21.4 Subd. 2. **Duties of ballot board; absentee ballots.** (a) The members of the ballot board
 21.5 shall take possession of all return envelopes delivered to them in accordance with section
 21.6 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk,
 21.7 two or more members of the ballot board shall examine each return envelope and shall mark
 21.8 it accepted or rejected in the manner provided in this subdivision. Election judges performing
 21.9 the duties in this section must be of different major political parties, unless they are exempt
 21.10 from that requirement under section 205.075, subdivision 4, or section 205A.10, subdivision
 21.11 2.

21.12 (b) The members of the ballot board shall mark the return envelope "Accepted" and
 21.13 initial or sign the return envelope below the word "Accepted" if a majority of the members
 21.14 of the ballot board examining the envelope are satisfied that:

21.15 (1) the voter's name and address on the return envelope are the same as the information
 21.16 provided on the absentee ballot application;

21.17 (2) the voter signed the certification on the envelope;

21.18 (3) the voter's Minnesota driver's license, state identification number, voter identification
 21.19 card number, or the last four digits of the voter's Social Security number are the same as a
 21.20 number on the voter's absentee ballot application or voter record. If the number does not
 21.21 match, the election judges must compare the signature provided by the applicant to determine
 21.22 whether the ballots were returned by the same person to whom they were transmitted;

21.23 (4) the voter is registered and eligible to vote in the precinct or has included a properly
 21.24 completed voter registration application in the return envelope;

21.25 (5) the portion of the certificate completed by a witness as required by section 203B.07,
 21.26 subdivision 3, paragraph (b), is completed and the document or documents listed that were
 21.27 used to prove identity and residence are documents authorized by section 200.035;

21.28 (6) the certificate has been completed as prescribed in the directions for casting an
 21.29 absentee ballot; and

21.30 ~~(6)~~ (7) the voter has not already voted at that election, either in person or, if it is after
 21.31 the close of business on the seventh day before the election, by absentee ballot.

22.1 The return envelope from accepted ballots must be preserved and returned to the county
22.2 auditor.

22.3 (c)(1) If a majority of the members of the ballot board examining a return envelope find
22.4 that an absentee voter has failed to meet one of the requirements provided in paragraph (b),
22.5 they shall mark the return envelope "Rejected," initial or sign it below the word "Rejected,"
22.6 list the reason for the rejection on the envelope, and return it to the county auditor. There
22.7 is no other reason for rejecting an absentee ballot beyond those permitted by this section.
22.8 Failure to place the ballot within the security envelope before placing it in the outer white
22.9 envelope is not a reason to reject an absentee ballot.

22.10 (2) If an envelope has been rejected at least five days before the election, the envelope
22.11 must remain sealed and the official in charge of the ballot board shall provide the voter with
22.12 a replacement absentee ballot and return envelope in place of the rejected ballot.

22.13 (3) If an envelope is rejected within five days of the election, the envelope must remain
22.14 sealed and the official in charge of the ballot board must attempt to contact the voter by
22.15 telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official
22.16 must document the attempts made to contact the voter.

22.17 (d) The official in charge of the absentee ballot board must mail the voter a written notice
22.18 of absentee ballot rejection between six and ten weeks following the election. If the official
22.19 determines that the voter has otherwise cast a ballot in the election, no notice is required.
22.20 If an absentee ballot arrives after the deadline for submission provided by this chapter, the
22.21 notice must be provided between six to ten weeks after receipt of the ballot. A notice of
22.22 absentee ballot rejection must contain the following information:

22.23 (1) the date on which the absentee ballot was rejected or, if the ballot was received after
22.24 the required deadline for submission, the date on which the ballot was received;

22.25 (2) the reason for rejection; and

22.26 (3) the name of the appropriate election official to whom the voter may direct further
22.27 questions, along with appropriate contact information.

22.28 (e) An absentee ballot return envelope marked "Rejected" may not be opened or subject
22.29 to further review except in an election contest filed pursuant to chapter 209.

