12.4 (2) provide the commissioner with documentation that demonstrates the party has a legal
 12.5 or legitimate ownership interest in the program or service if applicable and is able to operate
 12.6 the program or service.

12.7 (c) If the commissioner approves the party to continue operating the program or service

12.18 (e) The provisions in subdivision 3, paragraphs (c), (d), and (f) to (i) apply to this
 12.19 subdivision.

12.20 (f) Once a party is issued a new license or has decided not to seek a new license, the

 13.6 ~~service while a license application is evaluated.~~

13.7 ~~(c) This subdivision applies to any program or service licensed under this chapter.~~

13.8 If a party's application under subdivision 2 is for a satellite license for a community
 13.9 residential setting under section 245D.23 or day services facility under 245D.27 and if the
 13.10 party already holds an active license to provide services under chapter 245D, the
 13.11 commissioner may issue a temporary transitional license to the party for the community
 13.12 residential setting or day services facility while the commissioner evaluates the party's
 13.13 application. Until a decision is made to grant or deny a community residential setting or

14.20 temporary provisional license shall be issued to the license holder upon payment of any fee
14.21 required under section 245A.10. The temporary provisional license shall expire on the date
14.22 the final order is issued. If the license holder prevails on the appeal, a new nonprovisional

14.24 (c) If a license holder is under investigation and the license issued under this chapter is
14.25 due to expire before completion of the investigation, the program shall be issued a new

 37.22 the commissioner shall consider the importance of maintaining the child's relationship with
 37.23 relatives as an additional significant factor in determining whether a background study
 37.24 disqualification should be set aside.

37.25 ~~(e)~~ (d) If the individual requested reconsideration on the basis that the information relied
 37.26 upon to disqualify the individual was incorrect or inaccurate and the commissioner determines
 37.27 that the information relied upon to disqualify the individual is correct, the commissioner

 37.29 accordance with paragraph (b).

37.30 ~~(d)~~ (e) For an individual seeking employment in the substance use disorder treatment
 37.31 field, the commissioner shall set aside the disqualification if the following criteria are met:

38.25 with adults. A request for reconsideration evaluated under this paragraph must include a
38.26 letter of recommendation from the license holder that was subject to the prior set-aside

38.32 passed since the discharge of the sentence imposed, the commissioner may consider granting
38.33 a set-aside pursuant to section 245C.22. A request for reconsideration evaluated under this

39.1 paragraph must include a letter of recommendation from the employer. This paragraph does
39.2 not apply to a person disqualified based on a violation of sections 243.166; 609.185 to

50.4 245G.22, subdivisions 6 and 7.

50.5 (c) The license holder must maintain a policy and procedure that includes specific
50.6 measures to reduce the possibility of diversion. The policy and procedure must:

50.7 (1) specifically identify and define the responsibilities of the medical and administrative
50.8 staff for performing diversion control measures; and

50.9 (2) include a process for contacting no less than five percent of clients who have
50.10 unsupervised use of medication, excluding clients approved solely under subdivision 6,
50.11 paragraph (a), to require clients to physically return to the program each month. The system
50.12 must require clients to return to the program within a stipulated time frame and turn in all
50.13 unused medication containers related to opioid use disorder treatment. The license holder
50.14 must document all related contacts on a central log and the outcome of the contact for each
50.15 client in the client's record. The medical director must be informed of each outcome that
50.16 results in a situation in which a possible diversion issue was identified.

50.17 (d) Medication used for the treatment of opioid use disorder must be ordered,
50.18 administered, and dispensed according to applicable state and federal regulations and the
50.19 standards set by applicable accreditation entities. If a medication order requires assessment
50.20 by the person administering or dispensing the medication to determine the amount to be
50.21 administered or dispensed, the assessment must be completed by an individual whose
50.22 professional scope of practice permits an assessment. For the purposes of enforcement of
50.23 this paragraph, the commissioner has the authority to monitor the person administering or
50.24 dispensing the medication for compliance with state and federal regulations and the relevant
50.25 standards of the license holder's accreditation agency and may issue licensing actions
50.26 according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's
50.27 determination of noncompliance.

50.28 (e) A counselor in an opioid treatment program must not supervise more than 50 clients.

50.29 (f) Notwithstanding paragraph (e), from July 1, 2023, to June 30, 2024, a counselor in
50.30 an opioid treatment program may supervise up to 60 clients. The license holder may continue
50.31 to serve a client who was receiving services at the program on June 30, 2024, at a counselor
50.32 to client ratio of up to one to 60 and is not required to discharge any clients in order to return
50.33 to the counselor to client ratio of one to 50. The license holder may not, however, serve a

51.1 new client after June 30, 2024, unless the counselor who would supervise the new client is
51.2 supervising fewer than 50 existing clients.

51.11 misrepresenting, concealing, or withholding facts; and repeatedly and intentionally violating
51.12 program regulations under chapters 119B and 245E. Intent may be proven by demonstrating

52.3 (f) The hearing is subject to the requirements of sections 256.045 and 256.0451. The
52.4 human services judge may combine a fair hearing and administrative disqualification hearing
52.5 into a single hearing if the factual issues arise out of the same or related circumstances and
52.6 the provider receives prior notice that the hearings will be combined.

52.7 (g) A provider found to have committed an intentional program violation and is
52.8 administratively disqualified shall be disqualified, for a period of three years for the first
52.9 offense and permanently for any subsequent offense, from receiving any payments from
52.10 any child care program under chapter 119B.
