3.32 agencies.

4.1 (d) A safe place that is a health care provider who provides urgent care medical services

4.6 safe place and make the report as required in subdivision 2.

4.7 Subd. 2. **Reporting.** (a) Within 24 hours of receiving a newborn under this section, the  
4.8 hospital must inform the responsible social service agency that a newborn has been left at  
4.9 the hospital, but must not do so in the presence of the mother or the person leaving the  
4.10 newborn. The hospital must provide necessary care to the newborn pending assumption of  
4.11 legal responsibility by the responsible social service agency pursuant to section 260C.139,

4.24 from merely receiving a newborn.

4.25 (b) A safe place performing duties under this section, or an employee, doctor, ambulance  
4.26 personnel, or other medical professional working at the safe place who is a mandated reporter  
4.27 under section 626.556, is immune from any criminal or civil liability that otherwise might  
4.28 result from the failure to make a report under that section if the person is acting in good  
4.29 faith in complying with this section.

4.30 **EFFECTIVE DATE.** This section is effective August 1, 2020.

4.31 Sec. 6. Minnesota Statutes 2018, section 256N.02, subdivision 16, is amended to read:

4.32 Subd. 16. **Permanent legal and physical custody.** "Permanent legal and physical  
4.33 custody" means: (1) a full transfer of permanent legal and physical custody ordered by a

 5.2 ~~Minnesota juvenile court under section 260C.515, subdivision 4,~~ who is not a parent as  
 5.3 defined in section 260C.007, subdivision 25; or (2) for a child under jurisdiction of a tribal  
 5.4 court, a judicial determination under a similar provision in tribal code which means that a  
 5.5 relative will assume the duty and authority to provide care, control, and protection of a child  
 5.6 who is residing in foster care, and to make decisions regarding the child's education, health  
 5.7 care, and general welfare until adulthood. For purposes of establishing eligibility for Northstar  
 5.8 kinship assistance, permanent legal and physical custody shall not include joint legal custody,  
 5.9 joint physical custody, or joint legal and joint physical custody between a child's parent and  
 5.10 relative custodian.

5.11 Sec. 7. Minnesota Statutes 2018, section 256N.02, subdivision 17, is amended to read:

 5.14 for Northstar Care for Children, or when a child identified as an at-risk child (Level A)  
 5.15 under ~~guardianship or~~ adoption assistance has manifested the disability upon which eligibility  
 5.16 for the agreement was based according to section 256N.25, subdivision 3, paragraph (b).  
 5.17 A reassessment may be used to update an initial assessment, a special assessment, or a  
 5.18 previous reassessment.

5.20 Subdivision 1. **General eligibility requirements.** (a) To be eligible for Northstar kinship  
 5.21 assistance under this section, there must be a judicial determination under section 260C.515,  
 5.22 subdivision 4, that a transfer of permanent legal and physical custody to a relative who is  
 5.23 not a parent of the child is in the child's best interest. For a child under jurisdiction of a  
 5.24 tribal court, a judicial determination under a similar provision in tribal code indicating that  
 5.25 a relative will assume the duty and authority to provide care, control, and protection of a  
 5.26 child who is residing in foster care, and to make decisions regarding the child's education,  
 5.27 health care, and general welfare until adulthood, and that this is in the child's best interest  
 5.28 is considered equivalent. A child whose parent shares legal, physical, or legal and physical  
 5.29 custody with a relative custodian is not eligible for Northstar kinship assistance. Additionally,  
 5.30 a child must:

5.31 (1) have been removed from the child's home pursuant to a voluntary placement  
 5.32 agreement or court order;

6.1 (2)(i) have resided with the prospective relative custodian who has been a licensed child  
6.2 foster parent for at least six consecutive months; or

6.3 (ii) have received from the commissioner an exemption from the requirement in item  
6.4 (i) that the prospective relative custodian has been a licensed child foster parent for at least  
6.5 six consecutive months, based on a determination that:

6.6 (A) an expedited move to permanency is in the child's best interest;

6.7 (B) expedited permanency cannot be completed without provision of Northstar kinship  
6.8 assistance;

6.9 (C) the prospective relative custodian is uniquely qualified to meet the child's needs, as  
6.10 defined in section 260C.212, subdivision 2, on a permanent basis;

6.11 (D) the child and prospective relative custodian meet the eligibility requirements of this  
6.12 section; and

6.13 (E) efforts were made by the legally responsible agency to place the child with the  
6.14 prospective relative custodian as a licensed child foster parent for six consecutive months  
6.15 before permanency, or an explanation why these efforts were not in the child's best interests;

6.16 (3) meet the agency determinations regarding permanency requirements in subdivision  
6.17 2;

6.18 (4) meet the applicable citizenship and immigration requirements in subdivision 3;

6.19 (5) have been consulted regarding the proposed transfer of permanent legal and physical  
6.20 custody to a relative, if the child is at least 14 years of age or is expected to attain 14 years  
6.21 of age prior to the transfer of permanent legal and physical custody; and

6.22 (6) have a written, binding agreement under section 256N.25 among the caregiver or  
6.23 caregivers, the financially responsible agency, and the commissioner established prior to  
6.24 transfer of permanent legal and physical custody.

