10/09/20	REVISOR	RSI/CS	20-9218	as introduced
----------	---------	--------	---------	---------------

6.1	shall consult with the Office of Broadband Development to develop administrative procedures
6.2	governing the application and grant award process that conforms with federal guidance for
6.3	spending coronavirus relief federal funds. The commissioner shall act as fiscal agent for
6.4	the grant program and shall be responsible for receiving and reviewing grant applications
6.5	and awarding grants under this section.
6.6	Subd. 6. Application contents. An applicant for a grant under this section shall provide
6.7	the following information on the application:
6.8	(1) the location of the project;
6.9	(2) the kind and amount of broadband infrastructure to be purchased for the project;
6.10	(3) evidence regarding the unserved or underserved nature of the community in which
6.11	the project is to be located;
6.12	(4) the number of households passed that will have access to broadband service as a
6.13	result of the project, or whose broadband service will be upgraded as a result of the project;
6.14	(5) the total cost of the project;
6.15	(6) sources of funding or in-kind contributions for the project that will supplement any
6.16	grant award; and
6.17	(7) any additional information requested by the commissioner.
6.18	Subd. 7. Challenge process. (a) Within three days of the close of the grant application
6.19	process, the office shall publish on its website the proposed geographic broadband service
6.20	area and the proposed broadband service speeds for each application submitted.
6.21	(b) An existing broadband service provider in or proximate to the proposed project area
6.22	may, within ten days of publication of the information under paragraph (a), submit in writing
6.23	to the commissioner a challenge to an application. A challenge must contain information
6.24	demonstrating that:
6.25	(1) the provider currently provides or has begun construction to provide broadband
6.26	service to the proposed project area at speeds equal to or greater than the state speed goal
6.27	contained in Minnesota Statutes, section 237.012, subdivision 1; or
6.28	(2) the provider commits to complete construction of broadband infrastructure and
6.29	provide broadband service in the proposed project area at speeds equal to or greater than
6.30	the state speed goal contained in Minnesota Statutes, section 237.012, subdivision 1, no
6.31	later than 18 months after the date grant awards are made under this section for the grant
6.32	cycle under which the application was submitted.

10/09/20	REVISOR	RSI/CS	20-9218	as introduced
----------	---------	--------	---------	---------------

7.1	(c) The commissioner must evaluate the information submitted in a provider's challenge
7.2	under this section, and is prohibited from funding a project if the commissioner determines
7.3	that the provider's commitment to provide broadband service that meets the requirements
7.4	of paragraph (b) in the proposed project area is credible.
7.5	(d) If the commissioner denies funding to an applicant as a result of a broadband service
7.6	provider's challenge made under this section, and the broadband service provider does not
7.7	fulfill the provider's commitment to provide broadband service in the project area, the
7.8	commissioner is prohibited from denying funding to an applicant as a result of a challenge
7.9	by the same broadband service provider for the following two grant cycles, unless the
7.10	commissioner determines that the broadband service provider's failure to fulfill the provider's
7.11	commitment was the result of factors beyond the broadband service provider's control.
7.12	Subd. 8. Awarding grants. (a) In evaluating applications and awarding grants, the
7.13	commissioner shall give priority to applications that are constructed in areas identified by
7.14	the director of the Office of Broadband Development as unserved.
7.15	(b) In evaluating applications and awarding grants, the commissioner may give priority
7.16	to applications that:
7.17	(1) are constructed in areas identified by the director of the Office of Broadband
7.18	Development as underserved;
7.19	(2) facilitate the use of telemedicine and electronic health records;
7.20	(3) serve economically distressed areas of the state, as measured by indices of
7.21	unemployment, poverty, or population loss that are significantly greater than the statewide
7.22	average; and
7.23	(4) provide access to broadband service to a greater number of unserved or underserved
7.24	households and businesses.
7.25	(c) The commissioner shall endeavor to award grants under this section to qualified
7.26	applicants in all regions of the state.
7.27	Subd. 9. Grant amount. (a) The commissioner must establish an amount for grants
7.28	awarded under this section based on:
7.29	(1) the number of applicants;
7.30	(2) the total amount of money requested in the applications; and
7.31	(3) the availability of federal money for a similar purpose.

