6.30 (6) strategies to enable direct care registered nurses to take breaks they are entitled to
 6.31 under law or under an applicable collective bargaining agreement; and

7.1 (7) strategies to eliminate patient boarding in emergency departments that do not rely
 7.2 on requiring direct care registered nurses to work additional hours to provide care.

7.3 (e) (d) Core staffing plans must ensure that:

7.4 (1) the person creating a daily staffing schedule has sufficiently detailed information to
 7.5 create a daily staffing schedule that meets the requirements of the plan;

7.6 (2) daily staffing schedules do not rely on assigning individual nonmanagerial care staff
 7.7 to work overtime hours in excess of 16 hours in a 24-hour period or to work consecutive
 7.8 24-hour periods requiring 16 or more hours;

7.9 (3) a direct care registered nurse is not required or expected to perform functions outside

 7.19 the core staffing plan and the expected average number of patients upon which the core
 7.20 staffing plan is based.

7.21 (b) When developing a core staffing plan, a hospital nurse staffing committee must
 7.22 consider all of the following:

7.23 (1) the individual needs and expected census of each inpatient care unit;

7.24 (2) unit-specific patient acuity, including fall risk and behaviors requiring intervention,
 7.25 such as physical aggression toward self or others or destruction of property;

8.13 for direct care staff; and

8.14 (11) demands on direct care registered nurses' time not directly related to providing
8.15 direct care on a unit, such as involvement in quality improvement activities, professional
8.16 development, service to the hospital, including serving on the hospital nurse staffing
8.17 committee or the hospital nurse workload committee, and service to the profession.

8.18 Subd. 2b. **Failure to develop hospital core staffing plans.** If a hospital nurse staffing
8.19 committee cannot approve a hospital core staffing plan by a majority vote, the members of
8.20 the nurse staffing committee must enter an expedited arbitration process with an arbitrator
8.21 who understands patient care needs.

8.22 Subd. 2c. **Objections to hospital core staffing plans.** (a) If hospital management objects
8.23 to a core staffing plan approved by a majority vote of the hospital nurse staffing committee,

8.25 (b) During an ongoing dispute resolution process, a hospital must continue to implement
8.26 the core staffing plan as written and approved by the hospital nurse staffing committee.

8.27 (c) If the dispute resolution process results in an amendment to the core staffing plan,
8.28 the hospital must implement the amended core staffing plan.

8.29 Subd. 2d. **Mandatory submission of core staffing plan to commissioner.** Each hospital
8.30 must submit to the commissioner the core staffing plans approved by the hospital's nurse
8.31 staffing committee. A hospital must submit any substantial updates to any previously

9.1 approved plan, including any amendments to the plan resulting from arbitration, within 30
 9.2 calendar days of approval of the update by the committee or the conclusion of arbitration.

9.3 ~~Subd. 3. **Standard electronic reporting developed.** (a) Hospitals must submit the core~~
 9.4 ~~staffing plans to the Minnesota Hospital Association by January 1, 2014. The Minnesota~~

 9.10 ~~Hospitals must submit the direct patient care report to the Minnesota Hospital Association~~
 9.11 ~~by July 1, 2014, and quarterly thereafter.~~

9.14 Subdivision 1. **Plan implementation required.** (a) A hospital must implement the core
 9.15 staffing plans approved by a majority vote of its hospital nurse staffing committee.

9.16 (b) The commissioner is required to verify compliance with this section by on-site visits
 9.17 during routine hospital surveys.

9.18 Subd. 2. **Public posting of core staffing plans.** A hospital must post its core staffing
 9.19 plan for each inpatient care unit in a public area on the relevant unit.

9.20 Subd. 3. **Public posting of compliance with plan.** For each publicly posted core staffing
 9.21 plan, a hospital must post a notice stating whether the current staffing on the unit complies
 9.22 with the hospital's core staffing plan for that unit. The public notice of compliance must
 9.23 include a list of the number of nonmanagerial care staff working on the unit during the
 9.24 current shift and the number of patients assigned to each direct care registered nurse working
 9.25 on the unit during the current shift. The list must enumerate the nonmanagerial care staff
 9.26 by health care worker type. The public notice of compliance must be posted immediately
 9.27 adjacent to the publicly posted core staffing plan.

9.28 Subd. 4. **Posting of compliance in patient rooms.** A hospital must post on a whiteboard
 9.29 in a patient's room or make available through a television in a patient's room both the number
 9.30 of patients a nurse on the patient's unit should be assigned under the relevant core staffing
 9.31 plan and the number of patients actually assigned to a nurse during the current shift.

10.1 Subd. 5. **Deviations from core staffing plans.** (a) Before hospital management lowers
10.2 the staffing level of any unit, management must consult with and receive agreement from
10.3 at least 50 percent of the direct care registered nurses staffing the unit.

10.4 (b) Deviation from a core staffing plan with the agreement of at least 50 percent of the
10.5 direct care registered nurses staffing the unit does not constitute compliance with the core
10.6 staffing plan.

10.7 Subd. 6. **Public posting of emergency department wait times.** A hospital must maintain
10.8 on its website and publicly display in its emergency department the approximate wait time
10.9 for patients who are not in critical need of emergency care. The approximate wait time must
10.10 be updated at least hourly.

10.11 Subd. 7. **Disclosure of staffing plan upon admission.** A hospital must provide an
10.12 explanation of its core staffing plan to each patient upon admission.