22.30 Sec. 22. Minnesota Statutes 2018, section 204B.45, subdivision 2, is amended to read:

22.31 Subd. 2. **Procedure.** Mail balloting must be conducted as provided in this section and
22.32 Minnesota Rules, part 8210.3000. Notice of the election and the special mail procedure

23.4 voters registered in the city, town, or unorganized territory. No later than 14 days before
23.5 the election, the auditor must make a subsequent mailing of ballots to those voters who
23.6 register to vote after the initial mailing but before the 20th day before the election. Eligible
23.7 voters not registered at the time the ballots are mailed may apply for ballots as provided in
23.8 chapter 203B. Ballot return envelopes, with return postage provided, must be preaddressed
23.9 to the auditor or clerk and the voter may return the ballot by mail or in person to the office
23.10 of the auditor or clerk. The voter must present proof of identity and residence to the voter's
23.11 witness in the same manner required by section 203B.08, subdivision 1, paragraph (b). In
23.12 addition to the information required by Minnesota Rules, part 8210.3000, the signature
23.13 envelope must include the witness oath prescribed by section 203B.07, subdivision 3,
23.14 paragraph (b). The auditor or clerk must appoint a ballot board to examine the mail and
23.15 absentee ballot return envelopes and mark them "accepted" or "rejected" within three days
23.16 of receipt if there are 14 or fewer days before election day, or within five days of receipt if
23.17 there are more than 14 days before election day. The board may consist of deputy county
23.18 auditors or deputy municipal clerks who have received training in the processing and counting
23.19 of mail ballots, who need not be affiliated with a major political party. Election judges
23.20 performing the duties in this section must be of different major political parties, unless they
23.21 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10.
23.22 If an envelope has been rejected at least five days before the election, the ballots in the
23.23 envelope must remain sealed and the auditor or clerk shall provide the voter with a
23.24 replacement ballot and return envelope in place of the spoiled ballot. If the ballot is rejected
23.25 within five days of the election, the envelope must remain sealed and the official in charge
23.26 of the ballot board must attempt to contact the voter by telephone or e-mail to notify the
23.27 voter that the voter's ballot has been rejected. The official must document the attempts made
23.28 to contact the voter.

23.29 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
23.30 indicate that the voter has already cast a ballot in that election. After the close of business
23.31 on the seventh day before the election, the ballots from return envelopes marked "Accepted"
23.32 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
23.33 5, initialed by the members of the ballot board, and deposited in the ballot box.

23.34 In all other respects, the provisions of the Minnesota Election Law governing deposit
23.35 and counting of ballots apply.

24.1 The mail and absentee ballots for a precinct must be counted together and reported as
24.2 one vote total. No vote totals from mail or absentee ballots may be made public before the
24.3 close of voting on election day.

24.4 The costs of the mailing shall be paid by the election jurisdiction in which the voter
24.5 resides. Any ballot received by 8:00 p.m. on the day of the election must be counted.

24.15 nor later than 14 days prior to the election, the auditor or clerk shall mail ballots by
24.16 nonforwardable mail to all voters registered in the county, municipality, or school district.
24.17 No later than 14 days before the election, the auditor or clerk must make a subsequent
24.18 mailing of ballots to those voters who register to vote after the initial mailing but before the
24.19 20th day before the election. Eligible voters not registered at the time the ballots are mailed
24.20 may apply for ballots pursuant to chapter 203B. The voter must present proof of identity
24.21 and residence to the voter's witness in the same manner required by section 203B.08,
24.22 subdivision 1, paragraph (b). In addition to the information required by Minnesota Rules,
24.23 part 8210.3000, the signature envelope must include the witness oath prescribed by section

24.28 may consist of deputy county auditors, deputy municipal clerks, or deputy school district
24.29 clerks who have received training in the processing and counting of mail ballots, who need
24.30 not be affiliated with a major political party. Election judges performing the duties in this
24.31 section must be of different major political parties, unless they are exempt from that
24.32 requirement under section 205.075, subdivision 4, or section 205A.10. If an envelope has
24.33 been rejected at least five days before the election, the ballots in the envelope must remain
24.34 sealed and the auditor or clerk must provide the voter with a replacement ballot and return

25.1 envelope in place of the spoiled ballot. If the ballot is rejected within five days of the election,
 25.2 the envelope must remain sealed and the official in charge of the ballot board must attempt
 25.3 to contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been
 25.4 rejected. The official must document the attempts made to contact the voter.