	10/09/20	REVISOR	RSI/CS	20-9218	as introduced
8.1	(b) No grant	s awarded under :	this section ma	y fund more than 75 perce	ent of the total

8.3	(c) Grants av	varded to a single	e project must r	not exceed \$500,000.	
8.4	<u>Subd. 10.</u> Re	eissue grant appl	lication. If the	total grant requests based of	on the number of
8.5	applications reco	eived under subd	ivision 4 are les	ss than the amount of mor	ey available for
8.6	this program, th	e commissioner r	nay accept add	itional applications beyon	d the initial
8.7	deadline, and av	vard grants that n	nay exceed the	amount established in sub	division 9,
8.8	paragraph (c).				
8.9	<u>Subd. 11.</u> Gi	rant agreement.	Notwithstandir	ng Minnesota Statutes, sec	tions 16B.98,
8.10	subdivisions 5 a	nd 7, and 16C.05	, subdivision 2	, and any other provision	of law, the
8.11	commissioner m	nay allow an appl	icant that was a	warded a grant under this	section to begin
8.12	construction of a	project and may	encumber the a	mount of the grant before t	he commissioner
8.13	has finalized a g	grant agreement.			
8.14	EFFECTIV	E DATE. This se	ection is effecti	ve the day following final	enactment.
8.15	Sec. 4. <u>APPR</u>	OPRIATION.			
8.16	<u>(a) \$15,000,0</u>	000 in fiscal year	2021 is approp	priated from the coronavir	us relief federal
8.17	fund to the com	missioner of emp	loyment and ec	conomic development for	transfer to the
8.18	commissioner of	f education for em	nergency distan	ce learning wireless or wir	e-line broadband
8.19	access for stude	nt grants for scho	ol districts and	charter schools under sect	tion 1. Up to five
8.20	percent of the ap	propriation under	r this paragraph	may be used to reimburse	reasonable costs
8.21	incurred by the	Department of Ec	lucation to adm	ninister section 1. This is a	1 onetime
8.22	appropriation. A	ny funds that rem	nain unexpende	d on April 15, 2021, are ca	anceled. By May
8.23	15,2021, the con	nmissioner of edu	acation must rep	port to the legislature regar	ding the districts
8.24	and charter scho	ols that received g	grants under sec	tion 1, the per-pupil amou	nt for each grant,
8.25	and the number	of students that w	ere provided In	ternet access. The report n	nust also identify
8.26	the costs to adm	inister the grant p	program and th	e amount canceled. Mone	y appropriated
8.27	under this parag	raph must not be	spent until the	commissioner of manager	ment and budget
8.28	determines that t	the appropriation	in this paragrap	h is an eligible use of the c	oronavirus relief
8.29	federal fund.				
8.30	<u>(b) \$2,000,0</u>	00 in fiscal year 2	2021 is appropr	iated from the coronaviru	s relief federal
8.31	fund to the com	missioner of emp	loyment and ec	conomic development to a	ward grants for
8.32	the purchase of	telemedicine equ	ipment under s	ection 2. Up to five percer	nt of the
8.33	appropriation ur	nder this paragrap	h may be used	to reimburse the reasonab	le costs incurred

9.1	by the Department of Employment and Economic Development to administer section 2.
9.2	This is a onetime appropriation. Any funds that remain unexpended on April 15, 2021, are
9.3	canceled. By May 15, 2021, the commissioner of employment and economic development
9.4	must report to the legislature regarding the number of applications received under section
9.5	2, the number of grants awarded, the maximum and minimum grant amounts awarded, and
9.6	the mean and median grant amounts awarded. The report must also identify the costs to
9.7	administer the grant program and the amount canceled. Money appropriated under this
9.8	paragraph must not be spent until the commissioner of management and budget determines
9.9	that the appropriation in this paragraph is an eligible use of the coronavirus relief federal
9.10	<u>fund.</u>
9.11	(c) \$10,000,000 in fiscal year 2021 is appropriated from the coronavirus relief federal
9.12	fund to the commissioner of employment and economic development for supplemental
9.13	broadband development grants under section 3. This appropriation is available until April
9.14	15, 2021. The appropriation must be used only to provide broadband service in unserved
9.15	areas, except that broadband infrastructure, as defined in Minnesota Statutes, section
9.16	116J.394, for that purpose may be placed in underserved areas. By May 15, 2021, the
9.17	commissioner of employment and economic development must report to the legislature
9.18	regarding the number of applications received under section 3, the number of grants awarded,
9.19	the grant amounts, and the costs to administer the grant program. This is a onetime
9.20	appropriation. Money appropriated under this paragraph must not be spent until the
9.21	commissioner of management and budget determines that the appropriation in this paragraph
9.22	is an eligible use of the coronavirus relief federal fund.
9.23	(d) If the commissioner of management and budget determines the appropriation in
9.24	paragraph (c) is not an allowable use of the funds under federal law, the appropriation in
9.25	paragraph (c) is canceled. If the commissioner of management and budget determines at
9.26	any date before April 15, 2021, that an amount less than the amount appropriated in paragraph
9.27	(c) can be spent by April 15, 2021, the commissioner may cancel the balance of the
9.28	appropriation that has been estimated will not be spent. Funds canceled under this paragraph
9.29	remain available for other uses permitted under federal law.
9.30	EFFECTIVE DATE. This section is effective the day following final enactment.
