3.17 **EFFECTIVE DATE.** This section is effective January 1, 2021, and applies to all  
3.18 applications for civil marriage licenses made on or after that date.

3.19 Sec. 3. Minnesota Statutes 2018, section 517.08, is amended by adding a subdivision to  
3.20 read:

3.21 **Subd. 1d. Stepfamily education; license fee.** (a) The civil marriage license fee for  
3.22 parties who have completed stepfamily education is \$50. Both parties to a marriage must  
3.23 attend a four-hour online or in-person course when one of the parties has custody of or  
3.24 parenting time with a minor child from a previous relationship. The parties must submit a  
3.25 letter to the county clerk from the program or person who provided the stepfamily education.  
3.26 The local registrar must not issue the civil marriage license until the parties have provided  
3.27 the statement required in this subdivision.

3.28 (b) The statement from the person who provided the stepfamily education under paragraph  
3.29 (a) must be in the following form:

3.30 "I, ..... (name of educator), confirm that ..... (names of both  
3.31 parties) completed the stepfamily education course. I am authorized to provide the course  
3.32 pursuant to Minnesota Statutes, section 517.08."

4.1 The names of the parties in the educator's statement must be identical to the legal names  
4.2 of the parties as they appear in the civil marriage license application. Notwithstanding  
4.3 section 138.17, the county clerk must retain the educator's statement for seven years.

4.4 (c) The stepfamily education must be provided by a program approved by the Minnesota  
4.5 couples on the brink project, which shall provide minimum standards for stepfamily education  
4.6 programs, approve eligible programs, and inform county clerks about eligible programs.  
4.7 The eligible programs must be based on research and have evidence for effectiveness in  
4.8 promoting stepfamily adjustment. The program may charge a fee to cover the cost of the  
4.9 program. The program must include a sliding fee scale for low-income participants and  
4.10 must offer a party who qualifies for a waiver of fees under section 563.01 the opportunity  
4.11 to take the course for free. The course must provide information about:

4.12 (1) the challenges faced by children and adults in stepfamilies;

4.13 (2) the dynamics of parenting in a stepfamily and skills for coparenting in a stepfamily;

4.14 (3) the challenges and opportunities for married couples in stepfamilies and skills for  
4.15 communication, problem solving, and relationship maintenance in a stepfamily; and

4.16 (4) the risk of domestic violence, including child and spousal abuse, and information on  
4.17 domestic violence resources.

4.22 requirement for stepfamilies, including the fee reduction, on the county clerk's website and  
4.23 in printed materials and shall provide the following information: "When a new marriage  
4.24 forms a stepfamily with minor children, Minnesota law requires that both parties complete  
4.25 a four-hour educational course, online or in person, prior to being issued a marriage license.  
4.26 The main reason for this requirement is the welfare of the children. Research has shown  
4.27 that there are unique stresses for children in stepfamily life and that a brief educational  
4.28 program for their parents and stepparents can help children adjust and do well. Marriage  
4.29 relationships also benefit when both spouses understand the special challenges of coparenting  
4.30 in stepfamilies, and when they learn skills for managing these challenges. In order to offset  
4.31 the expense of the educational program, your marriage license fee is reduced from \$110 to  
4.32 \$50."

5.1 **EFFECTIVE DATE.** This section is effective January 1, 2021, and applies to all  
5.2 applications for civil marriage licenses made on or after that date.