25.5 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
 25.6 indicate that the voter has already cast a ballot in that election. After the close of business
 25.7 on the seventh day before the election, the ballots from return envelopes marked "Accepted"
 25.8 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
 25.9 5, initialed by the ballot board, and deposited in the appropriate ballot box.

 29.2 the criteria for registering to vote in the precinct where the voter cast the provisional ballot;

29.3 (3) the voter attempted to procure proof of identity and residence but was unable to do
 29.4 so, and provide an explanation of the reason that the voter was unable to procure the
 29.5 necessary proof; and

29.6 (4) that the information on the affidavit is true and accurate.

29.7 The affidavit must be signed in the presence of the county auditor or municipal clerk.

29.8 (d) If the voter's ballot is accepted, the county auditor or municipal clerk must remove

 29.23 the county auditor's or municipal clerk's office on the seventh day after the election, but
 29.24 prior to counting any provisional ballots in the final vote totals from a precinct, the county
 29.25 auditor or municipal clerk must determine whether the number of signatures appearing on
 29.26 the provisional ballot roster or number of voter signature certificates for provisional ballots
 29.27 from that precinct is equal to the number of provisional ballots submitted by voters in the
 29.28 precinct on election day. If there are excess ballots, ballots must be randomly withdrawn
 29.29 from the accepted provisional ballot envelopes in the manner required by section 204C.20,
 29.30 subdivision 2. Any discrepancy must be resolved before the provisional ballots from the
 29.31 precinct may be counted.

29.32 (b) After the ballots are reconciled pursuant to paragraph (a), the county auditor or
 29.33 municipal clerk must open the accepted provisional ballot envelopes and deposit them in

30.1 the appropriate ballot box. The accepted and deposited provisional ballots must be included
 30.2 in the final certified results from the precinct.

42.5 card number, or Social Security number. The secretary of state must review all unverifiable
42.6 voter registration applications submitted electronically for evidence of suspicious activity
42.7 and must forward any such application to an appropriate law enforcement agency for
42.8 investigation.

42.9 An individual may not electronically submit a voter registration application on behalf
42.10 of any other individual.

42.11 (c) For purposes of this section, mail registration is defined as a voter registration
42.12 application delivered to the secretary of state, county auditor, or municipal clerk by the
42.13 United States Postal Service or a commercial carrier.

42.14 Sec. 12. Minnesota Statutes 2018, section 201.061, subdivision 1a, is amended to read:

42.15 Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter
42.16 who has submitted a voter registration application by mail has not previously voted in this
42.17 state for a federal office and has also not presented a document authorized for election day
42.18 registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable
42.19 to verify the voter's driver's license, state identification, voter identification card, or last
42.20 four digits of the voter's Social Security number as provided by the voter on the voter
42.21 registration application, then the county auditor must notify the voter that the registration
42.22 is incomplete and to complete registration by using one of the following methods:

42.23 (1) presenting to the auditor more than 20 days before the election a document authorized
42.24 for election day registration in section 201.061, subdivision 3;

42.25 (2) registering in person before or on election day;

42.26 (3) if voting by absentee ballot or by mail, following election day registration procedures
42.27 for absentee voters as described in section 203B.04, subdivision 4; or

42.28 (4) providing proof of residence by any of the methods authorized for election day
42.29 registration in section 201.061, subdivision 3.

