 4.8 studies, physical education, and the arts. ~~After the rules authorized under this subdivision~~
 4.9 ~~are initially adopted, the commissioner may not amend or repeal these rules nor adopt new~~
 4.10 ~~rules on the same topic without specific legislative authorization.~~

4.11 Sec. 5. Minnesota Statutes 2022, section 120B.022, subdivision 1, is amended to read:

4.12 Subdivision 1. **Elective standards.** A district must establish and regularly review its

5.26 Sec. 7. Minnesota Statutes 2022, section 120B.024, subdivision 2, is amended to read:

5.27 Subd. 2. **Credit equivalencies.** (a) A one-half credit of economics taught in a school's
 5.28 agriculture agricultural, food, and natural resources education or business education program
 5.29 or department may fulfill a one-half credit in social studies under subdivision 1, clause (5),
 5.30 if the credit is sufficient to satisfy all of the academic standards in economics.

5.31 (b) An agriculture science or career and technical education credit may fulfill the elective
 5.32 science credit required under subdivision 1, clause (4), if the credit meets the state physical
 5.33 science, life science, earth and space science, chemistry, or physics academic standards or

6.1 a combination of these academic standards as approved by the district. An agriculture or
6.2 career and technical education credit may fulfill the credit in chemistry or physics required
6.3 under subdivision 1, clause (4), if the credit meets the state chemistry or physics academic
6.4 standards as approved by the district. A student must satisfy either all of the chemistry
6.5 academic standards or all of the physics academic standards prior to graduation. An
6.6 agriculture science or career and technical education credit may not fulfill the required
6.7 biology credit under subdivision 1, clause (4).

6.8 (c) A career and technical education credit may fulfill a mathematics or arts credit
6.9 requirement under subdivision 1, clause (2) or (6).

6.10 (d) An ~~agriculture~~ agricultural, food, and natural resources education teacher is not
6.11 required to meet the requirements of Minnesota Rules, part 3505.1150, subpart ~~1~~ 2, item
6.12 B, to meet the credit equivalency requirements of paragraph (b) above.

6.13 (e) A computer science credit may fulfill a mathematics credit requirement under
6.14 subdivision 1, clause (2), if the credit meets state academic standards in mathematics.

6.15 (f) A Project Lead the Way credit may fulfill a science or mathematics credit requirement
6.16 under subdivision 1, clause (2) or (4), if the credit meets the state academic standards in
6.17 science or mathematics.

6.18 Sec. 8. Minnesota Statutes 2022, section 120B.30, subdivision 1, is amended to read:

6.19 Subdivision 1. **Statewide testing.** (a) The commissioner, with advice from experts with
6.20 appropriate technical qualifications and experience and stakeholders, consistent with
6.21 subdivision 1a, must include in the comprehensive assessment system, for each grade level
6.22 to be tested, state-constructed tests developed as computer-adaptive reading and mathematics
6.23 assessments for students that are aligned with the state's required academic standards under
6.24 section 120B.021, include multiple choice questions, and are administered annually to all
6.25 students in grades 3 through 8. State-developed high school tests aligned with the state's
6.26 required academic standards under section 120B.021 and administered to all high school
6.27 students in a subject other than writing must include multiple choice questions. The
6.28 commissioner must establish a testing period as late as possible each school year during
6.29 which schools must administer the Minnesota Comprehensive Assessments to students. The
6.30 commissioner must publish the testing schedule at least two years before the beginning of
6.31 the testing period.

6.32 (b) The state assessment system must be aligned to the most recent revision of academic
6.33 standards as described in section 120B.023 in the following manner:

- 7.1 (1) mathematics;
- 7.2 (i) grades 3 through 8 beginning in the 2010-2011 school year; and
- 7.3 (ii) high school level beginning in the 2013-2014 school year;
- 7.4 (2) science; grades 5 and 8 and at the high school level beginning in the 2011-2012
- 7.5 school year; and
- 7.6 (3) language arts and reading; grades 3 through 8 and high school level beginning in the
- 7.7 2012-2013 school year.

7.8 (c) For students enrolled in grade 8 in the 2012-2013 school year and later, students'

7.9 state graduation requirements, based on a longitudinal, systematic approach to student

7.10 education and career planning, assessment, instructional support, and evaluation, include

7.11 the following:

7.12 (1) achievement and career and college readiness in mathematics, reading, and writing,

7.13 consistent with paragraph (k) and to the extent available, to monitor students' continuous

7.14 development of and growth in requisite knowledge and skills; analyze students' progress

7.15 and performance levels, identifying students' academic strengths and diagnosing areas where

7.16 students require curriculum or instructional adjustments, targeted interventions, or

7.17 remediation; and, based on analysis of students' progress and performance data, determine

7.18 students' learning and instructional needs and the instructional tools and best practices that

7.19 support academic rigor for the student; and

7.20 (2) consistent with this paragraph and section 120B.125, age-appropriate exploration

7.21 and planning activities and career assessments to encourage students to identify personally

7.22 relevant career interests and aptitudes and help students and their families develop a regularly

7.23 reexamined transition plan for postsecondary education or employment without need for

7.24 postsecondary remediation.

7.25 Based on appropriate state guidelines, students with an individualized education program

7.26 may satisfy state graduation requirements by achieving an individual score on the

7.27 state-identified alternative assessments.

7.28 (d) Expectations of schools, districts, and the state for career or college readiness under

7.29 this subdivision must be comparable in rigor, clarity of purpose, and rates of student

7.30 completion.

7.31 A student under paragraph (c), clause (1), must receive targeted, relevant, academically

7.32 rigorous, and resourced instruction, which may include a targeted instruction and intervention

7.33 plan focused on improving the student's knowledge and skills in core subjects so that the

8.1 student has a reasonable chance to succeed in a career or college without need for
8.2 postsecondary remediation. Consistent with sections 120B.13, 124D.09, 124D.091, 124D.49,
8.3 and related sections, an enrolling school or district must actively encourage a student in
8.4 grade 11 or 12 who is identified as academically ready for a career or college to participate
8.5 in courses and programs awarding college credit to high school students. Students are not
8.6 required to achieve a specified score or level of proficiency on an assessment under this
8.7 subdivision to graduate from high school.

8.8 (e) Though not a high school graduation requirement, students are encouraged to
8.9 participate in a nationally recognized college entrance exam. To the extent state funding
8.10 for college entrance exam fees is available, a district must pay the cost, one time, for an
8.11 interested student in grade 11 or 12 who is eligible for a free or reduced-price meal, to take
8.12 a nationally recognized college entrance exam before graduating. A student must be able
8.13 to take the exam under this paragraph at the student's high school during the school day and
8.14 at any one of the multiple exam administrations available to students in the district. A district
8.15 may administer the ACT or SAT or both the ACT and SAT to comply with this paragraph.
8.16 If the district administers only one of these two tests and a free or reduced-price meal eligible
8.17 student opts not to take that test and chooses instead to take the other of the two tests, the
8.18 student may take the other test at a different time or location and remains eligible for the
8.19 examination fee reimbursement. Notwithstanding sections 123B.34 to 123B.39, a school
8.20 district may require a student that is not eligible for a free or reduced-price meal to pay the
8.21 cost of taking a nationally recognized college entrance exam. The district must waive the
8.22 cost for a student unable to pay.

8.23 (f) The commissioner and the chancellor of the Minnesota State Colleges and Universities
8.24 must collaborate in aligning instruction and assessments for adult basic education students
8.25 and English learners to provide the students with diagnostic information about any targeted
8.26 interventions, accommodations, modifications, and supports they need so that assessments
8.27 and other performance measures are accessible to them and they may seek postsecondary
8.28 education or employment without need for postsecondary remediation. When administering
8.29 formative or summative assessments used to measure the academic progress, including the
8.30 oral academic development, of English learners and inform their instruction, schools must
8.31 ensure that the assessments are accessible to the students and students have the modifications
8.32 and supports they need to sufficiently understand the assessments.

8.33 (g) Districts and schools, on an annual basis, must use career exploration elements to
8.34 help students, beginning no later than grade 9, and their families explore and plan for
8.35 postsecondary education or careers based on the students' interests, aptitudes, and aspirations.

9.1 Districts and schools must use timely regional labor market information and partnerships,
9.2 among other resources, to help students and their families successfully develop, pursue,
9.3 review, and revise an individualized plan for postsecondary education or a career. This
9.4 process must help increase students' engagement in and connection to school, improve
9.5 students' knowledge and skills, and deepen students' understanding of career pathways as
9.6 a sequence of academic and career courses that lead to an industry-recognized credential,
9.7 an associate's degree, or a bachelor's degree and are available to all students, whatever their
9.8 interests and career goals.

9.9 (h) A student who demonstrates attainment of required state academic standards, which
9.10 include career and college readiness benchmarks, on high school assessments under
9.11 subdivision 1a is academically ready for a career or college and is encouraged to participate
9.12 in courses awarding college credit to high school students. Such courses and programs may
9.13 include sequential courses of study within broad career areas and technical skill assessments
9.14 that extend beyond course grades.

9.15 (i) As appropriate, students through grade 12 must continue to participate in targeted
9.16 instruction, intervention, or remediation and be encouraged to participate in courses awarding
9.17 college credit to high school students.

9.18 (j) In developing, supporting, and improving students' academic readiness for a career
9.19 or college, schools, districts, and the state must have a continuum of empirically derived,
9.20 clearly defined benchmarks focused on students' attainment of knowledge and skills so that
9.21 students, their parents, and teachers know how well students must perform to have a
9.22 reasonable chance to succeed in a career or college without need for postsecondary
9.23 remediation. The commissioner, in consultation with local school officials and educators,
9.24 and Minnesota's public postsecondary institutions must ensure that the foundational
9.25 knowledge and skills for students' successful performance in postsecondary employment
9.26 or education and an articulated series of possible targeted interventions are clearly identified
9.27 and satisfy Minnesota's postsecondary admissions requirements.

9.28 (k) For students in grade 8 in the 2012-2013 school year and later, a school, district, or
9.29 charter school must record on the high school transcript a student's progress toward career
9.30 and college readiness, and for other students as soon as practicable.

9.31 (l) The school board granting students their diplomas may formally decide to include a
9.32 notation of high achievement on the high school diplomas of those graduating seniors who,
9.33 according to established school board criteria, demonstrate exemplary academic achievement
9.34 during high school.

10.1 (m) The 3rd through 8th grade computer-adaptive assessment results and high school
10.2 test results must be available to districts for diagnostic purposes affecting student learning
10.3 and district instruction and curriculum, and for establishing educational accountability. The
10.4 commissioner, in consultation with the chancellor of the Minnesota State Colleges and
10.5 Universities, must establish empirically derived benchmarks on the high school tests that
10.6 reveal a trajectory toward career and college readiness consistent with section 136F.302,
10.7 subdivision 1a. The commissioner must disseminate to the public the computer-adaptive
10.8 assessments and high school test results upon receiving those results.

10.9 (n) The grades 3 through 8 computer-adaptive assessments and high school tests must
10.10 be aligned with state academic standards. The commissioner must determine the testing
10.11 process and the order of administration. The statewide results must be aggregated at the site
10.12 and district level, consistent with subdivision 1a.

10.13 (o) The commissioner must include the following components in the statewide public
10.14 reporting system:

10.15 (1) uniform statewide computer-adaptive assessments of all students in grades 3 through
10.16 8 and testing at the high school levels that provides appropriate, technically sound
10.17 accommodations or alternate assessments;

10.18 (2) educational indicators that can be aggregated and compared across school districts
10.19 and across time on a statewide basis, including ~~average daily attendance~~ consistent
10.20 attendance, high school graduation rates, and high school drop-out rates by age and grade
10.21 level;

10.22 (3) state results on the ~~American College Test~~ ACT test; and

10.23 (4) state results from participation in the National Assessment of Educational Progress
10.24 so that the state can benchmark its performance against the nation and other states, and,
10.25 where possible, against other countries, and contribute to the national effort to monitor
10.26 achievement.

10.27 (p) For purposes of statewide accountability, "career and college ready" means a high
10.28 school graduate has the knowledge, skills, and competencies to successfully pursue a career
10.29 pathway, including postsecondary credit leading to a degree, diploma, certificate, or
10.30 industry-recognized credential and employment. Students who are career and college ready
10.31 are able to successfully complete credit-bearing coursework at a two- or four-year college
10.32 or university or other credit-bearing postsecondary program without need for remediation.

11.1 (q) For purposes of statewide accountability, "cultural competence," "cultural
 11.2 competency," or "culturally competent" means the ability of families and educators to
 11.3 interact effectively with people of different cultures, native languages, and socioeconomic
 11.4 backgrounds.

11.5 Sec. 9. Minnesota Statutes 2022, section 120B.30, subdivision 1a, is amended to read:

11.6 Subd. 1a. **Statewide and local assessments; results.** ~~(a) For purposes of this section,~~
 11.7 ~~the following definitions have the meanings given them.~~

11.8 ~~(1) "Computer adaptive assessments" means fully adaptive assessments.~~

11.9 ~~(2) "Fully adaptive assessments" include test items that are on-grade level and items that~~
 11.10 ~~may be above or below a student's grade level.~~

11.11 ~~(3) "On-grade level" test items contain subject area content that is aligned to state~~
 11.12 ~~academic standards for the grade level of the student taking the assessment.~~

11.13 ~~(4) "Above-grade level" test items contain subject area content that is above the grade~~
 11.14 ~~level of the student taking the assessment and is considered aligned with state academic~~
 11.15 ~~standards to the extent it is aligned with content represented in state academic standards~~
 11.16 ~~above the grade level of the student taking the assessment. Notwithstanding the student's~~
 11.17 ~~grade level, administering above-grade level test items to a student does not violate the~~
 11.18 ~~requirement that state assessments must be aligned with state standards.~~

11.19 ~~(5) "Below-grade level" test items contain subject area content that is below the grade~~
 11.20 ~~level of the student taking the test and is considered aligned with state academic standards~~
 11.21 ~~to the extent it is aligned with content represented in state academic standards below the~~
 11.22 ~~student's current grade level. Notwithstanding the student's grade level, administering~~
 11.23 ~~below-grade level test items to a student does not violate the requirement that state~~
 11.24 ~~assessments must be aligned with state standards.~~

11.25 ~~(b) The commissioner must use fully adaptive mathematics and reading assessments for~~
 11.26 ~~grades 3 through 8.~~

11.27 ~~(c)~~ (a) For purposes of conforming with existing federal educational accountability
 11.28 requirements, the commissioner must develop and implement computer-adaptive reading
 11.29 and mathematics assessments for grades 3 through 8, state-developed high school reading
 11.30 and mathematics tests aligned with state academic standards, a high school writing test
 11.31 aligned with state standards when it becomes available, and science assessments under
 11.32 clause (2) that districts and sites must use to monitor student growth toward achieving those

12.1 standards. The commissioner must not develop statewide assessments for academic standards
 12.2 in social studies, health and physical education, and the arts. The commissioner must require:

12.3 (1) annual computer-adaptive reading and mathematics assessments in grades 3 through
 12.4 8, and high school reading, writing, and mathematics tests; and

12.5 (2) annual science assessments in one grade in the grades 3 through 5 span, the grades
 12.6 6 through 8 span, and a life sciences assessment in the grades 9 through 12 span, and the
 12.7 commissioner must not require students to achieve a passing score on high school science
 12.8 assessments as a condition of receiving a high school diploma.

12.9 ~~(d)~~ (b) The commissioner must ensure that for annual computer-adaptive assessments:

12.10 (1) individual student performance data and achievement reports are available within
 12.11 three school days of when students take an assessment except in a year when an assessment
 12.12 reflects new performance standards;

12.13 (2) growth information is available for each student from the student's first assessment
 12.14 to each proximate assessment using a constant measurement scale;

12.15 (3) parents, teachers, and school administrators are able to use elementary and middle
 12.16 school student performance data to project students' secondary and postsecondary
 12.17 achievement; and

12.18 (4) useful diagnostic information about areas of students' academic strengths and
 12.19 weaknesses is available to teachers and school administrators for improving student
 12.20 instruction and indicating the specific skills and concepts that should be introduced and
 12.21 developed for students at given performance levels, organized by strands within subject
 12.22 areas, and aligned to state academic standards.

12.23 ~~(e)~~ (c) The commissioner must ensure that all state tests administered to elementary and
 12.24 secondary students measure students' academic knowledge and skills and not students'
 12.25 values, attitudes, and beliefs.

12.26 ~~(f)~~ (d) Reporting of state assessment results must:

12.27 (1) provide timely, useful, and understandable information on the performance of
 12.28 individual students, schools, school districts, and the state;

12.29 (2) include a growth indicator of student achievement; and

12.30 (3) determine whether students have met the state's academic standards.

13.1 ~~(g)~~ (e) Consistent with applicable federal law, the commissioner must include appropriate,
 13.2 technically sound accommodations or alternative assessments for the very few students with
 13.3 disabilities for whom statewide assessments are inappropriate and for English learners.

13.4 ~~(h)~~ (f) A school, school district, and charter school must administer statewide assessments
 13.5 under this section, as the assessments become available, to evaluate student progress toward
 13.6 career and college readiness in the context of the state's academic standards. A school,
 13.7 school district, or charter school may use a student's performance on a statewide assessment
 13.8 as one of multiple criteria to determine grade promotion or retention. A school, school
 13.9 district, or charter school may use a high school student's performance on a statewide
 13.10 assessment as a percentage of the student's final grade in a course, or place a student's
 13.11 assessment score on the student's transcript.

