2.2 unforeseen circumstances and of sufficient magnitude, as determined by the commission:

2.3 (1) to impose significant costs on customers; and

2.5 the conditions of section 216B.492, subdivision 2, as determined by the commission.

2.6 (b) Extraordinary event includes but is not limited to a storm event or other natural  
2.7 disaster, an act of God, war, terrorism, sabotage or vandalism, a cybersecurity attack, or a

3.11 (i) the difference, as determined by the commission, between extraordinary event costs  
3.12 that the utility expects to incur and actual, reasonable, and prudent costs incurred; or

3.13 (ii) a more fair or reasonable allocation of extraordinary event costs to customers over  
3.14 time, as expressed in a commission order, provided that after the issuance of extraordinary  
3.15 event bonds relating to the extraordinary event costs, the adjustment must not (A) impair  
3.16 the value of the extraordinary event property relating to the extraordinary event bonds, or  
3.17 (B) reduce, alter, or impair extraordinary event charges relating to the extraordinary event  
3.18 bonds, until all principal and interest payable on the extraordinary event bonds, all financing  
3.19 costs for the extraordinary event bonds, and all amounts to be paid to an assignee or financing

5.29 Sec. 2. **[216B.492] FINANCING ORDER.**

5.30 Subdivision 1. **Application.** (a) A utility may file an application with the commission  
 5.31 for the issuance of a financing order to enable the utility to recover extraordinary event costs  
 5.32 through the issuance of extraordinary event bonds under this section.

- 6.1 (b) The application must include the following information, as applicable:
- 6.2 (1) a description of each natural gas facility to be repaired or replaced;
- 6.3 (2) the undepreciated value remaining in the natural gas facility whose repair or  
6.4 replacement is proposed to be financed through the issuance of extraordinary event bonds  
6.5 under sections 216B.491 to 216B.499, and the method used to calculate the amount;
- 6.6 (3) the estimated costs imposed on customers resulting from an extraordinary event that  
6.7 involves no physical damage to natural gas facilities;
- 6.8 (4) the estimated savings or estimated mitigation of rate impacts to utility customers if  
6.9 the financing order is issued as requested in the application, calculated by comparing the  
6.10 costs to customers that are expected to result from implementing the financing order and  
6.11 the estimated costs associated with implementing traditional utility financing mechanisms  
6.12 with respect to the same undepreciated balance, expressed in net present value terms;
- 6.13 (5) a description of (i) the nonbypassable extraordinary event charge utility customers  
6.14 would be required to pay in order to fully recover financing costs, and (ii) the method and  
6.15 assumptions used to calculate the amount;
- 6.16 (6) a proposed methodology to allocate the revenue requirement for the extraordinary  
6.17 event charge among the utility's customer classes;
- 6.18 (7) a description of a proposed adjustment mechanism that is implemented when necessary  
6.19 to correct any overcollection or undercollection of extraordinary event charges, in order to  
6.20 complete payment of scheduled principal and interest on extraordinary event bonds and  
6.21 other financing costs in a timely fashion;
- 6.22 (8) a memorandum with supporting exhibits, from a securities firm that is experienced  
6.23 in the marketing of securitized utility ratepayer-backed bonds and that is approved by the  
6.24 commissioner of management and budget, indicating the proposed issuance satisfies the  
6.25 current published AA or Aa2 or higher rating or equivalent rating criteria of at least one  
6.26 nationally recognized securities rating organization for issuances similar to the proposed  
6.27 extraordinary event bonds;
- 6.28 (9) an estimate of the timing of the issuance and the term of the extraordinary event  
6.29 bonds, or series of bonds, provided that the scheduled final maturity for each bond issuance  
6.30 does not exceed 30 years;
- 6.31 (10) identification of plans to sell, assign, transfer, or convey, other than as a security,  
6.32 interest in extraordinary event property, including identification of an assignee, and

7.1 demonstration that the assignee is a financing entity that is wholly owned, directly or  
7.2 indirectly, by the utility;

7.3 (11) identification of ancillary agreements that may be necessary or appropriate;

