3.21 (h) A license issued under this section is not transferable.

3.22 (i) A license holder must apply for license renewal annually by submitting a renewal
3.23 application on a form approved by the board. The license renewal application must be
3.24 postmarked by July 1 of each year. A late renewal is subject to a 50 percent penalty fee. If
3.25 a license is not renewed by August 1, the license holder must reapply for an initial license.

3.26 (j) A breeder must submit to the board an annual report by August 1 on a form
3.27 prepared by the board. The form must include the current number of cats and dogs at the
3.28 facility on the date of the report, the number of animals during the preceding year that

4.2 in address, name, management, or substantial control and ownership of the business or
4.3 operation.

4.4 (n) The board shall refuse to issue an initial license when a breeder:

4.5 (1) fails to meet the applicable federal laws and United States Department of
4.6 Agriculture regulations governing the license holder;

4.7 (2) has violated any provision of chapter 343 or 346;

4.8 (3) has failed to meet any of the requirements of this section and section 347.59;

4.9 (4) has failed to meet any of the requirements of a local ordinance governing the
4.10 license holder;

4.11 (5) has been convicted of cruelty to animals under Minnesota law or under the
4.12 law of another jurisdiction;

4.13 (6) has been denied a similar license issued by another authority, either federal or
4.14 state, or if the license has been revoked or suspended; or

4.15 (7) has falsified any material information requested by the board.

4.16 (o) A person who has been an officer, agent, direct family member, or employee
4.17 of a breeder whose license was revoked or suspended and who was responsible for or
4.18 participated in the violation that was a basis for the revocation or suspension may not be
4.19 licensed while the revocation or suspension is in effect.

4.20 Subd. 2. **Inspections.** (a) The board or its designated agent shall inspect each
4.21 licensed facility at least annually. The inspection must be during normal business hours
4.22 and with the breeder or an agent of the breeder present. Notice is not required before an
4.23 inspection. The inspector must submit an inspection report to the board within ten days
4.24 of each inspection on a form prepared by the board. The inspection report form must
4.25 list separately each law, rule, regulation, and ordinance the facility is not in compliance
4.26 with and what correction is required for compliance. The inspection report form must
4.27 document the animal inventory on the date of the inspection.

4.28 (b) The board may request a veterinarian not affiliated with the breeder, a peace
4.29 officer, a local animal control authority, or a humane agent appointed under section 343.01
4.30 to assist in an inspection or investigation.

4.31 (c) If a license to operate is suspended, revoked, or denied, the board or its
4.32 designated agent shall have access to the facility during normal business hours to verify
4.33 that it is not operating.

4.34 Subd. 3. **Fees; rules.** The board shall adopt rules to establish the license fees
4.35 required by this section.

5.1 Sec. 3. [347.59] STANDARDS OF CARE.

5.2 (a) A breeder must comply with the following:

5.3 (1) all applicable federal laws and United States Department of Agriculture
5.4 regulations governing the license holder;

5.5 (2) chapters 343 and 346; and

5.6 (3) the requirements of an applicable local ordinance governing the license holder.

5.7 (b) A breeder must ensure that animals that are part of the breeder's breeding
5.8 business operations are cared for as follows:

5.9 (1) cats must not be housed in outdoor confinement areas;

5.10 (2) animals exercised in groups must be compatible and free of illness;

5.11 (3) females in estrus must not be housed with unneutered males, except for breeding
5.12 purposes;

5.13 (4) animals must be provided daily socialization with human beings and compatible
5.14 animals;

5.15 (5) animals must not be sold, traded, or given away before the age of eight weeks;

5.16 (6) the breeder must provide identification and tracking for each animal, which is not
5.17 transferable to another animal;

5.18 (7) the breeder must provide adequate staff to maintain the facility and properly
5.19 care for the animals; and

5.20 (8) after July 1, 2010, the breeder may not possess more than 50 adult animals at
5.21 a facility for the purpose of breeding, except that a breeder possessing more than 50
5.22 adult animals for the purpose of breeding on July 1, 2010, may continue to maintain
5.23 the inventory of animals but may add or replace animals only if the number of animals
5.24 possessed for the purpose of breeding is less than 51 animals.