13.12 Sec. 10. Minnesota Statutes 2022, section 120B.301, is amended to read:

13.13 **120B.301 LIMITS ON LOCAL TESTING.**

13.14 (a) For students in grades 1 through 6, the cumulative total amount of time spent taking
 13.15 locally adopted districtwide or schoolwide assessments must not exceed ten hours per school
 13.16 year. For students in grades 7 through 12, the cumulative total amount of time spent taking
 13.17 locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school
 13.18 year. For purposes of this paragraph, international baccalaureate and advanced placement
 13.19 exams are not considered locally adopted assessments.

13.20 (b) A district or charter school is exempt from the requirements of paragraph (a), if the
 13.21 district or charter school, in consultation with the exclusive representative of the teachers
 13.22 or other teachers if there is no exclusive representative of the teachers, decides to exceed a
 13.23 time limit in paragraph (a) and includes the information in the report required under section
 13.24 120B.11, subdivision 5.

13.25 (c) A district or charter school, ~~before the first day of each school year,~~ must publish on
 13.26 its website a comprehensive calendar of standardized tests to be administered in the district
 13.27 or charter school during that school year. The calendar must provide the rationale for
 13.28 administering each assessment and indicate whether the assessment is a local option or
 13.29 required by state or federal law. The calendar must be published at least one week prior to
 13.30 any eligible assessments being administered but no later than October 1.

14.1 Sec. 11. Minnesota Statutes 2022, section 120B.35, subdivision 3, is amended to read:

14.2 Subd. 3. **State growth ~~target~~ measures; other state measures.** (a)(1) The state's
14.3 educational assessment system measuring individual students' educational growth is based
14.4 on indicators of current achievement ~~growth~~ that show growth relative to an individual
14.5 student's prior achievement. Indicators of achievement and prior achievement must be based
14.6 on highly reliable statewide or districtwide assessments.

14.7 (2) For purposes of paragraphs (b), (c), and (d), the commissioner must analyze and
14.8 report separate categories of information using the student categories identified under the
14.9 federal Elementary and Secondary Education Act, as most recently reauthorized, and, in
14.10 addition to "other" for each race and ethnicity, and the Karen community, seven of the most
14.11 populous Asian and Pacific Islander groups, three of the most populous Native groups,
14.12 seven of the most populous Hispanic/Latino groups, and five of the most populous Black
14.13 and African Heritage groups as determined by the total Minnesota population based on the
14.14 most recent American Community Survey; English learners under section 124D.59; home
14.15 language; free or reduced-price lunch; and all students enrolled in a Minnesota public school
14.16 who are currently or were previously in foster care, except that such disaggregation and
14.17 cross tabulation is not required if the number of students in a category is insufficient to yield
14.18 statistically reliable information or the results would reveal personally identifiable information
14.19 about an individual student.

14.20 (b) The commissioner, in consultation with a stakeholder group that includes assessment
14.21 and evaluation directors, district staff, experts in culturally responsive teaching, and
14.22 researchers, must implement a an appropriate growth model that compares the difference
14.23 in students' achievement scores over time, and includes criteria for identifying schools and
14.24 school districts that demonstrate academic progress or progress toward English language
14.25 proficiency. The model may be used to advance educators' professional development and
14.26 replicate programs that succeed in meeting students' diverse learning needs. Data on
14.27 individual teachers generated under the model are personnel data under section 13.43. The
14.28 model must allow users to:

14.29 (1) report student growth consistent with this paragraph; and

14.30 (2) for all student categories, report and compare aggregated and disaggregated state
14.31 student growth and, under section 120B.11, subdivision 2, clause (2), student learning and
14.32 outcome data using the student categories identified under the federal Elementary and
14.33 Secondary Education Act, as most recently reauthorized, and other student categories under
14.34 paragraph (a), clause (2).

15.1 The commissioner must report measures of student growth and, under section 120B.11,
15.2 subdivision 2, clause (2), student learning and outcome data, consistent with this paragraph,
15.3 including the English language development, academic progress, and oral academic
15.4 development of English learners and their native language development if the native language
15.5 is used as a language of instruction, and include data on all pupils enrolled in a Minnesota
15.6 public school course or program who are currently or were previously counted as an English
15.7 learner under section 124D.59.

15.8 (c) When reporting student performance under section 120B.36, subdivision 1, the
15.9 commissioner annually, beginning July 1, 2011, must report two core measures indicating
15.10 the extent to which current high school graduates are being prepared for postsecondary
15.11 academic and career opportunities:

15.12 (1) a preparation measure indicating the number and percentage of high school graduates
15.13 in the most recent school year who completed course work important to preparing them for
15.14 postsecondary academic and career opportunities, consistent with the core academic subjects
15.15 required for admission to Minnesota's public colleges and universities as determined by the
15.16 Office of Higher Education under chapter 136A; and

15.17 (2) a rigorous coursework measure indicating the number and percentage of high school
15.18 graduates in the most recent school year who successfully completed one or more
15.19 college-level advanced placement, international baccalaureate, postsecondary enrollment
15.20 options including concurrent enrollment, other rigorous courses of study under section
15.21 120B.021, subdivision 1a, or industry certification courses or programs.

15.22 When reporting the core measures under clauses (1) and (2), the commissioner must also
15.23 analyze and report separate categories of information using the student categories identified
15.24 under the federal Elementary and Secondary Education Act, as most recently reauthorized,
15.25 and other student categories under paragraph (a), clause (2).

15.26 (d) When reporting student performance under section 120B.36, subdivision 1, the
15.27 commissioner annually, beginning July 1, 2014, must report summary data on school safety
15.28 and students' engagement and connection at school, consistent with the student categories
15.29 identified under paragraph (a), clause (2). The summary data under this paragraph are
15.30 separate from and must not be used for any purpose related to measuring or evaluating the
15.31 performance of classroom teachers. The commissioner, in consultation with qualified experts
15.32 on student engagement and connection and classroom teachers, must identify highly reliable
15.33 variables that generate summary data under this paragraph. The summary data may be used
15.34 at school, district, and state levels only. Any data on individuals received, collected, or

16.1 created that are used to generate the summary data under this paragraph are nonpublic data
16.2 under section 13.02, subdivision 9.

16.3 (e) For purposes of statewide educational accountability, the commissioner must identify
16.4 and report measures that demonstrate the success of learning year program providers under
16.5 sections 123A.05 and 124D.68, among other such providers, in improving students'
16.6 graduation outcomes. The commissioner, beginning July 1, 2015, must annually report
16.7 summary data on:

16.8 (1) the four- and six-year graduation rates of students under this paragraph;

16.9 (2) the percent of students under this paragraph whose progress and performance levels
16.10 are meeting career and college readiness benchmarks under section 120B.30, subdivision
16.11 1; and

16.12 (3) the success that learning year program providers experience in:

16.13 (i) identifying at-risk and off-track student populations by grade;

16.14 (ii) providing successful prevention and intervention strategies for at-risk students;

16.15 (iii) providing successful recuperative and recovery or reenrollment strategies for off-track
16.16 students; and

16.17 (iv) improving the graduation outcomes of at-risk and off-track students.

16.18 The commissioner may include in the annual report summary data on other education
16.19 providers serving a majority of students eligible to participate in a learning year program.

16.20 (f) The commissioner, in consultation with recognized experts with knowledge and
16.21 experience in assessing the language proficiency and academic performance of all English
16.22 learners enrolled in a Minnesota public school course or program who are currently or were
16.23 previously counted as an English learner under section 124D.59, must identify and report
16.24 appropriate and effective measures to improve current categories of language difficulty and
16.25 assessments, and monitor and report data on students' English proficiency levels, program
16.26 placement, and academic language development, including oral academic language.

16.27 (g) When reporting four- and six-year graduation rates, the commissioner or school
16.28 district must disaggregate the data by student categories according to paragraph (a), clause
16.29 (2).

16.30 (h) A school district must inform parents and guardians that volunteering information
16.31 on student categories not required by the most recent reauthorization of the Elementary and
16.32 Secondary Education Act is optional and will not violate the privacy of students or their

17.1 families, parents, or guardians. The notice must state the purpose for collecting the student
17.2 data.

17.3 Sec. 12. Minnesota Statutes 2022, section 120B.36, subdivision 2, is amended to read:

17.4 Subd. 2. **Student progress and other data.** (a) All data the department receives, collects,
17.5 or creates under section 120B.11, governing the world's best workforce, or uses to determine
17.6 federal expectations under the most recently reauthorized Elementary and Secondary
17.7 Education Act, ~~set state growth targets,~~ and determine student growth, learning, and outcomes
17.8 under section 120B.35 are nonpublic data under section 13.02, subdivision 9, until the
17.9 commissioner publicly releases the data.

17.10 (b) Districts must provide parents sufficiently detailed summary data to permit parents
17.11 to appeal under the most recently reauthorized federal Elementary and Secondary Education
17.12 Act. The commissioner shall annually post federal expectations and state student growth,
17.13 learning, and outcome data to the department's public website no later than September 1,
17.14 except that in years when data or federal expectations reflect new performance standards,
17.15 the commissioner shall post data on federal expectations and state student growth data no
17.16 later than October 1.

17.17 Sec. 13. Minnesota Statutes 2022, section 123B.71, subdivision 12, is amended to read:

17.18 Subd. 12. **Publication.** (a) At least ~~20~~ 48 days but not more than 60 days before a
17.19 referendum for bonds or solicitation of bids for a project that has received a positive or
17.20 unfavorable review and comment under section 123B.70, the school board shall publish a
17.21 summary of the commissioner's review and comment of that project in the legal newspaper
17.22 of the district. The school board must hold a public meeting to discuss the commissioner's
17.23 review and comment before the referendum for bonds. Supplementary information shall be
17.24 available to the public.

17.25 (b) The publication requirement in paragraph (a) does not apply to alternative facilities
17.26 projects approved under section 123B.595.

17.27 Sec. 14. Minnesota Statutes 2022, section 123B.86, subdivision 3, is amended to read:

17.28 Subd. 3. **Board control.** (a) When transportation is provided, the scheduling of routes,
17.29 manner and method of transportation, control and discipline of school children and any
17.30 other matter relating thereto shall be within the sole discretion, control and management of
17.31 the board.

18.1 (b) A school board and a nonpublic school may mutually agree to a written plan for the
 18.2 board to provide nonpublic pupil transportation to nonpublic school students.

18.3 (c) A school board that provides pupil transportation through the school's employees
 18.4 may transport nonpublic school students according to the plan and retain the nonpublic
 18.5 pupil transportation aid attributable to that plan. A nonpublic school may make a payment
 18.6 to the school district to cover additional transportation services agreed to in the written plan
 18.7 for nonpublic pupil transportation services not required under sections 123B.84 to 123B.87.

18.8 (d) A school board that contracts for pupil transportation services may enter into a
 18.9 contractual arrangement with a school bus contractor according to the written plan adopted
 18.10 by the school board and the nonpublic school to transport nonpublic school students and
 18.11 retain the nonpublic pupil transportation aid attributable to that plan for the purposes of
 18.12 paying the school bus contractor. A nonpublic school may make a payment to the school
 18.13 district to cover additional transportation services agreed to in the written plan for nonpublic
 18.14 pupil transportation services included in the contract that are not required under sections
 18.15 123B.84 to 123B.87.

18.16 (e) The school district must report the number of nonpublic school students transported
 18.17 and the nonpublic pupil transportation expenditures incurred under paragraph (b) in the
 18.18 form and manner specified by the commissioner.

18.19 **EFFECTIVE DATE.** This section is effective for fiscal year 2024 and later.

18.20 Sec. 15. Minnesota Statutes 2022, section 124D.03, subdivision 5, is amended to read:

18.21 Subd. 5. **Nonresident district procedures.** A district shall notify the parent or guardian
 18.22 in writing by February 15 or within 90 days for applications submitted after January 15 in
 18.23 the case of achievement and integration district transfers whether the application has been
 18.24 accepted or rejected. If an application is rejected, the district must state in the notification
 18.25 the reason for rejection. The parent or guardian must notify the nonresident district by March
 18.26 1 or within ~~45~~ ten business days whether the pupil intends to enroll in the nonresident district.
 18.27 Notice of intent to enroll in the nonresident district obligates the pupil to attend the
 18.28 nonresident district during the following school year, unless the boards of the resident and
 18.29 the nonresident districts agree in writing to allow the pupil to transfer back to the resident
 18.30 district. If the pupil's parents or guardians change residence to another district, the student
 18.31 does not lose the seat in the nonresident district but the parent or guardian must complete
 18.32 an updated enrollment options form. If a parent or guardian does not notify the nonresident
 18.33 district by the January 15 deadline, if it applies, the pupil may not enroll in that nonresident
 18.34 district during the following school year, unless the boards of the resident and nonresident

19.1 district agree otherwise. The nonresident district must notify the resident district by March
 19.2 15 or 30 days later of the pupil's intent to enroll in the nonresident district. The same
 19.3 procedures apply to a pupil who applies to transfer from one participating nonresident district
 19.4 to another participating nonresident district.

19.5 Sec. 16. Minnesota Statutes 2022, section 124D.09, subdivision 3, is amended to read:

 19.18 for which the district is eligible to receive concurrent enrollment program aid under section
 19.19 124D.091.

19.20 Sec. 17. Minnesota Statutes 2022, section 124D.09, subdivision 13, is amended to read:

 19.22 the department must make payments according to this subdivision for courses that were
 19.23 taken for secondary credit.

19.24 The department must not make payments to a school district or postsecondary institution
 19.25 for a course taken for postsecondary credit only. The department must not make payments
 19.26 to a postsecondary institution for a course from which a student officially withdraws during
 19.27 the first ~~14~~ ten business days of the postsecondary institution's quarter or semester or who
 19.28 has been absent from the postsecondary institution for the first ~~15 consecutive school~~ ten
 19.29 business days of the postsecondary institution's quarter or semester and is not receiving
 19.30 instruction in the home or hospital.

19.31 A postsecondary institution shall receive the following:

20.1 (1) for an institution granting quarter credit, the reimbursement per credit hour shall be
 20.2 an amount equal to 88 percent of the product of the formula allowance minus \$425, multiplied
 20.3 by 1.2, and divided by 45; or

20.4 (2) for an institution granting semester credit, the reimbursement per credit hour shall
 20.5 be an amount equal to 88 percent of the product of the general revenue formula allowance
 20.6 minus \$425, multiplied by 1.2, and divided by 30.

20.7 The department must pay to each postsecondary institution 100 percent of the amount
 20.8 in clause (1) or (2) within 45 days of receiving initial enrollment information each quarter
 20.9 or semester. If changes in enrollment occur during a quarter or semester, the change shall
 20.10 be reported by the postsecondary institution at the time the enrollment information for the
 20.11 succeeding quarter or semester is submitted. At any time the department notifies a
 20.12 postsecondary institution that an overpayment has been made, the institution shall promptly

 20.17 website eligibility criteria and application information for nonprofit organizations interested
 20.18 in applying to the commissioner for approval as a multisite sponsoring organization under
 20.19 the federal child and adult care food program and federal summer food service program.

20.20 The posted criteria and information must inform interested nonprofit organizations about:

20.21 (1) the criteria the commissioner uses to approve or disapprove an application, including
 20.22 how an applicant demonstrates financial viability for the Minnesota program, among other
 20.23 criteria;

20.24 (2) the commissioner's process and time line for notifying an applicant when its
 20.25 application is approved or disapproved and, if the application is disapproved, the explanation
 20.26 the commissioner provides to the applicant; and

20.27 (3) any appeal or other recourse available to a disapproved applicant.

20.28 (b) The commissioner must evaluate financial eligibility as part of the application process.
 20.29 An organization applying to be a prospective sponsor for the federal child and adult food
 20.30 care program or the federal summer food service program must provide documentation of
 20.31 financial viability as an organization. Documentation must include:

20.32 (1) evidence that the organization has operated for at least one year and has filed at least
 20.33 one tax return;

21.1 (2) the most recent tax return submitted by the organization and corresponding forms

 21.10 in a respectful manner according to the policy adopted under subdivision 1. The participant
 21.11 must ensure that any reminders for payment of outstanding student meal balances do not
 21.12 demean or stigmatize any child participating in the school lunch program, including but not
 21.13 limited to dumping meals; withdrawing a meal that has been served; announcing or listing
 21.14 students' names publicly; providing alternative meals not specifically related to dietary
 21.15 needs; providing nonreimbursable meals; or affixing stickers, stamps, or pins. The participant
 21.16 must not impose any other restriction prohibited under section 123B.37 due to unpaid student
 21.17 meal balances. The participant must not limit a student's participation in any school activities,
 21.18 graduation ceremonies, field trips, athletics, activity clubs, or other extracurricular activities
 21.19 or access to materials, technology, or other items provided to students due to an unpaid
 21.20 student meal balance.

21.21 (b) If the commissioner or the commissioner's designee determines a participant has

31.18 **Sec. 4. [121A.038] STUDENTS SAFE AT SCHOOL.**

31.19 Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have
 31.20 the meanings given.

