criminal sexual conduct under sections 609.342 to  
11.9 609.3451; engaging in, hiring, or agreeing to hire a minor to engage in prostitution under  
11.10 section 609.324, subdivision 1; solicitation of children to engage in sexual conduct under  
11.11 section 609.352; possession of pornographic work involving minors under section 617.247;  
11.12 malicious punishment or neglect or endangerment of a child under section 609.377 or  
11.13 609.378; use of a minor in sexual performance under section 617.246; or failing to protect  
11.14 a child from an overt act or condition that constitutes egregious harm.

11.15 Subd. 3. **Termination of parental rights; exceptions.** (a) The court may terminate the  
11.16 parental rights of a parent of an African American or a disproportionately represented child  
11.17 if a transfer of permanent legal and physical custody under subdivision 1 is not possible  
11.18 because the child has no willing or able noncustodial parent or relative to whom custody  
11.19 can be transferred, if it finds that one or more of the following conditions exist:

11.20 (1) that the parent has abandoned the child;

11.21 (2) that a parent is palpably unfit to be a party to the parent and child relationship because  
11.22 of a consistent pattern of specific conduct before the child or of specific conditions directly  
11.23 relating to the parent and child relationship, either of which are determined by the court to  
11.24 be of a duration or nature that renders the parent unable, for the reasonably foreseeable  
11.25 future, to care appropriately for the ongoing physical, mental, or emotional needs of the  
11.26 child. It is presumed that a parent is palpably unfit to be a party to the parent and child  
11.27 relationship upon a showing that the parent's parental rights to another child were  
11.28 involuntarily terminated or that the parent's custodial rights to another child have been  
11.29 involuntarily transferred to a relative under section 260C.515, subdivision 4; or a similar  
11.30 law of another jurisdiction;

11.31 (3) that following the child's placement out of the home, active efforts, under the direction  
11.32 of the court, have failed to correct the conditions leading to the child's placement. It is  
11.33 presumed that active efforts under this clause have failed upon a showing that:

12.1 (i) a child has resided out of the parental home under court order for a cumulative period  
12.2 of 12 months within the preceding 22 months. In the case of a child under age eight at the  
12.3 time that the petition was filed alleging the child to be in need of protection or services, the  
12.4 presumption arises when the child has resided out of the parental home under court order  
12.5 for six months unless the parent has maintained regular contact with the child and the parent  
12.6 is complying with the out-of-home placement plan;

12.7 (ii) the court has approved the out-of-home placement plan required under section  
12.8 260C.212 and filed with the court under section 260C.178;

12.9 (iii) conditions leading to the out-of-home placement have not been corrected. It is  
12.10 presumed that conditions leading to a child's out-of-home placement have not been corrected  
12.11 upon a showing that the parent or parents have not substantially complied with the court's  
12.12 orders and a reasonable case plan; and

12.13 (iv) active efforts have been made by the responsible social services agency to rehabilitate  
12.14 the parent and reunite the family; and

12.15 (4) that a child has experienced egregious harm in the parent's care that is of a nature,  
12.16 duration, or chronicity that indicates a lack of regard for the child's well-being, such that a  
12.17 reasonable person would believe it contrary to the best interests of the child or of any child  
12.18 to be in the parent's care.

12.19 (b) For purposes of paragraph (a), clause (1), abandonment is presumed when:

12.20 (1) the parent has had no contact with the child on a regular basis and has not  
12.21 demonstrated consistent interest in the child's well-being for six months and the social  
12.22 services agency has made active efforts to facilitate contact with the parent, unless the parent  
12.23 establishes that an extreme financial or physical hardship or treatment for mental disability  
12.24 or substance use disorder or other good cause prevented the parent from making contact  
12.25 with the child. This presumption does not apply to children whose custody has been  
12.26 determined under chapter 257 or 518; or

12.27 (2) the child is an infant under two years of age and has been deserted by the parent  
12.28 under circumstances that show an intent not to return to care for the child.

12.29 Subd. 4. **Voluntary termination of parental rights.** Nothing in subdivisions 2 and 3  
12.30 precludes the court from terminating the parental rights of a parent of an African American  
12.31 or a disproportionately represented child if the parent desires to voluntarily terminate the  
12.32 parent's own parental rights for good cause under section 260C.301, subdivision 1, paragraph  
12.33 (a).

