2 following:

3  
4 "(2) (a) For any school year in which the amount appropriated and expended for pupil  
5 transportation under section 163.161 falls below one hundred percent of the projected amount  
6 necessary to fully fund the cost for transporting pupils under 163.161, each charter school and each  
7 school district having one or more resident pupils in a charter school shall calculate actual  
8 transportation costs, based upon the number of students in that district or charter school that use  
9 school transportation.

10 (b) The district and charter school shall compare the actual transportation cost under  
11 paragraph (a) of this subdivision to the amount of transportation funding provided by the state to  
12 that school district and the charter school for the cost of transporting pupils as provided in section  
13 163.161.

14 (c) The school district shall distribute an amount from the local aid equal to the amount  
15 calculated in paragraph (b) of this subdivision to charter schools and public school entities in the  
16 district that provide school transportation. The distribution of local aid under this paragraph shall  
17 occur in the same manner as provided in section 163.161.

18 (d) The calculations made under this subdivision shall occur before all other calculations  
19 required in this subsection."; and