31.21 (b) "Active shooter drill" means an emergency preparedness drill designed to teach
 31.22 students, teachers, school personnel, and staff how to respond in the event of an armed
 31.23 intruder on campus or an armed assailant in the immediate vicinity of the school. An active
 31.24 shooter drill is not an active shooter simulation, nor may an active shooter drill include any
 31.25 sensorial components, activities, or elements which mimic a real life shooting.

31.26 (c) "Active shooter simulation" means an emergency exercise including full-scale or
 31.27 functional exercises, designed to teach adult school personnel and staff how to respond in
 31.28 the event of an armed intruder on campus or an armed assailant in the immediate vicinity
 31.29 of the school which also incorporates sensorial components, activities, or elements mimicking
 31.30 a real life shooting. Activities or elements mimicking a real life shooting include, but are
 31.31 not limited to, simulation of tactical response by law enforcement. An active shooter
 31.32 simulation is not an active shooter drill.

31.33 (d) "Evidence-based" means a program or practice that demonstrates any of the following:

32.1 (1) a statistically significant effect on relevant outcomes based on any of the following:

32.2 (i) strong evidence from one or more well designed and well implemented experimental
32.3 studies;

32.4 (ii) moderate evidence from one or more well designed and well implemented
32.5 quasi-experimental studies; or

32.6 (iii) promising evidence from one or more well designed and well implemented
32.7 correlational studies with statistical controls for selection bias; or

32.8 (2) a rationale based on high-quality research findings or positive evaluations that the
32.9 program or practice is likely to improve relevant outcomes, including the ongoing efforts
32.10 to examine the effects of the program or practice.

32.11 (e) "Full-scale exercise" means an operations-based exercise that is typically the most
32.12 complex and resource-intensive of the exercise types and often involves multiple agencies,
32.13 jurisdictions, organizations, and real-time movement of resources.

32.14 (f) "Functional exercises" means an operations-based exercise designed to assess and
32.15 evaluate capabilities and functions while in a realistic, real-time environment, however,
32.16 movement of resources is usually simulated.

32.17 Subd. 2. **Criteria.** An active shooter drill conducted according to section 121A.037 with
32.18 students in early childhood through grade 12 must be:

32.19 (1) accessible;

32.20 (2) developmentally appropriate and age appropriate, including using appropriate safety
32.21 language and vocabulary;

32.22 (3) culturally aware;

32.23 (4) trauma-informed; and

32.24 (5) inclusive of accommodations for students with mobility restrictions, sensory needs,
32.25 developmental or physical disabilities, mental health needs, and auditory or visual limitations.

32.26 Subd. 3. **Student mental health and wellness.** Active shooter drill protocols must
32.27 include a reasonable amount of time immediately following the drill for teachers to debrief
32.28 with their students. The opportunity to debrief must be provided to students before regular
32.29 classroom activity may resume. During the debrief period, students must be allowed to
32.30 access any mental health services available on campus, including counselors, school
32.31 psychologists, social workers, or cultural liasons. An active shooter drill must not be
32.32 combined or conducted consecutively with any other type of emergency preparedness drill.

33.1 An active shooter drill must be accompanied by an announcement prior to commencing.
33.2 The announcement must use concise and age-appropriate language and, at a minimum,
33.3 inform students there is no immediate danger to life and safety.

33.4 Subd. 4. **Notice.** (a) A school district or charter school must provide notice of a pending
33.5 active shooter drill to every student's parent or legal guardian before an active shooter drill
33.6 is conducted. Whenever practicable, notice must be provided at least 24 hours in advance
33.7 of a pending active shooter drill and inform the parent or legal guardian of the right to opt
33.8 their student out of participating.

33.9 (b) If a student is opted out of participating in an active shooter drill, no negative
33.10 consequence must impact the student's general school attendance record nor may
33.11 nonparticipation alone make a student ineligible to participate in or attend school activities.

33.12 (c) The commissioner of education must ensure the availability of alternative safety
33.13 education for students who are opted out of participating or otherwise exempted from an
33.14 active shooter drill. Alternative safety education must provide essential safety instruction
33.15 through less sensorial safety training methods and must be appropriate for students with
33.16 mobility restrictions, sensory needs, developmental or physical disabilities, mental health
33.17 needs, and auditory or visual limitations.

33.18 Subd. 5. **Participation in active shooter drills.** Any student in early childhood through
33.19 grade 12 must not be required to participate in an active shooter drill that does not meet the
33.20 criteria in subdivision 2.

33.21 Subd. 6. **Active shooter simulations.** A student must not be required to participate in
33.22 an active shooter simulation. An active shooter simulation must not take place during regular
33.23 school hours if a majority of students are present, or expected to be present, at the school.
33.24 A parent or legal guardian of a student in grades 9 through 12 must have the opportunity to
33.25 opt their student into participating in an active shooter simulation.

33.26 Subd. 7. **Violence prevention.** (a) A school district or charter school conducting an
33.27 active shooter drill must provide students in middle school and high school at least one
33.28 hour, or one standard class period, of violence prevention training annually.

33.29 (b) The violence prevention training must be evidence-based and may be delivered
33.30 in-person, virtually, or digitally. Training must, at a minimum, teach students the following:

33.31 (1) how to identify observable warning signs and signals of an individual who may be
33.32 at risk of harming oneself or others;

33.33 (2) the importance of taking threats seriously and seeking help; and

34.1 (3) the steps to report dangerous, violent, threatening, harmful, or potentially harmful
 34.2 activity.

34.3 (c) By July 1, 2024, the commissioner of public safety and the commissioner of education
 34.4 must jointly develop a list of evidence-based trainings that a school district or charter school
 34.5 may use to fulfill the requirements of this section, including no-cost programming, if any.

34.6 The agencies must:

34.7 (1) post the list publicly on the Minnesota School Safety Center's website; and

34.8 (2) update the list every two years.

34.9 (d) A school district or charter school must ensure that students have the opportunity to
 34.10 contribute to their school's safety and violence prevention planning, aligned with the
 34.11 recommendations for multihazard planning for schools, including but not limited to:

34.12 (1) student opportunities for leadership related to prevention and safety;

34.13 (2) encouragement and support to students in establishing clubs and programs focused
 34.14 on safety; and

34.15 (3) providing students with the opportunity to seek help from adults and to learn about
 34.16 prevention connected to topics including bullying, sexual harassment, sexual assault, and
 34.17 suicide.

34.18 Subd. 8. **Board meeting.** At a regularly scheduled school board meeting, a school board
 34.19 of a district that has conducted an active shooter drill must consider the following:

34.20 (1) the effect of active shooter drills on the safety of students and staff; and

34.21 (2) the effect of active shooter drills on the mental health and wellness of students and
 34.22 staff.

34.23 Sec. 5. **[121A.35] SUICIDE PREVENTION INFORMATION; IDENTIFICATION**
 34.24 **CARDS.**

34.25 A school district or charter school that issues an identification card to students in middle
 34.26 school, junior high, or high school must provide contact information for the 988 Suicide
 34.27 and Crisis LifeLine (988 LifeLine), the Crisis Text line, and the county mobile crisis services.
 34.28 The contact information must also be included in the school's student handbook and the
 34.29 student planner if a student planner is custom printed by the school for distribution to students
 34.30 in grades 6 through 12. A nonpublic school is encouraged to issue student identification
 34.31 cards consistent with this paragraph.

35.23 the supplemental online course provider under paragraph (k) who holds the appropriate
35.24 licensure under Minnesota Rules, chapter 8710, and is trained to provide online instruction
35.25 under paragraph (f).

35.26 (i) "Student" means a Minnesota resident enrolled in a school defined under section

36.3 Subd. 2. **Digital instruction.** (a) An enrolling district may provide digital instruction,
36.4 including blended instruction and online instruction, to the district's own enrolled students.
36.5 Enrolling districts may establish agreements to provide digital instruction, including blended
36.6 instruction and online instruction, to students enrolled in the cooperating schools.

36.7 (b) When online instruction is provided, an online teacher as defined under subdivision
36.8 1, paragraph (h), shall perform all duties of teacher of record under Minnesota Rules, part
36.9 8710.0310. Unless the commissioner grants a waiver, a teacher providing online instruction

36.24 the public or the department.

36.25 (g) An enrolling district providing digital instruction shall establish and document
36.26 procedures for determining attendance for membership and keep accurate records of daily
36.27 attendance under section 120A.21.

36.28 Subd. 3. **Supplemental online courses.** (a) Notwithstanding sections 124D.03 and
36.29 124D.08 and chapter 124E, procedures for applying to take supplemental online courses
36.30 other than those offered by the student's enrolling district are as provided in this subdivision.

36.31 (b) Any kindergarten through grade 12 student may apply to take a supplemental online
36.32 course under subdivision 1, paragraph (j). The student, or the student's parent or guardian

37.1 for a student under age 17, must submit an application for the proposed supplemental online
37.2 course or courses. A student may:

37.4 or exceeds the academic standards of the course in the enrolling district they are replacing;

37.5 (2) apply to take supplemental online courses for up to 50 percent of the student's
37.6 scheduled course load; and

37.7 (3) apply to take supplemental online courses no later than 15 school days after the
37.8 student's enrolling district's term has begun. An enrolling district may waive the 50 percent
37.9 course enrollment limit or the 15-day time limit.

37.10 (c) A student taking a supplemental online course must have the same access to the
37.11 computer hardware and education software available in a school as all other students in the
37.12 enrolling district.

37.13 (d) A supplemental online course provider must have a current, approved application to
37.14 be listed by the Department of Education as an approved provider. The supplemental online
37.15 course provider must:

37.16 (1) use an application form specified by the Department of Education;

37.27 designated online learning liaison.

37.28 (e) A supplemental online course provider may limit enrollment if the provider's school
37.29 board or board of directors adopts by resolution specific standards for accepting and rejecting
37.30 students' applications. The provisions may not discriminate against any protected class or
37.31 students with disabilities.

38.1 (f) A supplemental online course provider may request that the Department of Education
38.2 review an enrolling district's written decision to not accept a student's supplemental online
38.3 course application. The student may participate in the supplemental online course while the

38.12 meet or exceed the academic standards in the course it would replace at the enrolling district.

38.13 (c) Within 15 days after receiving notice of a student applying to take a supplemental
38.14 online course, the enrolling district must notify the supplemental online course provider
38.15 whether the student, the student's guardian, and the enrolling district agree that academic
38.16 standards in the online course meet or exceed the academic standards in the course it would
38.17 replace at the enrolling district. If the enrolling district does not agree that the academic
38.18 standards in the online course meet or exceed the academic standards in the course it would
38.19 replace at the enrolling district, then:

38.20 (1) the enrolling district must provide a written explanation of the district's decision to
38.21 the student, the student's guardian, and the supplemental online course provider; and

38.23 the course or program meets the graduation requirements of the enrolling district.

38.24 (d) An enrolling district may reduce the course schedule of a student taking supplemental
38.25 online courses in proportion to the number of supplemental online learning courses the

38.32 online learning providers, students, families, and enrolling district staff.

39.1 (f) An enrolling district must continue to provide support services to students taking
39.2 supplemental online courses as they would for any other enrolled student including support
39.3 for English learners, case management of an individualized education program, and meal
39.4 and nutrition services for eligible students.

39.5 (g) An online learning student must receive academic credit for completing the
39.6 requirements of a supplemental online learning course. If a student completes an online
39.7 learning course that meets or exceeds a graduation standard or the grade progression
39.8 requirement at the enrolling district, that standard or requirement is met.

39.9 (h) Secondary credits granted to a supplemental online learning student count toward
39.10 the graduation and credit requirements of the enrolling district. The enrolling district must
39.11 apply the same graduation requirements to all students, including students taking
39.12 supplemental online courses.

39.13 (i) An enrolling district must provide access to extracurricular activities for students
39.14 taking supplemental online courses on the same basis as any other enrolled student.

39.15 Subd. 5. **Reporting.** Courses that include blended instruction and online instruction
39.16 must be reported in the manner determined by the commissioner of education.

39.17 Subd. 6. **Department of Education.** (a) The commissioner must establish quality
39.18 standards to be used for applications and continuous improvement of supplemental online
39.19 course providers, and by enrolling districts using digital instruction.

39.20 (b) The commissioner must support the enrolling district's development of high-quality
39.21 digital instruction and monitor implementation. The department must establish and participate
39.22 in continuous improvement cycles with supplemental online course providers.

39.23 (c) Applications from prospective supplemental online course providers must be reviewed
39.24 using quality standards and approved or denied within 90 calendar days of receiving a
39.25 complete application.

39.26 (d) The department may collect a fee not to exceed \$250 for reviewing applications by
39.27 supplemental online course providers or \$50 per supplemental course application review
39.28 request. Funds generated from application review fees shall be used to support high quality
39.29 digital instruction.

39.30 (e) The department must develop, publish, and maintain a list of supplemental online
39.31 course providers that the department has reviewed and approved.

39.32 (f) The department may review a complaint about an enrolling district providing digital
39.33 instruction, or a complaint about a supplemental online course provider based on the

40.1 provider's response to notice of a violation. If the department determines that an enrolling
 40.2 district providing digital instruction or a supplemental online course provider violated a law
 40.3 or rule, the department may:

40.4 (1) create a compliance plan for the provider; or

40.5 (2) withhold funds from the provider under this section and sections 124E.25 and
 40.6 127A.42. The department must notify an online learning provider in writing about
 40.7 withholding funds and provide detailed calculations.

40.8 Subd. 7. **Financial arrangements.** (a) For a student enrolled in an online supplemental
 40.9 course, the department must calculate average daily membership and make payments
 40.10 according to this subdivision.

40.11 (b) The initial online supplemental average daily membership equals 1/12 for each
 40.12 semester course or a proportionate amount for courses of different lengths. The adjusted
 40.13 online learning average daily membership equals the initial online supplemental average
 40.14 daily membership times .88.

40.15 (c) No online supplemental average daily membership shall be generated if the student:

40.16 (1) does not complete the online learning course; or

40.17 (2) is enrolled in an online course provided by the enrolling district.

40.18 (d) Online course average daily membership under this subdivision for a student currently
 40.19 enrolled in a Minnesota public school shall be used only for computing average daily
 40.20 membership according to section 126C.05, subdivision 19, paragraph (a), clause (2), and
 40.21 for computing online course aid according to section 124D.096.

42.11 support the lesser of (a) an amount equivalent to .82 percent of the average of the adjusted
42.12 net tax capacity of the taxable property of that city or county, as determined by the
42.13 commissioner of revenue for the second, third, and fourth year preceding that calendar year
42.14 or (b) a per capita amount calculated under the provisions of this subdivision. The per capita

65.30 student, unless the pupil is at least six years of age on September 1 of the calendar year in
65.31 which the school year for which the pupil seeks admission commences or has completed
65.32 kindergarten; except that a charter school may establish and publish on its website a policy

66.1 for admission of selected pupils at an earlier age, consistent with the enrollment process in
 66.2 paragraphs (b) and (c).

66.3 (e) Except as permitted in ~~paragraph (d)~~ paragraphs (d) and (i), a charter school, including
 66.4 its preschool or prekindergarten program established under section 124E.06, subdivision
 66.5 3, paragraph (b), may not limit admission to pupils on the basis of intellectual ability,

67.1 or contract with a cooperative formed under chapter 308A to provide necessary teachers,
67.2 who hold valid licenses to perform the particular service for which they are employed in
67.3 the school. A charter school's preschool or prekindergarten program must employ or contract
67.4 with teachers knowledgeable in early childhood curriculum content, assessment, native and
67.5 English language programs, and instruction established under section 124E.06, subdivision
67.6 3. The commissioner may reduce the charter school's state aid under section 127A.43 if the
67.7 school employs a teacher who is not appropriately licensed or approved by the Professional
67.8 Educator Licensing and Standards Board. The school may employ necessary employees
67.9 who are not required to hold teaching licenses to perform duties other than teaching and
67.10 may contract for other services. The school may discharge teachers and nonlicensed
67.11 employees. The charter school board is subject to section 181.932 governing whistle-blowers.
67.12 When offering employment to a prospective employee, a charter school must give that
67.13 employee a written description of the terms and conditions of employment and the school's
67.14 personnel policies.

67.15 Sec. 12. Minnesota Statutes 2022, section 124E.13, subdivision 1, is amended to read:

67.16 Subdivision 1. **Leased space.** A charter school may lease space from: an independent
67.17 or special school board; other public organization; private, nonprofit, nonsectarian
67.18 organization; private property owner; or a sectarian organization if the leased space is
67.19 constructed as a school facility. In all cases, the eligible lessor must also be the building
67.20 owner. The commissioner must review and approve or disapprove leases in a timely manner
67.21 to determine eligibility for lease aid under section 124E.22.

67.22 Sec. 13. Minnesota Statutes 2022, section 124E.13, subdivision 3, is amended to read:

67.23 Subd. 3. **Affiliated nonprofit building corporation.** (a) An affiliated nonprofit building
67.24 corporation may purchase, expand, or renovate an existing facility to serve as a school or
67.25 may construct a new school facility. A One charter school may organize an affiliated
67.26 nonprofit building corporation that serves only that charter school if the charter school:

67.27 (1) has operated for at least six consecutive years;

67.28 (2) as of June 30, has a net positive unreserved general fund balance in the preceding
67.29 three fiscal years;

67.30 (3) has long-range strategic and financial plans that include enrollment projections for
67.31 at least five years;

68.1 (4) completes a feasibility study of facility options that outlines the benefits and costs
68.2 of each option; and

68.12 and

68.13 (5) comply with government data practices law under chapter 13.