5.25 (c) A breeder must not hire staff or independent contractors who have been convicted
5.26 of cruelty to animals under the law of any jurisdiction.

5.27 (d) A breeder must comply with any additional standards the board considers
5.28 necessary to protect the public health and welfare of animals covered under sections
5.29 347.57 to 347.61.

5.30 Sec. 4. [347.60] INVESTIGATIONS.

5.31 The board, a local animal control authority, a peace officer, or a humane agent
5.32 appointed under section 343.01 may initiate an investigation upon receiving a formal
5.33 complaint alleging violations of section 347.58 or 347.59.

5.34 Sec. 5. [347.61] SEIZURE.

6.1 An animal may be seized for a violation of section 347.58 or 347.59 that threatens
6.2 the health or welfare of the animal. Section 343.235 applies to the disposition of animals
6.3 seized under this section.

6.4 Sec. 6. **[347.62] CIVIL ENFORCEMENT.**

6.5 Subdivision 1. **Correction orders.** (a) The board may issue a correction order
6.6 requiring a breeder to correct a violation of federal and state statutes, rules, and regulations
6.7 governing breeding facilities. The correction order must state the deficiencies that
6.8 constitute the violation; the specific statute, rule, or regulation violated; and when the
6.9 violation must be corrected.

6.10 (b) A breeder may ask the board to reconsider any portion of the correction order that
6.11 the breeder believes is in error. The request for reconsideration must be made in writing
6.12 by certified mail within seven days after receipt of the correction order. The request for
6.13 reconsideration does not stay the correction order. The board must respond to the request
6.14 for reconsideration within 15 days after receiving a request. The board's disposition of a
6.15 request for reconsideration is final. The board may extend the time for complying with a
6.16 correction order after receiving a request for reconsideration if necessary.

6.17 (c) The board shall reinspect the facility within 15 days after the time for correcting
6.18 the violation has passed to determine whether the violation has been corrected.

6.19 Subd. 2. **Administrative penalty orders.** After the inspection required under
6.20 subdivision 1, paragraph (c), the board may issue an order requiring violations to
6.21 be corrected and administratively assessing monetary penalties for violations. The
6.22 administrative penalty order must include a citation of the statute, rule, or regulation
6.23 violated; a description of the violation; and the amount of the penalty for each violation. A
6.24 single correction order may assess a maximum administrative penalty of \$5,000.

6.25 Subd. 3. **Injunctive relief.** In addition to any other remedy provided by law, the
6.26 board may bring an action for injunctive relief in the district court in Ramsey County or in
6.27 the county in which a violation of the statutes, rules, or regulations governing the breeding
6.28 of cats and dogs occurred to enjoin the violation.

6.29 Subd. 4. **Cease and desist.** The board may issue an order to cease a practice if its
6.30 continuation would result in an immediate risk to animal welfare or public health. An
6.31 order issued under this subdivision is effective for a maximum of 72 hours. The board or
6.32 its designated agent must seek an injunction or take other administrative action authorized
6.33 by law to restrain a practice beyond 72 hours. The issuance of a cease-and-desist order
6.34 does not preclude other enforcement action by the board.

7.1 Subd. 5. Refusal to reissue a license; suspension and revocation of a license.

7.2 (a) The board may suspend, revoke, or refuse to renew a license as follows:

7.3 (1) for failure to comply with a correction order;

7.4 (2) for failure to pay an administrative penalty;

7.5 (3) for failure to meet the requirements of section 347.58 or 347.59; or

7.6 (4) for falsifying information requested by the board.

7.7 A license suspension, revocation, or nonrenewal may be appealed through the Office of
7.8 Administrative Hearings. A notice of intent to appeal must be filed in writing with the
7.9 board within 20 days after receipt of the notice of suspension, revocation, or nonrenewal.