6.25 (b) In addition to the requirements in paragraph (a), the child's prospective relative  
6.26 custodian or custodians must meet the applicable background study requirements in  
6.27 subdivision 4.

6.28 (c) To be eligible for title IV-E Northstar kinship assistance, a child must also meet any  
6.29 additional criteria in section 473(d) of the Social Security Act. The sibling of a child who  
6.30 meets the criteria for title IV-E Northstar kinship assistance in section 473(d) of the Social  
6.31 Security Act is eligible for title IV-E Northstar kinship assistance if the child and sibling  
6.32 are placed with the same prospective relative custodian or custodians, and the legally

7.1 responsible agency, relatives, and commissioner agree on the appropriateness of the  
7.2 arrangement for the sibling. A child who meets all eligibility criteria except those specific  
7.3 to title IV-E Northstar kinship assistance is entitled to Northstar kinship assistance paid  
7.4 through funds other than title IV-E.

7.5 Sec. 9. Minnesota Statutes 2018, section 256N.23, subdivision 2, is amended to read:

7.6 Subd. 2. **Special needs determination.** (a) A child is considered a child with special  
7.7 needs under this section if the requirements in paragraphs (b) to (g) are met.

7.8 (b) There must be a determination that the child must not or should not be returned to  
7.9 the home of the child's parents as evidenced by:

7.10 (1) a court-ordered termination of parental rights;

7.11 (2) a petition to terminate parental rights;

7.12 (3) consent of the parent to adoption accepted by the court under chapter 260C or, in  
7.13 the case of a child receiving Northstar kinship assistance payments under section 256N.22,  
7.14 consent of the parent to adoption accepted by the court under chapter 259;

7.15 (4) in circumstances when tribal law permits the child to be adopted without a termination  
7.16 of parental rights, a judicial determination by a tribal court indicating the valid reason why  
7.17 the child cannot or should not return home;

7.18 (5) a voluntary relinquishment under section 259.25 ~~or 259.47~~ or, if relinquishment  
7.19 occurred in another state, the applicable laws in that state; or

7.20 (6) the death of the legal parent or parents if the child has two legal parents.

7.21 (c) There exists a specific factor or condition of which it is reasonable to conclude that  
7.22 the child cannot be placed with adoptive parents without providing adoption assistance as  
7.23 evidenced by:

7.24 (1) a determination by the Social Security Administration that the child meets all medical  
7.25 or disability requirements of title XVI of the Social Security Act with respect to eligibility  
7.26 for Supplemental Security Income benefits;

7.27 (2) a documented physical, mental, emotional, or behavioral disability not covered under  
7.28 clause (1);

7.29 (3) a member of a sibling group being adopted at the same time by the same parent;

7.30 (4) an adoptive placement in the home of a parent who previously adopted a sibling for  
7.31 whom they receive adoption assistance; or

8.1 (5) documentation that the child is an at-risk child.

8.2 (d) A reasonable but unsuccessful effort must have been made to place the child with  
8.3 adoptive parents without providing adoption assistance as evidenced by:

8.4 (1) a documented search for an appropriate adoptive placement; or

8.5 (2) a determination by the commissioner that a search under clause (1) is not in the best  
8.6 interests of the child.

8.7 (e) The requirement for a documented search for an appropriate adoptive placement  
8.8 under paragraph (d), including the registration of the child with the state adoption exchange  
8.9 and other recruitment methods under paragraph (f), must be waived if:

8.10 (1) the child is being adopted by a relative and it is determined by the child-placing  
8.11 agency that adoption by the relative is in the best interests of the child;

8.12 (2) the child is being adopted by a foster parent with whom the child has developed  
8.13 significant emotional ties while in the foster parent's care as a foster child and it is determined  
8.14 by the child-placing agency that adoption by the foster parent is in the best interests of the  
8.15 child; or

8.16 (3) the child is being adopted by a parent that previously adopted a sibling of the child,  
8.17 and it is determined by the child-placing agency that adoption by this parent is in the best  
8.18 interests of the child.

8.19 For an Indian child covered by the Indian Child Welfare Act, a waiver must not be  
8.20 granted unless the child-placing agency has complied with the placement preferences required  
8.21 by the Indian Child Welfare Act, United States Code, title 25, section 1915(a).

8.22 (f) To meet the requirement of a documented search for an appropriate adoptive placement  
8.23 under paragraph (d), clause (1), the child-placing agency minimally must:

8.24 (1) conduct a relative search as required by section 260C.221 and give consideration to  
8.25 placement with a relative, as required by section 260C.212, subdivision 2;

8.26 (2) comply with the placement preferences required by the Indian Child Welfare Act  
8.27 when the Indian Child Welfare Act, United States Code, title 25, section 1915(a), applies;

8.28 (3) locate prospective adoptive families by registering the child on the state adoption  
8.29 exchange, as required under section 259.75; and

8.30 (4) if registration with the state adoption exchange does not result in the identification  
8.31 of an appropriate adoptive placement, the agency must employ additional recruitment  
8.32 methods prescribed by the commissioner.