68.14 (c) An affiliated nonprofit building corporation must not serve as the leasing agent for
68.15 property or facilities it does not own. A charter school that leases a facility from an affiliated
68.16 nonprofit building corporation that does not own the leased facility is ineligible to receive
68.17 charter school lease aid. The state is immune from liability resulting from a contract between
68.18 a charter school and an affiliated nonprofit building corporation.

68.19 (d) The board of directors of the charter school must ensure the affiliated nonprofit
68.20 building corporation complies with all applicable legal requirements. The charter school's
68.21 authorizer must oversee the efforts of the board of directors of the charter school to ensure
68.22 legal compliance of the affiliated building corporation. A school's board of directors that
68.23 fails to ensure the affiliated nonprofit building corporation's compliance violates its
68.24 responsibilities and an authorizer must consider that failure when evaluating the charter
68.25 school.

68.26 Sec. 14. Minnesota Statutes 2022, section 124E.16, is amended to read:

 69.20 ~~entity that provides the professional services to the charter school is exempt from taxation~~
 69.21 ~~under section 501 of the Internal Revenue Code of 1986, that entity must file with the~~
 69.22 ~~commissioner by February 15 a copy of the annual return required under section 6033 of~~
 69.23 ~~the Internal Revenue Code of 1986.~~

 69.28 systems of a charter school, the charter school must submit a written report to the
 69.29 commissioner explaining how the charter school will resolve that material weakness. An

70.3 and implementation, and future plans. A charter school may combine this report with the
70.4 reporting required under section 120B.11 governing the world's best workforce. A charter
70.5 school must post the annual report on the school's official website. A charter school also
70.6 must distribute the annual report by publication, mail, or electronic means to its authorizer,
70.7 school employees, and parents and legal guardians of students enrolled in the charter school.
70.8 The reports are public data under chapter 13.

70.9 (b) An authorizer must submit an annual public report in a manner specified by the
70.10 commissioner by January 15 for the previous school year ending June 30 that shall at least
70.11 include key indicators of school academic, operational, and financial performance. The

70.30 (1) the term of the contract, not to exceed five years;

70.31 (2) the total dollar value of the contract including the annual projected costs of services;

70.32 (3) a description and terms of the services to be provided during the term of the contract;

71.1 (4) notice that a charter school closure during the term of the contract by action of the
71.2 authorizer or the school's board results in the balance of the current contract becoming null
71.3 and void;

71.4 (5) an annual statement of assurance to the charter school board that the CMO or EMO
71.5 provided no compensation or gifts to any charter school board member, staff member, or

 72.6 must submit to the commissioner a closure plan under chapter ~~308A~~ or 317A, and financial

 72.9 school and monitoring special education expenditures, the commissioner may release cash
 72.10 withheld and may continue regular payments up to the current year payment percentages
 72.11 if further amounts are owed. If, based on audits and monitoring, the school received state
 72.12 aid in excess of the amount owed, the commissioner shall retain aid withheld sufficient to
 72.13 eliminate the aid overpayment.

72.14 (b) For a charter school ceasing operations before or at the end of a school year,

75.17 (1) have a representative of the pupil's own choosing, including legal counsel, at the
 75.18 hearing. The district ~~shall~~ must advise the pupil's parent or guardian that free or low-cost
 75.19 legal assistance may be available and that a legal assistance resource list is available from
 75.20 the Department of Education and is posted on their website;

75.21 (2) examine the pupil's records before the hearing;

75.22 (3) present evidence; and

75.23 (4) confront and cross-examine witnesses.

75.24 **EFFECTIVE DATE.** This section is effective for the 2023-2024 school year and later.

75.25 Sec. 8. Minnesota Statutes 2022, section 121A.47, subdivision 14, is amended to read:

75.26 Subd. 14. **Admission or readmission plan.** (a) A school administrator ~~shall~~ must prepare
 75.27 and enforce an admission or readmission plan for any pupil who is excluded or expelled
 75.28 from school. The plan ~~may~~ must include measures to improve the pupil's behavior, ~~including~~
 75.29 which may include completing a character education program, consistent with section
 75.30 120B.232, subdivision 1, ~~and~~ social and emotional learning, counseling, social work services,

76.1 mental health services, referrals for special education or 504 evaluation, and evidence-based
 76.2 academic interventions. The plan must include reasonable attempts to obtain ~~require~~ parental
 76.3 involvement in the admission or readmission process, and may indicate the consequences
 76.4 to the pupil of not improving the pupil's behavior.

76.5 (b) The definition of suspension under section 121A.41, subdivision 10, does not apply
 76.6 to a student's dismissal from school for ~~one school day or less~~ than one school day, except
 76.7 as provided under federal law for a student with a disability. Each suspension action may
 76.8 include a readmission plan. A readmission plan must provide, where appropriate, alternative
 76.9 education services, which must not be used to extend the student's current suspension period.
 76.10 Consistent with section 125A.091, subdivision 5, a readmission plan must not obligate a
 76.11 parent or guardian to provide psychotropic drugs to their student as a condition of
 76.12 readmission. School officials must not use the refusal of a parent or guardian to consent to
 76.13 the administration of psychotropic drugs to their student or to consent to a psychiatric
 76.14 evaluation, screening or examination of the student as a ground, by itself, to prohibit the
 76.15 student from attending class or participating in a school-related activity, or as a basis of a
 76.16 charge of child abuse, child neglect or medical or educational neglect.

76.17 **EFFECTIVE DATE.** This section is effective for the 2023-2024 school year and later.

76.18 Sec. 9. Minnesota Statutes 2022, section 121A.53, subdivision 1, is amended to read:

76.19 Subdivision 1. **Exclusions and expulsions; student withdrawals; physical**
 76.20 **assaults.** Consistent with subdivision 2, the school board must report through the department
 76.21 electronic reporting system each exclusion or expulsion and, each physical assault of a
 76.22 district employee by a ~~student~~ pupil, and each pupil withdrawal agreement within 30 days
 76.23 of the effective date of the dismissal action, pupil withdrawal, or assault, to the commissioner
 76.24 of education. This report must include a statement of ~~alternative educational services~~
 76.25 **nonexclusionary disciplinary practices**, or other sanction, intervention, or resolution in
 76.26 response to the assault given the pupil and the reason for, the effective date, and the duration
 76.27 of the exclusion or expulsion or other sanction, intervention, or resolution. The report must
 76.28 also include the ~~student's~~ pupil's age, grade, gender, race, and special education status.

76.29 **EFFECTIVE DATE.** This section is effective for the 2023-2024 school year and later.

77.1 Sec. 10. Minnesota Statutes 2022, section 121A.55, is amended to read:

77.2 **121A.55 POLICIES TO BE ESTABLISHED.**

77.3 (a) The commissioner of education ~~shall~~ must promulgate guidelines to assist each school
77.4 board. Each school board ~~shall~~ must establish uniform criteria for dismissal and adopt written
77.5 policies and rules to effectuate the purposes of sections 121A.40 to 121A.56. The policies
77.6 ~~shall~~ must include nonexclusionary disciplinary policies and practices consistent with section
77.7 121A.41, subdivision 12, and must emphasize preventing dismissals through early detection
77.8 of problems and shall. The policies must be designed to address students' inappropriate
77.9 behavior from recurring.

77.10 (b) The policies ~~shall~~ must recognize the continuing responsibility of the school for the
77.11 education of the pupil during the dismissal period.

77.12 (c) The school is responsible for ensuring that alternative educational services, if the
77.13 pupil wishes to take advantage of them, must be adequate to allow the pupil to make progress
77.14 towards toward meeting the graduation standards adopted under section 120B.02 and help
77.15 prepare the pupil for readmission in accordance with section 121A.46, subdivision 5.

77.16 (d) For expulsion and exclusion dismissals and pupil withdrawal agreements as defined
77.17 in section 121A.41, subdivision 13:

77.18 (1) for a pupil who remains enrolled in the district or is awaiting enrollment in a new
77.19 district, a school district's continuing responsibility includes reviewing the pupil's schoolwork
77.20 and grades on a quarterly basis to ensure the pupil is on track for readmission with the pupil's
77.21 peers. A school district must communicate on a regular basis with the pupil's parent or
77.22 guardian to ensure that the pupil is completing the work assigned through the alternative
77.23 educational services as defined in section 121A.41, subdivision 11. These services are
77.24 required until the pupil enrolls in another school or returns to the same school;

77.25 (2) a pupil receiving school-based or school-linked mental health services in the district
77.26 under section 245.4889 continues to be eligible for those services until the pupil is enrolled
77.27 in a new district; and

77.28 (3) a school district must provide to the pupil's parent or guardian information on
77.29 accessing mental health services, including any free or sliding fee providers in the
77.30 community. The information must also be posted on the district or charter school website.

77.31 ~~(b)~~ (e) An area learning center under section 123A.05 may not prohibit an expelled or
77.32 excluded pupil from enrolling solely because a district expelled or excluded the pupil. The

78.1 board of the area learning center may use the provisions of the Pupil Fair Dismissal Act to
 78.2 exclude a pupil or to require an admission plan.

78.3 ~~(e)~~ (f) Each school district shall develop a policy and report it to the commissioner on
 78.4 the appropriate use of peace officers and crisis teams to remove students who have an
 78.5 individualized education program from school grounds.

78.6 **EFFECTIVE DATE.** This section is effective for the 2023-2024 school year and later.

78.7 Sec. 11. Minnesota Statutes 2022, section 121A.58, is amended to read:

78.8 **121A.58 CORPORAL PUNISHMENT; PRONE RESTRAINT; AND CERTAIN**
 78.9 **PHYSICAL HOLDS.**

78.10 Subdivision 1. ~~Definition~~ **Definitions.** (a) For the purpose of this section, "corporal
 78.11 punishment" means conduct involving:

78.12 (1) hitting or spanking a person with or without an object; or

 78.18 to reform unacceptable conduct or as a penalty for unacceptable conduct.

78.19 Subd. 2a. **Prone restraint and certain physical holds not allowed.** (a) An employee
 78.20 or agent of a district, including a school resource officer or police officer contracted with
 78.21 a district, shall not use prone restraint.

78.22 **(b) An employee or agent of a district, including a school resource officer or police**

 78.24 **or impairs a pupil's ability to breathe; restricts or impairs a pupil's ability to communicate**
 78.25 **distress; places pressure or weight on a pupil's head, throat, neck, chest, lungs, sternum,**
 78.26 **diaphragm, back, or abdomen; or results in straddling a pupil's torso.**

78.27 Subd. 3. **Violation.** Conduct that violates subdivision 2 is not a crime under section
 78.28 645.241, but may be a crime under chapter 609 if the conduct violates a provision of chapter
 78.29 609.

79.1 Sec. 12. Minnesota Statutes 2022, section 121A.61, subdivision 1, is amended to read:

79.2 Subdivision 1. **Required policy.** Each school board must adopt a written districtwide
79.3 school discipline policy which includes written rules of conduct for students, minimum
79.4 consequences for violations of the rules, and grounds and procedures for removal of a student
79.5 from class. The policy must contain the discipline complaint procedure that any member
79.6 of the school community may use to file a complaint regarding the application of discipline
79.7 policies and seek corrective action. The policy must be developed in consultation with
79.8 administrators, teachers, employees, pupils, parents, community members, law enforcement
79.9 agencies, county attorney offices, social service agencies, and such other individuals or
79.10 organizations as the board determines appropriate. A school site council may adopt additional
79.11 provisions to the policy subject to the approval of the school board.

79.12 Sec. 13. Minnesota Statutes 2022, section 121A.61, subdivision 3, is amended to read:

79.30 (j) any procedures determined appropriate for encouraging early detection of behavioral
79.31 problems;

80.1 (k) any procedures determined appropriate for referring a student in need of special
80.2 education services to those services;

80.5 response, consistent with section 121A.031;

80.6 ~~(m)~~ (m) the procedures for consideration of whether there is a need for a further assessment
80.7 or of whether there is a need for a review of the adequacy of a current individualized
80.8 education program of a student with a disability who is removed from class;

81.1 Sec. 14. Minnesota Statutes 2022, section 121A.61, is amended by adding a subdivision
81.2 to read:

81.3 Subd. 4. **Discipline complaint procedure.** The discipline policy must contain procedures
81.4 for students, parents and other guardians, and school staff to file a complaint and seek
81.5 corrective action when the requirements of sections 121A.40 to 121A.61, including the
81.6 implementation of the local behavior and discipline policies, are not being implemented
81.7 appropriately or are being discriminately applied. Each district and school policy implemented
81.8 under this section must, at a minimum:

81.9 (1) provide procedures for communicating this policy including the ability for a parent
81.10 to appeal a decision under section 121A.49 that contains explicit instructions for filing the
81.11 complaint;

81.12 (2) provide an opportunity for involved parties to submit additional information related
81.13 to the complaint;

81.14 (3) provide a procedure to begin to investigate complaints within three school days of
81.15 receipt, and identify personnel who will manage the investigation and any resulting record
81.16 and are responsible for keeping and regulating access to any record;

81.17 (4) provide procedures for issuing a written determination to the complainant that
81.18 addresses each allegation and contains findings and conclusions;

81.19 (5) if the investigation finds the requirements of sections 121A.40 to 121A.61, including
81.20 any local policies that were not implemented appropriately, contain procedures that require
81.21 a corrective action plan to correct a student's record and provide relevant staff with training,
81.22 coaching, or other accountability practices to ensure appropriate compliance with policies
81.23 in the future; and

81.24 (6) prohibit reprisals or retaliation against any person who asserts, alleges, or reports a
81.25 complaint, and provide procedures for applying appropriate consequences for a person who
81.26 engages in reprisal or retaliation.

81.27 Sec. 15. Minnesota Statutes 2022, section 121A.61, is amended by adding a subdivision
81.28 to read:

81.29 Subd. 5. **School supports.** (a) A school board is strongly encouraged to adopt a policy
81.30 that promotes the understanding in school staff that when a student is unable to meet adult
81.31 expectations it is often because the student lacks the skills to respond to a situation
81.32 appropriately. A school district must support school staff in using tiered interventions that
81.33 teach students skills and prioritize relationships between students and teachers.

82.1 (b) A school board is strongly encouraged to adopt a policy that discourages teachers
 82.2 and staff from reacting to unwanted student behavior with approaches that take away the
 82.3 student's opportunity to build skills for responding more appropriately.

82.4 Sec. 16. [121A.611] RECESS AND OTHER BREAKS.

82.5 (a) "Recess detention" as used in this chapter means excluding or excessively delaying
 82.6 a student from participating in a scheduled recess period as a consequence for student
 82.7 behavior. Recess detention does not include, among other things, providing alternative
 82.8 recess at the student's choice.

82.9 (b) A school district or charter school is encouraged to ensure student access to structured
 82.10 breaks from the demands of school and to support teachers, principals, and other school
 82.11 staff in their efforts to use evidence-based approaches to reduce exclusionary forms of
 82.12 discipline.

82.13 (c) A school district or charter school must not use recess detention unless:

82.14 (1) a student causes or is likely to cause serious physical harm to other students or staff;

82.15 (2) the student's parent or guardian specifically consents to the use of recess detention;

82.16 or

82.17 (3) for students receiving special education services, the student's individualized education
 82.18 program team has determined that withholding recess is appropriate based on the
 82.19 individualized needs of the student.

82.20 (d) A school district or charter school must not withhold recess from a student based on
 82.21 incomplete homework.

82.22 (e) A school district or charter school must require school staff to make a reasonable
 82.23 attempt to notify a parent or guardian within 24 hours of using recess detention.

82.24 (f) A school district or charter school must compile information on each recess detention
 82.25 at the end of each school year, including the student's age, grade, gender, race or ethnicity,
 82.26 and special education status. This information must be available to the public upon request.
 82.27 A school district or charter school is encouraged to use the data in professional development
 82.28 promoting the use of nonexclusionary discipline.

82.29 (g) A school district or charter school must not withhold or excessively delay a student's
 82.30 participation in scheduled mealtimes. This section does not alter a district or school's existing
 82.31 responsibilities under section 124D.111 or other state or federal law.

83.1 Sec. 17. Minnesota Statutes 2022, section 125A.0942, is amended to read:

83.2 **125A.0942 STANDARDS FOR RESTRICTIVE PROCEDURES.**

83.3 Subdivision 1. **Restrictive procedures plan.** (a) Schools that intend to use restrictive
83.4 procedures shall maintain and make publicly accessible in an electronic format on a school
83.5 or district website or make a paper copy available upon request describing a restrictive
83.6 procedures plan for children with disabilities that at least:

83.7 (1) lists the restrictive procedures the school intends to use;

83.8 (2) describes how the school will implement a range of positive behavior strategies and
83.9 provide links to mental health services;

83.10 (3) describes how the school will provide training on de-escalation techniques, consistent
83.11 with section 122A.187, subdivision 4;

83.12 (4) describes how the school will monitor and review the use of restrictive procedures,
83.13 including:

83.14 (i) conducting post-use debriefings, consistent with subdivision 3, paragraph (a), clause
83.15 (5); and

83.16 (ii) convening an oversight committee to undertake a quarterly review of the use of
83.17 restrictive procedures based on patterns or problems indicated by similarities in the time of
83.18 day, day of the week, duration of the use of a procedure, the individuals involved, or other
83.19 factors associated with the use of restrictive procedures; the number of times a restrictive
83.20 procedure is used schoolwide and for individual children; the number and types of injuries,
83.21 if any, resulting from the use of restrictive procedures; whether restrictive procedures are
83.22 used in nonemergency situations; the need for additional staff training; and proposed actions
83.23 to minimize the use of restrictive procedures; any disproportionate use of restrictive
83.24 procedures based on race, gender, or disability status; the role of the school resource officer
83.25 or police in emergencies and the use of restrictive procedures; and documentation to
83.26 determine if the standards for using restrictive procedures as described in sections 125A.0941
83.27 and 125A.0942 are met; and

83.28 (5) includes a written description and documentation of the training staff completed
83.29 under subdivision 5.

