

HB 1594 -- MOTOR FUEL

SPONSOR: Walsh (50)

Currently, an additional tax on motor fuel began with 2.5 cents in October 2021, and will increase by 2.5 cents in each fiscal year until reaching an additional 12.5 cents per gallon on July 1, 2025.

This bill repeals this and the subsequent motor fuel tax increases in current law along with the tax exemption for the motor fuel and the refund associated with the exemption.