9.1 (g) Once the legally responsible agency has determined that placement with an identified  
9.2 parent is in the child's best interests and made full written disclosure about the child's social  
9.3 and medical history, the agency must ask the prospective adoptive parent if the prospective  
9.4 adoptive parent is willing to adopt the child without receiving adoption assistance under  
9.5 this section. If the identified parent is either unwilling or unable to adopt the child without  
9.6 adoption assistance, the legally responsible agency must provide documentation as prescribed  
9.7 by the commissioner to fulfill the requirement to make a reasonable effort to place the child  
9.8 without adoption assistance. If the identified parent is willing to adopt the child without  
9.9 adoption assistance, the parent must provide a written statement to this effect to the legally  
9.10 responsible agency and the statement must be maintained in the permanent adoption record  
9.11 of the legally responsible agency. For children under guardianship of the commissioner,  
9.12 the legally responsible agency shall submit a copy of this statement to the commissioner to  
9.13 be maintained in the permanent adoption record.

9.14 Sec. 10. Minnesota Statutes 2018, section 256N.23, subdivision 6, is amended to read:

9.15 Subd. 6. **Exclusions.** The commissioner must not enter into an adoption assistance  
9.16 agreement with the following individuals:

9.17 (1) a child's biological parent or stepparent;

9.18 (2) a child's relative under section 260C.007, subdivision 26b or 27, with whom the  
9.19 child resided immediately prior to child welfare involvement unless:

9.20 (i) the child was in the custody of a Minnesota county or tribal agency pursuant to an  
9.21 order under chapter 260C or equivalent provisions of tribal code and the agency had  
9.22 placement and care responsibility for permanency planning for the child; and

9.23 (ii) the child is under guardianship of the commissioner of human services according to  
9.24 the requirements of section 260C.325, subdivision 1 or 3, or is a ward of a Minnesota tribal  
9.25 court after termination of parental rights, suspension of parental rights, or a finding by the  
9.26 tribal court that the child cannot safely return to the care of the parent;

9.27 (3) an individual adopting a child who is the subject of a direct adoptive placement under  
9.28 section 259.47 or the equivalent in tribal code;

9.29 (4) a child's legal custodian or guardian who is now adopting the child, except for a  
9.30 relative custodian as defined in section 256N.02, subdivision 19, who is currently receiving  
9.31 Northstar kinship assistance benefits; or

10.1 (5) an individual who is adopting a child who is not a citizen or resident of the United  
10.2 States and was either adopted in another country or brought to the United States for the  
10.3 purposes of adoption.

10.4 Sec. 11. Minnesota Statutes 2018, section 256N.24, subdivision 1, is amended to read:

10.7 256N.26, in accordance with the assessment tool, process, and requirements specified in  
10.8 subdivision 2.

10.9 (b) If an agency applies the emergency foster care rate for initial placement under section  
10.10 256N.26, the agency may wait up to 30 days to complete the initial assessment.

10.11 (c) Unless otherwise specified in paragraph (d), a child must be assessed at the basic  
10.12 level, level B, or one of ten supplemental difficulty of care levels, levels C to L.

10.13 (d) An assessment must not be completed for:

10.20 Subd. 8. **Completing the special assessment.** (a) The special assessment must be  
10.21 completed in consultation with the child's caregiver. Face-to-face contact with the caregiver  
10.22 is not required to complete the special assessment.

10.23 (b) If a new special assessment is required prior to the effective date of the Northstar  
10.24 kinship assistance agreement, it must be completed by the financially responsible agency,  
10.25 in consultation with the legally responsible agency if different. If the prospective relative  
10.26 custodian is unable or unwilling to cooperate with the special assessment process, the child  
10.27 shall be assigned the basic level, level B under section 256N.26, subdivision 3, ~~unless the~~  
10.28 ~~child is known to be an at-risk child, in which case, the child shall be assigned level A under~~  
10.29 ~~section 256N.26, subdivision 1.~~

10.30 (c) If a special assessment is required prior to the effective date of the adoption assistance

20.29 (vii) establishing and maintaining connections with the child's family and community;  
20.30 and

21.1 (viii) regular opportunities to engage in age-appropriate or developmentally appropriate  
21.2 activities typical for the child's age group, taking into consideration the capacities of the  
21.3 individual child;

21.4 (13) for a child in voluntary foster care for treatment under chapter 260D, diagnostic  
21.5 and assessment information, specific services relating to meeting the mental health care  
21.6 needs of the child, and treatment outcomes; and

21.7 (14) for a child 14 years of age or older, a signed acknowledgment that describes the  
21.8 child's rights regarding education, health care, visitation, safety and protection from  
21.9 exploitation, and court participation; receipt of the documents identified in section 260C.452;  
21.10 and receipt of an annual credit report. The acknowledgment shall state that the rights were  
21.11 explained in an age-appropriate manner to the child.

21.12 (d) The parent or parents or guardian and the child each shall have the right to legal  
21.13 counsel in the preparation of the case plan and shall be informed of the right at the time of  
21.14 placement of the child. The child shall also have the right to a guardian ad litem. If unable  
21.15 to employ counsel from their own resources, the court shall appoint counsel upon the request  
21.16 of the parent or parents or the child or the child's legal guardian. The parent or parents may  
21.17 also receive assistance from any person or social services agency in preparation of the case  
21.18 plan.

21.19 After the plan has been agreed upon by the parties involved or approved or ordered by  
21.20 the court, the foster parents shall be fully informed of the provisions of the case plan and  
21.21 shall be provided a copy of the plan.