13.1 Subd. 5. Appeals. Notwithstanding the Minnesota Rules of Juvenile Protection Procedure,  
13.2 rule 47.02, subdivision 2, a parent of an African American or a disproportionately represented  
13.3 child whose parental rights have been terminated may appeal the decision within 90 days  
13.4 of the service of notice by the court administrator of the filing of the court's order.

13.5 EFFECTIVE DATE. This section is effective July 1, 2027, except as provided under  
13.6 section 20.

13.10 services agency employee who has duties related to child protection shall not knowingly:

13.11 (1) make untrue statements about any case involving a child alleged to be in need of  
13.12 protection or services;

13.13 (2) intentionally withhold any information that may be material to a case involving a  
13.14 child alleged to be in need of protection or services; or

13.16 alleged to be in need of protection or services.

13.17 (b) Any of the actions listed in paragraph (a) shall constitute grounds for adverse  
13.18 employment action.

13.19 Subd. 2. Case review. (a) Each responsible social services agency shall conduct a review  
13.20 of all child welfare cases for African American and other disproportionately represented  
13.21 children handled by the agency. Each responsible social services agency shall create a  
13.22 summary report of trends identified under paragraphs (b) and (c), a remediation plan as  
13.23 provided in paragraph (d), and an update on implementation of any previous remediation  
13.24 plans. The first report shall be provided to the commissioner and the chairs and ranking  
13.25 minority members of the legislative committees with jurisdiction over child welfare by  
13.26 October 1, 2029, and annually thereafter. For purposes of determining outcomes in this  
13.27 subdivision, responsible social services agencies shall use guidance from the commissioner.  
13.28 The commissioner shall provide guidance starting on November 1, 2028, and annually  
13.29 thereafter.

13.30 (b) The case review must include:

13.31 (1) the number of African American and disproportionately represented children  
13.32 represented in the county child welfare system;

14.1 (2) the number and sources of maltreatment reports received and reports screened in for  
14.2 investigation or referred for family assessment and the race of the children and parents or  
14.3 custodians involved in each report;

14.4 (3) the number and race of children and parents or custodians who receive in-home  
14.5 preventive case management services;

14.6 (4) the number and race of children whose parents or custodians are referred to  
14.7 community-based, culturally appropriate, strength-based, or trauma-informed services;

14.8 (5) the number and race of children removed from their homes;

14.9 (6) the number and race of children reunified with their parents or custodians;

14.10 (7) the number and race of children whose parents or custodians are offered family group  
14.11 decision-making services;

14.12 (8) the number and race of children whose parents or custodians are offered the parent  
14.13 support outreach program;

14.14 (9) the number and race of children in foster care or out-of-home placement at the time  
14.15 that the data is gathered;

14.16 (10) the number and race of children who achieve permanency through a transfer of  
14.17 permanent legal and physical custody to a relative or an adoption; and

14.18 (11) the number and race of children who are under the guardianship of the commissioner  
14.19 or awaiting a permanency disposition.

14.20 (c) The required case review must also:

14.21 (1) identify barriers to reunifying children with their families;

14.22 (2) identify the family conditions that led to the out-of-home placement;

14.23 (3) identify any barriers to accessing culturally informed mental health or substance use  
14.24 disorder treatment services for the parents or children;

14.25 (4) document efforts to identify fathers and maternal and paternal relatives and to provide  
14.26 services to custodial and noncustodial fathers, if appropriate; and

14.27 (5) document and summarize court reviews of active efforts.

14.28 (d) Any responsible social services agency that has a case review showing  
14.29 disproportionality and disparities in child welfare outcomes for African American and other  
14.30 disproportionately represented children and the children's families, compared to the agency's  
14.31 overall outcomes, must include in their case review summary report a remediation plan with

15.1 measurable outcomes to identify, address, and reduce the factors that led to the  
15.2 disproportionality and disparities in the agency's child welfare outcomes. The remediation  
15.3 plan shall also include information about how the responsible social services agency will  
15.4 achieve and document trauma-informed, positive child well-being outcomes through  
15.5 remediation efforts.