7.10 (b) The board shall revoke a license if a breeder or any agent of a breeder has been
7.11 convicted of cruelty to animals under Minnesota law or the law of another jurisdiction, or
7.12 for the denial, revocation, or suspension of a similar license by another federal or state
7.13 authority. A license revocation under this subdivision may be appealed through the Office
7.14 of Administrative Hearings. A notice of intent to appeal must be filed in writing with the
7.15 board within 20 days after receipt of the notice of revocation.

7.16 (c) A breeder whose license is revoked may not reapply for licensure for two years
7.17 after the date of revocation. The license is permanently revoked if the basis for the
7.18 revocation was a gross misdemeanor or felony conviction for animal cruelty.

7.19 (d) A breeder whose license is suspended or revoked three times is permanently
7.20 barred from licensure.

7.21 Subd. 6. Administrative hearing rights. (a) Except as provided in paragraph (b), if
7.22 the board proposes to refuse to renew, suspend, or revoke a license, the board must first
7.23 notify the breeder in writing of the proposed action and provide an opportunity to request a
7.24 hearing under the contested case provisions of chapter 14. If the breeder does not request
7.25 a hearing within 20 days after receipt of the notice of the proposed action, the board may
7.26 proceed with the action without a hearing.

7.27 (b) The contested case provisions of chapter 14 do not apply when the board denies
7.28 a license based on an applicant's failure to meet the minimum qualifications for licensure.

7.29 (c) A breeder may appeal the amount of an administrative penalty order through
7.30 the Office of Administrative Hearings pursuant to the procedures set forth in chapter 14.
7.31 A breeder wishing to file an appeal must notify the board in writing within 20 days after
7.32 receipt of the administrative penalty order.

7.33 Subd. 7. Other jurisdictions. The board may accept as prima facie evidence of
7.34 grounds for an enforcement action under this section any enforcement or disciplinary
7.35 action from another jurisdiction, if the underlying violation would be grounds for a
7.36 violation under the provisions of this section.

8.1 Subd. 8. Appeals. A final order by the board may be appealed to the Minnesota
8.2 Court of Appeals.

8.3 Sec. 7. [347.63] PENALTIES.

8.4 (a) Except as provided in paragraph (b), a violation of section 347.58 or 347.59
8.5 is a misdemeanor.

8.6 (b) A violation of section 347.58 or 347.59 that results in cruelty or torture to an
8.7 animal, as those terms are defined in section 343.20, subdivision 3, is subject to the
8.8 penalties in section 343.21, subdivisions 9 and 10.

8.9 (c) It is a misdemeanor for a broker or pet dealer to knowingly purchase or trade a
8.10 dog or cat for the purpose of resale or trade to another person from a person required to be
8.11 licensed but who does not have a valid license.

8.12 (d) It is a misdemeanor for a pet dealer who is not the breeder of any animal to
8.13 knowingly possess an animal under the age of eight weeks. This restriction does not
8.14 apply to humane societies, nonprofit organizations performing the functions of a humane
8.15 society, or a local animal control authority.

8.16 (e) It is a misdemeanor to falsify information in a license application, annual report,
8.17 or records.

8.18 (f) It is a misdemeanor for an unlicensed breeder to advertise animals for sale.

8.19 Sec. 8. [347.64] DOG AND CAT BREEDERS LICENSING ACCOUNT;
8.20 APPROPRIATION.

8.21 A dog and cat breeders licensing account is created in the special revenue fund.
8.22 All fees and penalties collected by the board under sections 347.58 to 347.63 must be
8.23 deposited in the state treasury and credited to the dog and cat breeders licensing account
8.24 in the special revenue fund. Money in the account, including interest on the account, is
8.25 annually appropriated to the board to administer those sections.

8.26 Sec. 9. REGISTRATION.

8.27 Beginning July 1, 2009, until June 30, 2010, a breeder shall register each facility
8.28 it owns or operates by paying a registration fee of \$..... per facility to the board. Fees
8.29 collected under this section must be disposed of under Minnesota Statutes, section 347.64.

8.30 Sec. 10. EFFECTIVE DATE.

8.31 Sections 1 to 7 are effective July 1, 2010. Sections 8 and 9 are effective the day
8.32 following final enactment.
