1.26 Subd. 4. **Licensing data.** (a) As used in this subdivision:

1.27 (1) "licensing data" are all data collected, maintained, used, or disseminated by the
1.28 welfare system pertaining to persons licensed or registered or who apply for licensure or
1.29 registration or who formerly were licensed or registered under the authority of the
1.30 commissioner of human services;

2.2 for licensure; and

2.3 (3) "personal and personal financial data" are Social Security numbers, identity of and
2.4 letters of reference, insurance information, reports from the Bureau of Criminal
2.5 Apprehension, health examination reports, and social/home studies.

2.6 (b)(1)(i) Except as provided in paragraph (c), the following data on applicants,
2.7 certification holders, license holders, and former licensees are public: name, address,
2.8 telephone number of licensees, email addresses except for family child foster care, date of

2.16 physician.

2.17 (ii) Except as provided in item (v), when a correction order, an order to forfeit a fine,
2.18 an order of license suspension, an order of temporary immediate suspension, an order of

2.20 issued, or a complaint is resolved, the following data on current and former licensees and
2.21 applicants are public: the general nature of the complaint or allegations leading to the
2.22 temporary immediate suspension; the substance and investigative findings of the licensing
2.23 or maltreatment complaint, licensing violation, or substantiated maltreatment; the existence

3.4 individual as the disqualified individual is public data at the time of the issuance of the
3.5 licensing sanction or denial. If the applicant, license holder, or controlling individual requests

11.24 commissioner with written notice of the proposed change on a form provided by the
11.25 commissioner at least ~~60~~ 90 days before the anticipated date of the change in ownership.
11.26 For purposes of this ~~subdivision and subdivision 4~~ section, "party" means the party that

12.9 subdivision, "substantial compliance" means within the previous 12 months the commissioner
12.10 did not (1) issue a sanction under section 245A.07 against a license held by the party, or
12.11 (2) make a license held by the party conditional according to section 245A.06.

14.16 ~~(b) The commissioner may issue a temporary change in ownership license when a license~~
 14.17 ~~holder's death, divorce, or other event affects the ownership of the program and an applicant~~
 14.18 ~~seeks to assume operation of the program or service to ensure continuity of the program or~~
 14.19 ~~service while a license application is evaluated.~~

14.20 ~~(c) This subdivision applies to any program or service licensed under this chapter.~~

14.21 If a party's application under subdivision 2 is for a satellite license for a community
 14.22 residential setting under section 245D.23 or day services facility under 245D.27 and if the
 14.23 party already holds an active license to provide services under chapter 245D, the
 14.24 commissioner may issue a temporary transitional license to the party for the community

38.13 the license holder under the conditions of the variance when the variance is recommended
38.14 by the county of responsibility for each of the remaining individuals in placement in the
38.15 home and the licensing agency for the home.

38.16 (e) For an individual 18 years of age or older affiliated with a licensed family foster

39.10 (c) In connection with a foster family setting license, the commissioner may set aside
39.11 or grant a variance to the disqualification for an individual who is under 18 years of age at
39.12 the time the background study is submitted.

39.13 Sec. 35. Minnesota Statutes 2022, section 245C.30, is amended by adding a subdivision
39.14 to read:

39.15 Subd. 1b. **Child foster care variances.** For an individual seeking a child foster care

39.18 determining whether the individual should be granted a variance.

39.19 Sec. 36. Minnesota Statutes 2022, section 245F.09, subdivision 2, is amended to read:

39.20 Subd. 2. **Protective procedures plan.** A license holder must have a written policy and
39.21 procedure that establishes the protective procedures that program staff must follow when
39.22 a patient is in imminent danger of harming self or others. The policy must be appropriate
39.23 to the type of facility and the level of staff training. The protective procedures policy must
39.24 include:

39.25 (1) an approval signed and dated by the program director and medical director prior to
39.26 implementation. Any changes to the policy must also be approved, signed, and dated by the
39.27 current program director and the medical director prior to implementation;

39.28 (2) which protective procedures the license holder will use to prevent patients from
39.29 imminent danger of harming self or others;

39.30 (3) the emergency conditions under which the protective procedures are permitted to be
39.31 used, if any;

