S0442-1

SENATE STATE OF MINNESOTA NINETY-THIRD SESSION

S.F. No. 442

(SENATE AUT	HORS: MOR	RISON, Hawj, Dziedzic, Kunesh and Maye Quade)
DATE	D-PG	OFFICIAL STATUS
01/19/2023	301	Introduction and first reading
02/16/2023		Referred to Environment, Climate, and Legacy Comm report: To pass as amended and re-refer to Finance

1.1	A bill for an act
1.2 1.3 1.4 1.5 1.6 1.7	relating to environment; appropriating money from environment and natural resources trust fund; modifying reporting requirements; modifying capital construction requirements; modifying prior appropriations; amending Minnesota Statutes 2022, sections 116P.15; 116P.16; Laws 2022, chapter 94, section 2, subdivisions 5, 9; proposing coding for new law in Minnesota Statutes, chapter 116P.
1.8	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.9	ARTICLE 1
1.10	ENVIRONMENT AND NATURAL RESOURCES TRUST FUND APPROPRIATIONS
1.11	Section 1. APPROPRIATIONS.
1.12	The sums shown in the columns marked "Appropriations" are appropriated to the agencies
1.13	and for the purposes specified in this article. The appropriations are from the environment
1.14	and natural resources trust fund, or another named fund, and are available for the fiscal
1.15	years indicated for each purpose. The figures "2024" and "2025" used in this article mean
1.16	that the appropriations listed under them are available for the fiscal year ending June 30,
1.17	2024, or June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year"
1.18	is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025. Any unencumbered
1.19	balance remaining in the first year does not cancel and is available for the second year or
1.20	until the end of the appropriation. These are onetime appropriations.
1.21 1.22 1.23 1.24	APPROPRIATIONS Available for the Year Ending June 30 2024 2025
1.25	Sec. 2. MINNESOTA RESOURCES

3.31	Institute in Dulu	th to determine curre	ent
3.32	distribution and	habitat associations	of
3.33	northern and sou	thern flying squirrel	s to fill
3.34	key knowledge	gaps in flying squirre	el status

3.35 <u>in Minnesota.</u>

S0442-1

4.1 4.2	(f) Statewide Forest Carbon Inventory and Change Mapping
4.3	\$987,000 the first year is from the trust fund
4.4	to the commissioner of natural resources to
4.5	work with Minnesota Forest Resources
4.6	Council, Minnesota Forestry Association, the
4.7	Board of Water and Soil Resources, and the
4.8	University of Minnesota to develop a
4.9	programmatic approach and begin collecting
4.10	plot-based inventories on private forestland
4.11	for use with remote sensing data to better
4.12	assess changing forest conditions and climate
4.13	mitigation opportunities across all ownerships
4.14	in the state.
4.15 4.16	(g) Predicting the Future of Aquatic Species by Understanding the Past
4.17	\$170,000 the first year is from the trust fund
4.18	to the Board of Regents of the University of
4.19	Minnesota to use past and present information
4.20	to model future ranges of native aquatic
4.21	species in Minnesota to generate publicly
4.22	available tools for species and habitat
4.23	management.
4.24 4.25	(h) Assessing Status of Common Tern Populations in Minnesota
4.26	\$199,000 the first year is from the trust fund
4.27	to the Board of Regents of the University of
4.28	Minnesota for the Natural Resources Research
4.29	Institute in Duluth to assess the population
4.30	status of Common Tern breeding colonies in
4.31	Minnesota, implement management activities,
4.32	and develop a standardized monitoring
4.33	protocol and online database for accessing
4.34	current and historic monitoring data to help
4.35	prioritize conservation and restoration actions

4.36 for this state-threatened species.

5.1 5.2	(i) Salvaged Wildlife to Inform Environmental Health, Ecology, and Education
5.3	\$486,000 the first year is from the trust fund
5.4	to the Board of Regents of the University of
5.5	Minnesota, Bell Museum of Natural History,
5.6	to establish a statewide network to collect,
5.7	analyze, and archive salvaged dead wildlife
5.8	and build a foundation of biodiversity
5.9	resources to track ecosystem-wide changes,
5.10	monitor environmental health, and educate
5.11	Minnesotans about the value of scientific
5.12	specimens.
5.13 5.14	(j) Developing Conservation Priorities for Rare and Specialist Bees
5.15	\$619,000 the first year is from the trust fund
5.16	to the Board of Regents of the University of
5.17	Minnesota to collect data on rare and specialist
5.18	bees and their habitat preferences, determine
5.19	their conservation status, and develop
5.20	strategies to improve their chances of survival.
5.21 5.22	(k) Efficacy of Urban Archery Hunting to Manage Deer
5.23	\$393,000 the first year is from the trust fund
5.24	to the Board of Trustees of the Minnesota
5.25	State Colleges and Universities for Bemidji
5.26	State University to conduct an analysis of deer
5.27	survival, habitat use, and hunter data in the
5.28	city of Bemidji to improve special archery
5.29	hunt management practices in urban areas of
5.30	the state.
5.31 5.32	(1) Mapping the Ecology of Urban and Rural <u>Canids</u>
5.33	\$601,000 the first year is from the trust fund
5.34	to the Board of Regents of the University of

5.35 <u>Minnesota to determine how disease</u>

	SF442	REVISOR	СКМ
6.1	prevalence, diet,	habitat use, and inter	rspecies
6.2	interactions of co	yotes and foxes chan	ge from
6.3	urban to rural are	eas along the Mississ	ippi
6.4	River corridor.

