8.13 (b) If a licensed professional counselor changes primary state of residence by moving
8.14 between two member states:

8.15 (1) the licensed professional counselor shall file an application for obtaining a new home
8.16 state license based on a privilege to practice, pay all applicable fees, and notify the current
8.17 and new home state in accordance with applicable rules adopted by the commission;

8.18 (2) upon receipt of an application for obtaining a new home state license by virtue of a
8.19 privilege to practice, the new home state shall verify that the licensed professional counselor
8.20 meets the pertinent criteria outlined in article IV via the data system, without need for
8.21 primary source verification, except for:

8.22 (i) a Federal Bureau of Investigation fingerprint-based criminal background check if not
8.23 previously performed or updated pursuant to applicable rules adopted by the commission
8.24 in accordance with Public Law 92-544;

8.25 (ii) other criminal background checks as required by the new home state; and

8.26 (iii) completion of any requisite jurisprudence requirements of the new home state;

8.27 (3) the former home state shall convert the former home state license into a privilege to
8.28 practice once the new home state has activated the new home state license in accordance
8.29 with applicable rules adopted by the commission;

8.30 (4) notwithstanding any other provision of this compact, if the licensed professional
8.31 counselor cannot meet the criteria in article VI, the new home state may apply its
8.32 requirements for issuing a new single state license; and

9.1 (5) the licensed professional counselor shall pay all applicable fees to the new home
 9.2 state in order to be issued a new home state license.

9.3 (c) If a licensed professional counselor changes primary state of residence by moving
 9.4 from a member state to a nonmember state, or from a nonmember state to a member state,
 9.5 the state criteria shall apply for issuance of a single state license in the new state.

9.6 (d) Nothing in this compact shall interfere with a licensee's ability to hold a single state
 9.7 license in multiple states, however, for the purposes of this compact, a licensee shall have
 9.8 only one home state license.

9.9 (e) Nothing in this compact shall affect the requirements established by a member state
 9.10 for the issuance of a single state license.

9.11 ARTICLE VI

9.12 ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES

9.13 Active duty military personnel, or their spouse, shall designate a home state where the
 9.14 individual has a current license in good standing. The individual may retain the home state
 9.15 designation during the period the service member is on active duty. Subsequent to designating
 9.16 a home state, the individual shall only change their home state through application for

 9.21 by a home state in accordance with article III and under rules promulgated by the commission,
 9.22 to practice professional counseling in any member state via telehealth under a privilege to
 9.23 practice as provided in the compact and rules promulgated by the commission.

9.24 (b) A licensee providing professional counseling services in a remote state under the
 9.25 privilege to practice shall adhere to the laws and regulations of the remote state.

9.26 ARTICLE VIII

9.27 ADVERSE ACTIONS

9.28 (a) In addition to the other powers conferred by state law, a remote state shall have the
 9.29 authority, in accordance with existing state due process law, to:

9.30 (1) take adverse action against a licensed professional counselor's privilege to practice
 9.31 within that member state; and

10.1 (2) issue subpoenas for both hearings and investigations that require the attendance and
10.2 testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing
10.3 board in a member state for the attendance and testimony of witnesses or the production of
10.4 evidence from another member state shall be enforced in the latter state by any court of
10.5 competent jurisdiction according to the practice and procedure of that court applicable to
10.6 subpoenas issued in proceedings pending before it. The issuing authority shall pay any
10.7 witness fees, travel expenses, mileage, and other fees required by the service statutes of the
10.8 state in which the witnesses or evidence are located.

10.9 (b) Only the home state shall have the power to take adverse action against a licensed
10.10 professional counselor's license issued by the home state.

10.11 (c) For purposes of taking adverse action, the home state shall give the same priority
10.12 and effect to reported conduct received from a member state as it would if the conduct had
10.13 occurred within the home state. In so doing, the home state shall apply its own state laws
10.14 to determine appropriate action.

10.15 (d) The home state shall complete any pending investigations of a licensed professional
10.16 counselor who changes primary state of residence during the course of the investigations.
10.17 The home state shall also have the authority to take appropriate action and shall promptly
10.18 report the conclusions of the investigations to the administrator of the data system. The
10.19 administrator of the coordinated licensure information system shall promptly notify the new
10.20 home state of any adverse actions.