21.22 Upon discharge from foster care, the parent, adoptive parent, or permanent legal and  
21.23 physical custodian, ~~as appropriate,~~ and the child, ~~if appropriate~~ 14 years of age or older,  
21.24 must be provided with a current copy of the child's health and education record- and, for a  
21.25 child who meets the conditions in subdivision 15, paragraph (b), the child's social and  
21.26 medical history. A child younger than 14 years of age may be given a copy of the child's  
21.27 health and education record and social and medical history, if appropriate and applicable  
21.28 according to subdivision 15, paragraph (b).

21.29 Sec. 29. Minnesota Statutes 2019 Supplement, section 260C.212, subdivision 2, is amended  
21.30 to read:

21.31 Subd. 2. **Placement decisions based on best interests of the child.** (a) The policy of  
21.32 the state of Minnesota is to ensure that the child's best interests are met by requiring an  
21.33 individualized determination of the needs of the child and of how the selected placement

22.1 will serve the needs of the child being placed. The authorized child-placing agency shall  
22.2 place a child, released by court order or by voluntary release by the parent or parents, in a  
22.3 family foster home selected by considering placement with relatives and important friends  
22.4 in the following order:

22.5 (1) with an individual who is related to the child by blood, marriage, or adoption,  
22.6 including the legal parent, guardian, or custodian of the child's siblings; or

22.7 (2) with an individual who is an important friend with whom the child has resided or  
22.8 had significant contact.

22.9 For an Indian child, the agency shall follow the order of placement preferences in the Indian  
22.10 Child Welfare Act of 1978, United States Code, title 25, section 1915.

22.11 (b) Among the factors the agency shall consider in determining the needs of the child  
22.12 are the following:

22.13 (1) the child's current functioning and behaviors;

22.14 (2) the medical needs of the child;

22.15 (3) the educational needs of the child;

22.16 (4) the developmental needs of the child;

22.17 (5) the child's history and past experience;

22.18 (6) the child's religious and cultural needs;

22.19 (7) the child's connection with a community, school, and faith community;

22.20 (8) the child's interests and talents;

22.21 (9) the child's relationship to current caretakers, parents, siblings, and relatives;

22.22 (10) the reasonable preference of the child, if the court, or the child-placing agency in  
22.23 the case of a voluntary placement, deems the child to be of sufficient age to express  
22.24 preferences; and

22.25 (11) for an Indian child, the best interests of an Indian child as defined in section 260.755,  
22.26 subdivision 2a.

22.27 (c) Placement of a child cannot be delayed or denied based on race, color, or national  
22.28 origin of the foster parent or the child.

22.29 (d) Siblings should be placed together for foster care and adoption at the earliest possible  
22.30 time unless it is documented that a joint placement would be contrary to the safety or

23.1 well-being of any of the siblings or unless it is not possible after reasonable efforts by the  
 23.2 responsible social services agency. In cases where siblings cannot be placed together, the  
 23.3 agency is required to provide frequent visitation or other ongoing interaction between  
 23.4 siblings unless the agency documents that the interaction would be contrary to the safety  
 23.5 or well-being of any of the siblings.

23.6 (e) Except for emergency placement as provided for in section 245A.035, the following  
 23.7 requirements must be satisfied before the approval of a foster or adoptive placement in a  
 23.8 related or unrelated home: (1) a completed background study under section 245C.08; and  
 23.9 (2) a completed review of the written home study required under section 260C.215,  
 23.10 subdivision 4, clause (5), or 260C.611, to assess the capacity of the prospective foster or  
 23.11 adoptive parent to ensure the placement will meet the needs of the individual child.

23.12 (f) The agency must determine whether colocation with a parent who is receiving services  
 23.13 in a licensed residential family-based substance use disorder treatment program is in the  
 23.14 child's best interests according to paragraph (b) and include that determination in the child's  
 23.15 case plan. The agency may consider additional factors not identified in paragraph (b). The  
 23.16 agency's determination must be documented in the child's case plan before the child is  
 23.17 colocated with a parent.

23.18 Sec. 30. Minnesota Statutes 2018, section 260C.212, is amended by adding a subdivision  
 23.19 to read:

23.20 Subd. 15. **Social and medical history.** (a) The responsible social services agency shall  
 23.21 complete a child's social and medical history using forms developed by the commissioner.  
 23.22 The responsible social services agency shall work with the child's birth family, foster family,  
 23.23 medical and treatment providers, and school to ensure there is a detailed and up-to-date  
 23.24 social and medical history of the child on the forms provided by the commissioner.

23.25 (b) If the child continues in foster care, reasonable efforts by the responsible social  
 23.26 services agency to complete the history shall begin no later than the permanency progress  
 23.27 review hearing required under section 260C.204 or six months after the child's placement  
 23.28 in foster care, whichever occurs earlier.

23.29 (c) A child's social and medical history must include background information and health  
 23.30 history specific to the child, the child's birth parents, and the child's other birth relatives.  
 23.31 The child's applicable background information and health history includes the child's current  
 23.32 health condition, behavior, and demeanor; placement history; education history; sibling  
 23.33 information; and birth, medical, dental, and immunization information. Redacted copies of  
 23.34 pertinent records, assessments, and evaluations must be attached to the child's social and

24.1 medical history. Applicable background information and health history of the child's birth  
24.2 parents and other birth relatives includes general background information; education and  
24.3 employment history; physical health and mental health history; and reasons for the child's  
24.4 placement.