10.35 Douglas County and the Pollution Control

11.1	Agency to pilot an incentive program for
11.2	residences and businesses to install
11.3	high-efficiency water softeners, salt-free
11.4	systems, or softener discharge disposal
11.5	systems to reduce the annual salt load to Lake
11.6	Winona and downstream waters. The pilot
11.7	program includes rebates, inspections,
11.8	community education, and water quality
11.9	monitoring to measure chloride reduction
11.10	success. This appropriation is available until
11.11	June 30, 2027, by which time the project must
11.12	be completed and final products delivered.
11.13 11.14	(j) Removing CECs from Stormwater with Biofiltration
11.15	\$641,000 the first year is from the trust fund
11.16	to the Board of Regents of the University of
11.17	Minnesota for the St. Anthony Falls
11.18	Laboratory to develop a treatment practice
11.19	design using biofiltration media to remove
11.20	contaminants of emerging concern (CECs)
11.21	from stormwater runoff and to provide
11.22	statewide stormwater management guidance.
11.23 11.24	<u>(k) Didymo II The North Shore Threat</u> <u>Continues</u>
11.25	\$394,000 the first year is from the trust fund
11.26	to the Science Museum of Minnesota for the
11.27	St. Croix Watershed Research Station to
11.28	identify North Shore streams with didymo,
11.29	determine the risk of invasion to other streams,
11.30	document didymo impacts to stream
11.31	functioning, and develop strategies to prevent
11.32	further spread of didymo.
11.33 11.34	(1) Leveraging Data Analytics Innovations for Watershed District Planning

11.34 Watershed District Planning

12.1	\$738,000 the first year is from the trust fund
12.2	to the commissioner of natural resources for
12.3	an agreement with Minnehaha Creek
12.4	Watershed District to integrate local and
12.5	statewide data sets into a high-resolution
12.6	planning tool that forecasts the impacts of
12.7	changing precipitation patterns and
12.8	quantitatively compares cost effectiveness and
12.9	outcomes for water quality, ecological
12.10	integrity, and flood prevention projects in the
12.11	district. Minnehaha Creek Watershed District
12.12	may license third parties to use products
12.13	developed with this appropriation without
12.14	further approval from the legislature or the
12.15	Legislative-Citizen Commission on Minnesota
12.16	Resources, provided the licensing does not
12.17	generate income. This appropriation is subject
12.18	to Minnesota Statutes, section 116P.10.
12.19 12.20	(m) Protecting Water in the Central Sands Region of the Mississippi River Headwaters
12.20	Region of the Mississippi River Headwaters

21.3	outdoor learning.
21.4 21.5	(j) Pollinator Enhancement and Mississippi River Shoreline Restoration
21.6	\$187,000 the first year is from the trust fund
21.7	to the commissioner of natural resources for
21.8	an agreement with the Department of Military
21.9	Affairs to restore native prairie, support
21.10	pollinator plantings, and stabilize a large
21.11	section of stream bank along the Mississippi
21.12	River within Camp Ripley.
21.13 21.14	(k) Conservation Cooperative for Working Lands
21.15	\$2,611,000 the first year is from the trust fund
21.16	to the commissioner of natural resources for
21.17	an agreement with Pheasants Forever Inc. to
21.18	collaborate with Natural Resources
21.19	Conservation Service, Board of Water and
21.20	Soil Resources, and Minnesota Association
21.21	of Soil and Water Conservation Districts to
21.22	accelerate adoption of voluntary conservation
21.23	practices on working lands in Minnesota by
21.24	increasing technical assistance to farmers and
21.25	landowners while also attracting federal
21.26	matching funds.
21.27 21.28	(1) Quantifying Environmental Benefits of Peatland Restoration in Minnesota
21.29	\$754,000 the first year is from the trust fund
21.30	to the Board of Regents of the University of
21.31	Minnesota to quantify the capacity of restored
21.32	peatlands to store and accumulate atmospheric
21.33	carbon and prevent release of accumulated
21.34	mercury into the surrounding environment.
21.35	This appropriation is available until June 30,

