

HB 1599 -- REMOVAL OF COURT RECORDS

SPONSOR: Falkner

This bill specifies that a parent, spouse, child, or personal representative of a person who was convicted of a misdemeanor offense may petition the court to have the record of the offense removed from any automated case management system if the person has been deceased for six months or more. The petition must be accompanied by a copy of a death certificate. Before removing the record from the system, the court will determine whether any person would be unfairly prejudiced by having such record removed from the system.

This bill is the same as HB 972 (2021).