42.30 Sec. 13. Minnesota Statutes 2018, section 201.071, subdivision 1, is amended to read:

42.31 Subdivision 1. **Form.** Both paper and electronic voter registration applications must
42.32 contain the same information unless otherwise provided by law. A voter registration

43.1 application must contain spaces for the following required information: voter's first name,
43.2 middle name, and last name; voter's previous name, if any; voter's current address; voter's
43.3 previous address, if any; voter's date of birth; voter's municipality and county of residence;
43.4 voter's telephone number, if provided by the voter; date of registration; current and valid
43.5 Minnesota driver's license number ~~or~~, Minnesota state identification number, voter
43.6 identification card number, or if the voter has no current and valid Minnesota driver's license
43.7 ~~or~~, Minnesota state identification, or voter identification card, the last four digits of the
43.8 voter's Social Security number; and voter's signature. The paper registration application
43.9 may include the voter's e-mail address, if provided by the voter. The electronic voter
43.10 registration application must include the voter's e-mail address. The registration application
43.11 may include the voter's interest in serving as an election judge, if indicated by the voter.
43.12 The application must also contain the following certification of voter eligibility:

43.13 "I certify that I:

43.14 (1) will be at least 18 years old on election day;

43.15 (2) am a citizen of the United States;

43.16 (3) will have resided in Minnesota for 20 days immediately preceding election day;

43.17 (4) maintain residence at the address given on the registration form;

43.18 (5) am not under court-ordered guardianship in which the court order revokes my right
43.19 to vote;

43.20 (6) have not been found by a court to be legally incompetent to vote;

43.21 (7) have the right to vote because, if I have been convicted of a felony, my felony sentence
43.22 has expired (been completed) or I have been discharged from my sentence; and

43.23 (8) have read and understand the following statement: that giving false information is a
43.24 felony punishable by not more than five years imprisonment or a fine of not more than
43.25 \$10,000, or both."

43.26 The certification must include boxes for the voter to respond to the following questions:

43.27 "(1) Are you a citizen of the United States?" and

43.28 "(2) Will you be 18 years old on or before election day?"

43.29 And the instruction:

43.30 "If you checked 'no' to either of these questions, do not complete this form."

44.1 The form of the voter registration application and the certification of voter eligibility
44.2 must be as provided in this subdivision and approved by the secretary of state. Voter
44.3 registration forms authorized by the National Voter Registration Act must also be accepted
44.4 as valid. The federal postcard application form must also be accepted as valid if it is not
44.5 deficient and the voter is eligible to register in Minnesota.

44.6 An individual may use a voter registration application to apply to register to vote in
44.7 Minnesota or to change information on an existing registration.

44.8 Sec. 14. Minnesota Statutes 2018, section 201.071, subdivision 2, is amended to read:

44.9 Subd. 2. **Instructions.** A registration application shall be accompanied by instructions
44.10 specifying the manner and method of registration, the qualifications for voting, the penalties
44.11 for false registration, and the availability of registration and voting assistance for elderly
44.12 and disabled individuals and residents of health care facilities and hospitals. The instructions
44.13 must indicate that if the voter does not have a valid Minnesota driver's license or identification
44.14 card, voter identification card, the last four digits of the voter's Social Security number must
44.15 be provided, unless the voter does not have a Social Security number. If, prior to election
44.16 day, a person requests the instructions in Braille, audio format, or in a version printed in
44.17 16-point bold type with 24-point leading, the county auditor shall provide them in the form
44.18 requested. The secretary of state shall prepare Braille and audio copies and make them
44.19 available.

44.20 Sec. 15. Minnesota Statutes 2018, section 201.071, subdivision 3, is amended to read:

44.21 Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains
44.22 the voter's name, address, date of birth, current and valid Minnesota driver's license number
44.23 ~~or~~, Minnesota state identification number, or voter identification card number, or if the voter
44.24 has no current and valid Minnesota driver's license ~~or~~, Minnesota state identification number,
44.25 or voter identification card number, the last four digits of the voter's Social Security number,
44.26 if the voter has been issued a Social Security number, prior registration, if any, and signature.
44.27 The absence of a zip code number does not cause the registration to be deficient. Failure to
44.28 check a box on an application form that a voter has certified to be true does not cause the
44.29 registration to be deficient. The election judges shall request an individual to correct a voter
44.30 registration application if it is deficient or illegible. No eligible voter may be prevented
44.31 from voting unless the voter's registration application is deficient or the voter is duly and
44.32 successfully challenged in accordance with section 201.195 or 204C.12.