7.4 (12) one or more alternative financing scenarios in addition to the preferred scenario  
7.5 contained in the application;

7.6 (13) the extent of damage to the utility's natural gas facility caused by an extraordinary  
7.7 event and the estimated costs to repair or replace the damaged natural gas facility;

7.8 (14) a schedule of the proposed repairs to and replacement of the damaged natural gas  
7.9 facility;

7.10 (15) a description of the steps taken to provide customers interim natural gas service  
7.11 while the damaged natural gas facility is being repaired or replaced; and

7.12 (16) a description of the impacts on the utility's current workforce resulting from  
7.13 implementing a repair or replacement plan following an extraordinary event.

7.14 Subd. 2. **Findings.** After providing notice and holding a public hearing on an application  
7.15 filed under subdivision 1, the commission may issue a financing order if the commission  
7.16 finds that:

7.17 (1) the extraordinary event costs described in the application are reasonable;

7.18 (2) the proposed issuance of extraordinary event bonds and the imposition and collection  
7.19 of extraordinary event charges:

7.20 (i) are just and reasonable;

7.21 (ii) are consistent with the public interest;

7.22 (iii) constitute a prudent and reasonable mechanism to finance the extraordinary event  
7.23 costs; and

7.24 (iv) provide tangible and quantifiable benefits to customers, either by providing lower  
7.25 overall costs or mitigating rate impacts relative to traditional methods of financing, that  
7.26 exceed the benefits that would have been achieved absent the issuance of extraordinary  
7.27 event bonds; and

7.28 (3) the proposed structuring, marketing, and pricing of the extraordinary event bonds:

7.29 (i) lower overall costs to customers or mitigate rate impacts to customers relative to  
7.30 traditional methods of financing; and

8.1 (ii) achieve customer savings or mitigation of rate impacts to customers, as determined  
8.2 by the commission in a financing order, consistent with market conditions at the time of  
8.3 sale and the terms of the financing order.

8.4 Subd. 3. Contents. (a) A financing order issued under this section must:

8.5 (1) determine the maximum amount of extraordinary event costs that may be financed  
8.6 from proceeds of extraordinary event bonds issued pursuant to the financing order;

8.7 (2) describe the proposed customer billing mechanism for extraordinary event charges  
8.8 and include a finding that the mechanism is just and reasonable;

8.9 (3) describe the financing costs that may be recovered through extraordinary event  
8.10 charges and the period over which the costs may be recovered, which must end no earlier  
8.11 than the date of final legal maturity of the extraordinary event bonds;

8.12 (4) describe the extraordinary event property that is created and that may be used to pay,  
8.13 and secure the payment of, principal and interest on the extraordinary event bonds and other  
8.14 financing costs authorized in the financing order;

8.15 (5) authorize the utility to finance extraordinary event costs through the issuance of one  
8.16 or more series of extraordinary event bonds. A utility is not required to secure a separate  
8.17 financing order for each issuance of extraordinary event bonds or for each scheduled phase  
8.18 of the replacement of natural gas facilities approved in the financing order;

8.19 (6) include a formula-based mechanism that must be used to make expeditious periodic  
8.20 adjustments to the extraordinary event charges authorized by the financing order that are  
8.21 necessary to correct for any overcollection or undercollection, or to otherwise provide for  
8.22 the timely payment of extraordinary event bonds, other financing costs, and other required  
8.23 amounts and charges payable in connection with extraordinary event bonds;

8.24 (7) specify the degree of flexibility afforded to the utility in establishing the terms and  
8.25 conditions of the extraordinary event bonds, including but not limited to repayment schedules,  
8.26 expected interest rates, and other financing costs;

8.27 (8) specify that the extraordinary event bonds must be issued, subject to market conditions  
8.28 and the terms of the financing order, as soon as feasible following issuance of the financing  
8.29 order;

8.30 (9) require the utility, at the same time as extraordinary event charges are initially  
8.31 collected and independent of the schedule to close and decommission any natural gas facility  
8.32 replaced as the result of an extraordinary event, if any, to remove the natural gas facility  
8.33 from the utility's rate base and commensurately reduce the utility's base rates;

