 3.7 and is awarded pursuant to a lowest responsible bidder selection method or a best value
 3.8 selection method as provided in paragraph (a). The amount of any tax increment financing
 3.9 must be excluded in determining whether a construction contract exceeds \$50,000. A
 3.10 subcontractor must meet the minimum criteria in subdivision 3 to be eligible to be awarded
 3.11 a subcontract on a project regardless of the value of the subcontract.

3.12 (c) If only one prime contractor responds to a solicitation document, a contracting
 3.13 authority may award a construction contract to the responding prime contractor even if the
 3.14 minimum criteria in subdivision 3 are not met.

3.15 Sec. 3. Minnesota Statutes 2014, section 16C.285, subdivision 3, is amended to read:

3.16 Subd. 3. **Minimum criteria.** "Responsible contractor" means a contractor that
 3.17 conforms to the responsibility requirements in the solicitation document for its portion of
 3.18 the work on the project and verifies that it meets the following minimum criteria:

3.19 (1) the contractor:

3.20 (i) is in compliance with workers' compensation and unemployment insurance
 3.21 requirements;

3.22 (ii) is currently registered with the Department of Revenue and the Department of
 3.23 Employment and Economic Development if it has employees;

3.24 (iii) has a valid federal tax identification number or a valid Social Security number if
 3.25 an individual; and

3.26 (iv) has filed a certificate of authority to transact business in Minnesota with the
 3.27 secretary of state if a foreign corporation or cooperative;

3.28 (2) the contractor or related entity is in compliance with and, during the three-year

 3.31 sections 201 to 219, or United States Code, title 40, sections 3141 to 3148. For purposes
 3.32 of this clause, a violation occurs when a contractor or related entity:

3.33 (i) repeatedly fails to pay statutorily required wages or penalties on one or more
 3.34 separate projects for a total underpayment of \$25,000 or more within the three-year period,

4.1 provided that a failure to pay is "repeated" only if it involves two or more separate and
4.2 distinct occurrences of underpayment during the three-year period;

4.3 (ii) has been issued an order to comply by the commissioner of labor and industry
4.4 that has become final;

4.5 (iii) has been issued at least two determination letters within the three-year period by
4.6 the Department of Transportation finding an underpayment by the contractor or related
4.7 entity to its own employees;

4.11 Wage and Hour Division of the United States Department of Labor that have become final
4.12 or have been upheld by an administrative law judge or the Administrative Review Board; or

4.13 (vi) has been found liable for underpayment of wages or penalties or misrepresenting
4.14 a construction worker as an independent contractor in an action brought in a court having
4.15 jurisdiction.

4.16 Provided that, if the contractor or related entity contests a determination of underpayment
4.17 by the Department of Transportation in a contested case proceeding, a violation does not
4.18 occur until the contested case proceeding has concluded with a determination that the
4.19 contractor or related entity underpaid wages or penalties;

4.20 (3) the contractor or related entity is in compliance with and, during the three-year
4.21 period before submitting the verification, has not violated section 181.723 or chapter
4.22 326B. For purposes of this clause, a violation occurs when a contractor or related entity
4.23 has been issued a final administrative or licensing order;

4.24 (4) the contractor or related entity has not, more than twice during the three-year
4.25 period before submitting the verification, had a certificate of compliance under section
4.26 363A.36 revoked or suspended based on the provisions of section 363A.36, with
4.27 the revocation or suspension becoming final because it was upheld by the Office of
4.28 Administrative Hearings or was not appealed to the office;

4.29 (5) the contractor or related entity has not received a final determination assessing a
4.30 monetary sanction from the Department of Administration or Transportation for failure
4.31 to meet targeted group business, disadvantaged business enterprise, or veteran-owned
4.32 business goals, due to a lack of good faith effort, more than once during the three-year
4.33 period before submitting the verification;

4.34 (6) the contractor or related entity is not currently suspended or debarred by the
4.35 federal government or the state of Minnesota or any of its departments, commissions,
4.36 agencies, or political subdivisions that have authority to debar a contractor; and

5.1 (7) all subcontractors that the contractor intends to use to perform project work have
5.2 verified to the contractor through a signed statement under oath by an owner or officer that
5.3 they meet the minimum criteria listed in clauses (1) to (6).