45.1 A voter registration application accepted prior to August 1, 1983, is not deficient for
45.2 lack of date of birth. The county or municipality may attempt to obtain the date of birth for
45.3 a voter registration application accepted prior to August 1, 1983, by a request to the voter
45.4 at any time except at the polling place. Failure by the voter to comply with this request does
45.5 not make the registration deficient.

45.6 A voter registration application accepted before January 1, 2004, is not deficient for lack
45.7 of a valid Minnesota driver's license or state identification number or the last four digits of
45.8 a Social Security number. A voter registration application submitted by a voter who does
45.9 not have a Minnesota driver's license or state identification number, or a Social Security
45.10 number, is not deficient for lack of any of these numbers.

45.11 A voter registration application submitted electronically through the website of the
45.12 secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

45.13 Sec. 16. Minnesota Statutes 2018, section 201.091, subdivision 9, is amended to read:

45.14 Subd. 9. **Restricted data.** A list provided for public inspection or purchase, or in response
45.15 to a law enforcement inquiry, must not include a voter's date of birth or any part of a voter's
45.16 Social Security number, driver's license number, identification card number, voter
45.17 identification card number, military identification card number, or passport number.

45.18 Sec. 17. Minnesota Statutes 2018, section 201.121, subdivision 1, is amended to read:

45.19 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
45.20 application is properly completed, submitted, and received in accordance with sections
45.21 201.061 and 201.071, the county auditor shall enter the information contained on it into the
45.22 statewide registration system. Voter registration applications completed before election day
45.23 must be entered into the statewide registration system within ten days after they have been
45.24 submitted to the county auditor. Voter registration applications completed on election day
45.25 must be entered into the statewide registration system within 42 days after the election,
45.26 unless the county auditor notifies the secretary of state before the deadline has expired that
45.27 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary
45.28 of state must extend the deadline for that county auditor by an additional 28 days. The
45.29 secretary of state may waive a county's obligations under this paragraph if, on good cause
45.30 shown, the county demonstrates its permanent inability to comply.

45.31 The secretary of state must post data on each county's compliance with this paragraph on
45.32 the secretary of state's website including, as applicable, the date each county fully complied
45.33 or the deadline by which a county's compliance must be complete.

46.1 (b) Upon receiving a completed voter registration application, the secretary of state may
46.2 electronically transmit the information on the application to the appropriate county auditor
46.3 as soon as possible for review by the county auditor before final entry into the statewide
46.4 registration system. The secretary of state may mail the voter registration application to the
46.5 county auditor.

46.6 (c) Within ten days after the county auditor has entered information from a voter
46.7 registration application into the statewide registration system, the secretary of state shall
46.8 compare the voter's name, date of birth, and driver's license number, state identification
46.9 number, voter identification card number, or the last four digits of the Social Security number
46.10 with the same information contained in the Department of Public Safety database.

46.11 (d) The secretary of state shall provide a report to the county auditor on a weekly basis
46.12 that includes a list of voters whose name, date of birth, or identification number have been
46.13 compared with the same information in the Department of Public Safety database and cannot
46.14 be verified as provided in this subdivision. The report must list separately those voters who
46.15 have submitted a voter registration application by mail and have not voted in a federal
46.16 election in this state.

46.17 (e) The county auditor shall compile a list of voters for whom the county auditor and
46.18 the secretary of state are unable to conclude that information on the voter registration
46.19 application and the corresponding information in the Department of Public Safety database
46.20 relate to the same person.

46.21 (f) The county auditor shall send a notice of incomplete registration to any voter whose
46.22 name appears on the list and change the voter's status to "incomplete." A voter who receives
46.23 a notice of incomplete registration from the county auditor may either provide the information
46.24 required to complete the registration at least 21 days before the next election or at the polling
46.25 place on election day.

