

1.1 A bill for an act
1.2 relating to occupations and professions; requiring certain training for school
1.3 district boiler operators; proposing coding for new law in Minnesota Statutes,
1.4 chapter 123B.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. **[123B.148] BOILER OPERATOR; TRAINING.**

1.7 (a) A public school district shall allow boiler training for a licensee under section
1.8 326B.974 by a licensed first class or chief engineer to take place during the licensee's
1.9 normal working hours.

1.10 (b) The training under paragraph (a) shall be eight hours per year. Two hours of the
1.11 required training shall occur in the boiler room and must include demonstration of tasks
1.12 associated with operating boilers. The tasks associated with operating boilers acceptable
1.13 for the training must be from the list of approved tasks supplied by the chief boiler
1.14 inspector. The licensed engineer providing the training shall receive training credit for
1.15 time spent conducting training under this section.