	SF442 REVISOR CKM
22.1	2027, by which time the project must be
22.2	completed and final products delivered.
22.3 22.4	(m) Renewing Access to an Iconic North Shore Vista
22.5	\$197,000 the first year is from the trust fund
22.6	to the commissioner of natural resources for
22.7	an agreement with the Superior Hiking Trail
22.8	Association to use national trail design best
22.9	practices to renew trails and a campground
22.10	along the Bean and Bear Lakes section of the
22.11	Superior Hiking Trail that provides access to
22.12	one of Minnesota's most iconic vistas.
22.13 22.14	(n) Addressing Erosion Along High Use River Loops
22.15	\$368,000 the first year is from the trust fund
22.16	to the commissioner of natural resources for
22.17	an agreement with the Superior Hiking Trail
22.18	Association to rehabilitate and renew popular
22.19	river loops of the Superior Hiking Trail to
22.20	withstand high visitor use and serve
22.21	Minnesotans for years to come.
22.22 22.23	(o) Pollinator Habitat Creation at Minnesota Closed Landfills
22.24	\$1,508,000 the first year is from the trust fund
22.25	to the commissioner of the Minnesota
22.26	Pollution Control Agency to conduct a pilot
22.27	project to create pollinator habitat at closed
22.28	landfill sites in the closed landfill program.

- 30.26 <u>section 3.303</u>, subdivision 10.

30.27 Subd. 11. Availability of Appropriations

- 30.28 Money appropriated in this section may not
- 30.29 <u>be spent on activities unless they are directly</u>
- 30.30 related to and necessary for a specific
- 30.31 appropriation and are specified in the work
- 30.32 plan approved by the Legislative-Citizen
- 30.33 Commission on Minnesota Resources. Money
- 30.34 appropriated in this section must not be spent

31.1	on indirect costs or other institutional overhead
31.2	charges that are not directly related to and
31.3	necessary for a specific appropriation. Costs
31.4	that are directly related to and necessary for
31.5	an appropriation, including financial services,
31.6	human resources, information services, rent,
31.7	and utilities, are eligible only if the costs can
31.8	be clearly justified and individually
31.9	documented specific to the appropriation's
31.10	purpose and would not be generated by the
31.11	recipient but for receipt of the appropriation.
31.12	No broad allocations for costs in either dollars
31.13	or percentages are allowed. Unless otherwise
31.14	provided, the amounts in this section are
31.15	available for three years beginning July 1,
31.16	2023, and ending June 30, 2026, when projects
31.17	must be completed and final products
31.18	delivered. For acquisition of real property, the
31.19	appropriations in this section are available for
31.20	an additional fiscal year if a binding contract
31.21	for acquisition of the real property is entered
31.22	into before the expiration date of the
31.23	appropriation. If a project receives a federal
31.24	award, the period of the appropriation is
31.25	extended to equal the federal award period to
31.26	a maximum trust fund appropriation length of
31.27	six years.
31.28	Subd. 12. Data Availability Requirements Data
31.29	Data collected by the projects funded under
31.30	this section must conform to guidelines and
31.31	standards adopted by Minnesota IT Services.
31.32	Spatial data must also conform to additional
31.33	guidelines and standards designed to support
31.34	data coordination and distribution that have

31.35 been published by the Minnesota Geospatial

32.1	Information Office. Descriptions of spatial
32.1	data must be prepared as specified in the state's
	geographic metadata guideline and must be
32.3	submitted to the Minnesota Geospatial
32.4	_
32.5	Information Office. All data must be
32.6	accessible and free to the public unless made
32.7	private under the Data Practices Act,
32.8	Minnesota Statutes, chapter 13. To the extent
32.9	practicable, summary data and results of
32.10	projects funded under this section should be
32.11	readily accessible on the Internet and
32.12	identified as having received funding from the
32.13	environment and natural resources trust fund.
32.14	Subd. 13. Project Requirements
32.15	(a) As a condition of accepting an
32.16	appropriation under this section, an agency or
32.17	entity receiving an appropriation or a party to
32.18	an agreement from an appropriation must
32.19	comply with paragraphs (b) to (l) and
32.20	Minnesota Statutes, chapter 116P, and must
32.21	submit a work plan and annual or semiannual
32.22	progress reports in the form determined by the
32.23	Legislative-Citizen Commission on Minnesota
32.24	Resources for any project funded in whole or
32.25	in part with funds from the appropriation.
32.26	Modifications to the approved work plan and
32.27	budget expenditures must be made through
32.28	the amendment process established by the
32.29	Legislative-Citizen Commission on Minnesota
32.30	Resources.
32.31	(b) A recipient of money appropriated in this
32.32	section that conducts a restoration using funds
32.33	appropriated in this section must use native
32.34	plant species according to the Board of Water
32.35	and Soil Resources' native vegetation

