## FISCAL ANALYSIS

### ASSUMPTION

#### §571.030 – Improperly transporting or storing a firearm in a motor vehicle

Officials from the **Office of Attorney General (AGO)** assume any additional litigation costs arising from this proposal can be absorbed with existing personnel and resources. However, the AGO may seek additional appropriations if there is a significant increase in litigation.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of the State Public Defender (SPD)** state per the recently released National Public Defense Workload Study, the new charge contemplated by this change to Section 571.030 would take approximately twenty-two hours of SPD work for reasonably effective representation. Representation in one hundred cases under this section would result in a need for an additional attorney. Because the number of cases that will be filed under this statute is unknown, the exact additional number of attorneys necessary is unknown. Each case would also result in unknown increased costs in the need for core staff, travel and litigation expenses.

**Oversight** assumes this proposal will create a minimal number of new cases and that the SPD can absorb the additional caseload required by this proposal with current staff and resources. Therefore, Oversight will reflect no fiscal impact to the SPD for fiscal note purposes. However, if multiple bills pass which require additional staffing and duties, the SPD may request funding through the appropriation process.

Officials from **Department of Corrections**, the **Department of Natural Resources**, the **Department of Public Safety – (Capitol Police and Missouri Highway Patrol)**, the **Missouri Department of Conservation**, the **Missouri Department of Transportation**, the **Missouri National Guard**, the **Missouri Office of Prosecution Services**, the **Office of Administration**, the **Office of the State Courts Administrator**, the **Phelps County Sheriff's Department**, and the **Kansas City Police Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other local law enforcement were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

<u>FISCAL IMPACT – State Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027

<u>FISCAL IMPACT – Local Government</u>	FY 2025 (10 Mo.)	FY 2026	FY 2027
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