46.26 Sec. 18. Minnesota Statutes 2018, section 201.13, subdivision 3, is amended to read:

46.27 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary
46.28 of state shall obtain a list of individuals registered to vote in this state who have filed with
46.29 the United States Postal Service a change of their permanent address. The secretary of state
46.30 may also periodically obtain a list of individuals with driver's licenses ~~or~~ state identification
46.31 cards, voter identification cards to identify those who are registered to vote who have
46.32 applied to the Department of Public Safety for a replacement driver's license ~~or~~ state
46.33 identification card, voter identification card with a different address, and a list of
46.34 individuals for whom the Department of Public Safety received notification of a driver's

47.1 license ~~or~~, state identification card, or voter identification card cancellation due to a change
47.2 of residency out of state. However, the secretary of state shall not load data derived from
47.3 these lists into the statewide voter registration system within the 47 days before the state
47.4 primary or 47 days before a November general election.

47.5 (b) If the address is changed to another address in this state, the secretary of state shall
47.6 locate the precinct in which the voter resides, if possible. If the secretary of state is able to
47.7 locate the precinct in which the voter resides, the secretary must transmit the information
47.8 about the changed address by electronic means to the county auditor of the county in which
47.9 the new address is located. For addresses for which the secretary of state is unable to
47.10 determine the precinct, the secretary may forward information to the appropriate county
47.11 auditors for individual review. If the voter has not voted or submitted a voter registration
47.12 application since the address change, upon receipt of the information, the county auditor
47.13 shall update the voter's address in the statewide voter registration system. The county auditor
47.14 shall mail to the voter a notice stating the voter's name, address, precinct, and polling place,
47.15 unless the voter's record is challenged due to a felony conviction, noncitizenship, name
47.16 change, incompetence, or a court's revocation of voting rights of individuals under
47.17 guardianship, in which case the auditor must not mail the notice. The notice must advise
47.18 the voter that the voter's voting address has been changed and that the voter must notify the
47.19 county auditor within 21 days if the new address is not the voter's address of residence. The
47.20 notice must state that it must be returned if it is not deliverable to the voter at the named
47.21 address.

47.22 (c) If the change of permanent address is to an address outside this state, the secretary
47.23 of state shall notify by electronic means the auditor of the county where the voter formerly
47.24 resided that the voter has moved to another state. If the voter has not voted or submitted a
47.25 voter registration application since the address change, the county auditor shall promptly
47.26 mail to the voter at the voter's new address a notice advising the voter that the voter's status
47.27 in the statewide voter registration system will be changed to "inactive" unless the voter
47.28 notifies the county auditor within 21 days that the voter is retaining the former address as
47.29 the voter's address of residence, except that if the voter's record is challenged due to a felony
47.30 conviction, noncitizenship, name change, incompetence, or a court's revocation of voting
47.31 rights of individuals under guardianship, the auditor must not mail the notice. If the notice
47.32 is not received by the deadline, the county auditor shall change the voter's status to "inactive"
47.33 in the statewide voter registration system.

47.34 (d) If, in order to maintain voter registration records, the secretary of state enters an
47.35 agreement to share information or data with an organization governed exclusively by a

48.1 group of states, the secretary must first determine that the data security protocols are sufficient
 48.2 to safeguard the information or data shared. If required by such an agreement, the secretary
 48.3 of state may share the following data from the statewide voter registration system and data
 48.4 released to the secretary of state under section 171.12, subdivision 7a:

48.5 (1) name;

48.6 (2) date of birth;

48.7 (3) address;

48.8 (4) driver's license ~~or~~, state identification card number, or voter identification number;

48.9 (5) the last four digits of an individual's Social Security number; and

48.10 (6) the date that an individual's record was last updated.

48.11 If the secretary of state enters into such an agreement, the secretary and county auditors
 48.12 must process changes to voter records based upon that data in accordance with this section.
 48.13 Except as otherwise provided in this subdivision, when data is shared with the secretary of
 48.14 state by another state, the secretary of state must maintain the same data classification that
 48.15 the data had while it was in the possession of the state providing the data.