10.21 (e) A member state, if otherwise permitted by state law, may recover from the affected
10.22 licensed professional counselor the costs of investigations and dispositions of cases resulting
10.23 from any adverse action taken against that licensed professional counselor.

10.24 (f) A member state may take adverse action based on the factual findings of the remote
10.25 state, provided that the member state follows its own procedures for taking the adverse
10.26 action.

10.27 (g) Joint investigations:

10.28 (1) in addition to the authority granted to a member state by its respective professional
10.29 counseling practice act or other applicable state law, any member state may participate with
10.30 other member states in joint investigations of licensees; and

10.31 (2) member states shall share any investigative, litigation, or compliance materials in
10.32 furtherance of any joint or individual investigation initiated under the compact.

11.1 (h) If adverse action is taken by the home state against the license of a licensed
11.2 professional counselor, the licensed professional counselor's privilege to practice in all other
11.3 member states shall be deactivated until all encumbrances have been removed from the
11.4 state license. All home state disciplinary orders that impose adverse action against the license
11.5 of a licensed professional counselor shall include a statement that the licensed professional
11.6 counselor's privilege to practice is deactivated in all member states during the pendency of
11.7 the order.

11.8 (i) If a member state takes adverse action, it shall promptly notify the administrator of
11.9 the data system. The administrator of the data system shall promptly notify the home state
11.10 of any adverse actions by remote states.

11.11 (j) Nothing in this compact shall override a member state's decision that participation
11.12 in an alternative program may be used in lieu of adverse action.

11.13 ARTICLE IX

13.30 (4) the executive committee shall meet at least annually; and

14.1 (5) the executive committee shall have the following duties and responsibilities:

14.2 (i) recommend to the entire commission changes to the rules or bylaws, changes to this
14.3 compact legislation, fees paid by compact member states such as annual dues, and any
14.4 commission compact fee charged to licensees for the privilege to practice;

14.5 (ii) ensure compact administration services are appropriately provided, contractual or
14.6 otherwise;

14.7 (iii) prepare and recommend the budget;

14.8 (iv) maintain financial records on behalf of the commission;

14.9 (v) monitor compact compliance of member states and provide compliance reports to
14.10 the commission;

14.11 (vi) establish additional committees as necessary; and

14.12 (vii) other duties as provided in rules or bylaws.

14.13 (e) Meetings of the commission:

14.14 (1) all meetings shall be open to the public, and public notice of meetings shall be given
14.15 in the same manner as required under the rulemaking provisions in article XI;

14.16 (2) the commission or the executive committee or other committees of the commission
14.17 may convene in a closed, non-public meeting if the commission or executive committee or
14.18 other committees of the commission must discuss:

14.19 (i) non-compliance of a member state with its obligations under the compact;

14.20 (ii) the employment, compensation, discipline, or other matters, practices, or procedures
14.21 related to specific employees or other matters related to the commission's internal personnel
14.22 practices and procedures;

14.23 (iii) current, threatened, or reasonably anticipated litigation;

14.24 (iv) negotiation of contracts for the purchase, lease, or sale of goods, services, or real
14.25 estate;

14.26 (v) accusing any person of a crime or formally censuring any person;

14.27 (vi) disclosure of trade secrets or commercial or financial information that is privileged
14.28 or confidential;

14.29 (vii) disclosure of information of a personal nature where disclosure would constitute a
14.30 clearly unwarranted invasion of personal privacy;

15.1 (viii) disclosure of investigative records compiled for law enforcement purposes;

15.2 (ix) disclosure of information related to any investigative reports prepared by or on
15.3 behalf of or for use of the commission or other committee charged with responsibility of
15.4 investigation or determination of compliance issues pursuant to the compact; or

15.5 (x) matters specifically exempted from disclosure by federal or member state statute;

15.6 (3) if a meeting, or portion of a meeting, is closed pursuant to this provision, the
15.7 commission's legal counsel or designee shall certify that the meeting may be closed and
15.8 shall reference each relevant exempting provision; and

15.9 (4) the commission shall keep minutes that fully and clearly describe all matters discussed
15.10 in a meeting and shall provide a full and accurate summary of actions taken and the reasons
15.11 therefore, including a description of the views expressed. All documents considered in
15.12 connection with an action shall be identified in such minutes. All minutes and documents
15.13 of a closed meeting shall remain under seal, subject to release by a majority vote of the
15.14 commission or order of a court of competent jurisdiction.