33.1	establishment and enhancement guidelines
33.2	and include an appropriate diversity of native
33.3	species selected to provide habitat for
33.4	pollinators throughout the growing season as
33.5	required under Minnesota Statutes, section
33.6	<u>84.973.</u>
33.7	(c) For all restorations conducted with money
33.8	appropriated under this section, a recipient
33.9	must prepare an ecological restoration and
33.10	management plan that, to the degree
33.11	practicable, is consistent with the
33.12	highest-quality conservation and ecological
33.13	goals for the restoration site. Consideration
33.14	should be given to soil, geology, topography,
33.15	and other relevant factors that would provide
33.16	the best chance for long-term success and
33.17	durability of the restoration project. The plan
33.18	must include the proposed timetable for
33.19	implementing the restoration, including site
33.20	preparation, establishment of diverse plant
33.21	species, maintenance, and additional
33.22	enhancement to establish the restoration;
33.23	identify long-term maintenance and
33.24	management needs of the restoration and how
33.25	the maintenance, management, and
33.26	enhancement will be financed; and take
33.27	advantage of the best-available science and
33.28	include innovative techniques to achieve the
33.29	best restoration.
33.30	(d) An entity receiving an appropriation in this
33.31	section for restoration activities must provide
33.32	an initial restoration evaluation at the
33.33	completion of the appropriation and an
33.34	evaluation three years after the completion of
33.35	the expenditure. Restorations must be

34.1	evaluated relative to the stated goals and
34.2	standards in the restoration plan, current
34.3	science, and, when applicable, the Board of
34.4	Water and Soil Resources' native vegetation
34.5	establishment and enhancement guidelines.
34.6	The evaluation must determine whether the
34.7	restorations are meeting planned goals,
34.8	identify any problems with implementing the
34.9	restorations, and, if necessary, give
34.10	recommendations on improving restorations.
34.11	The evaluation must be focused on improving
34.12	future restorations.
34.13	(e) All restoration and enhancement projects
34.14	funded with money appropriated in this section
34.15	must be on land permanently protected by a
34.16	conservation easement or public ownership.
34.17	(f) A recipient of money from an appropriation
34.18	under this section must give consideration to
34.19	contracting with Conservation Corps
34.20	Minnesota for contract restoration and
34.21	enhancement services.
34.22	(g) All conservation easements acquired with
34.23	money appropriated under this section must:
34.24	(1) be permanent;
34.25	(2) specify the parties to an easement in the
34.26	easement;
34.27	(3) specify all provisions of an agreement that
34.28	are permanent;
34.29	(4) be sent to the Legislative-Citizen
34.30	Commission on Minnesota Resources in an
34.31	electronic format at least ten business days
34.32	before closing;

35.1	(5) include a long-term monitoring and
35.2	enforcement plan and funding for monitoring
35.3	and enforcing the easement agreement; and
33.3	
35.4	(6) include requirements in the easement
35.5	document to protect the quantity and quality
35.6	of groundwater and surface water through
35.7	specific activities such as keeping water on
35.8	the landscape, reducing nutrient and
35.9	contaminant loading, and not permitting
35.10	artificial hydrological modifications.
35.11	(h) For any acquisition of lands or interest in
35.12	lands, a recipient of money appropriated under
35.13	this section must not agree to pay more than
35.14	100 percent of the appraised value for a parcel
35.15	of land using this money to complete the
35.16	purchase, in part or in whole, except that up
35.17	to ten percent above the appraised value may
35.18	be allowed to complete the purchase, in part
35.19	or in whole, using this money if permission is
35.20	received in advance of the purchase from the
35.21	Legislative-Citizen Commission on Minnesota
35.22	Resources.
35.23	(i) For any acquisition of land or interest in
35.24	land, a recipient of money appropriated under
35.25	this section must give priority to high-quality
35.26	natural resources or conservation lands that
35.27	provide natural buffers to water resources.
35.28	(j) For new lands acquired with money
35.29	appropriated under this section, a recipient
35.30	must prepare an ecological restoration and
35.31	management plan in compliance with
35.32	paragraph (c), including sufficient funding for
35.33	implementation unless the work plan addresses
35.34	why a portion of the money is not necessary
35.35	to achieve a high-quality restoration.
33.33	to achieve a high-quanty restoration.

36.1	(k) To ensure public accountability for using
36.2	public funds, a recipient of money
36.3	appropriated under this section must, within
36.4	60 days of the transaction, provide to the
36.5	Legislative-Citizen Commission on Minnesota
36.6	Resources documentation of the selection
36.7	process used to identify parcels acquired and
36.8	provide documentation of all related
36.9	transaction costs, including but not limited to
36.10	appraisals, legal fees, recording fees,
36.11	commissions, other similar costs, and
36.12	donations. This information must be provided
36.13	for all parties involved in the transaction. The
36.14	recipient must also report to the
36.15	Legislative-Citizen Commission on Minnesota
36.16	Resources any difference between the
36.17	acquisition amount paid to the seller and the
36.18	state-certified or state-reviewed appraisal, if
36.19	a state-certified or state-reviewed appraisal
36.20	was conducted.
36.21	(l) A recipient of an appropriation from the
36.22	trust fund under this section must acknowledge
36.23	financial support from the environment and
36.24	natural resources trust fund in project
36.25	publications, signage, and other public
36.26	communications and outreach related to work
36.27	completed using the appropriation.
36.28	Acknowledgment may occur, as appropriate,
36.29	through use of the trust fund logo or inclusion
36.30	of language attributing support from the trust
36.31	fund. Each direct recipient of money
36.32	appropriated in this section, as well as each
36.33	recipient of a grant awarded pursuant to this
36.34	section, must satisfy all reporting and other
36.35	requirements incumbent upon constitutionally
36.36	dedicated funding recipients as provided in