83.30 (b) Schools annually must publicly identify oversight committee members who must at
83.31 least include:

83.32 (1) a mental health professional, school psychologist, or school social worker;

84.1 (2) an expert in positive behavior strategies;

84.2 (3) a special education administrator; and

84.3 (4) a general education administrator.

84.4 Subd. 2. **Restrictive procedures.** (a) Restrictive procedures may be used only by a
84.5 licensed special education teacher, school social worker, school psychologist, behavior
84.6 analyst certified by the National Behavior Analyst Certification Board, a person with a
84.7 master's degree in behavior analysis, other licensed education professional, paraprofessional
84.8 under section 120B.363, or mental health professional under section 245.4871, subdivision
84.9 27, who has completed the training program under subdivision 5.

84.10 (b) A school shall make reasonable efforts to notify the parent on the same day a
84.11 restrictive procedure is used on the child, or if the school is unable to provide same-day
84.12 notice, notice is sent within two days by written or electronic means or as otherwise indicated
84.13 by the child's parent under paragraph (f).

84.14 (c) The district must hold a meeting of the individualized education program or
84.15 individualized family service plan team, conduct or review a functional behavioral analysis,
84.16 review data, consider developing additional or revised positive behavioral interventions and
84.17 supports, consider actions to reduce the use of restrictive procedures, and modify the
84.18 individualized education program, individualized family service plan, or behavior intervention
84.19 plan as appropriate. The district must hold the meeting: within ten calendar days after district
84.20 staff use restrictive procedures on two separate school days within 30 calendar days or a
84.21 pattern of use emerges and the child's individualized education program, individualized
84.22 family service plan, or behavior intervention plan does not provide for using restrictive
84.23 procedures in an emergency; or at the request of a parent or the district after restrictive
84.24 procedures are used. The district must review use of restrictive procedures at a child's annual
84.25 individualized education program or individualized family service plan meeting when the
84.26 child's individualized education program or individualized family service plan provides for
84.27 using restrictive procedures in an emergency.

84.28 (d) If the individualized education program or individualized family service plan team
84.29 under paragraph (c) determines that existing interventions and supports are ineffective in
84.30 reducing the use of restrictive procedures or the district uses restrictive procedures on a
84.31 child on ten or more school days during the same school year, the team, as appropriate,
84.32 either must consult with other professionals working with the child; consult with experts in
84.33 behavior analysis, mental health, communication, or autism; consult with culturally competent

85.1 professionals; review existing evaluations, resources, and successful strategies; or consider
85.2 whether to reevaluate the child.

85.3 (e) At the individualized education program or individualized family service plan meeting
85.4 under paragraph (c), the team must review any known medical or psychological limitations,
85.5 including any medical information the parent provides voluntarily, that contraindicate the
85.6 use of a restrictive procedure, consider whether to prohibit that restrictive procedure, and
85.7 document any prohibition in the individualized education program, individualized family
85.8 service plan, or behavior intervention plan.

85.9 (f) An individualized education program or individualized family service plan team may
85.10 plan for using restrictive procedures and may include these procedures in a child's
85.11 individualized education program, individualized family service plan, or behavior intervention
85.12 plan; however, the restrictive procedures may be used only in response to behavior that
85.13 constitutes an emergency, consistent with this section. The individualized education program,
85.14 individualized family service plan, or behavior intervention plan shall indicate how the
85.15 parent wants to be notified when a restrictive procedure is used.

85.16 Subd. 3. **Physical holding or seclusion.** (a) Physical holding or seclusion may be used
85.17 only in an emergency. A school that uses physical holding or seclusion shall meet the
85.18 following requirements:

85.19 (1) physical holding or seclusion is the least intrusive intervention that effectively
85.20 responds to the emergency;

85.21 (2) physical holding or seclusion is not used to discipline a noncompliant child;

85.22 (3) physical holding or seclusion ends when the threat of harm ends and the staff
85.23 determines the child can safely return to the classroom or activity;

85.24 (4) staff directly observes the child while physical holding or seclusion is being used;

85.25 (5) each time physical holding or seclusion is used, the staff person who implements or
85.26 oversees the physical holding or seclusion documents, as soon as possible after the incident
85.27 concludes, the following information:

85.28 (i) a description of the incident that led to the physical holding or seclusion;

85.29 (ii) why a less restrictive measure failed or was determined by staff to be inappropriate
85.30 or impractical;

85.31 (iii) the time the physical holding or seclusion began and the time the child was released;

85.32 ~~and~~

- 86.1 (iv) a brief record of the child's behavioral and physical status; and
- 86.2 (v) a brief description of the post-use debriefing that occurred as a result of the use of
- 86.3 the physical hold or seclusion;
- 86.4 (6) the room used for seclusion must:
- 86.5 (i) be at least six feet by five feet;
- 86.6 (ii) be well lit, well ventilated, adequately heated, and clean;
- 86.7 (iii) have a window that allows staff to directly observe a child in seclusion;
- 86.8 (iv) have tamperproof fixtures, electrical switches located immediately outside the door,
- 86.9 and secure ceilings;
- 86.10 (v) have doors that open out and are unlocked, locked with keyless locks that have
- 86.11 immediate release mechanisms, or locked with locks that have immediate release mechanisms
- 86.12 connected with a fire and emergency system; and
- 86.13 (vi) not contain objects that a child may use to injure the child or others; and
- 86.14 (7) before using a room for seclusion, a school must:
- 86.15 (i) receive written notice from local authorities that the room and the locking mechanisms
- 86.16 comply with applicable building, fire, and safety codes; and
- 86.17 (ii) register the room with the commissioner, who may view that room.
- 86.18 (b) By February 1, 2015, and annually thereafter, stakeholders may, as necessary,
- 86.19 recommend to the commissioner specific and measurable implementation and outcome
- 86.20 goals for reducing the use of restrictive procedures and the commissioner must submit to
- 86.21 the legislature a report on districts' progress in reducing the use of restrictive procedures
- 86.22 that recommends how to further reduce these procedures and eliminate the use of seclusion.
- 86.23 The statewide plan includes the following components: measurable goals; the resources,
- 86.24 training, technical assistance, mental health services, and collaborative efforts needed to
- 86.25 significantly reduce districts' use of seclusion; and recommendations to clarify and improve
- 86.26 the law governing districts' use of restrictive procedures. The commissioner must consult

92.6 **Subdivision 1. Purpose.** This section sets short-term and long-term attainment goals for
 92.7 increasing the percentage of teachers of color and who are American Indian teachers in
 92.8 Minnesota and for ensuring all students have equitable access to effective and racially and

 92.14 and impede the state's economic growth.

92.15 **Subd. 2. Equitable access to racially and ethnically diverse teachers.** The percentage
 92.16 of teachers in Minnesota who are of color or who are American Indian should increase at
 92.17 least two percentage points per year to have a teaching workforce that more closely reflects

 92.23 Professional Educator Licensing and Standards Board must collaborate with the Department
 92.24 of Education and the Office of Higher Education to publish a summary report of each of
 92.25 the programs they administer and any other programs receiving state appropriations that

 92.29 124D.861, 136A.1274, 136A.1276, and 136A.1791, along with any other programs or
 92.30 initiatives that receive state appropriations to address the shortage of teachers of color and
 92.31 American Indian teachers. The board must, in coordination with the Office of Higher
 92.32 Education and Department of Education, provide policy and funding recommendations
 92.33 related to state-funded programs to increase the recruitment, preparation, licensing, hiring,
 92.34 and retention of racially and ethnically diverse teachers and the state's progress toward

93.1 meeting or exceeding the goals of this section. The report must include recommendations
 93.2 for state policy and funding needed to achieve the goals of this section, plans for sharing
 93.3 the report and activities of grant recipients, and opportunities among grant recipients of
 93.4 various programs to share effective practices with each other. The 2024 report must include
 93.5 a recommendation of whether a state advisory council should be established to address the
 93.6 shortage of racially and ethnically diverse teachers and what the composition and charge
 93.7 of such an advisory council would be if established. The board must consult with the Indian
 93.8 Affairs Council and other ethnic councils along with other community partners, including
 93.9 students of color and American Indian students, in developing the report. By November 3
 93.10 of each odd-numbered year, the board must submit the report to the chairs and ranking
 93.11 minority members of the legislative committees with jurisdiction over education and higher
 93.12 education policy and finance. The report must be available to the public on the board's
 93.13 website.

 93.32 child's disability, the child's individualized education program or section 504 plan may

94.1 address the skills and proficiencies the child needs to not engage in and respond to such

 97.5 of paragraph (a).

97.6 (d) A probationary teacher whose first three years of consecutive employment are
 97.7 interrupted for maternity, paternity, or medical leave and who resumes teaching within 12
 97.8 months of when the leave began is considered to have a consecutive teaching experience
 97.9 for purposes of paragraph (a) if the probationary teacher completes a combined total of
 97.10 three years of teaching service immediately before and after the leave.

97.11 (e) A probationary teacher must complete at least ~~120~~ 90 days of teaching service each
 97.12 year during the probationary period. Days devoted to parent-teacher conferences, teachers'

 97.14 from school do not count as days of teaching service under this paragraph.

97.15 Sec. 12. Minnesota Statutes 2022, section 122A.40, subdivision 8, is amended to read:

97.16 Subd. 8. **Development, evaluation, and peer coaching for continuing contract**
 97.17 **teachers.** (a) To improve student learning and success, a school board and an exclusive
 97.18 representative of the teachers in the district, consistent with paragraph (b), may develop a
 97.19 teacher evaluation and peer review process for probationary and continuing contract teachers
 97.20 through joint agreement. If a school board and the exclusive representative of the teachers
 97.21 do not agree to an annual teacher evaluation and peer review process, then the school board
 97.22 and the exclusive representative of the teachers must implement the state teacher evaluation
 97.23 plan under paragraph (c). The process must include having trained observers serve as peer
 97.24 coaches or having teachers participate in professional learning communities, consistent with
 97.25 paragraph (b).

97.26 (b) To develop, improve, and support qualified teachers and effective teaching practices,
 97.27 improve student learning and success, and provide all enrolled students in a district or school
 97.28 with improved and equitable access to more effective and diverse teachers, the annual
 97.29 evaluation process for teachers:

97.30 (1) must, for probationary teachers, provide for all evaluations required under subdivision
 97.31 5;

97.32 (2) must establish a three-year professional review cycle for each teacher that includes
 97.33 an individual growth and development plan, a peer review process, and at least one

98.1 summative evaluation performed by a qualified and trained evaluator such as a school
98.2 administrator. For the years when a tenured teacher is not evaluated by a qualified and
98.3 trained evaluator, the teacher must be evaluated by a peer review;

98.4 (3) ~~must be based on professional teaching standards established in rule~~ include a rubric
98.5 of performance standards for teacher practice that: (i) is based on professional teaching
98.6 standards established in rule; (ii) includes culturally responsive methodologies; and (iii)
98.7 provides common descriptions of effectiveness using at least three levels of performance;

98.8 (4) must coordinate staff development activities under sections 122A.60 and 122A.61
98.9 with this evaluation process and teachers' evaluation outcomes;

98.10 (5) may provide time during the school day and school year for peer coaching and teacher
98.11 collaboration;

98.12 (6) may include job-embedded learning opportunities such as professional learning
98.13 communities;

98.14 (7) may include mentoring and induction programs for teachers, including teachers who
98.15 are members of populations underrepresented among the licensed teachers in the district or
98.16 school and who reflect the diversity of students under section 120B.35, subdivision 3,
98.17 paragraph (b), clause (2), who are enrolled in the district or school;

98.18 (8) must include an option for teachers to develop and present a portfolio demonstrating
98.19 evidence of reflection and professional growth, consistent with section 122A.187, subdivision
98.20 3, and include teachers' own performance assessment based on student work samples and
98.21 examples of teachers' work, which may include video among other activities for the
98.22 summative evaluation;

98.23 (9) must use data from valid and reliable assessments aligned to state and local academic
98.24 standards and must use state and local measures of student growth and literacy that may
98.25 include value-added models or student learning goals to determine 35 percent of teacher
98.26 evaluation results;

98.27 (10) must use longitudinal data on student engagement and connection, and other student
98.28 outcome measures explicitly aligned with the elements of curriculum for which teachers
98.29 are responsible, including academic literacy, oral academic language, and achievement of
98.30 content areas of English learners;

98.31 (11) must require qualified and trained evaluators such as school administrators to
98.32 perform summative evaluations and ensure school districts and charter schools provide for
98.33 effective evaluator training specific to teacher development and evaluation;

99.1 (12) must give teachers not meeting professional teaching standards under clauses (3)
99.2 through (11) support to improve through a teacher improvement process that includes
99.3 established goals and timelines; and

99.4 (13) must discipline a teacher for not making adequate progress in the teacher
99.5 improvement process under clause (12) that may include a last chance warning, termination,
99.6 discharge, nonrenewal, transfer to a different position, a leave of absence, or other discipline
99.7 a school administrator determines is appropriate.

99.8 Data on individual teachers generated under this subdivision are personnel data under
99.9 section 13.43. The observation and interview notes of peer coaches may only be disclosed
99.10 to other school officials with the consent of the teacher being coached.

99.11 (c) The department, in consultation with parents who may represent parent organizations
99.12 and teacher and administrator representatives appointed by their respective organizations,
99.13 representing the Professional Educator Licensing and Standards Board, the Minnesota
99.14 Association of School Administrators, the Minnesota School Boards Association, the
99.15 Minnesota Elementary and Secondary Principals Associations, Education Minnesota, and
99.16 representatives of the Minnesota Assessment Group, the Minnesota Business Partnership,
99.17 the Minnesota Chamber of Commerce, and Minnesota postsecondary institutions with
99.18 research expertise in teacher evaluation, must create and publish a teacher evaluation process
99.19 that complies with the requirements in paragraph (b) and applies to all teachers under this
99.20 section and section 122A.41 for whom no agreement exists under paragraph (a) for an annual
99.21 teacher evaluation and peer review process. The teacher evaluation process created under
99.22 this subdivision does not create additional due process rights for probationary teachers under
99.23 subdivision 5.

99.24 (d) Consistent with the measures of teacher effectiveness under this subdivision:

99.25 (1) for students in kindergarten through grade 4, a school administrator must not place
99.26 or approve the placement of a student in the classroom of a teacher who is in the improvement
99.27 process referenced in paragraph (b), clause (12), or has not had a summative evaluation if,
99.28 in the prior year, that student was in the classroom of a teacher who received discipline
99.29 pursuant to paragraph (b), clause (13), unless no other teacher at the school teaches that
99.30 grade; and

99.31 (2) for students in grades 5 through 12, a school administrator must not place or approve
99.32 the placement of a student in the classroom of a teacher who is in the improvement process
99.33 referenced in paragraph (b), clause (12), or has not had a summative evaluation if, in the
99.34 prior year, that student was in the classroom of a teacher who received discipline pursuant

100.1 to paragraph (b), clause (13), unless no other teacher at the school teaches that subject area
100.2 and grade.

100.3 All data created and used under this paragraph retains its classification under chapter 13.

100.6 Subd. 2. **Probationary period; discharge or demotion.** (a) ~~All teachers in the public~~
100.7 ~~schools in cities of the first class during the first three years of consecutive employment~~

100.10 ~~consulting with the peer review committee charged with evaluating the probationary teachers~~
100.11 ~~under subdivision 3, shall see fit.~~ The first three consecutive years of a teacher's first teaching
100.12 experience in Minnesota in a single district is deemed to be a probationary period of
100.13 employment, and the probationary period in each district in which the teacher is thereafter
100.14 employed shall be one year. The school site management team or the school board if there
100.15 is no school site management team, shall adopt a plan for a written evaluation of teachers
100.16 during the probationary period according to subdivisions 3 and 5. Evaluation by the peer
100.17 review committee charged with evaluating probationary teachers under subdivision 3 shall
100.18 occur at least three times periodically throughout each school year for a teacher performing
100.19 services during that school year; the first evaluation must occur within the first 90 days of
100.20 teaching service. Days devoted to parent-teacher conferences, teachers' workshops, and
100.21 other staff development opportunities and days on which a teacher is absent from school
100.22 shall not be included in determining the number of school days on which a teacher performs
100.23 services. The school board may, during such probationary period, discharge or demote a
100.24 teacher for any of the causes as specified in this code. A written statement of the cause of
100.25 such discharge or demotion shall be given to the teacher by the school board at least 30
100.26 days before such removal or demotion shall become effective, and the teacher so notified
100.27 shall have no right of appeal therefrom.

100.28 (b) A probationary teacher whose first three years of consecutive employment are
100.29 interrupted for active military service and who promptly resumes teaching consistent with
100.30 federal reemployment timelines for uniformed service personnel under United States Code,
100.31 title 38, section 4312(e), is considered to have a consecutive teaching experience for purposes
100.32 of paragraph (a).