5.4 Any violations, suspensions, revocations, or sanctions, as defined in clauses (2) to
5.5 (5), occurring prior to July 1, 2014, shall not be considered in determining whether a
5.6 contractor or related entity meets the minimum criteria.

5.7 Sec. 4. Minnesota Statutes 2014, section 16C.285, subdivision 4, is amended to read:

5.8 Subd. 4. **Verification of compliance.** A contractor responding to a solicitation
5.9 document of a contracting authority shall submit to the contracting authority a signed
5.10 statement under oath by an owner or officer verifying compliance with each of the
5.11 minimum criteria in subdivision 3, with the exception of clause (7), at the time that it
5.12 responds to the solicitation document. A contracting authority may accept a sworn
5.13 statement as sufficient to demonstrate that a contractor is a responsible contractor and
5.14 shall not be held liable for awarding a contract in reasonable reliance on that statement.
5.15 ~~Failure~~ A contractor or subcontractor that fails to verify compliance with any one of
5.16 the required minimum criteria or makes a false statement under oath in a verification
5.17 of compliance shall ~~render the prime contractor or subcontractor that makes the false~~
5.18 statement ~~be~~ ineligible to be awarded a construction contract on the project for which the
5.19 verification was submitted. A false statement under oath verifying compliance with any of
5.20 the minimum criteria may result in termination of a construction contract that has already
5.21 been awarded to a prime contractor or subcontractor that submits a false statement. A
5.22 contracting authority shall not be liable for declining to award a contract or terminating
5.23 a contract based on a reasonable determination that the contractor failed to verify
5.24 compliance with the minimum criteria or falsely stated that it meets the minimum criteria.
5.25 A verification of compliance need not be notarized. A typed electronic signature on a
5.26 verification of compliance shall be acceptable to the same extent as a handwritten signature.

5.27 Sec. 5. Minnesota Statutes 2014, section 16C.285, subdivision 5, is amended to read:

5.28 Subd. 5. **Subcontractor verification.** A prime contractor or subcontractor shall
5.29 include in its verification of compliance under subdivision 4 a list of all of its first-tier
5.30 subcontractors that it intends to retain for work on the project. Prior to execution of a
5.31 construction contract, and as a condition precedent to a construction contract, the apparent
5.32 successful prime contractor shall submit to the contracting authority a supplemental
5.33 verification under oath confirming compliance with subdivision 3, clause (7). Each
5.34 contractor or subcontractor shall obtain from all subcontractors with which it will have

6.1 a direct contractual relationship a signed statement under oath by an owner or officer
6.2 verifying that they meet all of the minimum criteria in subdivision 3 prior to execution of
6.3 a construction contract with each subcontractor. If a prime contractor or any subcontractor
6.4 retains additional subcontractors on the project after submitting its verification of
6.5 compliance, the prime contractor or subcontractor shall obtain verifications of compliance
6.6 from each additional subcontractor with which it has a direct contractual relationship and
6.7 shall submit a supplemental verification confirming compliance with subdivision 3, clause
6.8 (7), within 14 days of retaining the additional subcontractors. A prime contractor shall
6.9 submit to the contracting authority upon request copies of the signed verifications of
6.10 compliance from all subcontractors of any tier pursuant to subdivision 3, clause (7). A
6.11 prime contractor and subcontractors shall not be responsible for the false statements of
6.12 any subcontractor with which they do not have a direct contractual relationship. A prime
6.13 contractor and subcontractors shall be responsible for false statements by their first-tier
6.14 subcontractors with which they have a direct contractual relationship only if they accept
6.15 the verification of compliance with actual knowledge that it contains a false statement.

6.16 Sec. 6. Minnesota Statutes 2014, section 16C.285, subdivision 6, is amended to read:

6.17 Subd. 6. **Additional criteria.** Nothing in this section shall restrict the discretion of a
6.18 contracting authority to establish additional criteria for defining a responsible contractor
6.19 under other law or legal authority.

6.20 Sec. 7. **EFFECTIVE DATE.**

6.21 Sections 1 to 6 are effective the day following final enactment for contracts for
6.22 which requests for bids or proposals are issued after enactment.