36.36 dedicated funding recipients as provided in

- 37.1 Minnesota Statutes, section 3.303, subdivision 10, and Minnesota Statutes, chapter 116P. 37.2 37.3 (m) A recipient of an appropriation from the trust fund under this section that is receiving 37.4 37.5 funding to conduct children's services, as defined in Minnesota Statutes, section 37.6 37.7 299C.61, subdivision 7, must certify to the 37.8 Legislative-Citizen Commission on Minnesota Resources, as part of the required work plan, 37.9 that criminal background checks for 37.10 background check crimes, as defined in 37.11 Minnesota Statutes, section 299C.61, 37.12 subdivision 2, are performed on all employees, 37.13 contractors, and volunteers that have or may 37.14 37.15 have access to a child to whom the recipient provides children's services using the 37.16 37.17 appropriation. 37.18 Subd. 14. Payment Conditions and Capital **Equipment Expenditures** 37.19 (a) All agreements, grants, or contracts 37.20 37.21 referred to in this section must be administered on a reimbursement basis unless otherwise 37.22 37.23 provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, 37.24 expenditures made on or after July 1, 2023, 37.25 or the date the work plan is approved, 37.26 whichever is later, are eligible for 37.27 37.28 reimbursement unless otherwise provided in this section. Periodic payments must be made 37.29 upon receiving documentation that the 37.30 deliverable items articulated in the approved 37.31 work plan have been achieved, including 37.32 37.33 partial achievements as evidenced by approved progress reports. Reasonable amounts may be 37.34
- advanced to projects to accommodate

38.1	cash-flow needs or match federal money. The
38.2	advances must be approved as part of the work
38.3	plan. No expenditures for capital equipment
38.4	are allowed unless expressly authorized in the
38.5	project work plan.
38.6	(b) Single-source contracts as specified in the
38.7	approved work plan are allowed.
38.8 38.9	Subd. 15. Purchasing Recycled and Recyclable Materials
38.10	A political subdivision, public or private
38.11	corporation, or other entity that receives an
38.12	appropriation under this section must use the
38.13	appropriation in compliance with Minnesota
38.14	Statutes, section 16C.0725, regarding
38.15	purchasing recycled, repairable, and durable
38.16	materials, and Minnesota Statutes, section
38.17	16C.073, regarding purchasing and using
38.18	paper stock and printing.
38.19 38.20	Subd. 16. Energy Conservation and Sustainable Building Guidelines
38.21	A recipient to whom an appropriation is made
38.22	under this section for a capital improvement
38.23	project must ensure that the project complies
38.24	with the applicable energy conservation and
38.25	sustainable building guidelines and standards
38.26	contained in law, including Minnesota
38.27	Statutes, sections 16B.325, 216C.19, and
38.28	216C.20, and rules adopted under those
38.29	sections. The recipient may use the energy
38.30	planning, advocacy, and State Energy Office
38.31	units of the Department of Commerce to
38.32	obtain information and technical assistance
38.33	on energy conservation and alternative-energy
38.34	development relating to planning and

- development relating to planning and
- constructing the capital improvement project. 38.35

40.34 (d) Engaging a Diverse Public in Environmental
40.35 Stewardship

- 41.1 \$300,000 the second year is from the trust
- 41.2 fund to the commissioner of natural resources
- 41.3 for an agreement with Great River Greening
- 41.4 to increase participation in natural resources
- 41.5 restoration efforts through volunteer,
- 41.6 internship, and youth engagement activities
- 41.7 that target diverse audiences more accurately
- 41.8 reflecting local demographic and
- 41.9 socioeconomic conditions in Minnesota.

41.10 (e) Bugs Below Zero: Engaging Citizens in41.11 Winter Research

- 41.12 \$198,000 the second year is from the trust
- 41.13 fund to the Board of Regents of the University
- 41.14 of Minnesota to raise awareness about the
- 41.15 winter life of bugs, inspire learning about
- 41.16 stream food webs, and engage citizen scientists
- 41.17 in research and environmental stewardship.

41.18 (f) ESTEP: Earth Science Teacher Education 41.19 Project

- 41.20 \$495,000 the second year is from the trust
- 41.21 fund to the commissioner of natural resources
- 41.22 for an agreement with the Minnesota Science
- 41.23 Teachers Association to provide professional
- 41.24 development for Minnesota science teachers
- 41.25 in environmental and earth science to
- 41.26 strengthen environmental education in schools.

41.27 (g) YES! Students Take Action to Complete Eco41.28 Projects

- 41.29 \$199,000 the second year is from the trust
- 41.30 fund to the commissioner of natural resources
- 41.31 for an agreement with Prairie Woods
- 41.32 Environmental Learning Center, in partnership
- 41.33 with Ney Nature Center and Laurentian
- 41.34 Environmental Center, to empower Minnesota
- 41.35 youth to connect with natural resource experts,

- 42.1 identify ecological challenges, and take action
- 42.2 to complete innovative projects in their
- 42.3 communities.

