35.13 recommendations on improving restorations.

35.15 future restorations.

35.16 (e) All restoration and enhancement projects

36.8 of groundwater and surface water through  
36.9 specific activities such as keeping water on  
36.10 the landscape, reducing nutrient and  
36.11 contaminant loading, and not permitting