9.1 (10) specify a future ratemaking process to reconcile any difference between the projected  
 9.2 pretax costs included in the amount financed by extraordinary event bonds and the final  
 9.3 actual pretax costs incurred by the utility to retire or replace the natural gas facility, if any;

9.4 (11) specify information regarding extraordinary event bond issuance and repayments,  
 9.5 financing costs, energy transaction charges, extraordinary event property, and related matters  
 9.6 that the natural gas utility is required to provide to the commission on a schedule determined  
 9.7 by the commission;

9.8 (12) allow or require the creation of a utility's extraordinary event property to be  
 9.9 conditioned on, and occur simultaneously with, the sale or other transfer of the extraordinary  
 9.10 event property to an assignee and the pledge of the extraordinary event property to secure  
 9.11 the extraordinary event bonds;

9.12 (13) ensure that the structuring, marketing, and pricing of extraordinary event bonds  
 9.13 result in reasonable securitization bond charges and customer savings or rate impact  
 9.14 mitigation, consistent with market conditions and the terms of the financing order; and

9.15 (14) specify that a utility financing the replacement of one or more natural gas facilities  
 9.16 after the natural gas facilities subject to the finance order are removed from the utility's rate  
 9.17 base is prohibited from:

9.18 (i) operating the natural gas facilities; or

9.19 (ii) selling the natural gas facilities to another entity to operate as natural gas facilities.

9.20 (b) A financing order issued under this section may:

9.21 (1) include conditions different from those requested in the application that the  
 9.22 commission determines are necessary to:

9.23 (i) promote the public interest; and

9.24 (ii) maximize the financial benefits or minimize the financial risks of the transaction to  
 9.25 customers and to directly impacted Minnesota workers and communities; and

9.26 (2) specify the selection of one or more underwriters of the extraordinary event bonds.

9.27 Subd. 4. **Duration; irrevocability; subsequent order.** (a) A financing order remains  
 9.28 in effect until the extraordinary event bonds issued under the financing order and all financing  
 9.29 costs related to the extraordinary event bonds have been paid in full.

9.30 (b) A financing order remains in effect and unabated notwithstanding the bankruptcy,  
 9.31 reorganization, or insolvency of the utility to which the financing order applies or any  
 9.32 affiliate, successor, or assignee of the utility to which the financing order applies.

10.1 (c) Subject to judicial review under section 216B.52, a financing order is irrevocable  
10.2 and is not reviewable by a future commission. The commission must not: (1) reduce, impair,  
10.3 postpone, or terminate extraordinary event charges approved in a financing order; or (2)  
10.4 impair extraordinary event property or the collection or recovery of extraordinary event  
10.5 charges and extraordinary event revenue.

10.6 (d) Notwithstanding paragraph (c), the commission may, on the commission's own  
10.7 motion or at the request of a utility or any other person, commence a proceeding and issue  
10.8 a subsequent financing order that provides for refinancing, retiring, or refunding extraordinary  
10.9 event bonds issued under the original financing order if:

10.10 (1) the commission makes all of the findings specified in subdivision 2 with respect to  
10.11 the subsequent financing order; and

10.12 (2) the modification contained in the subsequent financing order does not in any way  
10.13 impair the covenants and terms of the extraordinary event bonds being refinanced, retired,  
10.14 or refunded.

10.15 Subd. 5. **Effect on commission jurisdiction.** (a) Except as provided in paragraph (b),  
10.16 the commission, in exercising the powers and carrying out the duties under this section, is  
10.17 prohibited from:

10.18 (1) considering extraordinary event bonds issued under this section to be debt of the  
10.19 utility other than for income tax purposes, unless it is necessary to consider the extraordinary  
10.20 event bonds to be debt in order to achieve consistency with prevailing utility debt rating  
10.21 methodologies;

10.22 (2) considering the extraordinary event charges paid under the financing order to be  
10.23 revenue of the utility;

10.24 (3) considering the extraordinary event costs or financing costs specified in the financing  
10.25 order to be the regulated costs or assets of the utility; or

10.26 (4) determining that any prudent action taken by a utility that is consistent with the  
10.27 financing order is unjust or unreasonable.