100.33 (c) A probationary teacher whose first three years of consecutive employment are
100.34 interrupted for maternity, paternity, or medical leave and who resumes teaching within 12

101.1 months of when the leave began is considered to have a consecutive teaching experience
 101.2 for purposes of paragraph (a) if the probationary teacher completes a combined total of
 101.3 three years of teaching service immediately before and after the leave.

101.4 (d) A probationary teacher must complete at least ~~120~~ 90 days of teaching service each
 101.5 year during the probationary period. Days devoted to parent-teacher conferences, teachers'

 101.10 **teachers.** (a) To improve student learning and success, a school board and an exclusive
 101.11 representative of the teachers in the district, consistent with paragraph (b), may develop an
 101.12 annual teacher evaluation and peer review process for probationary and nonprobationary
 101.13 teachers through joint agreement. If a school board and the exclusive representative of the
 101.14 teachers in the district do not agree to an annual teacher evaluation and peer review process,
 101.15 then the school board and the exclusive representative of the teachers must implement the
 101.16 state teacher evaluation plan developed under paragraph (c). The process must include
 101.17 having trained observers serve as peer coaches or having teachers participate in professional
 101.18 learning communities, consistent with paragraph (b).

101.19 (b) To develop, improve, and support qualified teachers and effective teaching practices
 101.20 and improve student learning and success, and provide all enrolled students in a district or

102.4 collaboration;

102.5 (6) may include job-embedded learning opportunities such as professional learning
102.6 communities;

102.7 (7) may include mentoring and induction programs for teachers, including teachers who
102.8 are members of populations underrepresented among the licensed teachers in the district or
102.9 school and who reflect the diversity of students under section 120B.35, subdivision 3,
102.10 paragraph (b), clause (2), who are enrolled in the district or school;

102.11 (8) must include an option for teachers to develop and present a portfolio demonstrating

102.21 outcome measures explicitly aligned with the elements of curriculum for which teachers
102.22 are responsible, including academic literacy, oral academic language, and achievement of
102.23 English learners;

103.1 Data on individual teachers generated under this subdivision are personnel data under
103.2 section 13.43. The observation and interview notes of peer coaches may only be disclosed
103.3 to other school officials with the consent of the teacher being coached.

103.4 (c) The department, in consultation with parents who may represent parent organizations
103.5 and teacher and administrator representatives appointed by their respective organizations,
103.6 representing the Professional Educator Licensing and Standards Board, the Minnesota
103.7 Association of School Administrators, the Minnesota School Boards Association, the
103.8 Minnesota Elementary and Secondary Principals Associations, Education Minnesota, and
103.9 representatives of the Minnesota Assessment Group, the Minnesota Business Partnership,
103.10 the Minnesota Chamber of Commerce, and Minnesota postsecondary institutions with
103.11 research expertise in teacher evaluation, must create and publish a teacher evaluation process
103.12 that complies with the requirements in paragraph (b) and applies to all teachers under this
103.13 section and section 122A.40 for whom no agreement exists under paragraph (a) for an annual
103.14 teacher evaluation and peer review process. The teacher evaluation process created under
103.15 this subdivision does not create additional due process rights for probationary teachers under
103.16 subdivision 2.

103.17 (d) Consistent with the measures of teacher effectiveness under this subdivision:

103.18 (1) for students in kindergarten through grade 4, a school administrator must not place
103.19 or approve the placement of a student in the classroom of a teacher who is in the improvement
103.20 process referenced in paragraph (b), clause (12), or has not had a summative evaluation if,
103.21 in the prior year, that student was in the classroom of a teacher who received discipline
103.22 pursuant to paragraph (b), clause (13), unless no other teacher at the school teaches that
103.23 grade; and

103.24 (2) for students in grades 5 through 12, a school administrator must not place or approve
103.25 the placement of a student in the classroom of a teacher who is in the improvement process

103.27 prior year, that student was in the classroom of a teacher who received discipline pursuant
103.28 to paragraph (b), clause (13), unless no other teacher at the school teaches that subject area
103.29 and grade.

103.30 All data created and used under this paragraph retains its classification under chapter 13.

103.31 **EFFECTIVE DATE.** This section is effective July 1, 2025.

104.1 Sec. 15. Minnesota Statutes 2022, section 123B.147, subdivision 3, is amended to read:

104.2 Subd. 3. **Duties; evaluation.** (a) The principal shall provide administrative, supervisory,
104.3 and instructional leadership services, under the supervision of the superintendent of schools
104.4 of the district and according to the policies, rules, and regulations of the school board, for
104.5 the planning, management, operation, and evaluation of the education program of the building
104.6 or buildings to which the principal is assigned.

104.7 (b) To enhance a principal's culturally responsive leadership skills and support and
104.8 improve teaching practices, school performance, and student achievement for diverse student
104.9 populations, including at-risk students, children with disabilities, English learners, and gifted
104.10 students, among others, a district must develop and implement a performance-based system
104.11 for annually evaluating school principals assigned to supervise a school building within the
104.12 district. The evaluation must be designed to improve teaching and learning by supporting
104.13 the principal in shaping the school's professional environment and developing teacher
104.14 quality, performance, and effectiveness. The annual evaluation must:

104.15 (1) support and improve a principal's instructional leadership, organizational management,
104.16 and professional development, and strengthen the principal's capacity in the areas of
104.17 instruction, supervision, evaluation, and teacher development;

104.18 (2) support and improve a principal's culturally responsive leadership practices that
104.19 create inclusive and respectful teaching and learning environments for all students, families,
104.20 and employees;

104.21 ~~(2)~~ (3) include formative and summative evaluations based on multiple measures of
104.22 student progress toward career and college readiness;

104.23 ~~(3)~~ (4) be consistent with a principal's job description, a district's long-term plans and
104.24 goals, and the principal's own professional multiyear growth plans and goals, all of which
104.25 must support the principal's leadership behaviors and practices, rigorous curriculum, school
104.26 performance, and high-quality instruction;

104.27 ~~(4)~~ (5) include on-the-job observations and previous evaluations;

104.28 ~~(5)~~ (6) allow surveys to help identify a principal's effectiveness, leadership skills and
104.29 processes, and strengths and weaknesses in exercising leadership in pursuit of school success;

104.30 ~~(6)~~ (7) use longitudinal data on student academic growth as 35 percent of the evaluation
104.31 and incorporate district achievement goals and targets;

105.1 ~~(7)~~ (8) be linked to professional development that emphasizes improved teaching and
 105.2 learning, curriculum and instruction, student learning, culturally responsive leadership
 105.3 practices, and a collaborative professional culture; and

105.4 ~~(8)~~ (9) for principals not meeting standards of professional practice or other criteria
 105.5 under this subdivision, implement a plan to improve the principal's performance and specify
 105.6 the procedure and consequence if the principal's performance is not improved.

105.7 The provisions of this paragraph are intended to provide districts with sufficient flexibility
 105.8 to accommodate district needs and goals related to developing, supporting, and evaluating
 105.9 principals.

105.10 **EFFECTIVE DATE.** This section is effective July 1, 2024.

105.11 Sec. 16. Minnesota Statutes 2022, section 124D.861, subdivision 2, is amended to read:

105.12 Subd. 2. **Plan implementation; components.** (a) The school board of each eligible
 105.13 district must formally develop and implement a long-term plan under this section. The plan
 105.14 must be incorporated into the district's comprehensive strategic plan under section 120B.11.
 105.15 ~~Plan components may include: innovative and integrated prekindergarten through grade 12~~
 105.16 ~~learning environments that offer students school enrollment choices; family engagement~~
 105.17 ~~initiatives that involve families in their students' academic life and success; professional~~
 105.18 ~~development opportunities for teachers and administrators focused on improving the academic~~
 105.19 ~~achievement of all students, including teachers and administrators who are members of~~
 105.20 ~~populations underrepresented among the licensed teachers or administrators in the district~~
 105.21 ~~or school and who reflect the diversity of students under section 120B.35, subdivision 3,~~
 105.22 ~~paragraph (b), clause (2), who are enrolled in the district or school; increased programmatic~~
 105.23 ~~opportunities and effective and more diverse instructors focused on rigor and college and~~
 105.24 ~~career readiness for underserved students, including students enrolled in alternative learning~~
 105.25 ~~centers under section 123A.05, public alternative programs under section 126C.05,~~
 105.26 ~~subdivision 15, and contract alternative programs under section 124D.69, among other~~
 105.27 ~~underserved students; or recruitment and retention of teachers and administrators with~~
 105.28 ~~diverse racial and ethnic backgrounds.~~

105.29 (b) The plan must contain goals for:

105.30 (1) reducing the disparities in academic achievement and in equitable access to effective
 105.31 and more diverse teachers among all students and specific categories of students under
 105.32 section 120B.35, subdivision 3, paragraph (b), excluding the student categories of gender,
 105.33 disability, and English learners; and

106.1 (2) increasing racial and economic diversity and integration in schools and districts.

106.2 (c) The plan must include strategies to validate, affirm, embrace, and integrate cultural
106.3 and community strengths of all students, families, and employees in the district's curriculum
106.4 as well as learning and work environments. The plan must address issues of institutional
106.5 racism as defined in section 120B.11, subdivision 1, in schools that create opportunity and
106.6 achievement gaps for students, families, and staff who are of color or who are American
106.7 Indian. Examples of institutional racism experienced by students who are of color or who
106.8 are American Indian include policies and practices that intentionally or unintentionally
106.9 result in disparate discipline referrals and suspension, inequitable access to advanced
106.10 coursework, overrepresentation in lower-level coursework, inequitable participation in
106.11 cocurricular activities, inequitable parent involvement, and lack of equitable access to
106.12 racially and ethnically diverse teachers who reflect the racial or ethnic diversity of students
106.13 because it has not been a priority to hire or retain such teachers.

106.14 (d) School districts must use local data, to the extent practicable, to develop plan
106.15 components and strategies. Plans may include:

106.16 (1) innovative and integrated prekindergarten through grade 12 learning environments
106.17 that offer students school enrollment choices;

106.18 (2) family engagement initiatives that involve families in their students' academic life
106.19 and success and improve relations between home and school;

106.20 (3) opportunities for students, families, staff, and community members who are of color
106.21 or American Indian to share their experiences in the school setting with school staff and
106.22 administration and to inform the development of specific proposals for making school
106.23 environments more validating, affirming, embracing, and integrating of their cultural and
106.24 community strengths;

106.25 (4) professional development opportunities for teachers and administrators focused on
106.26 improving the academic achievement of all students, including knowledge, skills, and
106.27 dispositions needed to be antiracist and culturally sustaining as defined in section 120B.11,
106.28 subdivision 1, for serving students who are from racially and ethnically diverse backgrounds;

106.29 (5) recruitment and retention of teachers, administrators, cultural and family liaisons,
106.30 paraprofessionals, and other staff from racial, ethnic, and linguistic backgrounds represented
106.31 in the student population to strengthen relationships with all students, families, and other
106.32 members of the community;

107.1 (6) collection, examination, and evaluation of academic and discipline data for
 107.2 institutional racism as defined in section 120B.11, subdivision 1, in structures, policies, and
 107.3 practices that result in the education disparities, in order to propose antiracist changes as
 107.4 defined in section 120B.11, subdivision 1, that increase access, meaningful participation,
 107.5 representation, and positive outcomes for students of color and American Indian students;

107.6 (7) increased programmatic opportunities and effective and more diverse instructors
 107.7 focused on rigor and college and career readiness for students who are impacted by racial,
 107.8 gender, linguistic, and economic disparities, including students enrolled in area learning
 107.9 centers or alternative learning programs under section 123A.05, state-approved alternative
 107.10 programs under section 126C.05, subdivision 15, and contract alternative programs under
 107.11 section 124D.69, among other underserved students;

107.12 (8) ethnic studies curriculum as defined in section 120B.11, subdivision 1, to provide
 107.13 all students with opportunities to learn about their own and others' cultures and historical
 107.14 experiences; or

107.15 (9) examination and revision of district curricula in all subjects to be inclusive of diverse
 107.16 racial and ethnic groups while meeting state academic standards and being culturally
 107.17 sustaining as defined in section 120B.11, subdivision 1, ensuring content being studied
 107.18 about any group is accurate and based in knowledge from that group.

107.19 ~~(b)~~ (e) Among other requirements, an eligible district must implement effective,
 107.20 research-based interventions that include ~~formative~~ multiple measures of assessment practices
 107.21 and engagement in order to reduce the eliminate academic disparities in student academic
 107.22 performance among the specific categories of students as measured by student progress and
 107.23 growth on state reading and math assessments and for students impacted by racial, gender,
 107.24 linguistic, and economic inequities as aligned with section 120B.11.

107.25 ~~(e)~~ (f) Eligible districts must create efficiencies and eliminate duplicative programs and
 107.26 services under this section, which may include forming collaborations or a single,
 107.27 seven-county metropolitan areawide partnership of eligible districts for this purpose.

107.28 **EFFECTIVE DATE.** This section is effective for all plans reviewed and updated after
 107.29 the day following final enactment.

STUDENTS WITH DISABILITIES AND STUDENTS IN NEED OF SPECIAL

108.3

EDUCATION SERVICES

108.4

Section 1. Minnesota Statutes 2022, section 121A.17, subdivision 3, is amended to read:

108.5

Subd. 3. **Screening program.** (a) A screening program must include at least the following

108.6

components: developmental assessments, including virtual developmental screening for

108.7

families who make the request based on their immunocompromised health status or other

108.8

health conditions, hearing and vision screening or referral, immunization review and referral,

108.9

the child's height and weight, the date of the child's most recent comprehensive vision

108.10

examination, if any, identification of risk factors that may influence learning, an interview

108.11

with the parent about the child, and referral for assessment, diagnosis, and treatment when

108.12

potential needs are identified. The district and the person performing or supervising the

108.13

screening must provide a parent or guardian with clear written notice that the parent or

108.14

guardian may decline to answer questions or provide information about family circumstances

108.15

that might affect development and identification of risk factors that may influence learning.

108.16

The notice must state "Early childhood developmental screening helps a school district

108.17

identify children who may benefit from district and community resources available to help

108.18

in their development. Early childhood developmental screening includes a vision screening

108.19

that helps detect potential eye problems but is not a substitute for a comprehensive eye

108.20

exam." The notice must clearly state that declining to answer questions or provide information

108.21

does not prevent the child from being enrolled in kindergarten or first grade if all other

108.22

screening components are met. If a parent or guardian is not able to read and comprehend

108.23

the written notice, the district and the person performing or supervising the screening must

108.24

convey the information in another manner. The notice must also inform the parent or guardian

108.25

that a child need not submit to the district screening program if the child's health records

108.26

indicate to the school that the child has received comparable developmental screening

108.27

performed within the preceding 365 days by a public or private health care organization or

108.28

individual health care provider. The notice must be given to a parent or guardian at the time

108.29

the district initially provides information to the parent or guardian about screening and must

108.30

be given again at the screening location.

108.31

(b) All screening components shall be consistent with the standards of the state

108.32

commissioner of health for early developmental screening programs. A developmental

108.33

screening program must not provide laboratory tests or a physical examination to any child.

108.34

The district must request from the public or private health care organization or the individual

108.35

health care provider the results of any laboratory test or physical examination within the 12

109.1 months preceding a child's scheduled screening. For the purposes of this section,
109.2 "comprehensive vision examination" means a vision examination performed by an optometrist
109.3 or ophthalmologist.

109.4 (c) If a child is without health coverage, the school district must refer the child to an
109.5 appropriate health care provider.

109.6 (d) A board may offer additional components such as nutritional, physical and dental
109.7 assessments, review of family circumstances that might affect development, blood pressure,
109.8 laboratory tests, and health history.

109.9 (e) If a statement signed by the child's parent or guardian is submitted to the administrator
109.10 or other person having general control and supervision of the school that the child has not
109.11 been screened because of conscientiously held beliefs of the parent or guardian, the screening
109.12 is not required.

109.13 Sec. 2. Minnesota Statutes 2022, section 125A.15, is amended to read:

109.14 **125A.15 PLACEMENT IN ANOTHER DISTRICT; RESPONSIBILITY.**

109.15 The responsibility for special instruction and services for a child with a disability
109.16 temporarily placed in another district for care and treatment shall be determined in the
109.17 following manner:

109.18 (a) The district of residence of a child shall be the district in which the child's parent
109.19 resides, if living, or the child's guardian. If there is a dispute between school districts
109.20 regarding residency, the district of residence is the district designated by the commissioner.

109.21 (b) If a district other than the resident district places a pupil for care and treatment, the
109.22 district placing the pupil must notify and give the resident district an opportunity to participate
109.23 in the placement decision. When an immediate emergency placement of a pupil is necessary
109.24 and time constraints foreclose a resident district from participating in the emergency
109.25 placement decision, the district in which the pupil is temporarily placed must notify the
109.26 resident district of the emergency placement within 15 days. The resident district has up to
109.27 five business days after receiving notice of the emergency placement to request an
109.28 opportunity to participate in the placement decision, which the placing district must then
109.29 provide.