42.4	(h) Increasing Diversity in Environmental
42.5	Careers

- 42.6 \$500,000 the second year is from the trust
- 42.7 fund to the commissioner of natural resources,
- 42.8 in cooperation with Conservation Corps
- 42.9 Minnesota and Iowa, to encourage a diversity
- 42.10 of students to pursue careers in the
- 42.11 environment and natural resources through
- 42.12 internships, mentorships, and fellowships with
- 42.13 the Department of Natural Resources, the
- 42.14 Board of Water and Soil Resources, and the
- 42.15 Pollution Control Agency.

42.16 (i) Diversity and Access to Wildlife-Related42.17 Opportunities

- 42.18 \$199,000 the second year is from the trust
- 42.19 fund to the Board of Regents of the University
- 42.20 of Minnesota to broaden the state's
- 42.21 conservation constituency by researching
- 42.22 diverse communities' values about nature and
- 42.23 wildlife experiences and identifying barriers
- 42.24 to engagement.

42.25 Sec. 4. Laws 2022, chapter 94, section 2, subdivision 9, is amended to read:

42.26 Subd. 9. Habitat and Recreation

-0- 26,179,000

- 42.27 (a) Mesabi Trail: Wahlsten Road (CR 26) to
 42.28 toward Tower
- 42.29 \$1,307,000 the second year is from the trust
- 42.30 fund to the commissioner of natural resources
- 42.31 for an agreement with the St. Louis and Lake
- 42.32 Counties Regional Railroad Authority to
- 42.33 acquire easements, engineer, and construct a
- 42.34 segment of the Mesabi Trail beginning at the

43.1	intersection of Wahlsten Road (CR 26) and
43.2	Benson Road in Embarrass and extending to
43.3	toward Tower.
43.4 43.5	(b) Environmental Learning Classroom with Trails
43.6	\$82,000 the second year is from the trust fund
43.7	to the commissioner of natural resources for
43.8	an agreement with Mountain Iron-Buhl Public
43.9	Schools to build an outdoor classroom
43.10	pavilion, accessible trails, and a footbridge
43.11	within the Mountain Iron-Buhl School Forest
43.12	to conduct environmental education that
43.13	cultivates a lasting conservation ethic.
43.14 43.15	(c) Local Parks, Trails, and Natural Areas Grant Programs
43.16	\$3,560,000 the second year is from the trust
43.17	fund to the commissioner of natural resources
43.18	to solicit, rank, and fund competitive matching
43.19	grants for local parks, trail connections, and
43.20	natural and scenic areas under Minnesota
43.21	Statutes, section 85.019. This appropriation is
43.22	for local nature-based recreation, connections
43.23	to regional and state natural areas, and
43.24	recreation facilities and may not be used for
43.25	athletic facilities such as sport fields, courts,
43.26	and playgrounds.
43.27	(d) St. Louis River Re-Connect
43.28	\$500,000 the second year is from the trust
43.29	fund to the commissioner of natural resources
43.30	for an agreement with the city of Duluth to
43.31	expand recreational access along the St. Louis
43.32	River and estuary by implementing the St.
43.33	Louis River National Water Trail outreach
43.34	plan, designing and constructing upgrades and
43.35	extensions to the Waabizheshikana Trail, and

installing interpretive features that describe
the cultural and ecological significance of the
area.

44.4	(e) Native Prairie Stewardship and Prairie Bank
44.5	Easement Acquisition

- 44.6 \$1,353,000 the second year is from the trust
- 44.7 fund to the commissioner of natural resources
- 44.8 to provide technical stewardship assistance to
- 44.9 private landowners, restore and enhance native
- 44.10 prairie protected by easements in the native
- 44.11 prairie bank, and acquire easements for the
- 44.12 native prairie bank in accordance with
- 44.13 Minnesota Statutes, section 84.96, including
- 44.14 preparing initial baseline property assessments.
- 44.15 Up to \$60,000 of this appropriation may be
- 44.16 deposited in the natural resources conservation
- 44.17 easement stewardship account created under
- 44.18 Minnesota Statutes, section 84.69, proportional
- 44.19 to the number of easements acquired.

(f) Minnesota State Parks and State Trails Maintenance and Development

- 44.22 \$1,600,000 the second year is from the trust
- 44.23 fund to the commissioner of natural resources
- 44.24 for maintenance and development at state
- 44.25 parks, recreation areas, and trails to protect
- 44.26 Minnesota's natural heritage, enhance outdoor
- 44.27 recreation, and improve the efficiency of
- 44.28 public land management.

44.29 (g) Minnesota State Trails Development

- 44.30 \$7,387,000 the second year is from the trust
- 44.31 fund to the commissioner of natural resources
- 44.32 to expand recreational opportunities on
- 44.33 Minnesota state trails by rehabilitating and
- 44.34 enhancing existing state trails and replacing
- 44.35 or repairing existing state trail bridges.

