

HB 1567 -- MUNICIPAL CEMETERY MAINTENANCE

SPONSOR: Kelley (127)

This bill specifies that if the net income from a trust fund or funds created to maintain and beautify a cemetery is not sufficient to support the preservation, care, upkeep, or adornment of a cemetery, the city, town, or village governing body may only use as much of the principal as the governing body deems necessary for the purpose of basic maintenance to control the growth of grass and weeds.