24.5 Sec. 31. Minnesota Statutes 2018, section 260C.219, is amended to read:

24.6 **260C.219 AGENCY RESPONSIBILITIES FOR PARENTS AND CHILDREN IN**  
24.7 **PLACEMENT.**

24.8 (a) When a child is in foster care, the responsible social services agency shall make  
24.9 diligent efforts to identify, locate, and, where appropriate, offer services to both parents of  
24.10 the child.

24.11 (1) The responsible social services agency shall assess whether a noncustodial or  
24.12 nonadjudicated parent is willing and capable of providing for the day-to-day care of the  
24.13 child temporarily or permanently. An assessment under this clause may include, but is not  
24.14 limited to, obtaining information under section 260C.209. If after assessment, the responsible  
24.15 social services agency determines that a noncustodial or nonadjudicated parent is willing  
24.16 and capable of providing day-to-day care of the child, the responsible social services agency  
24.17 may seek authority from the custodial parent or the court to have that parent assume  
24.18 day-to-day care of the child. If a parent is not an adjudicated parent, the responsible social  
24.19 services agency shall require the nonadjudicated parent to cooperate with paternity  
24.20 establishment procedures as part of the case plan.

24.21 (2) If, after assessment, the responsible social services agency determines that the child  
24.22 cannot be in the day-to-day care of either parent, the agency shall:

24.23 (i) prepare an out-of-home placement plan addressing the conditions that each parent  
24.24 must meet before the child can be in that parent's day-to-day care; and

24.25 (ii) provide a parent who is the subject of a background study under section 260C.209  
24.26 15 days' notice that it intends to use the study to recommend against putting the child with  
24.27 that parent, and the court shall afford the parent an opportunity to be heard concerning the  
24.28 study.

24.29 The results of a background study of a noncustodial parent shall not be used by the  
24.30 agency to determine that the parent is incapable of providing day-to-day care of the child  
24.31 unless the agency reasonably believes that placement of the child into the home of that  
24.32 parent would endanger the child's health, safety, or welfare.

25.1 (3) If, after the provision of services following an out-of-home placement plan under  
25.2 this section, the child cannot return to the care of the parent from whom the child was  
25.3 removed or who had legal custody at the time the child was placed in foster care, the agency  
25.4 may petition on behalf of a noncustodial parent to establish legal custody with that parent  
25.5 under section 260C.515, subdivision 4. If paternity has not already been established, it may  
25.6 be established in the same proceeding in the manner provided for under chapter 257.

25.7 (4) The responsible social services agency may be relieved of the requirement to locate  
25.8 and offer services to both parents by the juvenile court upon a finding of good cause after  
25.9 the filing of a petition under section 260C.141.

25.10 (b) The responsible social services agency shall give notice to the parent or guardian of  
25.11 each child in foster care, other than a child in voluntary foster care for treatment under  
25.12 chapter 260D, of the following information:

25.13 (1) that the child's placement in foster care may result in termination of parental rights  
25.14 or an order permanently placing the child out of the custody of the parent, but only after  
25.15 notice and a hearing as required under this chapter and the juvenile court rules;

25.16 (2) time limits on the length of placement and of reunification services, including the  
25.17 date on which the child is expected to be returned to and safely maintained in the home of  
25.18 the parent or parents or placed for adoption or otherwise permanently removed from the  
25.19 care of the parent by court order;

25.20 (3) the nature of the services available to the parent;

25.21 (4) the consequences to the parent and the child if the parent fails or is unable to use  
25.22 services to correct the circumstances that led to the child's placement;

25.23 (5) the first consideration for placement with relatives;

25.24 (6) the benefit to the child in getting the child out of foster care as soon as possible,  
25.25 preferably by returning the child home, but if that is not possible, through a permanent legal  
25.26 placement of the child away from the parent;

25.27 (7) when safe for the child, the benefits to the child and the parent of maintaining  
25.28 visitation with the child as soon as possible in the course of the case and, in any event,  
25.29 according to the visitation plan under this section; and

25.30 (8) the financial responsibilities and obligations, if any, of the parent or parents for the  
25.31 support of the child during the period the child is in foster care.

26.1 (c) The responsible social services agency shall inform a parent considering voluntary  
26.2 placement of a child under section 260C.227 of the following information:

26.3 (1) the parent and the child each has a right to separate legal counsel before signing a  
26.4 voluntary placement agreement, but not to counsel appointed at public expense;

26.5 (2) the parent is not required to agree to the voluntary placement, and a parent who enters  
26.6 a voluntary placement agreement may at any time request that the agency return the child.  
26.7 If the parent so requests, the child must be returned within 24 hours of the receipt of the  
26.8 request;

26.9 (3) evidence gathered during the time the child is voluntarily placed may be used at a  
26.10 later time as the basis for a petition alleging that the child is in need of protection or services  
26.11 or as the basis for a petition seeking termination of parental rights or other permanent  
26.12 placement of the child away from the parent;

26.13 (4) if the responsible social services agency files a petition alleging that the child is in  
26.14 need of protection or services or a petition seeking the termination of parental rights or other  
26.15 permanent placement of the child away from the parent, the parent would have the right to  
26.16 appointment of separate legal counsel and the child would have a right to the appointment  
26.17 of counsel and a guardian ad litem as provided by law, and that counsel will be appointed  
26.18 at public expense if they are unable to afford counsel; and

26.19 (5) the timelines and procedures for review of voluntary placements under section  
26.20 260C.212, subdivision 3, and the effect the time spent in voluntary placement on the  
26.21 scheduling of a permanent placement determination hearing under sections 260C.503 to  
26.22 260C.521.