SF442 REV	'ISOR CKM
-----------	-----------

45.1 45.2	(h) SNA Habitat Restoration and Public Engagement
45.3	\$5,000,000 the second year is from the trust
45.4	fund to the commissioner of natural resources
45.5	for the scientific and natural areas (SNA)
45.6	program to restore and enhance exceptional
45.7	habitat on SNAs and increase public
45.8	involvement and outreach.
45.9 45.10	(i) The Missing Link: Gull Lake Trail, Fairview Township
45.11	\$1,394,000 the second year is from the trust
45.12	fund to the commissioner of natural resources
45.13	for an agreement with Fairview Township to
45.14	complete the Gull Lake Trail by engineering
45.15	and constructing the trail's final segment
45.16	through Fairview Township in the Brainerd
45.17	Lakes area.
45.18	(j) Silver Bay Multimodal Trailhead Project
45.19	\$1,000,000 the second year is from the trust
45.20	fund to the commissioner of natural resources
45.21	for an agreement with the city of Silver Bay
45.22	to develop a multimodal trailhead center to
45.23	provide safe access to the Superior,
45.24	Gitchi-Gami, and C.J. Ramstad/North Shore
45.25	trails; Black Beach Park; and other
45.26	recreational destinations.
45.27 45.28	(k) Brookston Campground, Boat Launch, and Outdoor Recreational Facility
45.29	\$453,000 the second year is from the trust
45.30	fund to the commissioner of natural resources
45.31	for an agreement with the city of Brookston
45.32	to build a campground, boat launch, and
45.33	outdoor recreation area on the banks of the St.

- 45.34 Louis River in northeastern Minnesota. Before
- 45.35 any trust fund dollars are spent, the city must

46.1	demonstrate that all funds to complete the
46.2	project are secured and a fiscal agent must be
46.3	approved in the work plan.
46.4	(l) Silver Lake Trail Connection
46.5	\$727,000 the second year is from the trust
46.6	fund to the commissioner of natural resources
46.7	for an agreement with the city of Virginia to
46.8	design, engineer, and construct a multiuse trail
46.9	that will connect Silver Lake Trail to a new
46.10	Miners Entertainment and Convention Center
46.11	and provide lighting on Bailey Lake Trail.
46.12 46.13	(m) Floodwood Campground Improvement Project
46.14	\$816,000 the second year is from the trust
46.15	fund to the commissioner of natural resources
46.16	for an agreement with the city of Floodwood
46.17	to upgrade the Floodwood Campground and
46.18	connecting trails to provide high-quality nature
46.19	and recreation experience for people of all
46.20	ages.
46.21 46.22	(n) Ranier Safe Harbor/Transient Dock - Phase 2
46.23	\$1,000,000 the second year is from the trust
46.24	fund to the commissioner of natural resources
46.25	for an agreement with the city of Ranier to
46.26	construct a safe harbor and transient dock to
46.27	accommodate watercraft of many sizes to
46.28	improve public access for boat recreation on
46.29	Rainy Lake. Before trust fund dollars are
46.30	spent, a fiscal agent must be approved in the
46.31	work plan. Before any trust fund dollars are
46.32	spent, the city must demonstrate that all funds
46.33	to complete the project are secured. Any
	to complete the project the secured. This
46.34	revenue generated from selling products or

47.1	appropriation must be repaid to the trust fund
47.2	unless a plan is approved for reinvestment of
47.3	income in the project as provided under
47.4	Minnesota Statutes, section 116P.10.
47.5	Sec. 5. <u>EFFECTIVE DATE.</u>
47.6	This article is effective the day following final enactment.
47.7	ARTICLE 2
47.8	CAPITAL PROJECTS
47.9	Section 1. Minnesota Statutes 2022, section 116P.15, is amended to read:
47.10	116P.15 CAPITAL CONSTRUCTION AND LAND ACQUISITION;
47.11	RESTRICTIONS.
47.12	Subdivision 1. Scope. A recipient of an appropriation from the trust fund or the Minnesota
47.13	future resources fund who acquires an interest in real property with the appropriation must
47.14	comply with this section subdivision 2. For the purposes of this section, "interest in real
47.15	property" includes, but is not limited to, an easement or fee title to property. A recipient of
47.16	an appropriation from the trust fund who uses any portion of the appropriation for a capital
47.17	construction project with a total cost of \$10,000 or more must comply with subdivision 3.
47.10	Subd 2 Land convisition restrictions, modification recording (a) An account for
47.18	Subd. 2. <u>Land acquisition restrictions; modification procedure.</u> (a) An <u>easement, fee</u>
47.19	<u>title, or other</u> interest in real property acquired with an appropriation from the trust fund or
47.20	the Minnesota future resources fund must be used in perpetuity or for the specific term of
47.21	an easement interest for the purpose for which the appropriation was made. The ownership
47.22	of the interest in real property transfers to the state if: (1) the holder of the interest in real
47.23	property fails to comply with the terms and conditions of the grant agreement or work plan;
47.24	or (2) restrictions are placed on the land that preclude its use for the intended purpose as
47.25	specified in the appropriation.
47.26	(b) A recipient of funding who acquires an interest in real property subject to this section
47.27	may not alter the intended use of the interest in real property or convey any interest in the
47.28	real property acquired with the appropriation without the prior review and approval of the
47.29	commission or its successor. The commission shall notify the chairs and ranking minority
47.30	members of the legislative committees and divisions with jurisdiction over the trust fund
47.31	or Minnesota future resources fund at least 15 business days before approval under this