48.16 Sec. 19. Minnesota Statutes 2018, section 201.14, is amended to read:

48.17 **201.14 COURT ADMINISTRATOR OF DISTRICT COURT; REPORT CHANGES**
 48.18 **OF NAMES.**

48.19 The state court administrator shall regularly report by electronic means to the secretary
 48.20 of state the name, address, and, if available, driver's license ~~or~~, state identification card
 48.21 number, or voter identification card number of each individual, 18 years of age or over,
 48.22 whose name was changed since the last report, by marriage, divorce, or any order or decree
 48.23 of the court. The secretary of state shall determine if any of the persons in the report are
 48.24 registered to vote under their previous name and shall prepare a list of those registrants for
 48.25 each county auditor. Upon receipt of the list, the county auditor shall make the change in
 48.26 the voter's record and mail to the voter the notice of registration required by section 201.121,
 48.27 subdivision 2. A notice must not be mailed if the voter's record is challenged due to a felony
 48.28 conviction, lack of United States citizenship, legal incompetence, or court-ordered revocation
 48.29 of voting rights of persons under guardianship.

49.1 Sec. 20. Minnesota Statutes 2018, section 201.145, subdivision 2, is amended to read:

49.2 Subd. 2. **State court administrator report.** (a) The state court administrator must report
49.3 on individuals 17 years of age or older who are under a guardianship in which a court order
49.4 revokes the ward's right to vote or where the court has found the individual to be legally
49.5 incompetent to vote.

49.6 (b) The state court administrator must report on individuals transferred to the jurisdiction
49.7 of the court who meet a condition specified in paragraph (a).

49.8 (c) Each report required under this subdivision must include the following information
49.9 for each individual in the report: name, address, date of birth, and, if available, last four
49.10 digits of the Social Security number and driver's license or state identification card number,
49.11 or voter identification card number.

49.12 (d) No later than seven calendar days after receiving a report under this subdivision, the
49.13 secretary of state must determine if a person identified under paragraphs (a) and (b) is
49.14 registered to vote and must prepare a list of those registrants for the county auditor. No later
49.15 than seven calendar days after receiving the list from the secretary of state, the county auditor
49.16 must challenge the status on the record in the statewide voter registration system of each
49.17 individual named in the list.

49.18 Sec. 21. Minnesota Statutes 2018, section 201.145, subdivision 3, is amended to read:

49.26 by the statewide supervision system established under section 241.065.

49.27 (c) Each report under this subdivision must include the following information for each
49.28 individual: name, address or last known residential address that is not a correctional facility,
49.29 and date of birth. If available, each report must also include the individual's: corrections'

49.31 or state identification card number, or voter identification card number, date of sentence,
49.32 effective date of the sentence, county in which the conviction occurred, and date of discharge.

50.1 (d) No later than seven calendar days after receiving a report under this subdivision, the
 50.2 secretary of state must determine if a person identified under paragraph (a) is registered to
 50.3 vote and must prepare a list of those registrants for the county auditor. No later than seven
 50.4 calendar days after receiving a report under this subdivision, the secretary of state must
 50.5 determine if any data newly indicates that a person identified under paragraph (b) is registered
 50.6 to vote and must prepare a list of those registrants for the county auditor. No later than seven

 50.11 serving a felony sentence under the commissioner's jurisdiction or while on probation for
 50.12 a felony offense that resulted in the loss of civil rights during a period when the individual's
 50.13 civil rights were revoked. The county auditor must immediately send notice to the county
 50.14 attorney. The notice must include the name of the individual and any other identifying
 50.15 information as well as the evidence that shows the individual registered to vote or voted
 50.16 during the period when the individual's civil rights were revoked.

50.17 Sec. 22. Minnesota Statutes 2018, section 201.145, subdivision 4, is amended to read:

50.18 Subd. 4. **Reports; restoration of right to vote.** (a) The state court administrator must
 50.19 report on each individual whose guardianship was modified to restore the ward's right to
 50.20 vote or whose guardianship was terminated by order of the court under section 524.5-317
 50.21 after being ineligible to vote for any of the reasons specified in subdivision 2, paragraph
 50.22 (a).