26.23 (d) When an agency accepts a child for placement, the agency shall determine whether  
26.24 the child has had a physical examination by or under the direction of a licensed physician  
26.25 within the 12 months immediately preceding the date when the child came into the agency's  
26.26 care. If there is documentation that the child has had an examination within the last 12  
26.27 months, the agency is responsible for seeing that the child has another physical examination  
26.28 within one year of the documented examination and annually in subsequent years. If the  
26.29 agency determines that the child has not had a physical examination within the 12 months  
26.30 immediately preceding placement, the agency shall ensure that the child has an examination  
26.31 within 30 days of coming into the agency's care and once a year in subsequent years.

26.32 (e) Whether under state guardianship or not, if a child leaves foster care by reason of  
26.33 having attained the age of majority under state law, the child must be given at no cost a

27.1 copy of the child's social and medical history, ~~as defined in~~ pursuant to section ~~259.43,~~  
27.2 260C.212, subdivision 15, including the child's health and education report.

27.3 Sec. 32. Minnesota Statutes 2018, section 260C.503, subdivision 2, is amended to read:

27.4 Subd. 2. **Termination of parental rights.** (a) The responsible social services agency  
27.5 must ask the county attorney to immediately file a termination of parental rights petition  
27.6 when:

27.7 (1) the child has been subjected to egregious harm as defined in section 260C.007,  
27.8 subdivision 14;

27.9 (2) the child is determined to be the sibling of a child who was subjected to egregious  
27.10 harm;

27.11 (3) the child is an abandoned infant as defined in section 260C.301, subdivision 2,  
27.12 paragraph (a), clause (2);

27.13 (4) the child's parent has lost parental rights to another child through an order involuntarily  
27.14 terminating the parent's rights;

27.15 (5) the parent has committed sexual abuse as defined in section 626.556, subdivision 2,  
27.16 against the child or another child of the parent;

27.17 (6) the parent has committed an offense that requires registration as a predatory offender  
27.18 under section 243.166, subdivision 1b, paragraph (a) or (b); or

27.19 (7) another child of the parent is the subject of an order involuntarily transferring  
27.20 permanent legal and physical custody of the child to a relative under this chapter or a similar  
27.21 law of another jurisdiction;

27.22 The county attorney shall file a termination of parental rights petition unless the conditions  
27.23 of paragraph (d) are met.

27.24 (b) When the termination of parental rights petition is filed under this subdivision, the  
27.25 responsible social services agency shall identify, recruit, and approve an adoptive family  
27.26 for the child. If a termination of parental rights petition has been filed by another party, the  
27.27 responsible social services agency shall be joined as a party to the petition.

27.28 (c) If criminal charges have been filed against a parent arising out of the conduct alleged  
27.29 to constitute egregious harm, the county attorney shall determine which matter should  
27.30 proceed to trial first, consistent with the best interests of the child and subject to the  
27.31 defendant's right to a speedy trial.

28.1 (d) The requirement of paragraph (a) does not apply if the responsible social services  
28.2 agency and the county attorney determine and file with the court:

28.3 (1) a petition for transfer of permanent legal and physical custody to a relative under  
28.4 sections 260C.505 and 260C.515, subdivision 3 4, including a determination that adoption  
28.5 is not in the child's best interests and that transfer of permanent legal and physical custody  
28.6 is in the child's best interests; or

28.7 (2) a petition under section 260C.141 alleging the child, and where appropriate, the  
28.8 child's siblings, to be in need of protection or services accompanied by a case plan prepared  
28.9 by the responsible social services agency documenting a compelling reason why filing a  
28.10 termination of parental rights petition would not be in the best interests of the child.

28.11 Sec. 33. Minnesota Statutes 2018, section 260C.515, subdivision 3, is amended to read:

28.12 Subd. 3. **Guardianship; commissioner.** The court may order guardianship to the  
28.13 commissioner of human services under the following procedures and conditions:

28.14 (1) there is an identified prospective adoptive parent agreed to by the responsible social  
28.15 services agency having legal custody of the child pursuant to court order under this chapter  
28.16 and that prospective adoptive parent has agreed to adopt the child;

28.17 (2) the court accepts the parent's voluntary consent to adopt in writing on a form  
28.18 prescribed by the commissioner, executed before two competent witnesses and confirmed  
28.19 by the consenting parent before the court or executed before the court. The consent shall  
28.20 contain notice that consent given under this chapter:

28.21 (i) is irrevocable upon acceptance by the court unless fraud is established and an order  
28.22 is issued permitting revocation as stated in clause (9) unless the matter is governed by the  
28.23 Indian Child Welfare Act, United States Code, title 25, section 1913(c); and

28.24 (ii) will result in an order that the child is under the guardianship of the commissioner  
28.25 of human services;