REVISOR

47

paragraph. The commission shall establish procedures to review requests from recipients

to alter the use of or convey an interest in real property. These procedures shall allow for
the replacement of the interest in real property with another interest in real property meeting
the following criteria:

48.4 (1) the interest must be at least equal in fair market value, as certified by the commissioner
48.5 of natural resources, to the interest being replaced; and

(2) the interest must be in a reasonably equivalent location, and have a reasonably
equivalent useful conservation purpose compared to the interest being replaced, taking into
consideration all effects from fragmentation of the whole habitat.

(c) A recipient of funding who acquires an interest in real property under paragraph (a)
must separately record a notice of funding restrictions in the appropriate local government
office where the conveyance of the interest in real property is filed. The notice of funding
agreement must contain:

48.13 (1) a legal description of the interest in real property covered by the funding agreement;

- 48.14 (2) a reference to the underlying funding agreement;
- 48.15 (3) a reference to this section; and

48.16 (4) the following statement:

"This interest in real property shall be administered in accordance with the terms, 48.17 conditions, and purposes of the grant agreement controlling the acquisition of the property. 48.18 The interest in real property, or any portion of the interest in real property, shall not be sold, 48.19 transferred, pledged, or otherwise disposed of or further encumbered without obtaining the 48.20 prior written approval of the Legislative-Citizen Commission on Minnesota Resources or 48.21 its successor. The ownership of the interest in real property transfers to the state if: (1) the 48.22 holder of the interest in real property fails to comply with the terms and conditions of the 48.23 grant agreement or work plan; or (2) restrictions are placed on the land that preclude its use 48.24 for the intended purpose as specified in the appropriation." 48.25

48

Subd. 3. Capital construction restrictions; modification procedure. (a) A recipient 48.26 48.27 of an appropriation from the trust fund who uses the appropriation to wholly or partially construct a building, trail, campground, or other capital asset may not alter the intended use 48.28 48.29 of the capital asset or convey any interest in the capital asset for 25 years from the date the project is completed without the prior review and approval of the commission or its successor. 48.30 The commission must notify the chairs and ranking minority members of the legislative 48.31 committees and divisions with jurisdiction over the trust fund at least 15 business days 48.32 before approval under this paragraph. The commission must establish procedures to review 48.33

-------	---------	-----	---------	-----------------

easement or fee title, or for the construction of a building, trail, campground, or other capital 50.1 asset with a total cost of \$10,000 or more must submit annual reports on the status of the 50.2 50.3 real property to the Legislative-Citizen Commission on Minnesota Resources or its successor in a form determined by the commission. The responsibility for reporting under this section 50.4 may be transferred by the recipient of the appropriation to another person who holds the 50.5 interest in the real property. To complete the transfer of reporting responsibility, the recipient 50.6 of the appropriation must: 50.7 50.8 (1) inform the person to whom the responsibility is transferred of that person's reporting responsibility; 50.9 50.10 (2) inform the person to whom the responsibility is transferred of the property restrictions under section 116P.15; and 50.11 (3) provide written notice to the commission of the transfer of reporting responsibility, 50.12 including contact information for the person to whom the responsibility is transferred. 50.13 (b) After the transfer, the person who holds the interest in the real property is responsible 50.14

- 50.15 for reporting requirements under this section.
- 50.16 (c) The annual reporting requirements on the status of a building, trail, campground, or

50.17 other capital asset with a total cost of \$10,000 or more and that was constructed with an

50.18 appropriation from the trust fund expire 25 years after the date the final progress report

50.19 <u>under section 116P.05</u>, subdivision 2, paragraph (b), is approved.

50.20 Sec. 3. [116P.21] ADDITIONAL CAPITAL CONSTRUCTION PROJECT 50.21 REQUIREMENTS.

50.22 Subdivision 1. Full funding. If an appropriation from the trust fund for a capital

50.23 <u>construction project or project phase is not alone sufficient to complete the project or project</u>

50.24 phase and a commitment from sources other than the trust fund is required:

- 50.25 (1) the commitment must be in an amount that, when added to the appropriation from
- 50.26 the trust fund, is sufficient to complete the project or project phase; and
- 50.27 (2) the agency administering the appropriation from the trust fund must not distribute
- 50.28 the money until the commitment is determined to be sufficient. In determining the sufficiency
- 50.29 of a commitment under this clause, the agency must apply the standards and principles
- 50.30 applied by the commissioner of management and budget under section 16A.502.
- 50.31 Subd. 2. Sustainable building guidelines. The sustainable building guidelines established
- 50.32 <u>under sections 16B.325 and 216B.241</u>, subdivision 9, apply to new buildings and major
