Introduction and first reading  
Referred to Jobs and Economic Development

OFFICIAL STATUS

1.1 A bill for an act  
1.2 relating to economic development; establishing the Rondo Restorative Development  
1.3 Authority for the operations of a land bridge in the Rondo neighborhood of St.  
1.4 Paul; proposing coding for new law in Minnesota Statutes, chapter 116J.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. **PURPOSE.**

1.7 (a) The purpose of this act is to provide for the transfer of state real estate interests,  
1.8 including right-of-way air rights, construction, development, financing, community  
1.9 ownership, formation of and ownership of private development entities, transfer of  
1.10 developments, and long-term operations of the land bridge in the Rondo neighborhood of  
1.11 the city.

1.12 (b) The legislature finds and declares that the establishment of the authority and the  
1.13 expenditure of public money for this purpose are necessary and serve a public purpose and  
1.14 that property acquired by the authority for the construction and development of the land  
1.15 bridge is acquired for a public use or public purpose under chapter 117.

1.16 (c) The legislature further finds and declares that government assistance to facilitate the  
1.17 land bridge provides to the state, its citizens, and the citizens of the Rondo community  
1.18 highly valued intangible benefits that help address historic racial inequities that led to the  
1.19 destruction of the Rondo neighborhood by the routing of an interstate highway through the  
1.20 neighborhood in 1950s, causing the loss of approximately 700 homes and 300 businesses  
1.21 with inadequate compensation and leading to significant loss of generational wealth.