15.6 Subd. 3. **Noncompliance.** Any responsible social services agency that fails to comply  
15.7 with this section is subject to corrective action and a fine determined by the commissioner.  
15.8 The commissioner shall use fines received under this subdivision to support compliance  
15.9 with this act but shall not use amounts received to supplant funding for existing services.

15.10 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
15.11 section 20.

15.12 Sec. 10. **[260.69] CULTURAL COMPETENCY TRAINING FOR INDIVIDUALS**  
15.13 **WORKING WITH AFRICAN AMERICAN AND DISPROPORTIONATELY**  
15.14 **REPRESENTED CHILDREN.**

15.15 Subdivision 1. **Applicability.** The commissioner of human services must collaborate  
15.16 with the Children's Justice Initiative to ensure that cultural competency training is given to  
15.17 individuals working in the child welfare system, including child welfare workers, supervisors,  
15.18 attorneys, juvenile court judges, and family law judges.

15.19 Subd. 2. **Training.** (a) The commissioner must develop training content and establish  
15.20 the frequency of trainings.

15.21 (b) The cultural competency training under this section is required prior to or within six  
15.22 months of beginning work with any African American or disproportionately represented  
15.23 child and their family. A responsible social services agency staff person who is unable to  
15.24 complete the cultural competency training prior to working with African American or  
15.25 disproportionately represented children and their families must work with a qualified staff  
15.26 person within the agency who has completed cultural competency training until the person  
15.27 is able to complete the required training. The training must be available by January 1, 2027,  
15.28 and must:

15.29 (1) be provided by an African American individual or individual from a community that  
15.30 is disproportionately represented in the child welfare system who is knowledgeable about  
15.31 African American and other disproportionately represented social and cultural norms and  
15.32 historical trauma;

16.1 (2) raise awareness and increase a person's competency to value diversity, conduct a  
16.2 self-assessment, manage the dynamics of difference, acquire cultural knowledge, and adapt  
16.3 to diversity and the cultural contexts of communities served;

16.4 (3) include instruction on effectively developing a safety plan and instruction on engaging  
16.5 a safety network; and

16.6 (4) be accessible and comprehensive and include the ability to ask questions.

16.7 (c) The training may be provided in a series of segments, either in person or online.

16.8 Subd. 3. Update. The commissioner must provide an update to the chairs and ranking  
16.9 minority members of the legislative committees with jurisdiction over child protection by  
16.10 July 1, 2028, on the rollout of the training under subdivision 1 and the content and  
16.11 accessibility of the training under subdivision 2.

16.12 **EFFECTIVE DATE.** This section is effective July 1, 2027, except as provided under  
16.13 section 20.

16.14 Sec. 11. **[260.691] AFRICAN AMERICAN CHILD WELL-BEING ADVISORY**

16.16 Subdivision 1. **Duties.** The African American Child Well-Being Advisory Council must:

16.17 (1) review annual reports related to African American children involved in the child  
16.18 welfare system. The annual reports may include but are not limited to the maltreatment,  
16.19 out-of-home placement, and permanency of African American children;

16.20 (2) assist with and make recommendations to the commissioner for developing strategies  
16.21 to reduce maltreatment determinations, prevent unnecessary out-of-home placement, promote  
16.22 culturally appropriate foster care and shelter or facility placement decisions and settings for

16.24 of permanency, and improve child welfare outcomes for African American children and  
16.25 their families;

16.26 (3) review summary reports on targeted case reviews prepared by the commissioner to  
16.27 ensure that responsible social services agencies meet the needs of African American children  
16.28 and their families. Based on data collected from those reviews, the council shall assist the  
16.29 commissioner with developing strategies needed to improve any identified child welfare  
16.30 outcomes, including but not limited to maltreatment, out-of-home placement, and permanency  
16.31 for African American children;

17.1 (4) assist the Cultural and Ethnic Communities Leadership Council with making

17.12 partnerships to support adequate access to services and resources for African American  
17.13 children and their families, including but not limited to housing assistance, employment  
17.14 assistance, food and nutrition support, health care, child care assistance, and educational  
17.15 support and training; and

17.16 (8) assist the commissioner with developing strategies to promote the development of  
17.17 a culturally diverse and representative child welfare workforce in Minnesota that includes  
17.18 professionals who are reflective of the community served and who have been directly  
17.19 impacted by lived experiences within the child welfare system. The council must also assist  
17.20 the commissioner with exploring strategies and partnerships to address education and training  
17.21 needs, hiring, recruitment, retention, and professional advancement practices.