28.26 (3) a consent executed and acknowledged outside of this state, either in accordance with  
28.27 the law of this state or in accordance with the law of the place where executed, is valid;

28.28 (4) the court must review the matter at least every 90 days under section 260C.317;

28.29 (5) a consent to adopt under this subdivision vests guardianship of the child with the  
28.30 commissioner of human services and makes the child a ward of the commissioner of human  
28.31 services under section 260C.325;

29.1 (6) the court must forward to the commissioner a copy of the consent to adopt, together  
29.2 with a certified copy of the order transferring guardianship to the commissioner;

29.3 (7) if an adoption is not finalized by the identified prospective adoptive parent within  
29.4 six months of the execution of the consent to adopt under this clause, the responsible social  
29.5 services agency shall pursue adoptive placement in another home unless the court finds in  
29.6 a hearing under section 260C.317 that the failure to finalize is not due to either an action  
29.7 or a failure to act by the prospective adoptive parent;

29.8 (8) notwithstanding clause (7), the responsible social services agency must pursue  
29.9 adoptive placement in another home as soon as the agency determines that finalization of  
29.10 the adoption with the identified prospective adoptive parent is not possible, that the identified  
29.11 prospective adoptive parent is not willing to adopt the child, or that the identified prospective  
29.12 adoptive parent is not cooperative in completing the steps necessary to finalize the adoption.  
29.13 The court may order a termination of parental rights under subdivision 2; and

29.14 (9) unless otherwise required by the Indian Child Welfare Act, United States Code, title  
29.15 25, section 1913(c), a consent to adopt executed under this section shall be irrevocable upon  
29.16 acceptance by the court except upon order permitting revocation issued by the same court  
29.17 after written findings that consent was obtained by fraud.

29.18 Sec. 34. Minnesota Statutes 2018, section 260C.605, subdivision 1, is amended to read:

29.19 Subdivision 1. **Requirements.** (a) Reasonable efforts to finalize the adoption of a child  
29.20 under the guardianship of the commissioner shall be made by the responsible social services  
29.21 agency responsible for permanency planning for the child.

29.22 (b) Reasonable efforts to make a placement in a home according to the placement  
29.23 considerations under section 260C.212, subdivision 2, with a relative or foster parent who  
29.24 will commit to being the permanent resource for the child in the event the child cannot be  
29.25 reunified with a parent are required under section 260.012 and may be made concurrently  
29.26 with reasonable, or if the child is an Indian child, active efforts to reunify the child with the  
29.27 parent.

29.28 (c) Reasonable efforts under paragraph (b) must begin as soon as possible when the  
29.29 child is in foster care under this chapter, but not later than the hearing required under section  
29.30 260C.204.

29.31 (d) Reasonable efforts to finalize the adoption of the child include:

29.32 (1) using age-appropriate engagement strategies to plan for adoption with the child;

- 30.1 (2) identifying an appropriate prospective adoptive parent for the child by updating the  
30.2 child's identified needs using the factors in section 260C.212, subdivision 2;
- 30.3 (3) making an adoptive placement that meets the child's needs by:
- 30.4 (i) completing or updating the relative search required under section 260C.221 and giving  
30.5 notice of the need for an adoptive home for the child to:
- 30.6 (A) relatives who have kept the agency or the court apprised of their whereabouts and  
30.7 who have indicated an interest in adopting the child; or
- 30.8 (B) relatives of the child who are located in an updated search;
- 30.9 (ii) an updated search is required whenever:
- 30.10 (A) there is no identified prospective adoptive placement for the child notwithstanding  
30.11 a finding by the court that the agency made diligent efforts under section 260C.221, in a  
30.12 hearing required under section 260C.202;
- 30.13 (B) the child is removed from the home of an adopting parent; or
- 30.14 (C) the court determines a relative search by the agency is in the best interests of the  
30.15 child;
- 30.16 (iii) engaging the child's foster parent and the child's relatives identified as an adoptive  
30.17 resource during the search conducted under section 260C.221, to commit to being the  
30.18 prospective adoptive parent of the child; or
- 30.19 (iv) when there is no identified prospective adoptive parent:
- 30.20 (A) registering the child on the state adoption exchange as required in section 259.75

- 30.28 (E) using a private agency under grant contract with the commissioner to provide adoption  
30.29 services for intensive child-specific recruitment efforts; and
- 30.30 (F) making any other efforts or using any other resources reasonably calculated to identify  
30.31 a prospective adoption parent for the child;

31.1 (4) updating and completing the social and medical history required under sections  
 31.2 ~~259.43~~ 260C.212, subdivision 15, and 260C.609;

31.3 (5) making, and keeping updated, appropriate referrals required by section 260.851, the  
 31.4 Interstate Compact on the Placement of Children;

31.5 (6) giving notice regarding the responsibilities of an adoptive parent to any prospective  
 31.6 adoptive parent as required under section 259.35;

31.7 (7) offering the adopting parent the opportunity to apply for or decline adoption assistance  
 31.8 under chapter ~~259A~~ 256N;

31.9 (8) certifying the child for adoption assistance, assessing the amount of adoption  
 31.10 assistance, and ascertaining the status of the commissioner's decision on the level of payment  
 31.11 if the adopting parent has applied for adoption assistance;

31.12 (9) placing the child with siblings. If the child is not placed with siblings, the agency  
 31.13 must document reasonable efforts to place the siblings together, as well as the reason for  
 31.14 separation. The agency may not cease reasonable efforts to place siblings together for final  
 31.15 adoption until the court finds further reasonable efforts would be futile or that placement  
 31.16 together for purposes of adoption is not in the best interests of one of the siblings; and

31.17 (10) working with the adopting parent to file a petition to adopt the child and with the  
 31.18 court administrator to obtain a timely hearing to finalize the adoption.

