

HB 1628 -- COST-SHARING UNDER HEALTH BENEFIT PLANS

SPONSOR: Wright

This bill provides that when calculating an enrollee's overall contribution to an out-of-pocket maximum or any cost-sharing requirement under a health benefit plan, a health carrier or pharmacy benefits manager must include any amounts paid by the enrollee or paid on behalf of the enrollee only for medication where a generic substitute is not available.

This bill is similar to HCS HB 442 (2023).
