

**SENATE  
STATE OF MINNESOTA  
NINETY-FOURTH SESSION**

**S.F. No. 2120**

(SENATE AUTHORS: SEEBERGER)

DATE  
03/03/2025

D-PG

Introduction and first reading  
Referred to State and Local Government

OFFICIAL STATUS

1.1 A bill for an act  
1.2 relating to community supervision; appropriating money for community  
1.3 supervision; amending Minnesota Statutes 2024, section 401.10, subdivision 1.

1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. Minnesota Statutes 2024, section 401.10, subdivision 1, is amended to read:

1.6 Subdivision 1. **Community supervision funding formula.** (a) Beginning July 1, 2023,  
1.7 the community supervision subsidy paid to each county, the commissioner for supervision  
1.8 of non-CCA jurisdictions served by the Department of Corrections, and each applicable  
1.9 Tribal Nation under paragraph (e) equals the sum of:

1.10 (1) a base funding amount equal to \$150,000; and

1.11 (2) a community supervision formula equal to the sum of:

1.12 ~~(i) for each individual with a felony sentence, a felony per diem rate of \$5.62 multiplied~~  
1.13 ~~by the sum of the county's or Tribal Nation's adult felony population, adult supervised~~  
1.14 ~~release and parole populations, and juvenile supervised release and parole populations as~~  
1.15 ~~reported in the most recent probation survey published by the commissioner, multiplied by~~  
1.16 ~~365; and~~

1.17 ~~(ii) for each individual sentenced for a gross misdemeanor or misdemeanor or under~~  
1.18 ~~juvenile probation, the felony per diem rate of \$5.62 multiplied by 0.5 and then multiplied~~  
1.19 ~~by the sum of the county's or Tribal Nation's gross misdemeanor, misdemeanor, and juvenile~~  
1.20 ~~populations as reported in the most recent probation survey published by the commissioner,~~  
1.21 ~~multiplied by 365.~~

2.1 (i) for individuals with a felony sentence, the felony per diem rate of \$5.62 shall be  
2.2 multiplied by the average total population over the three most recent years, as reported in  
2.3 the probation surveys published by the commissioner. This population includes the county  
2.4 or Tribal Nation's adult felony population, adult supervised release population, adult parole  
2.5 population, and juvenile supervised release population. The resulting amount shall then be  
2.6 multiplied by 365 to calculate the total annual allocation; and

2.7 (ii) for individuals sentenced for a gross misdemeanor, misdemeanor, or under juvenile  
2.8 probation, the felony per diem rate of \$5.62 shall be multiplied by 0.5, and then multiplied  
2.9 by the average total population over the three most recent years, as reported in the probation  
2.10 surveys published by the commissioner. This population includes the county or Tribal  
2.11 Nation's gross misdemeanor population, misdemeanor population, and juvenile probation  
2.12 population. The resulting amount shall then be multiplied by 365 to calculate the total annual  
2.13 allocation.

2.14 (b) For a non-CCA jurisdiction under section 244.19, subdivision 1b, paragraph (b) or  
2.15 (c), the base funding amount must be shared equally between the jurisdiction and the  
2.16 commissioner for the provision of felony supervision under section 244.20.

2.17 (c) If in any year the total amount appropriated for the purpose of this section is more  
2.18 than or less than the total of base funding plus community supervision formula funding for  
2.19 all counties and applicable Tribal Nations, the sum of each county's and applicable Tribal  
2.20 Nation's base funding plus community supervision formula funding is adjusted by the ratio  
2.21 of amounts appropriated for this purpose divided by the total of base funding plus community  
2.22 supervision formula funding for all counties and applicable Tribal Nations.

2.23 (d) If in any year the base funding plus the community supervision formula amount  
2.24 based on what was appropriated in fiscal year 2024 is less than the funding paid to the  
2.25 county in fiscal year 2023, the difference is added to the community supervision formula  
2.26 amount for that county. A county is not eligible for additional funding under this paragraph  
2.27 unless the base funding plus community supervision formula results in an increase in funding  
2.28 for the county based on what was appropriated in the previous fiscal year. This paragraph  
2.29 expires June 30, 2029.

2.30 (e) For each Tribal Nation, a funding amount of \$250,000 is allotted annually to purchase  
2.31 probation services or probation-related services, including contracted services, but a Tribal  
2.32 Nation that becomes a CCA jurisdiction or a non-CCA jurisdiction under section 244.19,  
2.33 subdivision 1b, paragraph (b) or (c), is an applicable Tribal Nation under paragraphs (a) to  
2.34 (c) and:

3.1 (1) has the Tribal Nation's funding amount of \$250,000 transferred to the total community  
3.2 supervision subsidy amount appropriated for the purposes of this section; and

3.3 (2) is allotted a base funding amount equal to \$150,000 plus an amount as determined  
3.4 according to the community supervision formula under paragraph (a), clause (2).

3.5 (f) Minnesota Rehabilitation and Reinvestment Act savings under section 244.50,  
3.6 subdivision 4, clause (2), are appropriated to each CCA jurisdiction and non-CCA jurisdiction  
3.7 served by the Department of Corrections by dividing the three-year average of the number  
3.8 of individuals on supervised release and intensive supervised release within the jurisdiction  
3.9 by the three-year average of the total number of individuals under supervised release and  
3.10 intensive supervised release statewide, using the numbers reported annually in the Probation  
3.11 Survey report.

3.12 Sec. 2. **APPROPRIATION; COMMUNITY SUPERVISION FUNDING.**

3.13 \$12,662,000 in fiscal year 2026 is appropriated from the general fund to the commissioner  
3.14 of corrections for distribution under the probation funding formula established in Minnesota  
3.15 Statutes, section 401.10. This appropriation is intended to fully fund the formula as calculated  
3.16 using the capitated rates and population estimates provided under that section. This  
3.17 appropriation is added to the Department of Corrections base.
