1.17 Section 1. **TITLE.**

1.18 This act shall be known as the Minnesota Pregnant Women and Parent Support Act.

1.19 Sec. 2. Minnesota Statutes 2008, section 62A.011, is amended by adding a subdivision
1.20 to read:

1.21 Subd. 4. **Policy waiting period.** "Policy waiting period" means a finite period
1.22 of time, after a person's enrollment in a health plan, during which, under the terms of
1.23 the health plan, the person is not eligible for a specific otherwise-covered benefit, or is
1.24 eligible only for reduced coverage of the benefit, as compared to the coverage of the
1.25 benefit after the conclusion of the period of time. The term policy waiting period does

2.1 not apply if the person's ineligibility or reduced eligibility is due solely to a preexisting
2.2 condition limitation.

2.3 Sec. 3. Minnesota Statutes 2008, section 62A.041, subdivision 2, is amended to read:

2.4 Subd. 2. **Limitation on coverage prohibited.** Each group policy of accident and
2.5 health insurance, except for policies which only provide coverage for specified diseases,
2.6 or each group subscriber contract of accident and health insurance or health maintenance
2.7 contract, issued or renewed after August 1, 1987, shall include maternity benefits in the
2.8 same manner as any other illness covered under the policy or contract, except that policy
2.9 waiting periods, as defined in section 62A.011, subdivision 4, for these benefits may
2.10 not be imposed.

2.11 **EFFECTIVE DATE.** This section is effective January 1, 2010, and applies to health
2.12 plans issued or renewed to provide coverage to Minnesota residents on or after that date.

2.13 Sec. 4. Minnesota Statutes 2008, section 62A.0411, is amended to read:

2.14 **62A.0411 MATERNITY CARE.**

2.15 Every health plan as defined in section 62Q.01, subdivision 3, that provides
2.16 maternity benefits must, consistent with other coinsurance, co-payment, deductible, and
2.17 related contract terms, provide coverage of a minimum of 48 hours of inpatient care
2.18 following a vaginal delivery and a minimum of 96 hours of inpatient care following a
2.19 caesarean section for a mother and her newborn. The health plan may not impose policy
2.20 waiting periods, as defined in section 62A.011, subdivision 4, for these benefits. The
2.21 health plan shall not provide any compensation or other nonmedical remuneration to
2.22 encourage a mother and newborn to leave inpatient care before the duration minimums
2.23 specified in this section.

2.24 The health plan must also provide coverage for postdelivery care to a mother and her
2.25 newborn if the duration of inpatient care is less than the minimums provided in this section.

3.7 under chapter 64B, issued, renewed, or continued to provide coverage to a Minnesota
3.8 resident, must provide coverage for child health supervision services and prenatal care
3.9 services. The policy, contract, or certificate must specifically exempt reasonable and