15.15 (f) Financing of the commission:

15.16 (i) the commission shall pay, or provide for the payment of, the reasonable expenses of
15.17 its establishment, organization, and ongoing activities;

15.18 (ii) the commission may accept any and all appropriate revenue sources, donations, and
15.19 grants of money, equipment, supplies, materials, and services;

15.20 (iii) the commission may levy on and collect an annual assessment from each member
15.21 state or impose fees on other parties to cover the cost of the operations and activities of the
15.22 commission and its staff, which must be in a total amount sufficient to cover its annual
15.23 budget as approved each year for which revenue is not provided by other sources. The
15.24 aggregate annual assessment amount shall be allocated based upon a formula to be determined
15.25 by the commission, which shall promulgate a rule binding upon all member states;

15.26 (iv) the commission shall not incur obligations of any kind prior to securing the funds
15.27 adequate to meet the same; nor shall the commission pledge the credit of any of the member
15.28 states, except by and with the authority of the member state; and

15.29 (v) the commission shall keep accurate accounts of all receipts and disbursements. The
15.30 receipts and disbursements of the commission shall be subject to the audit and accounting
15.31 procedures established under its bylaws. However, all receipts and disbursements of funds
15.32 handled by the commission shall be audited yearly by a certified or licensed public

16.1 accountant, and the report of the audit shall be included in and become part of the annual
16.2 report of the commission.

16.3 (g) Qualified immunity, defense, and indemnification:

16.4 (1) the members, officers, executive director, employees, and representatives of the
16.5 commission shall be immune from suit and liability, either personally or in their official
16.6 capacity, for any claim for damage to or loss of property or personal injury or other civil
16.7 liability caused by or arising out of any actual or alleged act, error, or omission that occurred,
16.8 or that the person against whom the claim is made had a reasonable basis for believing
16.9 occurred within the scope of commission employment, duties, or responsibilities; provided
16.10 that nothing in this paragraph shall be construed to protect any such person from suit or
16.11 liability for any damage, loss, injury, or liability caused by the intentional or willful or
16.12 wanton misconduct of that person;

16.13 (2) the commission shall defend any member, officer, executive director, employee, or
16.14 representative of the commission in any civil action seeking to impose liability arising out
16.15 of any actual or alleged act, error, or omission that occurred within the scope of commission
16.16 employment, duties, or responsibilities, or that the person against whom the claim is made
16.17 had a reasonable basis for believing occurred within the scope of commission employment,
16.18 duties, or responsibilities; provided that nothing herein shall be construed to prohibit that
16.19 person from retaining his or her own counsel; and provided further, that the actual or alleged
16.20 act, error, or omission did not result from that person's intentional or willful or wanton
16.21 misconduct; and

16.22 (3) the commission shall indemnify and hold harmless any member, officer, executive
16.23 director, employee, or representative of the commission for the amount of any settlement
16.24 or judgment obtained against that person arising out of any actual or alleged act, error, or
16.25 omission that occurred within the scope of commission employment, duties, or
16.26 responsibilities, or that such person had a reasonable basis for believing occurred within
16.27 the scope of commission employment, duties, or responsibilities, provided that the actual
16.28 or alleged act, error, or omission did not result from the intentional or willful or wanton
16.29 misconduct of that person.

16.30 **ARTICLE X**

16.31 **DATA SYSTEM**

16.32 (a) The commission shall provide for the development, maintenance, operation, and
16.33 utilization of a coordinated database and reporting system containing licensure, adverse
16.34 action, and investigative information on all licensed individuals in member states.

17.1 (b) Notwithstanding any other provision of state law to the contrary, a member state
17.2 shall submit a uniform data set to the data system on all individuals to whom this compact
17.3 is applicable as required by the rules of the commission, including:

17.4 (1) identifying information;

17.5 (2) licensure data;

17.6 (3) adverse actions against a license or privilege to practice;

17.7 (4) nonconfidential information related to alternative program participation;

17.8 (5) any denial of application for licensure and the reason for such denial;

17.9 (6) current significant investigative information; and

17.10 (7) other information that may facilitate the administration of this compact, as determined
17.11 by the rules of the commission.