- 40.1 (4) the patient's health conditions that limit the specific procedures that may be used and
40.2 alternative means of ensuring safety;
- 40.3 (5) emergency resources the program staff must contact when a patient's behavior cannot
40.4 be controlled by the procedures established in the policy;
- 40.5 (6) the training that staff must have before using any protective procedure;
- 40.6 (7) documentation of approved therapeutic holds;
- 40.7 (8) the use of law enforcement personnel as described in subdivision 4;
- 40.8 (9) standards governing emergency use of seclusion. Seclusion must be used only when
40.9 less restrictive measures are ineffective or not feasible. The standards in items (i) to (vii)
40.10 must be met when seclusion is used with a patient:
- 40.11 (i) seclusion must be employed solely for the purpose of preventing a patient from
40.12 imminent danger of harming self or others;
- 40.13 (ii) seclusion rooms must be equipped in a manner that prevents patients from self-harm
40.14 using projections, windows, electrical fixtures, or hard objects, and must allow the patient
40.15 to be readily observed without being interrupted;
- 40.16 (iii) seclusion must be authorized by the program director, a licensed physician, a
40.17 registered nurse, or a licensed physician assistant. If one of these individuals is not present
40.18 in the facility, the program director or a licensed physician, registered nurse, or physician
40.19 assistant must be contacted and authorization must be obtained within 30 minutes of initiating
40.20 seclusion, according to written policies;
- 40.21 (iv) patients must not be placed in seclusion for more than 12 hours at any one time;
- 40.22 (v) once the condition of a patient in seclusion has been determined to be safe enough
40.23 to end continuous observation, a patient in seclusion must be observed at a minimum of
40.24 every 15 minutes for the duration of seclusion and must always be within hearing range of
40.25 program staff;
- 40.26 (vi) a process for program staff to use to remove a patient to other resources available
40.27 to the facility if seclusion does not sufficiently assure patient safety; and
- 40.28 (vii) a seclusion area may be used for other purposes, such as intensive observation, if
40.29 the room meets normal standards of care for the purpose and if the room is not locked; and
- 40.30 (10) physical holds may only be used when less restrictive measures are not feasible.
40.31 The standards in items (i) to (iv) must be met when physical holds are used with a patient:

41.1 (i) physical holds must be employed solely for preventing a patient from imminent
41.2 danger of harming self or others;

41.3 (ii) physical holds must be authorized by the program director, a licensed physician, a
41.4 registered nurse, or a physician assistant. If one of these individuals is not present in the
41.5 facility, the program director or a licensed physician, registered nurse, or physician assistant
41.6 must be contacted and authorization must be obtained within 30 minutes of initiating a
41.7 physical hold, according to written policies;

41.8 (iii) the patient's health concerns must be considered in deciding whether to use physical
41.9 holds and which holds are appropriate for the patient; and

41.10 (iv) only approved holds may be utilized. Prone and contraindicated holds are not allowed
41.11 according to section 245A.211 and must not be authorized.

41.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

41.13 Sec. 37. Minnesota Statutes 2022, section 245F.14, is amended by adding a subdivision

41.16 holder must notify the commissioner within five business days of a change or vacancy in a
41.17 key staff position. The key positions are a program director as required by subdivision 1, a
41.18 registered nurse as required by subdivision 4, and a medical director as required by
41.19 subdivision 5. The license holder must notify the commissioner of the staffing change or
41.20 vacancy on a form approved by the commissioner and include the name of the staff person
41.21 now assigned to the key staff position and the staff person's qualifications for the position.

41.22 **EFFECTIVE DATE.** This section is effective January 1, 2025.

41.23 Sec. 38. Minnesota Statutes 2022, section 245G.07, subdivision 4, is amended to read:

41.24 **Subd. 4. Location of service provision.** ~~The license holder may provide services at any~~
41.25 ~~of the license holder's licensed locations or at another suitable location including a school,~~
41.26 ~~government building, medical or behavioral health facility, or social service organization,~~
41.27 ~~upon notification and approval of the commissioner. If services are provided off site from~~
41.28 ~~the licensed site, the reason for the provision of services remotely must be documented.~~
41.29 ~~The license holder may provide additional services under subdivision 2, clauses (2) to (5),~~
41.30 ~~off-site if the license holder includes a policy and procedure detailing the off-site location~~
41.31 ~~as a part of the treatment service description and the program abuse prevention plan.~~

42.1 (a) The license holder must provide all treatment services a client receives at one of the
42.2 license holder's substance use disorder treatment licensed locations or at a location allowed

42.4 (d), the license holder must document in the client record the location services were provided.

42.5 (b) The license holder may provide nonresidential individual treatment services at a
42.6 client's home or place of residence.

42.7 (c) The license holder may provide treatment services via telehealth if the license holder

42.15 holder may provide nonresidential treatment services at satellite locations that are in a
42.16 school, jail, or nursing home. A satellite location may only provide services to students of
42.17 the school, inmates of the jail, or residents of the nursing home. Schools, jails, and nursing
42.18 homes are exempt from the licensing requirements in section 245A.04, subdivision 2a, to
42.19 document compliance with building codes, fire and safety codes, health rules, and zoning
42.20 ordinances.