10.13 Subd. 8. **Public distribution of core staffing plan and notice of compliance.** (a) A
10.14 hospital must include with the posted materials described in subdivisions 2 and 3 a statement
10.15 that individual copies of the posted materials are available upon request to any patient on
10.16 the unit or to any visitor of a patient on the unit. The statement must include specific
10.17 instructions for obtaining copies of the posted materials.

10.18 (b) A hospital must, within four hours after the request, provide individual copies of all
10.19 the posted materials described in subdivisions 2 and 3 to any patient on the unit or to any
10.20 visitor of a patient on the unit who requests the materials.

10.21 Subd. 9. **Reporting noncompliance.** (a) Any hospital employee, patient, or patient
10.22 family member may submit a concern for safe staffing form to report an instance of
10.23 noncompliance with a hospital's core staffing plan, to object to the contents of a core staffing
10.24 plan, or to challenge the process of the hospital nurse staffing committee.

10.25 (b) A hospital must not interfere with or retaliate against a hospital employee for
10.26 submitting a concern for safe staffing form.

10.27 (c) The commissioner of labor and industry may investigate any report of interference
10.28 with or retaliation against a hospital employee for submitting a concern for safe staffing
10.29 form. The commissioner of labor and industry may fine a hospital up to \$250,000 if the
10.30 commissioner finds the hospital interfered with or retaliated against a hospital employee
10.31 for submitting a concern for safe staffing form.

10.32 Subd. 10. **Documentation of compliance.** Each hospital must document compliance
10.33 with its core nursing plans and maintain records demonstrating compliance for each inpatient

11.1 care unit for five years. Each hospital must provide to its nurse staffing committee access
11.2 to all documentation required under this subdivision.

11.3 **EFFECTIVE DATE.** This section is effective October 1, 2025.

11.4 Sec. 7. **[144.7057] HOSPITAL NURSE STAFFING REPORTS.**

11.5 Subdivision 1. **Nurse staffing report required.** Each hospital nurse staffing committee
11.6 must submit quarterly nurse staffing reports to the commissioner. Reports must be submitted
11.7 within 60 days of the end of the quarter.

11.8 Subd. 2. **Nurse staffing report.** Nurse staffing reports submitted to the commissioner
11.9 by a hospital nurse staffing committee must:

11.10 (1) identify any suspected incidents of the hospital failing during the reporting quarter
11.11 to meet the standards of one of its core staffing plans;

11.12 (2) identify each occurrence of the hospital accepting an elective surgery at a time when
11.13 the unit performing the surgery is out of compliance with its core staffing plan;

11.14 (3) identify problems of insufficient staffing, including but not limited to:

11.15 (i) inappropriate number of direct care registered nurses scheduled in a unit;

11.16 (ii) inappropriate number of direct care registered nurses present and delivering care in

11.21 in a unit;

11.22 (v) inability for nurse supervisors to adjust daily nursing schedules for increased patient
11.23 acuity or nursing intensity in a unit; and

11.24 (vi) chronically unfilled direct care positions within the hospital;

11.26 (5) propose solutions to solve insufficient staffing;

11.27 (6) propose solutions to reduce risks to patient safety in inadequately staffed units; and

11.28 (7) describe staffing trends within the hospital.

11.29 Subd. 3. **Public posting of nurse staffing reports.** The commissioner must include on
11.30 its website each quarterly nurse staffing report submitted to the office under subdivision 1.

12.1 Subd. 4. **Standardized reporting.** The commissioner shall develop and provide to each
12.2 hospital nurse staffing committee a uniform format or standard form the committee must
12.3 use to comply with the nurse staffing reporting requirements under this section. The format
12.4 or form developed by the commissioner must present the reported information in a manner
12.5 allowing patients and the public to clearly understand and compare staffing patterns and
12.6 actual levels of staffing across reporting hospitals. The commissioner must include, in the
12.7 uniform format or on the standardized form, space to allow the reporting hospital to include
12.8 a description of additional resources available to support unit-level patient care and a
12.9 description of the hospital.

12.10 Subd. 5. **Penalties.** Notwithstanding section 144.653, subdivisions 5 and 6, the
12.11 commissioner may impose an immediate fine of up to \$5,000 for each instance of a failure
12.12 to report an elective surgery requiring reporting under subdivision 2, clause (2). The facility
12.13 may request a hearing on the immediate fine under section 144.653, subdivision 8.

12.14 **EFFECTIVE DATE.** This section is effective October 1, 2025.

12.15 Sec. 8. **[144.7058] GRADING OF COMPLIANCE WITH CORE STAFFING PLANS.**

12.17 commissioner must develop a uniform annual grading system that evaluates each hospital's
12.18 compliance with its own core staffing plan. The commissioner must assign each hospital a
12.19 compliance grade based on a review of the hospital's nurse staffing report submitted under
12.20 section 144.7057. The commissioner must assign a failing compliance grade to any hospital
12.21 that has not been in compliance with its staffing plan for six or more months during the
12.22 reporting year.

12.23 Subd. 2. **Grading factors.** When grading a hospital's compliance with its core staffing
12.24 plan, the commissioner must consider at least the following factors:

 13.28 action against a nurse solely on the ground that the nurse fails to accept an assignment of
 13.29 one or more additional patients because the nurse determines that accepting an additional
 13.30 patient assignment, in the nurse's judgment, may create an unnecessary danger to a patient's
 13.31 life, health, or safety or may otherwise constitute a ground for disciplinary action under

14.1 section 148.261. This subdivision does not apply to a nursing facility, an intermediate care
14.2 facility for persons with developmental disabilities, or a licensed boarding care home.