109.30 (c) When a child is temporarily placed for care and treatment in a day program located
109.31 in another district and the child continues to live within the district of residence during the
109.32 care and treatment, the district of residence is responsible for providing transportation to
109.33 and from the care and treatment program and an appropriate educational program for the

110.1 child. The resident district may establish reasonable restrictions on transportation, except
110.2 if a Minnesota court or agency orders the child placed at a day care and treatment program
110.3 and the resident district receives a copy of the order, then the resident district must provide
110.4 transportation to and from the program unless the court or agency orders otherwise.

110.5 Transportation shall only be provided by the resident district during regular operating hours
110.6 of the resident district. The resident district may provide the educational program at a school
110.7 within the district of residence, at the child's residence, or in the district in which the day
110.8 treatment center is located by paying tuition to that district. If a child's district of residence,
110.9 district of open enrollment under section 124D.03, or charter school of enrollment under
110.10 section 124E.11 is authorized to provide online learning instruction under state statutes, the
110.11 child's district of residence may utilize that state-approved online learning program in
110.12 fulfilling its educational program responsibility under this section if the child, or the child's
110.13 parent or guardian for a pupil under the age of 18, agrees to that form of instruction.

110.14 (d) When a child is temporarily placed in a residential program for care and treatment,
110.15 the nonresident district in which the child is placed is responsible for providing an appropriate
110.16 educational program for the child and necessary transportation while the child is attending
110.17 the educational program; and must bill the district of the child's residence for the actual cost
110.18 of providing the program, as outlined in section 125A.11, except as provided in paragraph
110.19 (e). However, the board, lodging, and treatment costs incurred in behalf of a child with a
110.20 disability placed outside of the school district of residence by the commissioner of human
110.21 services or the commissioner of corrections or their agents, for reasons other than providing
110.22 for the child's special educational needs must not become the responsibility of either the
110.23 district providing the instruction or the district of the child's residence. For the purposes of
110.24 this section, the state correctional facilities operated on a fee-for-service basis are considered
110.25 to be residential programs for care and treatment. If a child's district of residence, district
110.26 of open enrollment under section 124D.03, or charter school of enrollment under section
110.27 124E.11 is authorized to provide online learning instruction under state statutes, the
110.28 nonresident district may utilize that state-approved online learning program in fulfilling its
110.29 educational program responsibility under this section if the child, or the child's parent or
110.30 guardian for a pupil under the age of 18, agrees to that form of instruction.

110.31 (e) A privately owned and operated residential facility may enter into a contract to obtain
110.32 appropriate educational programs for special education children and services with a joint
110.33 powers entity. The entity with which the private facility contracts for special education
110.34 services shall be the district responsible for providing students placed in that facility an
110.35 appropriate educational program in place of the district in which the facility is located. If a

111.1 privately owned and operated residential facility does not enter into a contract under this
111.2 paragraph, then paragraph (d) applies.

111.3 (f) The district of residence shall pay tuition and other program costs, not including
111.4 transportation costs, to the district providing the instruction and services. The district of
111.5 residence may claim general education aid for the child as provided by law. Transportation
111.6 costs must be paid by the district responsible for providing the transportation and the state
111.7 must pay transportation aid to that district.

111.8 Sec. 3. Minnesota Statutes 2022, section 125A.51, is amended to read:

111.9 **125A.51 PLACEMENT OF CHILDREN WITHOUT DISABILITIES; EDUCATION**
111.10 **AND TRANSPORTATION.**

111.11 The responsibility for providing instruction and transportation for a pupil without a
111.12 disability who has a short-term or temporary physical or emotional illness or disability, as
111.13 determined by the standards of the commissioner, and who is temporarily placed for care
111.14 and treatment for that illness or disability, must be determined as provided in this section.

111.15 (a) The school district of residence of the pupil is the district in which the pupil's parent
111.16 or guardian resides. If there is a dispute between school districts regarding residency, the
111.17 district of residence is the district designated by the commissioner.

111.18 (b) When parental rights have been terminated by court order, the legal residence of a
111.19 child placed in a residential or foster facility for care and treatment is the district in which
111.20 the child resides.

111.21 (c) Before the placement of a pupil for care and treatment, the district of residence must
111.22 be notified and provided an opportunity to participate in the placement decision. When an
111.23 immediate emergency placement is necessary and time does not permit resident district
111.24 participation in the placement decision, the district in which the pupil is temporarily placed,
111.25 if different from the district of residence, must notify the district of residence of the
111.26 emergency placement within 15 days of the placement. When a nonresident district makes
111.27 an emergency placement without first consulting with the resident district, the resident
111.28 district has up to five business days after receiving notice of the emergency placement to
111.29 request an opportunity to participate in the placement decision, which the placing district
111.30 must then provide.

111.31 (d) When a pupil without a disability is temporarily placed for care and treatment in a
111.32 day program and the pupil continues to live within the district of residence during the care
111.33 and treatment, the district of residence must provide instruction and necessary transportation

112.1 to and from the care and treatment program for the pupil. The resident district may establish
112.2 reasonable restrictions on transportation, except if a Minnesota court or agency orders the
112.3 child placed at a day care and treatment program and the resident district receives a copy
112.4 of the order, then the resident district must provide transportation to and from the program
112.5 unless the court or agency orders otherwise. Transportation shall only be provided by the
112.6 resident district during regular operating hours of the resident district. The resident district
112.7 may provide the instruction at a school within the district of residence; at the pupil's
112.8 residence; through an authorized online learning program provided by the pupil's resident
112.9 district, district of open enrollment under section 124D.03, or charter school of enrollment
112.10 under section 124E.11 if the child, or the child's parent or guardian for a pupil under the
112.11 age of 18, agrees to that form of instruction; or, in the case of a placement outside of the
112.12 resident district, in the district in which the day treatment program is located by paying
112.13 tuition to that district. The district of placement may contract with a facility to provide
112.14 instruction by teachers licensed by the Professional Educator Licensing and Standards
112.15 Board.

112.16 (e) When a pupil without a disability is temporarily placed in a residential program for
112.17 care and treatment, the district in which the pupil is placed must provide instruction for the
112.18 pupil and necessary transportation while the pupil is receiving instruction, and in the case
112.19 of a placement outside of the district of residence, the nonresident district must bill the
112.20 district of residence for the actual cost of providing the instruction for the regular school
112.21 year and for summer school, excluding transportation costs. If a pupil's district of residence,
112.22 district of open enrollment under section 124D.03, or charter school of enrollment under
112.23 section 124E.11 is authorized to provide online learning instruction under state statutes, the
112.24 district in which the pupil is placed may utilize that state-approved online learning program
112.25 in fulfilling its responsibility to provide instruction under this section if the child, or the
112.26 child's parent or guardian for a pupil under the age of 18, agrees to that form of instruction.

112.27 (f) Notwithstanding paragraph (e), if the pupil is homeless and placed in a public or
112.28 private homeless shelter, then the district that enrolls the pupil under section 120A.20,
112.29 subdivision 2, paragraph (b), shall provide the transportation, unless the district that enrolls
112.30 the pupil and the district in which the pupil is temporarily placed agree that the district in
112.31 which the pupil is temporarily placed shall provide transportation. When a pupil without a
112.32 disability is temporarily placed in a residential program outside the district of residence,
112.33 the administrator of the court placing the pupil must send timely written notice of the
112.34 placement to the district of residence. The district of placement may contract with a
112.35 residential facility to provide instruction by teachers licensed by the Professional Educator

113.1 Licensing and Standards Board. For purposes of this section, the state correctional facilities
113.2 operated on a fee-for-service basis are considered to be residential programs for care and
113.3 treatment.

113.4 (g) The district of residence must include the pupil in its residence count of pupil units
113.5 and pay tuition as provided in section 123A.488 to the district providing the instruction.
113.6 Transportation costs must be paid by the district providing the transportation and the state
113.7 must pay transportation aid to that district. For purposes of computing state transportation
113.8 aid, pupils governed by this subdivision must be included in the disabled transportation
113.9 category if the pupils cannot be transported on a regular school bus route without special
113.10 accommodations.

113.11 Sec. 4. Minnesota Statutes 2022, section 125A.515, subdivision 3, is amended to read:

113.12 Subd. 3. **Responsibilities for providing education.** (a) The district in which the children's
113.13 residential facility is located must provide education services, including special education
113.14 if eligible, to all students placed in a facility. If a child's district of residence, district of open
113.15 enrollment under section 124D.03, or charter school of enrollment under section 124E.11
113.16 is authorized to provide online learning instruction under state statutes, the district in which
113.17 the children's residential facility is located may utilize that state-approved online learning
113.18 program in fulfilling its education services responsibility under this section if the child, or
113.19 the child's parent or guardian for a pupil under the age of 18, agrees to that form of
113.20 instruction.

113.21 (b) For education programs operated by the Department of Corrections, the providing
113.22 district shall be the Department of Corrections. For students remanded to the commissioner
113.23 of corrections, the providing and resident district shall be the Department of Corrections.

113.24 Sec. 5. **COMMISSIONER OF EDUCATION; LEGISLATIVE REPORT ON**
113.25 **DEFINITIONS.**

113.26 (a) The commissioner of education must define the following terms:

113.27 (1) gifted student;

113.28 (2) talented student;

113.29 (3) twice-exceptional student;

113.30 (4) print disabled student; and

113.31 (5) reading disabled student.

114.1 (b) The commissioner of education must also define what qualifies a student in each
 114.2 category under paragraph (a) for special education services and how eligibility is determined,
 114.3 including through identification or diagnosis by a doctor of medicine, doctor of osteopathy,
 114.4 ophthalmologist, optometrist, psychologist, registered nurse, therapist, or professional staff
 114.5 of hospitals, institutions, and public or welfare agencies such as an educator, social worker,
 114.6 case worker, counselor, rehabilitation teacher, certified reading specialist, school
 114.7 psychologist, superintendent, or librarian.

114.8 (c) No later than February 15, 2024, the commissioner must report these definitions to
 114.9 the chairs and ranking minority members of the legislative committees having jurisdiction
 114.10 over early childhood through grade 12 education.

114.11 (d) The commissioner is encouraged to consult with the Perpich Center for Arts Education
 114.12 and the Minnesota State Academies in preparing the definitions under this section.

114.13 ARTICLE 8

114.14 EARLY CHILDHOOD AND EARLY LEARNING

114.15 Section 1. Minnesota Statutes 2022, section 124D.03, subdivision 5a, is amended to read:

114.16 Subd. 5a. **Lotteries.** If a school district has more applications than available seats at a
 114.17 specific grade level, it must hold an impartial lottery following the January 15 deadline to
 114.18 determine which students will receive seats. The district must give priority to enrolling
 114.19 siblings of currently enrolled students, students seeking enrollment into kindergarten who
 114.20 were open enrolled in voluntary prekindergarten or school readiness plus programs in the
 114.21 district, students whose applications are related to an approved integration and achievement
 114.22 plan, and children of the school district's staff, and students residing in that part of a
 114.23 municipality, defined under section 469.1812, subdivision 3, where:

114.24 ~~(1) the student's resident district does not operate a school building;~~

114.25 ~~(2) the municipality is located partially or fully within the boundaries of at least five~~
 114.26 ~~school districts;~~

114.27 ~~(3) the nonresident district in which the student seeks to enroll operates one or more~~
 114.28 ~~school buildings within the municipality; and~~

114.29 ~~(4) no other nonresident, independent, special, or common school district operates a~~
 114.30 ~~school building within the municipality.~~

114.31 The process for the school district lottery must be established in school district policy,
 114.32 approved by the school board, and posted on the school district's website.

115.1 Sec. 2. Minnesota Statutes 2022, section 124D.03, subdivision 12, is amended to read:

115.2 Subd. 12. **Termination of enrollment.** A district may terminate the enrollment of a
115.3 nonresident student enrolled under this section or section 124D.08 at the end of a school
115.4 year if the student meets the definition of a habitual truant under section 260C.007,
115.5 subdivision 19, the student has been provided appropriate services under chapter 260A, and
115.6 the student's case has been referred to juvenile court. A district may also terminate the
115.7 enrollment of a nonresident student over the age of 17 enrolled under this section if the
115.8 student is absent without lawful excuse for one or more periods on 15 school days and has
115.9 not lawfully withdrawn from school under section 120A.22, subdivision 8. Starting in the
115.10 2023-2024 school year, a district may terminate the enrollment of a nonresident preschool
115.11 student under this section or section 125A.13 when the student meets age eligibility
115.12 requirements for kindergarten or reaches age five by September 1.

115.13 Sec. 3. Minnesota Statutes 2022, section 124D.141, subdivision 2, is amended to read:

115.14 Subd. 2. **Additional duties.** The following duties are added to those assigned to the
115.15 council under federal law:

115.16 (1) make recommendations on the most efficient and effective way to leverage state and
115.17 federal funding streams for early childhood and child care programs;

115.18 ~~(2) make recommendations on how to coordinate or colocate early childhood and child~~
115.19 ~~care programs in one state Office of Early Learning. The council shall establish a task force~~
115.20 ~~to develop these recommendations. The task force shall include two nonexecutive branch~~
115.21 ~~or nonlegislative branch representatives from the council; six representatives from the early~~
115.22 ~~childhood caucus; two representatives each from the Departments of Education, Human~~
115.23 ~~Services, and Health; one representative each from a local public health agency, a local~~
115.24 ~~county human services agency, and a school district; and two representatives from the~~
115.25 ~~private nonprofit organizations that support early childhood programs in Minnesota. In~~
115.26 ~~developing recommendations in coordination with existing efforts of the council, the task~~
115.27 ~~force shall consider how to:~~

115.28 ~~(i) consolidate and coordinate resources and public funding streams for early childhood~~
115.29 ~~education and child care, and ensure the accountability and coordinated development of all~~
115.30 ~~early childhood education and child care services to children from birth to kindergarten~~
115.31 ~~entrance;~~

115.32 ~~(ii) create a seamless transition from early childhood programs to kindergarten;~~

116.1 ~~(iii) encourage family choice by ensuring a mixed system of high-quality public and~~
116.2 ~~private programs, with local points of entry, staffed by well-qualified professionals;~~

116.3 ~~(iv) ensure parents a decisive role in the planning, operation, and evaluation of programs~~
116.4 ~~that aid families in the care of children;~~

116.5 ~~(v) provide consumer education and accessibility to early childhood education and child~~
116.6 ~~care resources;~~

116.7 ~~(vi) advance the quality of early childhood education and child care programs in order~~
116.8 ~~to support the healthy development of children and preparation for their success in school;~~

116.9 ~~(vii) develop a seamless service delivery system with local points of entry for early~~
116.10 ~~childhood education and child care programs administered by local, state, and federal~~
116.11 ~~agencies;~~

116.12 ~~(viii) ensure effective collaboration between state and local child welfare programs and~~
116.13 ~~early childhood mental health programs and the Office of Early Learning;~~

116.14 ~~(ix) develop and manage an effective data collection system to support the necessary~~
116.15 ~~functions of a coordinated system of early childhood education and child care in order to~~
116.16 ~~enable accurate evaluation of its impact;~~

116.17 ~~(x) respect and be sensitive to family values and cultural heritage; and~~

116.18 ~~(xi) establish the administrative framework for and promote the development of early~~
116.19 ~~childhood education and child care services in order to provide that these services, staffed~~
116.20 ~~by well-qualified professionals, are available in every community for all families that express~~
116.21 ~~a need for them.~~

116.22 ~~In addition, the task force must consider the following responsibilities for transfer to the~~
116.23 ~~Office of Early Learning:~~

116.24 ~~(A) responsibilities of the commissioner of education for early childhood education~~
116.25 ~~programs and financing under sections 119A.50 to 119A.535, 121A.16 to 121A.19, and~~
116.26 ~~124D.129 to 124D.2211;~~

116.27 ~~(B) responsibilities of the commissioner of human services for child care assistance,~~
116.28 ~~child care development, and early childhood learning and child protection facilities programs~~
116.29 ~~and financing under chapter 119B and section 256E.37; and~~

116.30 ~~(C) responsibilities of the commissioner of health for family home visiting programs~~
116.31 ~~and financing under section 145A.17.~~

117.1 ~~Any costs incurred by the council in making these recommendations must be paid from~~
117.2 ~~private funds. If no private funds are received, the council must not proceed in making these~~
117.3 ~~recommendations. The council must report its recommendations to the governor and the~~
117.4 ~~legislature by January 15, 2011;~~

117.5 ~~(3)~~ (2) review program evaluations regarding high-quality early childhood programs;

117.6 ~~(4)~~ (3) make recommendations to the governor and legislature, including proposed
117.7 legislation on how to most effectively create a high-quality early childhood system in
117.8 Minnesota in order to improve the educational outcomes of children so that all children are
117.9 school-ready ~~by 2020~~; and

117.10 ~~(5)~~ make recommendations to the governor and the legislature by March 1, 2011, on the
117.11 creation and implementation of a statewide school readiness report card to monitor progress
117.12 toward the goal of having all children ready for kindergarten by the year 2020. The
117.13 recommendations shall include what should be measured including both children and system
117.14 indicators, what benchmarks should be established to measure state progress toward the
117.15 goal, and how frequently the report card should be published. In making their
117.16 recommendations, the council shall consider the indicators and strategies for Minnesota's
117.17 early childhood system report, the Minnesota school readiness study, developmental
117.18 assessment at kindergarten entrance, and the work of the council's accountability committee.
117.19 ~~Any costs incurred by the council in making these recommendations must be paid from~~
117.20 ~~private funds. If no private funds are received, the council must not proceed in making these~~
117.21 ~~recommendations; and~~

117.22 ~~(6)~~ make recommendations to the governor and the legislature on how to screen earlier
117.23 and comprehensively assess children for school readiness in order to provide increased early
117.24 interventions and increase the number of children ready for kindergarten. In formulating
117.25 their recommendations, the council shall consider (i) ways to interface with parents of
117.26 children who are not participating in early childhood education or care programs, (ii) ways
117.27 to interface with family child care providers, child care centers, and school-based early
117.28 childhood and Head Start programs, (iii) if there are age-appropriate and culturally sensitive

 119.10 ~~of study for a high school equivalency test; or~~

119.12 (c) A child who has received a scholarship under this section must continue to receive
 119.13 a scholarship each year until that child is eligible for kindergarten under section 120A.20
 119.14 and as long as funds are available.