42.21 (f) The commissioner may approve other suitable locations as satellite locations for
42.22 nonresidential treatment services. The commissioner may require satellite locations under
42.23 this paragraph to meet all applicable licensing requirements. The license holder may not
42.24 have more than two satellite locations per license under this paragraph.

42.25 (g) The license holder must provide the commissioner access to all files, documentation,
42.26 staff persons, and any other information the commissioner requires at the main licensed
42.27 location for all clients served at any location under paragraphs (b) to (f).

42.28 (h) Notwithstanding sections 245A.65, subdivision 2, and 626.557, subdivision 14, a
42.29 program abuse prevention plan is not required for satellite or other locations under paragraphs
42.30 (b) to (e). An individual abuse prevention plan is still required for any client that is a

46.14 (i) "Unsupervised use" or "take-home" means the use of a medication for the treatment
46.15 of opioid use disorder dispensed for use by a client outside of the program setting.

46.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

46.17 Sec. 43. Minnesota Statutes 2022, section 245G.22, subdivision 6, is amended to read:

46.18 Subd. 6. **Criteria for unsupervised use.** (a) To limit the potential for diversion of
46.19 medication used for the treatment of opioid use disorder to the illicit market, medication
46.20 dispensed to a client for unsupervised use shall be subject to the requirements of this
46.21 subdivision. Any client in an opioid treatment program may receive ~~a single unsupervised~~
46.22 ~~use dose for a day that the clinic is closed for business, including Sundays and state and~~
46.23 ~~federal holidays~~ their individualized take-home doses as ordered for days that the clinic is
46.24 closed for business, on one weekend day (e.g., Sunday) and state and federal holidays, no
46.25 matter their length of time in treatment, as allowed under Code of Federal Regulations, title
46.26 42, part 8.12 (i)(1).

46.27 (b) For take-home doses beyond those allowed by paragraph (a), a practitioner with
46.28 authority to prescribe must review and document the criteria in this paragraph and paragraph
46.29 ~~(e)~~ the Code of Federal Regulations, title 42, part 8.12 (i)(2), when determining whether
46.30 dispensing medication for a client's unsupervised use is safe and it is appropriate to
46.31 implement, increase, or extend the amount of time between visits to the program. The criteria
46.32 are:

47.1 ~~(1) absence of recent abuse of drugs including but not limited to opioids, non-narcotics,~~
 47.2 ~~and alcohol;~~

47.3 ~~(2) regularity of program attendance;~~

47.4 ~~(3) absence of serious behavioral problems at the program;~~

47.5 ~~(4) absence of known recent criminal activity such as drug dealing;~~

47.6 ~~(5) stability of the client's home environment and social relationships;~~

47.7 ~~(6) length of time in comprehensive maintenance treatment;~~

47.8 ~~(7) reasonable assurance that unsupervised use medication will be safely stored within~~
 47.9 ~~the client's home; and~~

47.10 ~~(8) whether the rehabilitative benefit the client derived from decreasing the frequency~~
 47.11 ~~of program attendance outweighs the potential risks of diversion or unsupervised use.~~

47.12 (c) The determination, including the basis of the determination must be documented by
 47.13 a practitioner in the client's medical record.

47.14 **EFFECTIVE DATE.** This section is effective the day following final enactment.

47.15 Sec. 44. Minnesota Statutes 2022, section 245G.22, subdivision 7, is amended to read:

47.16 **Subd. 7. Restrictions for unsupervised use of methadone hydrochloride.** (a) If a
 47.17 ~~medical director or prescribing~~ practitioner assesses ~~and~~, determines, and documents that
 47.18 a client meets the criteria in subdivision 6 ~~and may be dispensed a medication used for the~~
 47.19 ~~treatment of opioid addiction, the restrictions in this subdivision must be followed when~~
 47.20 ~~the medication to be dispensed is methadone hydrochloride. The results of the assessment~~
 47.21 ~~must be contained in the client file. The number of unsupervised use medication doses per~~
 47.22 ~~week in paragraphs (b) to (d) is in addition to the number of unsupervised use medication~~
 47.23 ~~doses a client may receive for days the clinic is closed for business as allowed by subdivision~~
 47.24 ~~6, paragraph (a) and that a patient is safely able to manage unsupervised doses of methadone,~~
 47.25 the number of take-home doses the client receives must be limited by the number allowed
 47.26 by the Code of Federal Regulations, title 42, part 8.12 (i)(3).

