In response to similar legislation from 2023, SB 394, officials from the **Office of State Courts Administrator (OSCA)** stated there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials from the **Attorney General’s Office**, the **Missouri Department of Transportation**, the **Department of Revenue**, the **Office of Administration**, the **Missouri Office of Prosecution Services** and the **Office of the State Public Defender** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.