10.28 (b) Nothing in this subdivision:

10.29 (1) affects the authority of the commission to apply or modify any billing mechanism  
10.30 designed to recover extraordinary event charges;

11.1 (2) prevents or precludes the commission from (i) investigating a utility's compliance  
 11.2 with the terms and conditions of a financing order, and (ii) requiring compliance with the  
 11.3 financing order; or

11.4 (3) prevents or precludes the commission from imposing regulatory sanctions against a  
 11.5 utility for failure to comply with the terms and conditions of a financing order or the  
 11.6 requirements of this section.

11.7 (c) The commission is prohibited from refusing to allow a utility to recover any costs  
 11.8 associated with the replacement of natural gas facilities solely because the utility has elected  
 11.9 to finance the natural gas facility replacement through a financing mechanism other than  
 11.10 extraordinary event bonds.

11.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

11.12 **Sec. 3. [216B.493] POSTORDER COMMISSION DUTIES.**

11.13 Subdivision 1. **Financing cost review.** Within 120 days after the date extraordinary  
 11.14 event bonds are issued, a utility subject to a financing order must file with the commission  
 11.15 the actual initial and ongoing financing costs, the final structure and pricing of the  
 11.16 extraordinary event bonds, and the actual extraordinary event charge. The commission must  
 11.17 review the prudence of the natural gas utility's actions to determine whether the actual  
 11.18 financing costs were the lowest that could reasonably be achieved given the terms of the  
 11.19 financing order and market conditions prevailing at the time of the extraordinary event  
 11.20 bond's issuance.

11.21 Subd. 2. **Enforcement.** If the commission determines that a utility's actions under this  
 11.22 section are not prudent or are inconsistent with the financing order, the commission may  
 11.23 apply remedies deemed appropriate for utility actions, provided that any remedy applied  
 11.24 must not directly or indirectly (1) impair the value of the extraordinary event property, or  
 11.25 (2) reduce, alter, or impair extraordinary event charges, until all principal and interest payable  
 11.26 on the extraordinary event bonds, all financing costs, and all amounts to be paid to an  
 11.27 assignee or financing party under an ancillary agreement are paid in full.

11.28 **EFFECTIVE DATE.** This section is effective the day following final enactment.

11.29 **Sec. 4. [216B.494] USE OF OUTSIDE EXPERTS.**

11.30 (a) In carrying out the duties under this section, the commission may:

11.31 (1) contract with outside consultants and counsel experienced in securitized utility  
 11.32 customer-backed bond financing similar to extraordinary event bonds; and

12.1 (2) hire and compensate additional temporary staff as needed.

12.2 Expenses incurred by the commission under this paragraph must be treated as financing  
12.3 costs to be paid by the extraordinary event revenue. The costs incurred under clause (1) are  
12.4 not an obligation of the state and are assigned solely to the transaction.

12.5 (b) A utility presented with a written request from the commission for reimbursement  
12.6 of the commission's expenses incurred under paragraph (a), accompanied by a detailed  
12.7 account of those expenses, must remit full payment of the expenses to the commission  
12.8 within 30 days of receiving the request.

12.9 (c) If a utility's application for a financing order is denied or withdrawn for any reason  
12.10 and extraordinary event bonds are not issued, the commission's costs to retain expert  
12.11 consultants under this section must be paid by the applicant utility and are deemed a prudent  
12.12 deferred expense eligible for recovery in the utility's future rates.