17.22 Subd. 2. **Annual report.** By January 1, 2026, and annually thereafter, the council shall  
17.23 report to the chairs and ranking minority members of the legislative committees with  
17.24 jurisdiction over child protection on the council's activities under subdivision 1 and other  
17.25 issues on which the council chooses to report. The report may include recommendations  
17.26 for statutory changes to improve the child protection system and child welfare outcomes  
17.27 for African American children and families.

17.28 **EFFECTIVE DATE.** This section is effective July 1, 2024.

17.29 Sec. 12. **[260.692] AFRICAN AMERICAN CHILD WELL-BEING UNIT.**

17.31 established by the commissioner, must:

17.32 (1) assist with the development of African American cultural competency training and  
17.33 review child welfare curriculum in the Minnesota Child Welfare Training Academy to

18.1 ensure that responsible social services agency staff and other child welfare professionals  
18.2 are appropriately prepared to engage with African American children and their families and  
18.3 to support family preservation and reunification;

18.4 (2) provide technical assistance, including on-site technical assistance, and case

18.6 and complying with the Minnesota African American Family Preservation and Child Welfare  
18.7 Disproportionality Act;

18.8 (3) monitor individual county and statewide disaggregated and nondisaggregated data  
18.9 to identify trends and patterns in child welfare outcomes, including but not limited to  
18.10 reporting, maltreatment, out-of-home placement, and permanency of African American  
18.11 children and develop strategies to address disproportionality and disparities in the child  
18.12 welfare system;

18.13 (4) develop and implement a system for conducting case reviews when the commissioner  
18.14 receives reports of noncompliance with the Minnesota African American Family Preservation  
18.15 and Child Welfare Disproportionality Act or when requested by the parent or custodian of  
18.16 an African American child. Case reviews may include but are not limited to a review of  
18.17 placement prevention efforts, safety planning, case planning and service provision by the  
18.18 responsible social services agency, relative placement consideration, and permanency  
18.19 planning;

18.20 (5) establish and administer a request for proposals process for African American and  
18.21 disproportionately represented family preservation grants under section 260.693, monitor  
18.22 grant activities, and provide technical assistance to grantees;

18.23 (6) in coordination with the African American Child Well-Being Advisory Council,  
18.24 coordinate services and create internal and external partnerships to support adequate access  
18.25 to services and resources for African American children and their families, including but  
18.26 not limited to housing assistance, employment assistance, food and nutrition support, health  
18.27 care, child care assistance, and educational support and training; and

18.28 (7) develop public messaging and communication to inform the public about racial  
18.29 disparities in child welfare outcomes, current efforts and strategies to reduce racial disparities,  
18.30 and resources available to African American children and their families involved in the  
18.31 child welfare system.

18.32 Subd. 2. Case reviews. (a) The African American Child Well-Being Unit must conduct  
18.33 systemic case reviews to monitor targeted child welfare outcomes, including but not limited  
18.34 to maltreatment, out-of-home placement, and permanency of African American children.

19.1 (b) The reviews under this subdivision must be conducted using a random sampling of  
19.2 representative child welfare cases stratified for certain case-related factors, including but  
19.3 not limited to case type, maltreatment type, if the case involves out-of-home placement,  
19.4 and other demographic variables. In conducting the reviews, unit staff may use court records  
19.5 and documents, information from the social services information system, and other available  
19.6 case file information to complete the case reviews.

19.7 (c) The frequency of the reviews and the number of cases, child welfare outcomes, and  
19.8 selected counties reviewed shall be determined by the unit in consultation with the African  
19.9 American Child Well-Being Advisory Council, with consideration given to the availability  
19.10 of unit resources needed to conduct the reviews.

