2.2 area, as defined by section 200.02, subdivision 24, that are contained in the same county;  
2.3 or

2.4 (4) for noncontiguous precincts located in one or more counties.

2.5 Subject to the requirements of paragraph (c), a single, accessible, combined polling place  
2.6 may be established after ~~May~~ November 1 of any year in the event of an emergency.

2.7 A copy of the ordinance or resolution establishing a combined polling place must be  
2.8 filed with the county auditor within 30 days after approval by the governing body, and the  
2.9 county auditor must provide notice within ten days to the secretary of state, in a manner  
2.10 and including information prescribed by the secretary of state. A polling place combined  
2.11 under clause (3) must be approved by the governing body of each participating municipality.  
2.12 A polling place combined under clause (4) must be approved by the governing body of each

2.26 boxes must be provided for the ballots from each precinct. The results of the election must  
2.27 be reported separately for each precinct served by the combined polling place, except in a  
2.28 polling place established under clause (2) where one of the precincts has fewer than ten  
2.29 registered voters, in which case the results of that precinct must be reported in the manner  
2.30 specified by the secretary of state.

3.10 by the local election official of each participating municipality;

3.11 (5) the local elections official must immediately notify the county auditor and the  
3.12 secretary of state of the combination, including the reason for the emergency combination  
3.13 and the location of the combined polling place. As soon as possible, the local elections  
3.14 official must also post a notice stating the reason for the combination and the location of  
3.15 the combined polling place. The notice must also be posted on the governing board's website,  
3.16 if one exists. The local elections official must also notify the election judges and request  
3.17 that local media outlets publicly announce the reason for the combination and the location  
3.18 of the combined polling place; and

3.19 (6) on election day, the local elections official must post a notice in large print in a  
3.20 conspicuous place at the polling place where the emergency occurred, if practical, stating  
3.21 the location of the combined polling place. The local election official must also post the  
3.22 notice, if practical, in a location visible by voters who vote from their motor vehicles as

Subd. 2. **Example ballots.** No later than 70 days before the presidential nomination primary, the secretary of state must supply each county auditor with example ballots to be used at the presidential nomination primary. The county auditor shall post a similar notice in the auditor's office with information for any polling places in unorganized territory in the county.