31.19 Sec. 35. Minnesota Statutes 2018, section 260C.607, subdivision 6, is amended to read:

31.20 Subd. 6. **Motion and hearing to order adoptive placement.** (a) At any time after the  
 31.21 district court orders the child under the guardianship of the commissioner of human services,  
 31.22 but not later than 30 days after receiving notice required under section 260C.613, subdivision  
 31.23 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's  
 31.24 foster parent may file a motion for an order for adoptive placement of a child who is under  
 31.25 the guardianship of the commissioner if the relative or the child's foster parent:

31.26 (1) has an adoption home study under section 259.41 approving the relative or foster  
 31.27 parent for adoption and has been a resident of Minnesota for at least six months before filing  
 31.28 the motion; the court may waive the residency requirement for the moving party if there is  
 31.29 a reasonable basis to do so; or

31.30 (2) is not a resident of Minnesota, but has an approved adoption home study by an agency  
 31.31 licensed or approved to complete an adoption home study in the state of the individual's  
 31.32 residence and the study is filed with the motion for adoptive placement.

32.1 (b) The motion shall be filed with the court conducting reviews of the child's progress  
32.2 toward adoption under this section. The motion and supporting documents must make a  
32.3 prima facie showing that the agency has been unreasonable in failing to make the requested  
32.4 adoptive placement. The motion must be served according to the requirements for motions  
32.5 under the Minnesota Rules of Juvenile Protection Procedure and shall be made on all  
32.6 individuals and entities listed in subdivision 2.

32.7 (c) If the motion and supporting documents do not make a prima facie showing for the  
32.8 court to determine whether the agency has been unreasonable in failing to make the requested  
32.9 adoptive placement, the court shall dismiss the motion. If the court determines a prima facie  
32.10 basis is made, the court shall set the matter for evidentiary hearing.

32.11 (d) At the evidentiary hearing, the responsible social services agency shall proceed first  
32.12 with evidence about the reason for not making the adoptive placement proposed by the  
32.13 moving party. The moving party then has the burden of proving by a preponderance of the  
32.14 evidence that the agency has been unreasonable in failing to make the adoptive placement.

32.15 (e) At the conclusion of the evidentiary hearing, if the court finds that the agency has  
32.16 been unreasonable in failing to make the adoptive placement and that the relative or the  
32.17 child's foster parent is the most suitable adoptive home to meet the child's needs using the  
32.18 factors in section 260C.212, subdivision 2, paragraph (b), the court may order the responsible  
32.19 social services agency to make an adoptive placement in the home of the relative or the  
32.20 child's foster parent.

32.21 (f) If, in order to ensure that a timely adoption may occur, the court orders the responsible  
32.22 social services agency to make an adoptive placement under this subdivision, the agency  
32.23 shall:

32.24 (1) make reasonable efforts to obtain a fully executed adoption placement agreement;

32.25 (2) work with the moving party regarding eligibility for adoption assistance as required  
32.26 under chapter ~~259A~~ 256N; and

32.27 (3) if the moving party is not a resident of Minnesota, timely refer the matter for approval  
32.28 of the adoptive placement through the Interstate Compact on the Placement of Children.

32.29 (g) Denial or granting of a motion for an order for adoptive placement after an evidentiary  
32.30 hearing is an order which may be appealed by the responsible social services agency, the  
32.31 moving party, the child, when age ten or over, the child's guardian ad litem, and any  
32.32 individual who had a fully executed adoption placement agreement regarding the child at  
32.33 the time the motion was filed if the court's order has the effect of terminating the adoption

33.1 placement agreement. An appeal shall be conducted according to the requirements of the  
 33.2 Rules of Juvenile Protection Procedure.

33.3 Sec. 36. Minnesota Statutes 2018, section 260C.609, is amended to read:

33.4 **260C.609 SOCIAL AND MEDICAL HISTORY.**

33.5 ~~(a) The responsible social services agency shall work with the birth family of the child,~~

33.12 ~~(e)~~ (a) The responsible social services agency shall thoroughly discuss the child's history  
 33.13 with the adopting prospective adoptive parent of the child and shall give a redacted copy  
 33.14 of the report of the child's social and medical history, including redacted attachments, to  
 33.15 the adopting prospective adoptive parent, pursuant to section 260C.212, subdivision 15. If  
 33.16 the prospective adoptive parent does not pursue adoption of the child, the prospective  
 33.17 adoptive parent must return the child's social and medical history, including redacted  
 33.18 attachments, to the agency. A redacted copy of the child's social and medical history may  
 33.19 also be given to the child, as appropriate according to section 260C.212, subdivision 1.

33.20 ~~(d)~~ (b) The report shall not include information that identifies birth relatives. Redacted  
 33.21 copies of all the child's relevant evaluations, assessments, and records must be attached to  
 33.22 the social and medical history.