17.12 (c) Investigative information pertaining to a licensee in any member state will only be
17.13 available to other member states.

17.14 (d) The commission shall promptly notify all member states of any adverse action taken
17.15 against a licensee or an individual applying for a license. Adverse action information
17.16 pertaining to a licensee in any member state will be available to any other member state.

17.17 (e) Member states contributing information to the data system may designate information
17.18 that may not be shared with the public without the express permission of the contributing
17.19 state.

17.20 (f) Any information submitted to the data system that is subsequently required to be
17.21 expunged by the laws of the member state contributing the information shall be removed
17.22 from the data system.

17.23 **ARTICLE XI**

17.24 **RULEMAKING**

17.25 (a) The commission shall promulgate reasonable rules in order to effectively and
17.26 efficiently achieve the purpose of the compact. Notwithstanding the foregoing, in the event
17.27 the commission exercises its rulemaking authority in a manner that is beyond the scope of
17.28 the purposes of the compact, or the powers granted hereunder, then such an action by the
17.29 commission shall be invalid and have no force or effect.

18.1 (b) The commission shall exercise its rulemaking powers pursuant to the criteria set
18.2 forth in this article and the rules adopted thereunder. Rules and amendments shall become
18.3 binding as of the date specified in each rule or amendment.

18.4 (c) If a majority of the legislatures of the member states rejects a rule, by enactment of
18.5 a statute or resolution in the same manner used to adopt the compact within four years of
18.6 the date of adoption of the rule, then such rule shall have no further force and effect in any
18.7 member state.

18.8 (d) Rules or amendments to the rules shall be adopted at a regular or special meeting of
18.9 the commission.

18.10 (e) Prior to promulgation and adoption of a final rule or rules by the commission, and
18.11 at least thirty days in advance of the meeting at which the rule will be considered and voted
18.12 upon, the commission shall file a notice of proposed rulemaking:

18.13 (1) on the website of the commission or other publicly accessible platform; and

18.14 (2) on the website of each member state professional counseling licensing board or other
18.15 publicly accessible platform or the publication in which each state would otherwise publish
18.16 proposed rules.

18.17 (f) The notice of proposed rulemaking shall include:

18.18 (1) the proposed time, date, and location of the meeting in which the rule will be
18.19 considered and voted upon;

18.20 (2) the text of the proposed rule or amendment and the reason for the proposed rule;

18.21 (3) a request for comments on the proposed rule from any interested person; and

18.22 (4) the manner in which interested persons may submit notice to the commission of their
18.23 intention to attend the public hearing and any written comments.

18.24 (g) Prior to adoption of a proposed rule, the commission shall allow persons to submit
18.25 written data, facts, opinions, and arguments, which shall be made available to the public.

18.26 (h) The commission shall grant an opportunity for a public hearing before it adopts a
18.27 rule or amendment if a hearing is requested by:

18.28 (1) at least 25 persons;

18.29 (2) a state or federal governmental subdivision or agency; or

18.30 (3) an association having at least 25 members.

19.1 (i) If a hearing is held on the proposed rule or amendment, the commission shall publish
19.2 the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
19.3 means, the commission shall publish the mechanism for access to the electronic hearing:

19.4 (1) all persons wishing to be heard at the hearing shall notify the executive director of
19.5 the commission or other designated member in writing of their desire to appear and testify
19.6 at the hearing not less than five business days before the scheduled date of the hearing;

19.7 (2) hearings shall be conducted in a manner providing each person who wishes to
19.8 comment a fair and reasonable opportunity to comment orally or in writing;

19.9 (3) all hearings will be recorded. A copy of the recording will be made available on
19.10 request; and

19.11 (4) nothing in this article shall be construed as requiring a separate hearing on each rule.
19.12 Rules may be grouped for the convenience of the commission at hearings required by this
19.13 article.

19.14 (j) Following the scheduled hearing date, or by the close of business on the scheduled
19.15 hearing date if the hearing was not held, the commission shall consider all written and oral
19.16 comments received.

19.17 (k) If no written notice of intent to attend the public hearing by interested parties is
19.18 received, the commission may proceed with promulgation of the proposed rule without a
19.19 public hearing.