47.27 ~~(b) During the first 90 days of treatment, the unsupervised use medication supply must~~
 47.28 ~~be limited to a maximum of a single dose each week and the client shall ingest all other~~
 47.29 ~~doses under direct supervision.~~

47.30 ~~(c) In the second 90 days of treatment, the unsupervised use medication supply must be~~
 47.31 ~~limited to two doses per week.~~

48.1 ~~(d) In the third 90 days of treatment, the unsupervised use medication supply must not~~
48.2 ~~exceed three doses per week.~~

48.3 ~~(e) In the remaining months of the first year, a client may be given a maximum six-day~~
48.4 ~~unsupervised use medication supply.~~

48.5 ~~(f) After one year of continuous treatment, a client may be given a maximum two-week~~
48.6 ~~unsupervised use medication supply.~~

48.7 ~~(g) After two years of continuous treatment, a client may be given a maximum one-month~~
48.8 ~~unsupervised use medication supply, but must make monthly visits to the program.~~

48.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

48.10 Sec. 45. Minnesota Statutes 2023 Supplement, section 245G.22, subdivision 17, is amended
48.11 to read:

48.12 Subd. 17. **Policies and procedures.** (a) A license holder must develop and maintain the
48.13 policies and procedures required in this subdivision.

48.14 (b) For a program that is not open every day of the year, the license holder must maintain
48.15 a policy and procedure that covers requirements under section 245G.22, subdivisions 6 and
48.16 7. Unsupervised use of medication used for the treatment of opioid use disorder for days
48.17 that the program is closed for business, ~~including but not limited to Sundays~~ on one weekend
48.18 day and state and federal holidays, must meet the requirements under section 245G.22,
48.19 subdivisions 6 and 7.

48.20 (c) The license holder must maintain a policy and procedure that includes specific
48.21 measures to reduce the possibility of diversion. The policy and procedure must:

48.22 (1) specifically identify and define the responsibilities of the medical and administrative
48.23 staff for performing diversion control measures; and

48.24 (2) include a process for contacting no less than five percent of clients who have
48.25 unsupervised use of medication, excluding clients approved solely under subdivision 6,
48.26 paragraph (a), to require clients to physically return to the program each month. The system
48.27 must require clients to return to the program within a stipulated time frame and turn in all
48.28 unused medication containers related to opioid use disorder treatment. The license holder
48.29 must document all related contacts on a central log and the outcome of the contact for each
48.30 client in the client's record. The medical director must be informed of each outcome that
48.31 results in a situation in which a possible diversion issue was identified.

49.1 (d) Medication used for the treatment of opioid use disorder must be ordered,
 49.2 administered, and dispensed according to applicable state and federal regulations and the
 49.3 standards set by applicable accreditation entities. If a medication order requires assessment
 49.4 by the person administering or dispensing the medication to determine the amount to be
 49.5 administered or dispensed, the assessment must be completed by an individual whose
 49.6 professional scope of practice permits an assessment. For the purposes of enforcement of
 49.7 this paragraph, the commissioner has the authority to monitor the person administering or
 49.8 dispensing the medication for compliance with state and federal regulations and the relevant
 49.9 standards of the license holder's accreditation agency and may issue licensing actions
 49.10 according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's
 49.11 determination of noncompliance.

49.12 (e) A counselor in an opioid treatment program must not supervise more than 50 clients.

49.13 (f) Notwithstanding paragraph (e), from July 1, 2023, to June 30, 2024, a counselor in
 49.14 an opioid treatment program may supervise up to 60 clients. The license holder may continue
 49.15 to serve a client who was receiving services at the program on June 30, 2024, at a counselor
 49.16 to client ratio of up to one to 60 and is not required to discharge any clients in order to return
 49.17 to the counselor to client ratio of one to 50. The license holder may not, however, serve a
 49.18 new client after June 30, 2024, unless the counselor who would supervise the new client is
 49.19 supervising fewer than 50 existing clients.

49.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

49.21 Sec. 46. Minnesota Statutes 2023 Supplement, section 256.046, subdivision 3, is amended
 49.22 to read:

49.23 Subd. 3. **Administrative disqualification of child care providers caring for children**
 49.24 **receiving child care assistance.** (a) The department shall pursue an administrative
 49.25 disqualification, if the child care provider is accused of committing an intentional program
 49.26 violation, in lieu of a criminal action when it has not been pursued. Intentional program
 49.27 violations include intentionally making false or misleading statements; intentionally
 49.28 misrepresenting, concealing, or withholding facts; and repeatedly and intentionally violating
 49.29 program regulations under chapters 119B and 245E. Intent may be proven by demonstrating
 49.30 a pattern of conduct that violates program rules under chapters 119B and 245E.

49.31 (b) To initiate an administrative disqualification, the commissioner must ~~mail~~ send
 49.32 written notice ~~by certified mail~~ using a signature-verified confirmed delivery method to the
 49.33 provider against whom the action is being taken. Unless otherwise specified under chapter
 49.34 119B or 245E or Minnesota Rules, chapter 3400, the commissioner must ~~mail~~ send the

50.1 written notice at least 15 calendar days before the adverse action's effective date. The notice