12.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

12.14 Sec. 5. **[216B.495] EXTRAORDINARY EVENT CHARGE; BILLING TREATMENT.**

12.15 (a) A utility that obtains a financing order and issues extraordinary event bonds must:

12.16 (1) include on each customer's monthly natural gas bill:

12.17 (i) a statement that a portion of the charges represents extraordinary event charges  
12.18 approved in a financing order;

12.19 (ii) the amount and rate of the extraordinary event charge as a separate line item titled  
12.20 "extraordinary event charge"; and

12.21 (iii) if extraordinary event property has been transferred to an assignee, a statement that  
12.22 the assignee is the owner of the rights to extraordinary event charges and that the utility or  
12.23 other entity, if applicable, is acting as a collection agent or servicer for the assignee; and

12.24 (2) file annually with the commission:

12.25 (i) a calculation that identifies the impact financing the retirement or replacement of  
12.26 natural gas facilities has on customer rates, itemized by customer class; and

12.27 (ii) evidence demonstrating that extraordinary event revenues are applied solely to pay  
12.28 (A) principal and interest on extraordinary event bonds, and (B) other financing costs.

12.29 (b) Extraordinary event charges are nonbypassable and must be paid by all existing and  
12.30 future customers receiving service from the utility or the utility's successors or assignees  
12.31 under commission-approved rate schedules or special contracts.

13.1 (c) A utility's failure to comply with this section does not invalidate, impair, or affect  
13.2 any financing order, extraordinary event property, extraordinary event charge, or  
13.3 extraordinary event bonds, but does subject the utility to penalties under applicable  
13.4 commission rules provided that any penalty applied must not directly or indirectly (1) impair  
13.5 the value of the extraordinary event property, or (2) reduce, alter, or impair extraordinary  
13.6 event charges, until all principal and interest payable on the extraordinary event bonds, all  
13.7 financing costs, and all amounts to be paid to an assignee or financing party under an  
13.8 ancillary agreement are paid in full.

13.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

13.10 Sec. 6. **[216B.496] EXTRAORDINARY EVENT PROPERTY.**

13.11 Subdivision 1. **General.** (a) Extraordinary event property is an existing present property  
13.12 right or interest in a property right, even though the imposition and collection of extraordinary  
13.13 event charges depend on the utility collecting extraordinary event charges and on future  
13.14 natural gas consumption. The property right or interest exists regardless of whether the  
13.15 revenues or proceeds arising from the extraordinary event property have been billed, have  
13.16 accrued, or have been collected.

13.17 (b) Extraordinary event property exists until all extraordinary event bonds issued under  
13.18 a financing order are paid in full and all financing costs and other costs of the extraordinary  
13.19 event bonds have been recovered in full.

13.20 (c) All or any portion of extraordinary event property described in a financing order  
13.21 issued to a utility may be transferred, sold, conveyed, or assigned to a successor or assignee  
13.22 that is wholly owned, directly or indirectly, by the utility and is created for the limited  
13.23 purpose of acquiring, owning, or administering extraordinary event property or issuing  
13.24 extraordinary event bonds authorized by the financing order. All or any portion of  
13.25 extraordinary event property may be pledged to secure extraordinary event bonds issued  
13.26 under a financing order, amounts payable to financing parties and to counterparties under  
13.27 any ancillary agreements, and other financing costs. Each transfer, sale, conveyance,  
13.28 assignment, or pledge by a utility or an affiliate of extraordinary event property is a  
13.29 transaction in the ordinary course of business.

13.30 (d) If a utility defaults on any required payment of charges arising from extraordinary  
13.31 event property described in a financing order, a court, upon petition by an interested party  
13.32 and without limiting any other remedies available to the petitioner, must order the  
13.33 sequestration and payment of the revenues arising from the extraordinary event property to  
13.34 the financing parties.

14.1 (e) The interest of a transferee, purchaser, acquirer, assignee, or pledgee in extraordinary  
14.2 event property specified in a financing order issued to a utility, and in the revenue and  
14.3 collections arising from the property, is not subject to setoff, counterclaim, surcharge, or  
14.4 defense by the utility or any other person, or in connection with the reorganization,  
14.5 bankruptcy, or other insolvency of the utility or any other entity.