19.20 (l) The commission shall, by majority vote of all members, take final action on the
19.21 proposed rule and shall determine the effective date of the rule, if any, based on the
19.22 rulemaking record and the full text of the rule.

19.23 (m) Upon determination that an emergency exists, the commission may consider and
19.24 adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided
19.25 that the usual rulemaking procedures provided in the compact and in this article shall be
19.26 retroactively applied to the rule as soon as reasonably possible, in no event later than 90
19.27 days after the effective date of the rule. For the purposes of this provision, an emergency
19.28 rule is one that must be adopted immediately in order to:

19.29 (1) meet an imminent threat to public health, safety, or welfare;

19.30 (2) prevent a loss of commission or member state funds;

19.31 (3) meet a deadline for the promulgation of an administrative rule that is established by
19.32 federal law or rule; or

20.1 (4) protect public health and safety.

20.2 (n) The commission or an authorized committee of the commission may direct revisions
 20.3 to a previously adopted rule or amendment for purposes of correcting typographical errors,
 20.4 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions
 20.5 shall be posted on the website of the commission. The revision shall be subject to challenge
 20.6 by any person for a period of thirty days after posting. The revision may be challenged only
 20.7 on grounds that the revision results in a material change to a rule. A challenge shall be made
 20.8 in writing and delivered to the chair of the commission prior to the end of the notice period.
 20.9 If no challenge is made, the revision will take effect without further action. If the revision
 20.10 is challenged, the revision may not take effect without the approval of the commission.

20.11 ARTICLE XII

20.12 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

20.13 (a) Oversight:

20.14 (1) the executive, legislative, and judicial branches of state government in each member
 20.15 state shall enforce this compact and take all actions necessary and appropriate to effectuate
 20.16 the compact's purposes and intent. The provisions of this compact and the rules promulgated
 20.17 hereunder shall have standing as statutory law;

20.18 (2) all courts shall take judicial notice of the compact and the rules in any judicial or
 20.19 administrative proceeding in a member state pertaining to the subject matter of this compact
 20.20 which may affect the powers, responsibilities, or actions of the commission; and

20.21 (3) the commission shall be entitled to receive service of process in any such proceeding
 20.22 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide
 20.23 service of process to the commission shall render a judgment or order void as to the
 20.24 commission, this compact, or promulgated rules.

20.25 (b) Default, technical assistance, and termination:

20.26 (1) if the commission determines that a member state has defaulted in the performance
 20.27 of its obligations or responsibilities under this compact or the promulgated rules, the
 20.28 commission shall:

20.29 (i) provide written notice to the defaulting state and other member states of the nature
 20.30 of the default, the proposed means of curing the default, or any other action to be taken by
 20.31 the commission; and

20.32 (ii) provide remedial training and specific technical assistance regarding the default.

21.1 (c) If a state in default fails to cure the default, the defaulting state may be terminated
21.2 from the compact upon an affirmative vote of a majority of the member states, and all rights,
21.3 privileges, and benefits conferred by this compact may be terminated on the effective date
21.4 of termination. A cure of the default does not relieve the offending state of obligations or
21.5 liabilities incurred during the period of default.

21.6 (d) Termination of membership in the compact shall be imposed only after all other
21.7 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
21.8 shall be given by the commission to the governor, the majority and minority leaders of the
21.9 defaulting state's legislature, and each of the member states.

21.10 (e) A state that has been terminated is responsible for all assessments, obligations, and
21.11 liabilities incurred through the effective date of termination, including obligations that
21.12 extend beyond the effective date of termination.

21.13 (f) The commission shall not bear any costs related to a state that is found to be in default
21.14 or that has been terminated from the compact, unless agreed upon in writing between the
21.15 commission and the defaulting state.

21.16 (g) The defaulting state may appeal the action of the commission by petitioning the
21.17 United States District Court for the District of Columbia or the federal district where the
21.18 commission has its principal offices. The prevailing member shall be awarded all costs of
21.19 such litigation, including reasonable attorney's fees.

21.20 (h) Dispute resolution:

21.21 (1) upon request by a member state, the commission shall attempt to resolve disputes
21.22 related to the compact that arise among member states and between member and nonmember
21.23 states; and

21.24 (2) the commission shall promulgate a rule providing for both mediation and binding
21.25 dispute resolution for disputes as appropriate.

