FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Budget and Planning (B&P)** note this proposal:

- Has no direct impact on B&P.
- Has no direct impact on general or total state revenues.
- Will not impact the calculation pursuant to Art. X, Sec. 18(e)

B&P defers to the local governments for the fiscal impact.

Officials from the **Greene County Clerk** assume the only cost for the County Clerk's Office is ballot titling. For ballot titling, there is no cost. However, with ballot titling can come legal issues. Therefore, the county estimates the County Clerk's Office legal counsel for court appearances, etc. for any ballot titling challenges. The legal counsel rate is \$240 an hour. An estimate of a minimum of 8 hours would be \$1,920.

Officials from the **City of Kansas City** assume this proposed legislation has a negative fiscal impact of an indeterminate amount.

Oversight assumes local political subdivisions could absorb costs related to this proposal.

Officials from the **Department of Revenue** and the **State Tax Commission** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **City of Springfield, Jackson County Election Authority, Kansas City Bec, Platte County Election Authority, St. Louis City BEC, St. Louis County Election Authority, Newton County Health Department, Eureka Fire Protection District (EURE) - St. Louis,** and the **Cole Camp Ambulance District** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the

General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Oversight does not anticipate a fiscal impact from this proposal. However, Oversight received a limited number of responses from local political subdivisions related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other local political subdivisions were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