14.6 (f) A successor to a utility, whether resulting from a reorganization, bankruptcy, or other  
14.7 insolvency proceeding, merger or acquisition, sale, other business combination, transfer by  
14.8 operation of law, utility restructuring, or otherwise, must: (1) perform and satisfy all  
14.9 obligations of, and has the same duties and rights under, a financing order as the utility to  
14.10 which the financing order applies; and (2) perform the duties and exercise the rights in the  
14.11 same manner and to the same extent as the utility, including collecting and paying to any  
14.12 person entitled to receive revenues, collections, payments, or proceeds of extraordinary  
14.13 event property.

14.14 **Subd. 2. Security interests in extraordinary event property.** (a) The creation,  
14.15 perfection, and enforcement of any security interest in extraordinary event property to secure  
14.16 the repayment of the principal and interest on extraordinary event bonds, amounts payable  
14.17 under any ancillary agreement, and other financing costs are governed solely by this section.

14.18 (b) A security interest in extraordinary event property is created, valid, and binding  
14.19 when:

14.20 (1) the financing order that describes the extraordinary event property is issued;

14.21 (2) a security agreement is executed and delivered; and

14.22 (3) value is received for the extraordinary event bonds.

14.23 (c) Once a security interest in extraordinary event property is created, the security interest  
14.24 attaches without any physical delivery of collateral or any other act. The lien of the security  
14.25 interest is valid, binding, and perfected against all parties having claims of any kind in tort,  
14.26 contract, or otherwise against the person granting the security interest, regardless of whether  
14.27 the parties have notice of the lien, upon the filing of a financing statement with the secretary  
14.28 of state.

14.29 (d) The description or indication of extraordinary event property in a transfer or security  
14.30 agreement and a financing statement is sufficient only if the description or indication refers  
14.31 to this section and the financing order creating the extraordinary event property.

14.32 (e) A security interest in extraordinary event property is a continuously perfected security  
14.33 interest and has priority over any other lien, created by operation of law or otherwise, which

15.1 may subsequently attach to the extraordinary event property unless the holder of the security  
15.2 interest has agreed otherwise in writing.

15.3 (f) The priority of a security interest in extraordinary event property is not affected by  
15.4 the commingling of extraordinary event property or extraordinary event revenue with other  
15.5 money. An assignee, bondholder, or financing party has a perfected security interest in the  
15.6 amount of all extraordinary event property or extraordinary event revenue that is pledged  
15.7 to pay extraordinary event bonds, even if the extraordinary event property or extraordinary  
15.8 event revenue is deposited in a cash or deposit account of the utility in which the  
15.9 extraordinary event revenue is commingled with other money. Any other security interest  
15.10 that applies to the other money does not apply to the extraordinary event revenue.

15.11 (g) Neither a subsequent commission order amending a financing order under section  
15.12 216B.492, subdivision 4, nor application of an adjustment mechanism authorized by a  
15.13 financing order under section 216B.492, subdivision 3, affects the validity, perfection, or  
15.14 priority of a security interest in or transfer of extraordinary event property.

15.15 Subd. 3. **Sales of extraordinary event property.** (a) A sale, assignment, or transfer of  
15.16 extraordinary event property is an absolute transfer and true sale of, and not a pledge of or  
15.17 secured transaction relating to, the seller's right, title, and interest in, to, and under the  
15.18 extraordinary event property if the documents governing the transaction expressly state that  
15.19 the transaction is a sale or other absolute transfer. A transfer of an interest in extraordinary  
15.20 event property may be created when:

15.21 (1) the financing order creating and describing the extraordinary event property is  
15.22 effective;

15.23 (2) the documents evidencing the transfer of the extraordinary event property are executed  
15.24 and delivered to the assignee; and

15.25 (3) value is received.