19.11 (d) The unit must monitor all case reviews and use the collective case review information  
19.12 and data to generate summary case review reports, ensure compliance with the Minnesota  
19.13 African American Family Preservation and Child Welfare Disproportionality Act, and  
19.14 identify trends or patterns in child welfare outcomes for African American children.

19.15 (e) The unit must review information from members of the public received through the  
19.16 compliance and feedback portal, including policy and practice concerns related to individual  
19.17 child welfare cases. After assessing a case concern, the unit may determine if further  
19.18 necessary action should be taken, which may include coordinating case remediation with  
19.19 other relevant child welfare agencies in accordance with data privacy laws, including the  
19.20 African American Child Well-Being Advisory Council, and offering case consultation and  
19.21 technical assistance to the responsible local social services agency as needed or requested  
19.22 by the agency.

19.24 updates on unit activities, including summary reports of case reviews, to the African  
19.25 American Child Well-Being Advisory Council and must publish an annual census of African  
19.26 American children in out-of-home placements statewide. The annual census must include  
19.27 data on the types of placements, age and sex of the children, how long the children have  
19.28 been in out-of-home placements, and other relevant demographic information.

19.29 (b) The African American Child Well-Being Unit shall gather summary data about the  
19.30 practice and policy inquiries and individual case concerns received through the compliance  
19.31 and feedback portal under subdivision 2, paragraph (e). The unit shall provide regular reports  
19.32 of the nonidentifying compliance and feedback portal summary data to the African American  
19.33 Child Well-Being Advisory Council to identify child welfare trends and patterns to assist

20.1 with developing policy and practice recommendations to support eliminating disparity and  
20.2 disproportionality for African American children.

20.3 **EFFECTIVE DATE.** This section is effective July 1, 2024.

20.4 Sec. 13. **[260.693] AFRICAN AMERICAN AND DISPROPORTIONATELY**  
20.5 **REPRESENTED FAMILY PRESERVATION GRANTS.**

20.6 Subdivision 1. **Primary support grants.** The commissioner shall establish direct grants  
20.7 to organizations, service providers, and programs owned and led by African Americans and  
20.8 other individuals from communities disproportionately represented in the child welfare  
20.9 system to provide services and support for African American and disproportionately  
20.10 represented children and their families involved in Minnesota's child welfare system,  
20.11 including supporting existing eligible services and facilitating the development of new  
20.12 services and providers, to create a more expansive network of service providers available  
20.13 for African American and disproportionately represented children and their families.

20.14 Subd. 2. **Eligible services.** (a) Services eligible for grants under this section include but  
20.15 are not limited to:

20.16 (1) child out-of-home placement prevention and reunification services;

20.23 community-based prevention and family preservation services that target the children, youth,  
20.24 families, and communities of African American and African heritage experiencing the  
20.25 highest disparities, disproportionality, and overrepresentation in the Minnesota child welfare  
20.26 system;

20.27 (7) culturally affirming and responsive services that work with children and families in  
20.28 their communities to address their needs and ensure child and family safety and well-being  
20.29 within a culturally appropriate lens and framework;

20.30 (8) services to support informal kinship care arrangements; and

21.1 (9) other activities and services approved by the commissioner that further the goals of  
 21.2 the Minnesota African American Family Preservation and Child Welfare Disproportionality  
 21.3 Act, including but not limited to the recruitment of African American staff and staff from  
 21.4 other communities disproportionately represented in the child welfare system to work for  
 21.5 responsible social services agencies and licensed child-placing agencies.

21.6 (b) The commissioner may specify the priority of an activity and service based on its  
 21.7 success in furthering these goals. The commissioner shall give preference to programs and  
 21.8 service providers that are located in or serve counties with the highest rates of child welfare  
 21.9 disproportionality for African American and other disproportionately represented children  
 21.10 and their families and employ staff who represent the population primarily served.

21.11 Subd. 3. **Ineligible services.** Grant money may not be used to supplant funding for  
 21.12 existing services or for the following purposes:

 21.24 under subdivisions 1, 2, and 3 and specify the information and criteria required.

21.25 **EFFECTIVE DATE.** This section is effective July 1, 2024.