50.23 (b) The state court administrator must report on individuals previously convicted of a
 50.24 felony whose civil rights have been restored.

50.25 (c) The commissioner of corrections must report on individuals who were serving a
 50.26 felony sentence under the commissioner's jurisdiction or who were on probation for a felony

 51.6 to vote and must prepare a list of those registrants for the county auditor. No later than seven
 51.7 calendar days after receiving the list from the secretary of state, the county auditor must
 51.8 remove the challenge status on the record in the statewide voter registration system of each
 51.9 individual named in the list.

51.10 Sec. 23. Minnesota Statutes 2018, section 201.145, subdivision 5, is amended to read:

51.30 The Department of Public Safety shall change its applications for an original, duplicate,

56.11 card number, or voter identification card, or the last four digits of the voter's Social Security
56.12 number as provided on the absentee ballot application; if the voter does not have access to

56.15 The certificate shall also contain a signed oath in the form required by section 705 of
56.16 the Help America Vote Act, Public Law 107-252, which must read:

56.18 I am a member of the uniformed services or merchant marine on active duty or an eligible
56.19 spouse or dependent of such a member; a United States citizen temporarily residing outside
56.20 the United States; or other United States citizen residing outside the United States; and I
56.21 am a United States citizen, at least 18 years of age (or will be by the date of the election),
56.22 and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony,
56.23 or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting
56.24 rights have been reinstated; and I am not registering, requesting a ballot, or voting in any
56.25 other jurisdiction in the United States except the jurisdiction cited in this voting form. In
56.26 voting, I have marked and sealed my ballot in private and have not allowed any person to
56.27 observe the marking of the ballot, except for those authorized to assist voters under state or
56.28 federal law. I have not been influenced.

56.29 The information on this form is true, accurate, and complete to the best of my knowledge.
56.30 I understand that a material misstatement of fact in completion of this document may
56.31 constitute grounds for a conviction for perjury."

57.1 Sec. 30. Minnesota Statutes 2018, section 203B.24, subdivision 1, is amended to read:

57.2 Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt
57.3 of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election
57.4 judges shall compare the voter's name with the names recorded under section 203B.19 in
57.5 the statewide registration system to insure that the ballot is from a voter eligible to cast an
57.6 absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the return
57.7 envelope "Accepted" and initial or sign the return envelope below the word "Accepted" if
57.8 the election judges are satisfied that:

57.9 (1) the voter's name on the return envelope appears in substantially the same form as on
57.10 the application records provided to the election judges by the county auditor;

57.11 (2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the
57.12 Help America Vote Act, Public Law 107-252;

57.13 (3) the voter has set forth the same voter's passport number, or Minnesota driver's license
57.14 ~~or~~ state identification card number, or voter identification card number, or the last four
57.15 digits of the voter's Social Security number as submitted on the application, if the voter has
57.16 one of these documents;

57.17 (4) the voter is not known to have died; and

57.18 (5) the voter has not already voted at that election, either in person or by absentee ballot.

57.19 If the identification number described in clause (3) does not match the number as
57.20 submitted on the application, the election judges must make a reasonable effort to satisfy
57.21 themselves through other information provided by the applicant, or by an individual
57.22 authorized to apply on behalf of the voter, that the ballots were returned by the same person
57.23 to whom the ballots were transmitted.

57.24 An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected
57.25 for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the
57.26 security envelope before placing it in the outer white envelope is not a reason to reject an
57.27 absentee ballot.

57.28 Election judges must note the reason for rejection on the back of the envelope in the
57.29 space provided for that purpose.

57.30 Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall
57.31 not be counted if the certificate on the return envelope is not properly executed. In all other
57.32 respects the provisions of the Minnesota Election Law governing deposit and counting of

58.1 ballots shall apply. Notwithstanding other provisions of this section, the counting of the
58.2 absentee ballot of a deceased voter does not invalidate the election.

58.3 Sec. 31. **EFFECTIVE DATE.**

58.4 Except where otherwise provided, this article is effective June 1, 2022.
