2 by inserting after all of said line the following:

3       "227.106. 1. Any contract awarded for construction,  
 4 maintenance, or repair work on Interstate 70 shall require  
 5 the entity awarded the contract to provide for access to  
 6 licensed child care for children in the care or custody of  
 7 its workers during any time in which the work is being  
 8 performed, and for sufficient time prior to and following  
 9 performance of the work each day to allow workers to drop  
 10 off and pick up the children.

11       2. The department of transportation shall not accept  
 12 any bid for construction, maintenance, or repair work on  
 13 Interstate 70 unless it determines child care will be  
 14 accessible to workers under the contract, and that such care  
 15 will be available:

16       (1) At a cost that is accessible to low- and medium-  
 17 income households;

18       (2) In a convenient location;

19       (3) During hours that meet workers' needs and grant  
 20 workers confidence that they will not need to miss work for  
 21 unexpected child care issues; and

22       (4) In a safe and healthy environment that families  
 23 can trust.

24       3. Any request for qualifications submitted by an

29 that are responsive to its workers' child care needs such as  
30 access at extended hours, and how the entity will address  
31 supply and demand constraints on child care. The entity  
32 shall be encouraged to develop child care plans in  
33 conjunction with community stakeholders, including state and  
34 local governments, and local groups with expertise in  
35 administering child care.

36 4. The department of transportation shall promulgate  
37 rules as necessary for the implementation of this section.  
38 Any rule or portion of a rule, as that term is defined in  
39 section 536.010, that is created under the authority  
40 delegated in this section shall become effective only if it  
41 complies with and is subject to all of the provisions of  
42 chapter 536 and, if applicable, section 536.028. This  
43 section and chapter 536 are nonseverable and if any of the  
44 powers vested with the general assembly pursuant to chapter  
45 536 to review, to delay the effective date, or to disapprove  
46 and annul a rule are subsequently held unconstitutional,  
47 then the grant of rulemaking authority and any rule proposed  
48 or adopted after August 28, 2023, shall be invalid and  
49 void."; and

50 Further amend the title and enacting clause accordingly.