15.26 (b) The characterization of a sale, assignment, or transfer as an absolute transfer and  
15.27 true sale, and the corresponding characterization of the property interest of the assignee, is  
15.28 not affected or impaired by:

15.29 (1) commingling of extraordinary event revenue with other money;

15.30 (2) the seller retaining:

15.31 (i) a partial or residual interest, including an equity interest, in the extraordinary event  
15.32 property, whether (A) direct or indirect, or (B) subordinate or otherwise; or

16.1 (ii) the right to recover costs associated with taxes, franchise fees, or license fees imposed  
16.2 on the collection of extraordinary event revenue;

16.3 (3) any recourse that the extraordinary event property purchaser may have against the  
16.4 seller;

16.5 (4) any indemnification rights, obligations, or repurchase rights made or provided by  
16.6 the extraordinary event property seller;

16.7 (5) the extraordinary event property seller's to collect extraordinary event revenues on  
16.8 behalf of an assignee;

16.9 (6) the treatment of the sale, assignment, or transfer for tax, financial reporting, or other  
16.10 purposes;

16.11 (7) any subsequent financing order amending a financing order under section 216B.492,  
16.12 subdivision 4, paragraph (d); or

16.13 (8) any application of an adjustment mechanism under section 216B.492, subdivision  
16.14 3, paragraph (a), clause (6).

16.15 **EFFECTIVE DATE.** This section is effective the day following final enactment.

16.16 **Sec. 7. [216B.497] EXTRAORDINARY EVENT BONDS.**

16.17 (a) Banks, trust companies, savings and loan associations, insurance companies, executors,  
16.18 administrators, guardians, trustees, and other fiduciaries may legally invest any money  
16.19 within the individual's or entity's control in extraordinary event bonds.

16.20 (b) Extraordinary event bonds issued under a financing order are not debt of or a pledge  
16.21 of the faith and credit or taxing power of the state, any agency of the state, or any political  
16.22 subdivision. Holders of extraordinary event bonds may not have taxes levied by the state  
16.23 or a political subdivision in order to pay the principal or interest on extraordinary event  
16.24 bonds. The issuance of extraordinary event bonds does not directly, indirectly, or contingently  
16.25 obligate the state or a political subdivision to levy any tax or make any appropriation to pay  
16.26 principal or interest on the extraordinary event bonds.

16.27 (c) The state pledges to and agrees with holders of extraordinary event bonds, any  
16.28 assignee, and any financing parties that the state and state agencies, including the commission,  
16.29 are prohibited from:

16.30 (1) taking or permitting any action that impairs the value of extraordinary event property;  
16.31 or

17.1 (2) reducing, altering, or impairing extraordinary event charges that are imposed,  
 17.2 collected, and remitted for the benefit of holders of extraordinary event bonds, any assignee,  
 17.3 and any financing parties until any principal, interest, and redemption premium payable on  
 17.4 extraordinary event bonds, all financing costs, and all amounts to be paid to an assignee or  
 17.5 financing party under an ancillary agreement are paid in full.

17.6 (d) The commission may include a pledge in the financing order similar to the state  
 17.7 pledge included in paragraph (c).

17.8 (e) A person who issues extraordinary event bonds may include the pledge specified in  
 17.9 paragraphs (c) and (d) in the extraordinary event bonds, ancillary agreements, and  
 17.10 documentation related to the issuance and marketing of the extraordinary event bonds.

17.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

17.12 Sec. 8. **[216B.498] ASSIGNEE OF FINANCING PARTY NOT SUBJECT TO**  
 17.13 **COMMISSION REGULATION.**

17.14 An assignee or financing party that is not already regulated by the commission does not  
 17.15 become subject to commission regulation solely as a result of engaging in any transaction  
 17.16 authorized by or described in sections 216B.491 to 216B.499.

17.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

17.18 Sec. 9. **[216B.499] EFFECT ON OTHER LAWS.**

17.19 (a) If any provision of sections 216B.491 to 216B.499 conflicts with any other law  
 17.20 regarding the attachment, assignment, perfection, effect of perfection, or priority of any  
 17.21 security interest in or transfer of extraordinary event property, sections 216B.491 to 216B.499  
 17.22 govern.

17.23 (b) Nothing in this section precludes a utility for which the commission has initially  
 17.24 issued a financing order from applying to the commission for:

17.25 (1) a subsequent financing order amending the financing order under section 216B.492,  
 17.26 subdivision 4, paragraph (d); or

17.27 (2) approval to issue extraordinary event bonds to refund all or a portion of an outstanding  
 17.28 series of extraordinary event bonds.

17.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.