119.15 (d) Early learning scholarships may not be counted as earned income for the purposes

 119.23 and whose family meets the criteria of paragraph (a) is eligible for an early learning
 119.24 scholarship under this section.

119.25 Sec. 5. Minnesota Statutes 2022, section 124D.165, subdivision 3, is amended to read:

119.26 Subd. 3. **Administration.** (a) The commissioner shall establish application timelines
 119.27 and determine the schedule for awarding scholarships that meets operational needs of eligible
 119.28 families and programs. The commissioner must give highest priority to applications from
 119.29 children who:

119.30 (1) are not yet four years of age;

120.1 ~~(1)~~ (2) have a parent under age 21 who is pursuing a high school diploma or a course of
120.2 study for a high school equivalency test;

120.7 McKinney-Vento Homeless Assistance Act, United States Code, title 42, section 11434a.

120.8 (b) The commissioner may prioritize applications on additional factors including family
120.9 income, geographic location, and whether the child's family is on a waiting list for a publicly
120.10 funded program providing early education or child care services.

120.11 ~~(b)~~ (c) The commissioner shall establish a target for the average scholarship amount per
120.12 child based on the results of the rate survey conducted under section 119B.02.

120.13 ~~(e)~~ (d) A four-star rated program that has children eligible for a scholarship enrolled in
120.14 or on a waiting list for a program beginning in July, August, or September may notify the
120.15 commissioner, in the form and manner prescribed by the commissioner, each year of the
120.16 program's desire to enhance program services or to serve more children than current funding
120.17 provides. The commissioner may designate a predetermined number of scholarship slots
120.18 for that program and notify the program of that number. For fiscal year 2018 and later, the
120.19 statewide amount of funding directly designated by the commissioner must not exceed the
120.20 funding directly designated for fiscal year 2017. Beginning July 1, 2016, a school district
120.21 or Head Start program qualifying under this paragraph may use its established registration
120.22 process to enroll scholarship recipients and may verify a scholarship recipient's family
120.23 income in the same manner as for other program participants.

120.24 ~~(d)~~ (e) A scholarship is awarded for a 12-month period. If the scholarship recipient has

120.26 the awarding of the scholarship, the scholarship cancels and the recipient must reapply in
120.27 order to be eligible for another scholarship. An extension can be requested if a program is
120.28 unavailable for the child within the three-month timeline. A child may not be awarded more
120.29 than one scholarship in a 12-month period.

120.30 ~~(e)~~ (f) A child who receives a scholarship who has not completed development screening
120.31 under sections 121A.16 to 121A.19 must complete that screening within 90 days of first
120.32 attending an eligible program or within 90 days after the child's third birthday if awarded
120.33 a scholarship under the age of three.

121.1 ~~(f)~~ (g) For fiscal year 2017 and later, a school district or Head Start program enrolling
 121.2 scholarship recipients under paragraph (c) may apply to the commissioner, in the form and
 121.3 manner prescribed by the commissioner, for direct payment of state aid. Upon receipt of
 121.4 the application, the commissioner must pay each program directly for each approved
 121.5 scholarship recipient enrolled under paragraph (c) according to the metered payment system
 121.6 or another schedule established by the commissioner.

121.7 Sec. 6. Minnesota Statutes 2022, section 125A.13, is amended to read:

121.8 **125A.13 SCHOOL OF PARENTS' CHOICE.**

121.9 (a) Nothing in this chapter must be construed as preventing parents of a child with a
 121.10 disability from sending the child to a school of their choice, if they so elect, subject to
 121.11 admission standards and policies adopted according to sections 125A.62 to 125A.64 and
 121.12 125A.66 to 125A.73, and all other provisions of chapters 120A to 129C.

121.13 (b) The parent of a student with a disability not yet enrolled in kindergarten and not open

121.16 ~~(1) where~~ the child is enrolled in a Head Start program or a licensed child care setting
 121.17 in the nonresident district; ~~and, provided~~

121.18 ~~(2)~~ the child can be served in the same setting as other children in the nonresident district
 121.19 with the same level of disability.

120B.02 EDUCATIONAL EXPECTATIONS AND GRADUATION REQUIREMENTS FOR MINNESOTA'S STUDENTS.

Subd. 3. **Required knowledge and understanding of civics.** (a) For purposes of this subdivision, "civics test questions" means 50 of the 100 questions that, as of January 1, 2015, United States Citizenship and Immigration Services officers use to select the questions they pose to applicants for naturalization so the applicants can demonstrate their knowledge and understanding of the fundamentals of United States history and government, as required by United States Code, title 8, section 1423. The Learning Law and Democracy Foundation, in consultation with Minnesota civics teachers, must select by July 1 each year 50 of the 100 questions under this paragraph to serve as the state's civics test questions for the proximate school year and immediately transmit the 50 selected civics test questions to the department and to the Legislative Coordinating Commission, which must post the 50 questions it receives on the Minnesota's Legacy website by August 1 of that year.

(b) A student enrolled in a public school must correctly answer at least 30 of the 50 civics test questions. A school or district may record on a student's transcript that the student answered at least 30 of 50 civics test questions correctly. A school or district may exempt a student with disabilities from this requirement if the student's individualized education program team determines the requirement is inappropriate and establishes an alternative requirement. A school or district may administer the civics test questions in a language other than English to students who qualify for English learner services.

(c) Schools and districts may administer civics test questions as part of the social studies curriculum. A district must not prevent a student from graduating or deny a student a high school diploma for failing to correctly answer at least 30 of 50 civics test questions.

(d) The commissioner and public schools and school districts must not charge students any fees related to this subdivision.

120B.35 STUDENT ACADEMIC ACHIEVEMENT AND GROWTH.

Subd. 5. **Improving graduation rates for students with emotional or behavioral disorders.** (a) A district must develop strategies in conjunction with parents of students with emotional or behavioral disorders and the county board responsible for implementing sections 245.487 to 245.4889 to keep students with emotional or behavioral disorders in school, when the district has a drop-out rate for students with an emotional or behavioral disorder in grades 9 through 12 exceeding 25 percent.

(b) A district must develop a plan in conjunction with parents of students with emotional or behavioral disorders and the local mental health authority to increase the graduation rates of students with emotional or behavioral disorders. A district with a drop-out rate for children with an emotional or behavioral disturbance in grades 9 through 12 that is in the top 25 percent of all districts shall submit a plan for review and oversight to the commissioner.

124D.095 ONLINE LEARNING OPTION.

Subdivision 1. **Citation.** This section may be cited as the "Online Learning Option Act."

Subd. 2. **Definitions.** For purposes of this section, the following terms have the meanings given them.

(a) "Digital learning" is learning facilitated by technology that offers students an element of control over the time, place, path, or pace of their learning and includes blended and online learning.

(b) "Blended learning" is a form of digital learning that occurs when a student learns part time in a supervised physical setting and part time through digital delivery of instruction, or a student learns in a supervised physical setting where technology is used as a primary method to deliver instruction.

(c) "Online learning" is a form of digital learning delivered by an approved online learning provider under paragraph (d).

(d) "Online learning provider" is a school district, an intermediate school district, an organization of two or more school districts operating under a joint powers agreement, or a charter school located in Minnesota that provides online learning to students and is approved by the department to provide online learning courses.

(e) "Student" is a Minnesota resident enrolled in a school under section 120A.22, subdivision 4, in kindergarten through grade 12.

APPENDIX
Repealed Minnesota Statutes: S1311-2

(f) "Online learning student" is a student enrolled in an online learning course or program delivered by an online learning provider under paragraph (d).

(g) "Enrolling district" means the school district or charter school in which a student is enrolled under section 120A.22, subdivision 4, for purposes of compulsory attendance.

(h) "Supplemental online learning" means an online learning course taken in place of a course period at a local district school.

(i) "Full-time online learning provider" means an enrolling school authorized by the department to deliver comprehensive public education at any or all of the elementary, middle, or high school levels.

(j) "Online learning course syllabus" is a written document that an online learning provider transmits to the enrolling district using a format prescribed by the commissioner to identify the state academic standards embedded in an online course, the course content outline, required course assessments, expectations for actual teacher contact time and other student-to-teacher communications, and the academic support available to the online learning student.

Subd. 3. Authorization; notice; limitations on enrollment. (a) A student may apply for full-time enrollment in an approved online learning program under section 124D.03 or 124D.08 or chapter 124E. Notwithstanding sections 124D.03 and 124D.08 and chapter 124E, procedures for enrolling in supplemental online learning are as provided in this subdivision. A student age 17 or younger must have the written consent of a parent or guardian to apply. No school district or charter school may prohibit a student from applying to enroll in online learning. In order to enroll in online learning, the student and the student's parents must submit an application to the online learning provider and identify the student's reason for enrolling. An online learning provider that accepts a student under this section must notify the student and the enrolling district in writing within ten days if the enrolling district is not the online learning provider. The student and the student's parent must notify the online learning provider of the student's intent to enroll in online learning within ten days of being accepted, at which time the student and the student's parent must sign a statement indicating that they have reviewed the online course or program and understand the expectations of enrolling in online learning. The online learning provider must use a form provided by the department to notify the enrolling district of the student's application to enroll in online learning.

(b) The supplemental online learning notice to the enrolling district when a student applies to the online learning provider will include the courses or program, credits to be awarded, and the start date of the online course or program. An online learning provider must make available the supplemental online course syllabus to the enrolling district. Within 15 days after the online learning provider makes information in this paragraph available to the enrolling district, the enrolling district must notify the online provider whether the student, the student's parent, and the enrolling district agree or disagree that the course meets the enrolling district's graduation requirements. A student may enroll in a supplemental online learning course up to the midpoint of the enrolling district's term. The enrolling district may waive this requirement for special circumstances and with the agreement of the online provider. An online learning course or program that meets or exceeds a graduation standard or the grade progression requirement of the enrolling district as described in the provider's online course syllabus meets the corresponding graduation requirements applicable to the student in the enrolling district. If the enrolling district does not agree that the course or program meets its graduation requirements, then:

(1) the enrolling district must make available an explanation of its decision to the student, the student's parent, and the online provider; and

(2) the online provider may make available a response to the enrolling district, showing how the course or program meets the graduation requirements of the enrolling district.

(c) An online learning provider must notify the commissioner that it is delivering online learning and report the number of online learning students it accepts and the online learning courses and programs it delivers.

(d) An online learning provider may limit enrollment if the provider's school board or board of directors adopts by resolution specific standards for accepting and rejecting students' applications.

(e) An enrolling district may reduce an online learning student's regular classroom instructional membership in proportion to the student's membership in online learning courses.

(f) The online provider must report or make available information on an individual student's progress and accumulated credit to the student, the student's parent, and the enrolling district in a

APPENDIX
Repealed Minnesota Statutes: S1311-2

manner specified by the commissioner unless the enrolling district and the online provider agree to a different form of notice and notify the commissioner. The enrolling district must designate a contact person to help facilitate and monitor the student's academic progress and accumulated credits towards graduation.

Subd. 4. **Online learning parameters.** (a) An online learning student must receive academic credit for completing the requirements of an online learning course or program. Secondary credits granted to an online learning student count toward the graduation and credit requirements of the enrolling district. The enrolling district must apply the same graduation requirements to all students, including online learning students, and must continue to provide nonacademic services to online learning students. If a student completes an online learning course or program that meets or exceeds a graduation standard or the grade progression requirement at the enrolling district, that standard or requirement is met. The enrolling district must use the same criteria for accepting online learning credits or courses as it does for accepting credits or courses for transfer students under section 124D.03, subdivision 9. The enrolling district may reduce the course schedule of an online learning student in proportion to the number of online learning courses the student takes from an online learning provider that is not the enrolling district.

(b) An online learning student may:

(1) enroll in supplemental online learning courses equal to a maximum of 50 percent of the student's full schedule of courses per term during a single school year and the student may exceed the supplemental online learning registration limit if the enrolling district permits supplemental online learning enrollment above the limit, or if the enrolling district and the online learning provider agree to the instructional services;

(2) complete course work at a grade level that is different from the student's current grade level; and

(3) enroll in additional courses with the online learning provider under a separate agreement that includes terms for paying any tuition or course fees.

(c) An online learning student has the same access to the computer hardware and education software available in a school as all other students in the enrolling district. An online learning provider must assist an online learning student whose family qualifies for the education tax credit under section 290.0674 to acquire computer hardware and educational software for online learning purposes.

(d) An enrolling district may offer digital learning to its enrolled students. Such digital learning does not generate online learning funds under this section. An enrolling district that offers digital learning only to its enrolled students is not subject to the reporting requirements or review criteria under subdivision 7, unless the enrolling district is a full-time online learning provider. A teacher with a Minnesota license must assemble and deliver instruction to enrolled students receiving online learning from an enrolling district. The delivery of instruction occurs when the student interacts with the computer or the teacher and receives ongoing assistance and assessment of learning. The instruction may include curriculum developed by persons other than a teacher holding a Minnesota license.

(e) Both full-time and supplemental online learning providers are subject to the reporting requirements and review criteria under subdivision 7. A teacher holding a Minnesota license must assemble and deliver instruction to online learning students. The delivery of instruction occurs when the student interacts with the computer or the teacher and receives ongoing assistance and assessment of learning. The instruction may include curriculum developed by persons other than a teacher holding a Minnesota license. Unless the commissioner grants a waiver, a teacher providing online learning instruction must not instruct more than 40 students in any one online learning course or program.

(f) To enroll in more than 50 percent of the student's full schedule of courses per term in online learning, the student must qualify to exceed the supplemental online learning registration limit under paragraph (b) or apply to enroll in an approved full-time online learning program, consistent with subdivision 3, paragraph (a). Full-time online learning students may enroll in classes at a local school under a contract for instructional services between the online learning provider and the school district.

Subd. 5. **Participation in extracurricular activities.** An online learning student may participate in the extracurricular activities of the enrolling district on the same basis as other enrolled students.

APPENDIX
Repealed Minnesota Statutes: S1311-2

Subd. 6. **Information.** School districts and charter schools must make available information about online learning to all interested people.

Subd. 7. **Department of Education.** (a) The department must review and approve or disapprove online learning providers within 90 calendar days of receiving an online learning provider's completed application. The commissioner, using research-based standards of quality for online learning programs, must review all approved online learning providers on a cyclical three-year basis. Approved online learning providers annually must submit program data to, confirm statements of assurances for, and provide program updates including a current course list to the commissioner.

(b) The online learning courses and programs must be rigorous, aligned with state academic standards, and contribute to grade progression in a single subject. The online learning provider, other than a digital learning provider offering digital learning to its enrolled students only under subdivision 4, paragraph (d), must give the commissioner written assurance that: (1) all courses meet state academic standards; and (2) the online learning curriculum, instruction, and assessment, expectations for actual teacher-contact time or other student-to-teacher communication, and academic support meet nationally recognized professional standards and are described as such in an online learning course syllabus that meets the commissioner's requirements. Once an online learning provider is approved under this paragraph, all of its online learning course offerings are eligible for payment under this section unless a course is successfully challenged by an enrolling district or the department under paragraph (c).

(c) An enrolling district may challenge the validity of a course offered by an online learning provider. The department must review such challenges based on the approval procedures under paragraph (b). The department may initiate its own review of the validity of an online learning course offered by an online learning provider.

(d) The department may collect a fee not to exceed \$250 for approving online learning providers or \$50 per course for reviewing a challenge by an enrolling district.

(e) The department must develop, publish, and maintain a list of online learning providers that it has reviewed and approved.

(f) The department may review a complaint about an online learning provider, or a complaint about a provider based on the provider's response to notice of a violation. If the department determines that an online learning provider violated a law or rule, the department may:

(1) create a compliance plan for the provider; or

(2) withhold funds from the provider under sections 124D.095, 124E.25, and 127A.42. The department must notify an online learning provider in writing about withholding funds and provide detailed calculations.

Subd. 8. **Financial arrangements.** (a) For a student enrolled in an online learning course, the department must calculate average daily membership and make payments according to this subdivision.

(b) The initial online learning average daily membership equals 1/12 for each semester course or a proportionate amount for courses of different lengths. The adjusted online learning average daily membership equals the initial online learning average daily membership times .88.

(c) No online learning average daily membership shall be generated if: (1) the student does not complete the online learning course, or (2) the student is enrolled in online learning provided by the enrolling district.

(d) Online learning average daily membership under this subdivision for a student currently enrolled in a Minnesota public school shall be used only for computing average daily membership according to section 126C.05, subdivision 19, paragraph (a), clause (2), and for computing online learning aid according to section 124D.096.