21.26 (i) Enforcement:

21.27 (1) the commission, in the reasonable exercise of its discretion, shall enforce the
21.28 provisions and rules of this compact;

21.29 (2) by majority vote, the commission may initiate legal action in the United States District
21.30 Court for the District of Columbia or the federal district where the commission has its
21.31 principal offices against a member state in default to enforce compliance with the provisions
21.32 of the compact and its promulgated rules and bylaws. The relief sought may include both
21.33 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing

22.1 member shall be awarded all costs of such litigation, including reasonable attorney's fees;
 22.2 and

22.3 (3) the remedies herein shall not be the exclusive remedies of the commission. The
 22.4 commission may pursue any other remedies available under federal or state law.

22.5 ARTICLE XIII

22.6 DATE OF IMPLEMENTATION OF THE COUNSELING COMPACT COMMISSION

22.7 AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

22.8 (a) The compact shall come into effect on the date on which the compact statute is
 22.9 enacted into law in the tenth member state. The provisions, which become effective at that
 22.10 time, shall be limited to the powers granted to the commission relating to assembly and the
 22.11 promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking
 22.12 powers necessary to the implementation and administration of the compact.

22.13 (b) Any state that joins the compact subsequent to the commission's initial adoption of
 22.14 the rules shall be subject to the rules as they exist on the date on which the compact becomes
 22.15 law in that state. Any rule that has been previously adopted by the commission shall have
 22.16 the full force and effect of law on the day the compact becomes law in that state.

22.17 (c) Any member state may withdraw from this compact by enacting a statute repealing
 22.18 the same.

22.19 (1) a member state's withdrawal shall not take effect until six months after enactment
 22.20 of the repealing statute; and

22.21 (2) withdrawal shall not affect the continuing requirement of the withdrawing state's
 22.22 professional counseling licensing board to comply with the investigative and adverse action
 22.23 reporting requirements of this act prior to the effective date of withdrawal.

22.24 (d) Nothing contained in this compact shall be construed to invalidate or prevent any
 22.25 professional counseling licensure agreement or other cooperative arrangement between a
 22.26 member state and a nonmember state that does not conflict with the provisions of this
 22.27 compact.

22.28 (e) This compact may be amended by the member states. No amendment to this compact
 22.29 shall become effective and binding upon any member state until it is enacted into the laws
 22.30 of all member states.

22.31 ARTICLE XIV

22.32 CONSTRUCTION AND SEVERABILITY

23.1 This compact shall be liberally construed so as to effectuate the purposes thereof. The
23.2 provisions of this compact shall be severable and if any phrase, clause, sentence, or provision
23.3 of this compact is declared to be contrary to the constitution of any member state or of the
23.4 United States or the applicability thereof to any government, agency, person, or circumstance
23.5 is held invalid, the validity of the remainder of this compact and the applicability thereof
23.6 to any government, agency, person, or circumstance shall not be affected thereby. If this
23.7 compact shall be held contrary to the constitution of any member state, the compact shall
23.8 remain in full force and effect as to the remaining member states and in full force and effect
23.9 as to the member state affected as to all severable matters.

23.10 ARTICLE XV

23.11 BINDING EFFECT OF COMPACT AND OTHER LAWS

23.12 (a) A licensee providing professional counseling services in a remote state under the
23.13 privilege to practice shall adhere to the laws and regulations, including scope of practice,
23.14 of the remote state.

23.15 (b) Nothing herein prevents the enforcement of any other law of a member state that is
23.16 not inconsistent with the compact.

23.17 (c) Any laws in a member state in conflict with the compact are superseded to the extent
23.18 of the conflict.

23.19 (d) Any lawful actions of the commission, including all rules and bylaws properly
23.20 promulgated by the commission, are binding upon the member states.

23.21 (e) All permissible agreements between the commission and the member states are
23.22 binding in accordance with their terms.

23.23 (f) In the event any provision of the compact exceeds the constitutional limits imposed
23.24 on the legislature of any member state, the provision shall be ineffective to the extent of the
23.25 conflict with the constitutional provision in question in that member state.
